RULES FEI WORLD REINING RANKINGS 2016

The FEI World Reining Rankings will determine the best individual Senior, Young Rider and Junior Athletes in the discipline each year.

The FEI World Reining Rankings points can be earned at CRI3* and above for Seniors, Young Riders and Juniors (each in their respective classes), held from 1 January to 31 December for each calendar year.

Athletes may compete in all competitions but only the results of the best four events will count for the overall classification.

5 bonus points are awarded for CRIO3*s and FEI Reining Championships results.

The winner of the series, in each category, will be the Athlete receiving the highest number of points in four events maximum.

Should a tie for points exist between Athletes for any placing in the overall classification, the Athlete with the greatest number of wins will be decisive. In case of a further tie the Athlete with the greatest number of second places will be decisive and so on until there are no Athletes equal on points.

Athletes in each competition will receive points as shown in the table below.

Only CRI3* and above in which 4 athletes compete will count for points.

POINT SYSTEM

The following points system will apply for the 2016 FEI World Reining Rankings based on the number of starters at each Competition.

An Athlete, if starting with more than one horse in a Competition, may only gain points on his/her highest scoring horse.
