INTRODUCTION

INTRODUCTION

Preface

These **Equine Anti-Doping and Controlled Medication Regulations** (hereinafter "*EADCM Regulations*" or "*Regulations*") are adopted and implemented in conformity with the undertakings of the FEI in the spirit of the *World Anti-Doping Code* (~~2009~~2015 version) with respect to the *EAD Rules* and otherwise with deference to the findings of the "Joint Commission", notably the Clean Sport Commission, Chaired by Professor Arne Ljungqvist (hereinafter "Ljungqvist Commission") which was initiated by FEI Athletes in September 2008 who stepped forward to identify a problem, and the Stevens Commission, chaired by Lord Stevens. The findings of both Commissions were debated and ultimately harmonised to form the Joint Commission on 9 October 2009 in Copenhagen, Denmark. The *Equine Anti Doping Rules* (hereinafter "*EAD Rule*" or "*EAD Rules*"), the first chapter of the *EADCM Regulations*, shall apply to any violation alleged under the *EADCM Regulations* that involves a *Banned Substance* or *Banned Method*. Conversely, the *Equine Controlled Medication Rules* (hereinafter "*ECM Rule*" or "*ECM Rules*"), the second chapter of the *EADCM Regulations*, shall apply to any violation alleged under the *EADCM Regulations* that involves a *Controlled Medication Substance* or a *Controlled Medication Method*.

These *EADCM Regulations*, adopted in their original form by the General Assembly in November 2009 ~~and effective April 5, 2010~~, specifically incorporate the material findings of the Joint Commission. One of the most significant recommendations to emerge from the Commission was the suggestion to establish two (2) separate and distinct approaches to *Doping*, on the one hand, which is defined in the *EAD Rules* Articles 2.1-2.8; and *Controlled Medication*, on the other hand, as defined in the *ECM Rules*. Consequently, these two (2) categories of rules are being presented in one comprehensive Rule book, in separate chapters, for ease of use and understanding. This new approach brings with it a change in the applicable terminology. Going forward, any substance prohibited by the *EADCM Regulations* will be referred to as a *Prohibited Substance* which is now meant to be the umbrella term. However, substances classified as *Doping* under the *EAD Rules* will be referred to as *Banned Substances* while substances classified as *Controlled Medication* under the *ECM Rules* will be referred to as *Controlled Medication Substances*.

EADCM Regulations are Sport Rules governing the conditions under which sport is performed. *Persons Responsible* (including *additional Persons Responsible*, see below) and their *Support Personnel* accept these *Regulations* as a condition of participation and involvement in FEI activities and shall therefore be bound by them. The introduction of *Support Personnel* into these *Regulations* is not entirely new as the FEI General Regulations have always provided for the opportunity to include an "additional Person Responsible" in the prosecution of a case where the factual circumstances have warranted that *Person's* inclusion. The incorporation and moderate expansion of the concept within the new *Regulations* is intended to ensure that all participants in equestrian sport who violate the *EADCM Regulations* will be held accountable. It is fundamental, however, that the inclusion of *Support Personnel* is in no way intended to lessen or shift the responsibility of the *Person Responsible*. The *Person Responsible* remains ultimately responsible, and thereby ultimately liable, for *EADCM* violations. Where appropriate, and only when the specific factual circumstances so warrant, *Support Personnel* will be held additionally responsible.

EADCM Regulations are not intended to be subject to or limited by the requirements and legal standards applicable to criminal proceedings or employment matters. The policies and minimum standards set forth in these *Regulations* represent the consensus of a broad

INTRODUCTION

spectrum of stakeholders with an interest in fair sport and *Horse* welfare and should be respected by all courts and adjudicating bodies.

Fundamental Rationale for the FEI's EADCM Regulations

Anti-Doping programs seek to preserve what is intrinsically valuable about sport. This intrinsic value is often referred to as "the spirit of sport"; it is the essence of Olympism; it is how we play true. The spirit of sport is the celebration of the human spirit, body and mind, and is ~~characterized by~~ reflected in the following values we find in and through sport, including:

- Ethics, fair play and honesty
- Health
- Excellence in performance
- Character and education
- Fun and joy
- Teamwork
- Dedication and commitment
- Respect for rules and laws
- Respect for self and other participants
- Courage
- Community and solidarity

Doping is fundamentally contrary to the spirit of sport.

Scope

These revised *EADCM Regulations* are effective as of 1 ~~April 2010~~ January 2015. They must be read in conjunction with the *FEI Statutes*, *General Regulations*, *Veterinary Regulations*, *Internal Regulations of the FEI Tribunal*, the *FEI Standard for Laboratories*, and any other applicable rules or regulations.

These *EADCM Regulations* shall apply to the *FEI*, each *National Federation*, and each *Person Responsible* and their *Support Personnel* by virtue of their membership in, accreditation by, or participation in the *FEI* or *National Federation*, or in their activities, *Competitions* or *Events*.

To be eligible for participation in *FEI Events*, a *Person Responsible* or *Horse* must be registered with the *FEI* and be a registered member of an *FEI National Federation*, unless special circumstances under the *FEI* General Regulations allow otherwise.

Each *National Federation* shall guarantee that all registered *Persons Responsible*, members of their *Support Personnel* (where possible), and other *Persons* (where possible) under its jurisdiction accept the *Statutes*, *Regulations* and all rules of the *FEI*, including these *EADCM Regulations* and any other applicable rules or regulations.

These *EADCM Regulations* shall therefore apply to all *Doping* and *Medication Controls* over which the *FEI* or its *National Federations* have jurisdiction or have been delegated jurisdiction by another governing body, subject to Article 13.1 of both the *EAD Rules* and the *ECM Rules*. However, there may be modified versions of these rules for *Events* where minors are competing on borrowed *Horses*, if the circumstances so warrant and the *FEI Bureau* has approved such rules (such as for the *Youth Olympic Games*.) The *EADCM Regulations*, particularly as they apply to *Banned Substances (the EAD Rules)*, have intentionally been modeled after the ~~2009~~ 2015 *WADA Model Code* for human athletes. Conversely, the *ECM*

INTRODUCTION

Rules have been developed with special consideration for the need to administer responsible Controlled Medication Substances to *Horses* to ensure *Horse* welfare and the highest levels of professionalism. Given the clear distinction between *Doping* and *Medication* established by the two separate chapters of the *EADCM Regulations* – the *EAD Rules* (Chapter I) and the *ECM Rules* (Chapter II) – a Veterinary Form (see FEI Veterinary Regulations) shall only be available in connection with a *Controlled Medication Substance* under the *ECM Rules* and not in connection with a *Banned Substance* under the *EAD Rules*.

Note: The masculine gender used in relation to any physical person (for example, names such as Person Responsible, Athlete, *Owner*, Judge, Technical Delegate, Official, Chef d'Equipe, or pronouns such as he, they or them) shall, unless there is a specific provision to the contrary, be understood as including the feminine gender.

EQUINE ANTI-DOPING RULES

ARTICLE 1 DEFINITION OF DOPING

Doping is defined as the occurrence of one or more of the *EAD Rule* violations set forth in Article 2.1 through Article 2.8 of these *EAD Rules*.

ARTICLE 2 EAD RULE VIOLATIONS

The purpose of Article 2 is to specify the circumstances and conduct which constitute EAD rule violations. Hearings in doping cases will proceed based on the assertion that one or more of these specific rules have been violated.

Persons Responsible and/or their *Support Personnel* shall be responsible for knowing what constitutes an *EAD Rule* violation and the substances and methods which have been included on the *Equine Prohibited Substances List* and identified as *Banned Substances* and *Banned Methods*.

Where *Banned Substances* or *Banned Methods* are involved, the following constitute *EAD Rule* violations:

2.1 The Presence of a *Banned Substance* and/or its *Metabolites* or *Markers* in a *Horse's Sample*

2.1.1 It is each *Person Responsible's* personal duty to ensure that no *Banned Substance* is present in the *Horse's* body. *Persons Responsible* are responsible for any *Banned Substance* found to be present in their *Horse's Samples*, even though their *Support Personnel* will be considered additionally responsible under Articles 2.2 - 2.8 below where the circumstances so warrant. It is not necessary that intent, Fault, negligence or knowing *Use* be demonstrated in order to establish an *EAD Rule* violation under Article 2.1.

2.1.2 Sufficient proof of an *EAD Rule* violation under Article 2.1 is established by either any of the following: (i) presence of a *Banned Substance* and/or its *Metabolites* or *Markers* in the *Horse's A Sample* where the *Person Responsible* waives analysis of the *B Sample* and the *B Sample* is not analysed; or, (ii) where the *Horse's B Sample* is analysed and the analysis of the *Horse's B Sample* confirms the presence of the *Banned Substance* and/or its *Metabolites* or *Markers* found in the *Horse's A Sample*. An *Adverse Analytical Finding* may be established by a positive blood or urine *Sample*.

2.1.3 Excepting those *Banned Substances* for which a quantitative threshold is specifically identified in the *Equine Prohibited Substances List*, the presence of any quantity of a *Banned Substance* and/or its *Metabolites* or *Markers* in a *Horse's Sample* shall constitute an *EAD Rule* violation.

2.1.4 As an exception to the general rule of Article 2.1, the *Equine Prohibited Substances List* or the *FEI Standard for Laboratories* may establish special criteria for the evaluation of *Banned Substances* that can also be produced endogenously.

2.2 Use or Attempted Use of a Banned Substance or a Banned Method.

2.2.1 It is each *Person Responsible's* personal duty, along with members of their *Support Personnel*, to ensure that no *Banned Substance* enters into the *Horse's* body- and that no *Banned Method* is *Used*. Accordingly, it is not necessary that intent, fault, negligence or knowing *Use* on the part of the *Person Responsible*, or member of his *Support Personnel* (where applicable), be demonstrated in order to establish an *EAD Rule* violation for *Use* of a *Banned Substance* or a *Banned Method*. However, in accordance with the definition of *Attempt*, it is necessary to show intent in order to establish an *EAD Rule* violation for *Attempted Use* of a *Banned Substance* or a *Banned Method*.

2.2.2 The success or failure of the *Use* or *Attempted Use* of a *Banned Substance* or a *Banned Method* is not material. It is sufficient that the *Banned Substance* or *Banned Method* was *Used* or *Attempted* to be *Used* for an *EAD Rule* violation to be committed.

2.3 Evading, Refusing or Failing to Submit to Sample Collection

Evading *Sample* collection, or without compelling justification, refusing or failing to submit to *Sample* collection after Notification (in accordance with the FEI Veterinary Regulations) or to comply with all *Sampling* procedure requirements including signing the *Sampling* form or otherwise evading *Sample* collection.

It is each *Person Responsible's* personal duty to ensure that if the *Horse* with/on which they competed or will compete is selected for *Sampling* and a notification of *Sampling* in accordance with the FEI Veterinary Regulations has taken place, such *Horse* is submitted to *Sample* collection and that all *Sampling* procedure requirements are met.

Accordingly, although it is permissible for the *Person Responsible* to delegate the submission and supervision of the *Horse* to a third party, the *Person Responsible* remains responsible for the *Horse* throughout the *Sample* collection process and for:

- (i) any evasion of *Sample* collection; and/or
- (ii) any refusal or failure, without compelling justification, to submit the *Horse* to *Sample* collection; and/or
- (iii) any failure to comply with any or all of the *Sampling* procedure requirements, including signing the *Sampling* form.

It is not necessary to demonstrate intent, fault, negligence or knowledge in relation to any delegation relating to the *Sampling* process or to the acts of a relevant third party in order to establish an *EAD Rule* violation under this Article 2.3.

2.4 *Tampering, or Attempted Tampering with any part of Doping Control.*

2.5 *Administration or Attempted Administration of a Banned Substance.*

2.6 Possession of a Banned Substance(s) or a Banned Method(s).

This bans the *Persons Responsible* and members of their *Support Personnel* from *Possessing Banned Substances* or *Banned Methods*, unless he demonstrates compelling justification for the *Possession* (This section should be read in conjunction with the definition of *Possession* set forth in Appendix 1).

2.7 Trafficking or Attempted Trafficking in any Banned Substance or Banned Method.

2.8 Complicity

Assisting, encouraging, aiding, abetting, covering up or any other type of complicity involving an *EAD Rule* violation or any *Attempted EAD Rule* violation.

2.9 Prohibited Association

Association by a *Person Responsible* subject to the authority of the FEI in a professional or sport-related capacity with any *Support Person* who:

2.9.1 If subject to the authority of the FEI, is serving a period of *Ineligibility*; or

2.9.2 If not subject to the authority of the FEI and where *Ineligibility* has not been addressed in a results management process pursuant to the *Code*, has been convicted or found in a criminal, disciplinary or professional proceeding to have engaged in conduct which would have constituted a violation of anti-doping rules if *Code*-compliant rules had been applicable to such *Person*. The disqualifying status of such *Person* shall be in force for the longer of six years from the criminal, professional or disciplinary decision or the duration of the criminal, disciplinary or professional sanction imposed; or

2.9.3 Is serving as a front or intermediary for an individual described in Article 2.9.1 or 2.9.2.

In order for this provision to apply, it is necessary that the *Person Responsible* has previously been advised in writing by the FEI of the *Support Person's* disqualifying status and the potential *Consequence* of prohibited association and that the *Person Responsible* or other *Person* can reasonably avoid the association. The FEI shall also use reasonable efforts to advise the *Support Person* who is the subject of the notice to the *Person Responsible* or other *Person* that the *Support Person* may, within 15 days, come forward to FEI to explain that the criteria described in Articles 2.9.1 and 2.9.2 do not apply to him or her. (Notwithstanding Article 16, this Article applies even when the *Support Person's* disqualifying conduct occurred prior to the effective date provided in Article 16.)

The burden shall be on the *Person Responsible* to establish that any association with the *Support Person* described in Article 2.9.1 and 2.9.2 is not in a professional or sport-related capacity.

ARTICLE 3 PROOF OF *EAD* RULE VIOLATIONS

3.1 Burdens and Standards of Proof

The FEI shall have the burden of establishing that an *EAD Rule* violation has occurred. The standard of proof shall be whether the *FEI* has established an *EAD Rule* violation to the comfortable satisfaction of the *Hearing Panel* bearing in mind the seriousness of the allegation which is made. This standard of proof in all cases is greater than a mere balance of probability but less than proof beyond a reasonable doubt. Where these *EAD Rules* place the burden of proof upon the *Persons Responsible* and/or member of their *Support Personnel* to rebut a presumption or establish specified facts or circumstances, the standard of proof shall be by a balance of probability, except where a different standard of proof is specifically identified.

3.2 Methods of Establishing Facts and Presumptions

Facts related to *EAD Rule* violations may be established by any reliable means, including admissions. The following rules of proof shall be applicable in *Doping* cases brought under these *EAD Rules*:

3.2.1 *FEI*-approved *Laboratories* are presumed to have conducted *Sample* analysis and custodial procedures in accordance with the *FEI Standard for Laboratories*. The *Person Responsible* and/or member of the *Support Personnel* who is alleged to have committed the *EAD Rule* violation may rebut this presumption by establishing by a balance of probability that a departure from the *FEI Standard for Laboratories* occurred which could reasonably have caused the *Adverse Analytical Finding*.

If the preceding presumption is rebutted by showing that a departure from the *FEI Standard for Laboratories* occurred which could reasonably have caused the *Adverse Analytical Finding*, then the *FEI* shall have the burden to establish that such departure did not cause the *Adverse Analytical Finding*.

3.2.2 Departures from another *FEI* standard, *FEI* Rule or Regulation, *FEI Manual* or policy which did not by a balance of probability cause an *Adverse Analytical Finding* or other *EAD Rule* violation shall not invalidate such results. If the *Person Responsible* and/or member of the *Support Personnel* (where applicable) establishes, by a balance of probability, that a departure from another *FEI* standard, *FEI* Rule or Regulation, *FEI Manual* or policy could reasonably have caused the *EAD Rule violation based on the* *Adverse Analytical Finding* or other *EAD Rule* violation, then the *FEI* must prove that the departure did not cause the *Adverse Analytical Finding* or the factual basis for the *EAD Rule* violation.

3.2.3 The facts established by a *Decision* of a court or professional disciplinary tribunal of competent jurisdiction which is not the subject of a pending appeal shall be irrebuttable evidence against the *Person Responsible* and/or member of the *Support Personnel* to whom the *Decision* pertained with regards to the factual findings unless it can be established that the *Decision* violated principles of natural justice.

EQUINE ANTI-DOPING RULES

3.2.4 The *Hearing Panel* presiding over a case alleging an *EAD Rule* violation may draw an inference adverse to the *Person Responsible* and/or member of the *Support Personnel* (where applicable) who is asserted to have committed an *EAD Rule* violation based on the refusal, after a request made in a reasonable time in advance of the hearing, to appear at the hearing (either in person or telephonically as directed by the *FEI Tribunal*) in order to answer questions from the *Hearing Panel* or the *FEI*.

ARTICLE 4 THE EQUINE PROHIBITED SUBSTANCES LIST

4.1 Incorporation of the *Equine Prohibited Substances List*

These *EAD Rules* incorporate the *Equine Prohibited Substances List* (the "*List*") which is published and revised by the *FEI* from time to time. The *FEI* will publish the current *List* in such a manner that it is available to its members and constituents, including, but not limited to, publication on the *FEI* website.

4.2 Review and Publication of *Banned Substances* and *Banned Methods* Identified on the *List*

The *FEI* may revise the *List* from time to time but at least once annually by posting the new *List* on the *FEI* website, or via such other appropriate channel, but such new *List* shall not go into effect any sooner than ninety (90) days following its publication. Each new version of the *List* shall also be sent by email to *National Federations* and to *National Head FEI Veterinarians* at email addresses supplied by the *National Federations* and on file with the *FEI*. The *List* shall be published by the *FEI* at least once a year, with an opportunity for *National Federation* and stakeholder feedback. All Persons Responsible and/or member of the Support Personnel shall be bound by the Prohibited List, and any revisions thereto, from the date they go into effect, without further formality. It is the responsibility of all Persons Responsible and/or member of the Support Personnel to familiarize themselves with the most up-to-date version of the Prohibited List and all revisions thereto.

4.3 Substances and Methods included on the *List*

The *FEI's* categorization of a substance or method on the *List* as a *Banned Substance* or *Banned Method* (in particular, as opposed to a *Controlled Medication Substance* or *Method*) including any establishment of a threshold for a *Banned Substance* and/or the quantitative amount of such threshold shall be final and binding on all parties and shall not be subject to challenge by a *Person Responsible*, member of the *Support Personnel* or any other *Person* on any basis.

ARTICLE 5 TESTING

5.1 Authority to Test

All *Horses* registered with the *FEI* or a *National Federation*, or otherwise present or competing at an *International Event*, *National Event* or *Competition*, shall be subject to *In-Competition Testing* (a) by the *FEI* or by any other *Anti-Doping Organisation* responsible for *Testing* at a *Competition* or *Event* in the case of *International Events* and (b) in the case of *National Events*, by the *National*

EQUINE ANTI-DOPING RULES

Federation through which the *Horse* is registered, or by any other *Anti-Doping Organisation* responsible for *Testing* at a *Competition* or *Event*.

The *FEI* or its assignees or agents shall be exclusively responsible for *Testing* at *International Events* and no other body may conduct *Testing* at *International Events* without the *FEI's* express written permission. Each *National Federation* or its assignees or agents, shall be exclusively responsible for *Testing* at its *National Events*, and no other body may conduct *Testing* at *National Events* without the *National Federation's* express written permission. National Federations are responsible for *Results Management* arising from *Testing* at *National Events* but are obligated to promptly report any positive findings to the *FEI* that have been notified as anti-doping rule violations unless doing so would contravene national law.

All *Horses* registered with the *FEI* or a *National Federation* shall be subject to intelligence based *Out-of-Competition Testing* by the *FEI*. Nothing in these Rules shall preclude any *National Federation* from adopting its own *Out-of-Competition Testing* protocols, subject to Article 13.1.

5.2 Responsibility for *FEI Testing*

The *FEI Veterinary Department* shall be responsible for overseeing all *Testing* conducted by the *FEI*. *Testing* may be conducted by the *Testing Veterinarians*, *Veterinary Delegate*, and/or by other qualified and authorised persons at a given *Event* or at such other place as authorised by these *EAD Rules*, the *FEI Veterinary Regulations*, or as authorised in writing by the *FEI Secretary General* or his or her designee(s).

5.3 Testing Standards

Testing conducted by or on behalf of the *FEI* shall be in substantial conformity with the *Testing* procedures set forth in the *FEI Veterinary Regulations* in effect at the time of *Testing*.

5.4 Selection of *Horses* to be Tested

5.4.1 The *FEI* shall determine the number of *Tests* to be performed and on which *Horses* they shall be performed.

5.4.2 In addition to the selection procedures set forth in Article 5.4.1 above, the *Veterinary Commission*, *Veterinary Delegate* and/or *Testing Veterinarians* may also select *Horses* for *Random Testing* and/or *Target Testing* in cooperation with the *Ground Jury* at *International Events*.

5.4.3. Each *National Federation* shall determine, within its jurisdiction, the number of *Tests* to be performed and on which *Horses* they shall be performed.

5.4.4. Nothing in these *EAD Rules* shall be construed to limit where the *FEI* is authorised to conduct *Testing* on *Horses In- Competition*.

ARTICLE 6 ANALYSIS OF SAMPLES

Samples collected under these *EAD Rules* and arising from *FEI Testing* are the property of the *FEI*. They shall be analysed in accordance with the following principles:

6.1 Use of Approved Laboratories

These *EAD Rules* incorporate the *FEI List of Approved Laboratories* which is published and revised by the *FEI* from time to time. The *FEI* shall send *Samples* for analysis only to these approved *Laboratories*, which are subject to the *FEI Standard for Laboratories*. The choice of *Laboratory* used for the *Sample* analysis of either or both the A and B *Sample* shall be determined exclusively by the *FEI*. However, the *Person Responsible* may elect to have the B *Sample* analysed at a different *Laboratory* than the one which performed the A *Sample* analysis. If such an election is made, the *FEI* shall select the B *Sample Laboratory* from the *FEI List of Approved Laboratories* and inform the *Person Responsible* accordingly.

6.2 Purpose of Collection and Analysis of Samples

Samples shall be analysed to detect *Banned Substances and Banned Methods*, all as set forth in the *List*. The *FEI* may also seek to detect other substances for research and monitoring purposes, as publicly announced by the *FEI* from time to time pursuant to a defined monitoring program. Samples may be collected and stored for future analysis.

6.3 Research on Samples

No *Sample* may be used for any purpose other than as described in Article 6.2 above, without the *Person Responsible's* written consent. Those *Samples* used for purposes other than as set forth in Article 6.2 (for example research) following written consent from the *Person Responsible* shall have all means of identification removed from the *Sample* so it cannot be traced back to a particular *Horse* or *Person Responsible*. All *Samples* shall be destroyed pursuant to the guidelines set forth in the *FEI Standard for Laboratories* and in no event later than the lapse of the Statute Of Limitations in Article 14 below.

6.4 Standards for Sample Analysis and Reporting

Laboratories shall analyse *Samples* and report results in conformity with the *FEI Standard for Laboratories*.

6.5 Retesting Samples

A *Sample* may be reanalysed for the purpose of Article 6.2 above at any time exclusively at the direction of the *FEI*. The circumstances and conditions for retesting *Samples* shall conform with the requirements of the *FEI Standard for Laboratories*. The retesting of *Samples* may lead to an *EAD Rule* violation only if the *Sample* was taken at the Olympic, Paralympic or World Equestrian Games and only if the *Banned Substance* or *Banned Method* was prohibited at the time the *Sample* was taken, all subject to Article 14.

6.6 Equestrian Community Integrity Unit

EQUINE ANTI-DOPING RULES

The *Equestrian Community Integrity Unit* (ECIU) shall have the power to conduct investigations arising from or related to these *EAD Rules* in order to protect the integrity of the FEI and equestrian sport, as set forth in the *FEI Statutes*. The refusal of a *Person Responsible* or member of the *Support Personnel* to cooperate with the *ECIU* may result in an adverse inference being drawn against that *Person* in any related *FEI Tribunal* proceeding. If the *Equestrian Community Integrity Unit* determines that it has a good faith basis to pose questions relating to any investigation to a *Person Responsible* or member of the *Support Personnel* and such *Person* refuses to answer such questions, he may be prohibited from participating in any *FEI* activities until such questions are answered to the satisfaction of the *ECIU*. Any *Person Responsible* or member of the *Support Personnel* may file a Protest to the *FEI Tribunal* under Article 163 of the *FEI* General Regulations arguing that he has a good faith basis to refuse answering such questions to the satisfaction of the *ECIU*.

ARTICLE 7 RESULTS MANAGEMENT

7.1 Results Management for Tests arising out of *FEI* Testing or other *EAD Rule* violations

Results management for *Tests* arising out of *FEI Testing* or other *EAD Rule* violations shall proceed as set forth below:

7.1.1 The results of all *Sample* analyses must be sent exclusively to the *FEI*, in a report signed by an authorised representative of the *Laboratory*. All communications must be conducted in such a way that the results of the *Sample* analyses are confidential.

7.1.2 Upon receipt of an ~~A *Sample*~~ *Adverse Analytical Finding*, the *FEI* shall conduct a review to determine whether there is any apparent departure from *Testing* procedures of the *FEI* Veterinary Regulations, the *FEI Standard for Laboratories* or another *FEI* standard, *FEI* Rule or Regulation, *FEI Manual* or policy that caused the *Adverse Analytical Finding*.

~~**7.1.3** If the initial review under Article 7.1.27.1.3~~ If (i) the review under Article 7.1.2 reveals an apparent departure from the *Testing* procedures of the *FEI* Veterinary Regulations, the *FEI Standard for Laboratories* or another *FEI* standard, *FEI* Rule or Regulation, *FEI Manual* or policy that caused the *Adverse Analytical Finding*, the entire test shall be considered negative, and/or (ii) upon the review, the *FEI* Decides not to bring forward the *Adverse Analytical Finding* as an *EAD Rule* violation, the *FEI* shall promptly *Notify* the *Person Responsible* and the *Owner* of the *Horse*.

7.1.4 If the review of an *Adverse Analytical Finding* under Article 7.1 does not reveal an apparent departure from the *Testing* procedures of the *FEI* Veterinary Regulations, the *FEI Standard for Laboratories* or another *FEI* standard, *FEI* Rule or Regulation, *FEI Manual* or policy that caused the *Adverse Analytical Finding*, the *FEI* shall promptly *Notify* the *Person Responsible* and the *Owner* of the *Horse* (if applicable) of:

(a) the *Adverse Analytical Finding*;

(b) the *EAD Rule* violated;

EQUINE ANTI-DOPING RULES

(c) the *Person Responsible's* and the *Owner* of the *Horse's* (if applicable) right to promptly request the analysis of the B Sample, or, failing such request, that the B Sample analysis may be deemed waived;

(d) the opportunity for the *Person Responsible* and the *Owner* of the *Horse* (if applicable) to elect to have the B Sample analysed at a different laboratory than the one which performed the A Sample analysis, such *Laboratory* to be chosen by the *FEI*, and the opportunity to send a representative (witness) to be present for the B Sample analysis within the time period specified in the *FEI Standard for Laboratories* unless allowing such representative or witness presents a threat to the integrity of the analysis process; ~~and. Where both the *Person Responsible* and the *Owner* have elected to have the B Sample analysed at a different laboratory than the one which performed the A Sample analysis and the other one has elected to have the B Sample analysed at the same laboratory as the one which performed the A Sample analysis, it shall be for the *FEI* to decide the question taking into account all relevant circumstances;~~

(e) the right of the *Person Responsible* and the *Owner* of the *Horse* (if applicable) to request copies of the A and B Sample (if applicable) *Laboratory Documentation Package* which includes information as specified in the *FEI Standard for Laboratories*;:

~~If, upon (f) the initial review, right of the *Person Responsible* and/or the *FEI* Decides not to bring forward the Adverse Analytical Finding as an EAD Rule violation, it shall so Notify request to the *FEI Tribunal* that Article 9.1 (Automatic Disqualification) be promptly applied where the B Sample Analysis confirms the A Sample Analysis or where the right to request the B Sample Analysis is waived;~~

~~(g) the *Person Responsible's* National Federation and the *Owner* of the *Horse's* right to request the hearing or, failing such request within the deadline specified in the notification, that the hearing may be deemed waived in accordance with Article 7.6.2;~~

~~7(h) the opportunity to provide a written explanation about the overall circumstances of the case or to dispute (within a specific deadline indicated in the notification) the assertion that an anti-doping rule violation has occurred;~~

~~(i) the opportunity to make an agreement with the *FEI* about the Consequences that are mandated by these EAD Rules or (where some discretion as to Consequences exists under these Anti-Doping Rules) that have been offered by the *FEI*, subject to the approval of the *FEI Tribunal* of such agreement;~~

~~(j) the imposition of a mandatory *Provisional Suspension* in accordance with Article 7.4.1-4;~~

~~(k) the imposition of an optional *Provisional Suspension* where the *FEI Tribunal* decides to impose it in accordance with Article 7.4.2;~~

EQUINE ANTI-DOPING RULES

(l) the opportunity to voluntarily accept a Provisional Suspension pending the resolution of the matter, in all cases where a Provisional Suspension has not been imposed;

(m) the opportunity to promptly admit the EAD Rule violation and consequently request that the early commencement of the period of Ineligibility in accordance with Article 10.10.2; and

(n) the opportunity to cooperate and provide substantial assistance in discovering or establishing an anti-doping rule violation.

7.1.5 Pursuant to Article 7.1.34 (d) above, within seven (7) days of receipt of the duly executed *Confirmatory Analysis Request Form (B Sample)*, the FEI will propose possible dates for such analysis. The *Person Responsible* and the *Owner* of the *Horse* (if applicable) may accept the *A Sample* analytical results by waiving the right to a *B Sample* analysis. The FEI may nonetheless elect at its discretion to proceed with the *B Sample* analysis. In such case, the *B Sample* analysis shall only be used to confirm the *A Sample Adverse Analytical Finding*. The *Person Responsible* and the *Owner* of the *Horse* (if applicable) is deemed to have waived his right to a *B Sample* analysis if he does not submit the *Confirmatory Analysis Request Form* within the stipulated time-limit in the *Notification*.

7.1.56 In addition to the *Person Responsible* and the *Owner* of the *Horse* (if applicable) and his/their representative (witness), a representative of the *National Federation(s)* involved as well as a representative of the FEI shall also be allowed to be present for the *B Sample* analysis. If *Notice* under Article 7.1.34 has not been carried out through the *National Federation*, the *National Federation* shall be informed in a timely manner by the FEI of the *Adverse Analytical Finding* and its right to attend the *B Sample* analysis.

7.1.67 If the *B Sample* proves negative, then the entire test shall be considered negative. The FEI shall be informed of the results confidentially and shall *Notify* the *Person Responsible* and the *Owner* of the *Horse* (if applicable).

7.1.78 ~~If a Banned Substance or the Use of a Banned Method is identified in the the B Sample analysis confirms the A Sample analysis,~~ the FEI shall be informed of the results confidentially and shall *Notify* the *Person Responsible* and the *Owner* of the *Horse* (if applicable).

7.1.89 The FEI may conduct any follow-up investigation as may be required. Upon completion of such follow-up investigation, if any, the FEI shall promptly *Notify* the *Person Responsible's National Federation* of the results of the follow-up investigation.

7.1.910 For the avoidance of doubt, an *Adverse Analytical Finding* confirmed by the *B Sample* analysis may result from blood or urine *Samples*, or any combination thereof (for example, a confirmatory *B Sample* analysis is valid if performed on a blood sample, even if the *A Sample Adverse Analytical Finding* arose from a urine *Test*, and vice-versa). In addition, and also for the avoidance of doubt, where the *A Sample* is positive for a *Threshold Banned Substance*, as it is quantitatively above the threshold level set for the *Banned Substance*, the *B Sample* shall be deemed to confirm the *A Sample* so long as the level of the

B *Sample* is also quantitatively above the threshold, even if the B *Sample* level varies quantitatively from the A *Sample* level.

7.1.4011 Where appropriate, the members of the *Support Personnel*, including the *Owner*, shall receive *Notification* of the *EAD Rule violation* and all relevant corresponding documents.

7.2 Review of Atypical Findings

In some circumstances Laboratories are directed to report the presence of *Banned Substances*, which may also be produced endogenously, as *Atypical Findings* subject to further investigation. Upon receipt of an A *Sample Atypical Finding*, the *FEI* shall conduct a review to determine whether there is any apparent departure from the *Testing* procedures, the *FEI Standard for Laboratories* or another *FEI* standard, *FEI Rule* or *Regulation*, *FEI Manual* or policy that caused the *Atypical Finding*. If that review does not reveal any departure that caused the *Atypical Finding*, the *FEI* and/or the *Equestrian Community Integrity Unit* shall conduct the required investigation. After the investigation is completed, the *Person Responsible*, and the *Owner* of the *Horse* (if applicable) and his or her *National Federation*, shall be *Notified* whether or not the *Atypical Finding* will be brought forward as an *Adverse Analytical Finding*. The *Person Responsible's National Federation* shall be *Notified* as provided in Article 7.1 *EAD Rules*.

7.2.1 The *FEI* will not provide *Notice* of an *Atypical Finding* until the investigation is completed and it has *Decided* whether it will bring the *Atypical Finding* forward as an *Adverse Analytical Finding*. However, if the *FEI* determines that the B *Sample* should be analysed prior to the conclusion of the investigation under Article 7.2, the *FEI* may conduct the B *Sample* analysis after supplying the *Person Responsible* and the *Owner* of the *Horse* (if applicable) with such *Notice* including a description of the *Atypical Finding* and the information described in Article 7.1.34 (b)-(e) above.

7.3 Review of Other *EAD Rule* Violations

For apparent *EAD Rule* violations that do not involve *Adverse Analytical Findings*, the *FEI* and/or the *Equestrian Community Integrity Unit* may conduct any necessary follow-up investigation and at such time as the *FEI* is satisfied that an *EAD Rule* violation has occurred, it shall then promptly *Notify* the *Person Responsible*, the *Owner* of the *Horse* (if applicable) and/or member of the *Support Personnel* (where applicable) of the *EAD Rule* which appears to have been violated and the basis of the violation.

7.4 Provisional Suspensions

7.4.1 The *FEI* shall provisionally suspend a *Person Responsible*, member of the *Support Personnel*, and/or the *Person Responsible's Horse* prior to the opportunity for a full hearing based on: (a) an admission that an *EAD Rule* violation has taken place (for the avoidance of doubt, an admission by any *Person* can only be used to provisionally suspend that *Person*); or (b) all of the following elements: (i) an *Adverse Analytical Finding* from the A *Sample* or A and B *Samples*; (ii) the review described

EQUINE ANTI-DOPING RULES

in Article 7.1.2 above; and (iii) the *Notification* described in Article 7.1.~~34~~ above.

7.4.2 The FEI may provisionally suspend a *Person Responsible*, member of the Support Personnel, and/or the *Person Responsible's* Horse prior to the opportunity for a full hearing based on evidence that a violation of these EAD Rules is highly likely to have been committed by the respective Person.

7.4.3 If a *Provisional Suspension* is imposed by the FEI, either the hearing in accordance with Article 8 below shall be advanced to a date which avoids substantial prejudice to the Person alleged to have committed the EAD Rule violation, or such Person shall be given an opportunity for a *Preliminary Hearing* either on a timely basis after imposition of the *Provisional Suspension* or before imposition of the *Provisional Suspension* in order to show cause why the *Provisional Suspension* should not be imposed (or should be lifted). Where a *Horse* is provisionally suspended, the *Owner* shall also have the right to request a *Preliminary Hearing*.

7.4.~~2-4~~ The *Provisional Suspension* shall be maintained unless the *Person* requesting the lifting of the *Provisional Suspension* establishes to the comfortable satisfaction of the *FEI Tribunal* that:

(i) the allegation that an *EAD Rule* violation has been committed has no reasonable prospect of being upheld, e.g., because of a material defect in the evidence on which the allegation is based; or

(ii) the *Person* can demonstrate that the evidence will show that he bears *No Fault or No Negligence* for the *EAD Rule* violation that is alleged to have been committed, so that any period of *Ineligibility* that might otherwise be imposed for such offence is likely to be completely eliminated by application of Article 10.4.~~4~~ below or that 10.4.~~25~~ applies and the *Person* can demonstrate that the evidence will show that he bears *No Significant Fault or Negligence* and that he has already been provisionally suspended for a period of time that warrants the lifting of the *Provisional Suspension* pending a final *Decision* of the *FEI Tribunal*; or

(iii) exceptional circumstances exist that make it clearly unfair, taking into account all of the circumstances of the case, to impose a *Provisional Suspension* prior to the final hearing of the *FEI Tribunal*. This ground is to be construed narrowly, and applied only in truly exceptional circumstances. For example, the fact that the *Provisional Suspension* would prevent the *Person* or *Horse* competing in a particular *Competition* or *Event* shall not qualify as exceptional circumstances for these purposes.

The FEI may also request the lifting of the *Provisional Suspension*.

7.4.~~35~~ If a *Provisional Suspension* is imposed based on an A *Sample Adverse Analytical Finding* and a subsequent B *Sample* analysis (if requested) does not confirm the A *Sample* analysis, then the *Person(s)* alleged to have committed

EQUINE ANTI-DOPING RULES

the *EAD Rule* violation and his member of the *Support Personnel*, and/or *Horse* shall not be subject to any further *Provisional Suspension* on account of a violation of Article 2.1 above (Presence of a *Banned Substance* and/or its *Metabolites* or *Markers*). In circumstances where the *Person Responsible* and/or his *Horse* has been removed from a *Competition* and/or *Event* based on a violation of Article 2.1 and the subsequent *B Sample* analysis does not confirm the *A Sample* finding, if it is still possible for the *Person Responsible* and his *Horse* to be re-entered without otherwise affecting the *Competition* and/or *Event*, the *Person Responsible* and his *Horse* may continue to take part in the *Competition* and/or *Event*.

7.4.46 After the imposition of a *Provisional Suspension* and ~~following a *Preliminary Hearing*~~ but prior to a final hearing, the *Person Responsible* and/or member of the *Support Personnel* (including *Owner*) can petition the *FEI Tribunal* for another *Preliminary Hearing* provided that new evidence exists that, if known at the time of the earlier *Preliminary Hearing*, may have satisfied the requirements of Article 7.4.2 above and may have lead to the lifting of the *Provisional Suspension*. Such petition must be made in writing to the *FEI Tribunal* and copied to the *FEI Legal Department* and must clearly establish the existence of such new evidence meeting this criterion. If the request for another *Preliminary Hearing* is granted by the *FEI Tribunal*, and provided that a *Preliminary Hearing* had already taken place at an earlier stage, the same *FEI Tribunal* member who presided over the prior *Preliminary Hearing* will *Decide* the new *Preliminary Hearing* request, unless exceptional circumstances prevent it from doing so, in which case another *FEI Tribunal* member will be appointed to conduct the new *Preliminary Hearing*. If another *Preliminary Hearing* is granted after the *Hearing Panel* has been constituted, any member of the *Hearing Panel* may conduct the *Preliminary Hearing*. *Preliminary Hearing Decisions* may be issued by the *FEI Tribunal* without reasons.

7.4.57 During a period of *Provisional Suspension*, no *Person Responsible* and/or member of the *Support Personnel* who themselves are provisionally suspended, or a *Horse* that is provisionally suspended, may participate in any capacity at an *Event*, or in a *Competition* or activity, or be present at an *Event* (other than as a spectator) that is authorised or organised by the *FEI* or any *National Federation* or in *Competitions* authorised or organised by any international or national level *Event* organisation.

7.5 Retirement from Sport

If a *Person Responsible* and/or member of the *Support Personnel* retires while a *Results Management* process is underway, the *FEI* retains jurisdiction to complete its *Results Management* process. If a *Person Responsible* and/or member of the *Support Personnel* retires before any *Results Management* process has begun, the *FEI* similarly has jurisdiction to conduct *Results Management*.

7.6 Resolution Without a Hearing

7.6.1 Agreement between Parties

At any time during the results management process the Person Responsible and/or member of the Support Personnel and/or Owner against whom an EAD Rule violation is asserted may admit that violation at any time, waive a hearing and may agree with the FEI on the Consequences that are mandated by these EAD Rules or (where some discretion as to Consequences exists under these EAD Rules) that have been offered by the FEI. The agreement shall be submitted to the FEI Tribunal for approval and, where approved by the FEI Tribunal, the final agreement shall state the full reasons for any period of Ineligibility agreed, including (if applicable), a justification for why the flexibility in Sanction was applied. Such agreement shall be considered as a decision for the case and will be reported to the parties with a right to appeal under Article 12.2.2 and published as provided in Article 13.3.

7.6.2 Waiver of Hearing

A Person Responsible and/or member of the Support Personnel and/or Owner may waive a hearing expressly.

Alternatively, if the Person Responsible and/or member of the Support Personnel and/or Owner against whom an EAD Rule violation is asserted fails to dispute that assertion within ten (10) days of Notification (or within any other deadline as may be imposed in a specific case) that such a violation is alleged, then he/she shall be deemed to have admitted the violation, to have waived a hearing, and to have accepted the Consequences that are mandated by these EAD Rules or (where some discretion as to Consequences exists under these EAD Rules) that have been offered by the FEI provided that FEI Tribunal approval has been provided.

7.6.3 In cases where Article 7.6.1 or Article 7.6.2 applies, a hearing before a hearing panel shall not be required. Instead the FEI Tribunal shall promptly issue a written decision confirming the commission of the EAD Rule violation and the Consequences imposed as a result, and setting out the full reasons for any period of Ineligibility imposed, including (if applicable) a justification for why the maximum potential period of Ineligibility was not imposed. The FEI shall send copies of that decision to other Anti-Doping Organizations with a right to appeal under Article 12.2.2, and shall Publicly Disclose that decision in accordance with Article 13.3.

ARTICLE 8 RIGHT TO A FAIR HEARING

8.1 Hearings before the FEI Tribunal

8.1.1 The FEI Tribunal shall Decide all cases involving violations of these EAD Rules.

~~8.1.2 When it appears, following the Results Management Process described in Article 7 above, that the FEI sends a Notice to a Person Responsible and/or a member of the Support Personnel and/or Owner asserting a violation of these EAD Rules have been violated, and the Person Responsible and/or member of the Support Personnel does not waive a hearing in accordance with Article 7.6.2~~

then the case shall be ~~submitted~~assigned to a *Hearing Panel* of the *FEI Tribunal* for hearing and adjudication.

8.1.3 Hearings pursuant to this Article shall be completed expeditiously following the completion of the Results Management or investigation process described in Article 7 above and the submission of all relevant evidence and pleadings by the parties. The *Person Responsible* and/or member of the *Support Personnel* (where applicable) alleged to have violated the *EAD Rules* shall cooperate promptly in the submission of such evidence and pleadings and in attendance at a hearing if requested by the *FEI Tribunal*.

8.1.4 The *Person Responsible* and/or member of the *Support Personnel* (including *Owner*) alleged to have violated the *EAD Rules* may attend the hearing under all circumstances.

8.1.5 A *Person Responsible* and/or member of the *Support Personnel* (where applicable) may acknowledge the *EAD Rule* violation and accept consequences consistent with Articles 9 and 10 below as proposed by the *FEI*.

~~**8.1.6** *Decisions of the FEI Tribunal may be appealed to the Court of Arbitration for Sport (CAS) as provided in Article 12 below.*~~

8.2 Principles for a Fair Hearing

All *Decisions* and hearings under these *EAD Rules* shall respect the following principles:

- (A) fair and impartial *Hearing Panel*;
- (B) the right to be represented by counsel (separately or together) at the *Person Responsible's* and/or member of the *Support Personnel's* (including *Owner's*) own expense;
- (C) The right to be fairly and timely informed of the asserted *EAD Rule* violation;
- (D) The right to respond to the asserted *EAD Rule* violation and resulting consequences;
- (E) The right of each party to present evidence (including, but not limited to any evidence the *FEI* obtains from the activities of the *Equestrian Community Integrity Unit*);
- (F) The right of each party to call and question witnesses (subject to the *Hearing Panel's* discretion to accept testimony by telephone or written submission);
- ~~(G) A timely hearing, subject to prompt and complete submissions by the parties;~~
- ~~(H) The *Person Responsible's* and/or member of the *Support Personnel's* (including *Owner*) right to an interpreter at the hearing if requested at least five (5) business days in advance of the hearing, with the *Hearing Panel* to~~

EQUINE ANTI-DOPING RULES

determine the identity and responsibility for the costs of the interpreter;
and

(1) A timely, written, reasoned *Decision*, specifically including an explanation for any period of *Ineligibility*.

~~8.3 Waiver of Hearing~~

~~The right to a hearing may be waived either expressly or by the *Person Responsible's* and/or member of the *Support Personnel's* (where applicable) failure to request a hearing within ten (10) days of *Notification* that such a violation is alleged. Where no hearing occurs, the *FEI Tribunal* shall issue a reasoned *Decision*.~~

8.3 Decisions

8.3.1 At the end of the hearing, or on a timely basis thereafter, the *FEI Tribunal* shall issue a written decision that includes the full reasons for the decision and for any period of *Ineligibility* imposed, including (if applicable) a justification for why the greatest potential *Consequences* were not imposed. The *FEI Tribunal* may decide to communicate the operative part of the decision to the parties, prior to the reasons. The decision shall be enforceable from such notification of the operative part by courier, facsimile and/or electronic mail.

8.3.2 If no appeal is brought against the decision, then (a) if the decision is that an anti-doping rule violation was committed, the decision shall be *Publicly Disclosed* as provided in Article 13.3.2; but (b) if the decision is that no anti-doping rule violation was committed, then the decision shall only be *Publicly Disclosed* with the consent of the *Person Responsible* and/or member of the *Support Personnel*. The *FEI* shall use reasonable efforts to obtain such consent, and if consent is obtained, shall *Publicly Disclose* the decision in its entirety or in such redacted form as the *Person Responsible* and/or member of the *Support Personnel* may approve.

The principles contained at Article 13.3.5 shall be applied in cases involving a *Minor*.

ARTICLE 9 AUTOMATIC *DISQUALIFICATION* OF INDIVIDUAL RESULTS

9.1 A violation of these *EAD Rules* in connection with a test in a given *Competition* automatically leads to the *Disqualification* of the result of the *Person Responsible* and *Horse* combination obtained in that *Competition* with all resulting *Consequences*, including forfeiture of any related medals, points and prizes. Where applicable, consequences to teams are detailed in Article 11 below.

Even if a Sanction is reduced or eliminated under Article 10 below, such reduction or elimination shall under no circumstances reverse the automatic *Disqualification of Individual Results* mandated by this Article 9.

9.2 In circumstances where the *Person Responsible* and *Owner* are informed of an *Adverse Analytical Finding* in accordance with Article 7.1 and

(i) the *B Sample* analysis confirms the *A Sample* analysis; or

(ii) the right to request the analysis of the *B Sample* is not exercised; and

(iii) where requested by the *FEI* and/or the *Person Responsible*,

the matter will be submitted to the *FEI Tribunal* who shall decide whether or not to apply Article 9.1 at that stage of the proceedings.

ARTICLE 10 SANCTIONS

10.1 *Disqualification of Results in the Event during which an EAD Rule Violation Occurs*

The following rules relating to the *Disqualification* of results will apply:

10.1.1 At the Olympic Games, Paralympic Games, *FEI* World Equestrian Games, *FEI* Championships for Seniors, and Regional Games:

An *EAD Rule* violation occurring during or in connection with an *Event* shall lead to *Disqualification* of all of the *Person Responsible's* individual results obtained in that *Event*, with any and all *Horses* with which the *Person Responsible* competed, with all Consequences (and the resulting consequences to teams as provided in Article 11), including forfeiture of all medals, points and prizes, except as provided in Article 10.1.4.

10.1.2 At Events other than those listed above: an *EAD Rule* violation occurring during or in connection with an *Event* may lead to *Disqualification* of all of the *Person Responsible's* individual results obtained in that *Event*, with any and all *Horses* with which the *Person Responsible* competed, with all consequences, including forfeiture of all medals, points and prizes, except as provided in Article 10.1.4. Where applicable, consequences to teams will take place as provided in Article 11).

10.1.3 Notwithstanding the above, for all Events, including but not limited to the Olympic and Paralympic Games, exceptional circumstances may be considered. Generally, and subject to 10.1.4 and 10.1.5 below, all Results from Competitions in which the *Person Responsible* or *Horse* participated prior to *Sample* collection shall be *Disqualified* unless it can be demonstrated that such Results were not likely to have been affected by the *EAD Rule* violation.

10.1.4 If the *Person Responsible* establishes that he bears *No Fault or Negligence* for the *EAD Rule* violation, the *Person Responsible's* individual results in the other *Competitions* shall not be *Disqualified* unless the *Person Responsible's* results in *Competitions* other than the *Competition* in which the *EAD Rule* violation occurred were likely to have been affected by the *Person Responsible's EAD Rule* violation.

10.1.5 In addition, the *Person Responsible's Horse* may also be *Disqualified* from the entire *Event* with all *Consequences*, including forfeiture of all medals,

EQUINE ANTI-DOPING RULES

points, and prizes even if earned while being ridden by someone other than the *Person Responsible*, if the *Horse's* results in *Competitions* other than the *Competition* in which the *EAD Rule* violation occurred were likely to have been affected by the *EAD Rule* violation.

10.2 *Ineligibility and Fine for Presence, Use or Attempted Use or Possession of Banned Substances and Banned Methods*

~~10.2.1~~ The ~~Sanction imposed period of Ineligibility~~ for a violation of ~~Article 2.1 (presence of a Banned Substance Articles 2.1, 2.2 or its Metabolites or Markers), Article 2.2 (Use or Attempted Use of a Banned Substance or a Banned Method) or Article 2.6 (Possession of a Banned Substance or a Banned Method)~~ shall be as follows ~~unless the conditions for eliminating, reducing, or increasing the Sanction provided in, subject to potential reduction or suspension pursuant to Articles 10.4 or, 10.5 are met.~~

~~First Violation: Two (2) or 10.6, the period of Ineligibility shall be two years Ineligibility.~~

~~A fine of CHF 15 up to CHF 15,000 unless fairness dictates otherwise, shall also be imposed~~ and appropriate legal costs.

~~Multiple Violations: As set forth in Article 10.6 below.~~

10.3 *Ineligibility for Other Rule Violations*

The Sanction for *EAD Rule* violations other than as provided in Articles 9, 10.1 and 10.2 above shall be as follows, ~~unless Articles 10.4, 10.5 or 10.6 are applicable:~~

~~10.3.1~~ For violations of ~~Article 2.3 (Refusing or Failing without compelling justification to Submit to Sample collection or to comply with all Sampling procedure requirements including signing the Sampling form or otherwise evading Sample collection), Article 2.4 (Tampering or Attempted Tampering with any part of Doping Control), Article 2.5 (Administration or Attempted Administration of a Banned Substance), Article 2.6 (Possession of Banned Substances or Banned Methods) or Article 2.8 (Assisting, encouraging, aiding, abetting, covering up or any other type of complicity involving an EAD Rule violation or any Attempted EAD Rule violation.)~~ the Sanction shall be as set forth in Articles 9 and 10.2 above, unless the conditions for eliminating, reducing or increasing the Sanction provided in Articles 10.4 or 10.5 are met.

~~10.3.1~~ For violations of ~~Articles 2.3 2.4 or 2.5, the period of Ineligibility shall be two years. A fine of up to CHF 15,000 shall also be imposed along with appropriate legal costs.~~

~~10.3.2~~ For violations of ~~Article 2.7 (Trafficking or Attempted Trafficking).~~ the period of *Ineligibility* ~~imposed~~ shall be a minimum of four ~~(4)~~ years up to lifetime *Ineligibility* ~~unless, depending on the seriousness of the violation.~~

An Article 2.5 or Article 2.7 violation involving a Minor shall be considered a particularly serious violation and, if committed by member of the Support Personnel, shall result in lifetime Ineligibility for the conditions provided in Article 10.4 are met. A Fine of CHF 25,000 shall also be imposed, unless fairness dictates otherwise, along with appropriate legal costs. In addition, significant violations of Articles Article 2.75 or 2.87 which may also violate non-sporting laws and regulations, shall be reported to the competent administrative, professional or judicial authorities.

10.3.3 For violations of Article 2.8, the period of Ineligibility imposed shall be up to two years, depending on the seriousness of the violation. A fine of up to CHF15,000 shall also be imposed along with appropriate legal costs.

10.3.5 For violations of Article 2.9, the period of Ineligibility shall be two years, subject to reduction down to a minimum of one year, depending on the Person Responsible and/or a member of the Support Personnel degree of Fault and other circumstances of the case.

10.4 Elimination or ~~Reduction of the~~ Period of Ineligibility ~~Based on Exceptional Circumstances~~

~~10.4.1~~ Where there is No Fault or Negligence

If the *Person Responsible* and/or member of the *Support Personnel* (where applicable) establishes in an individual case that he/*she* bears *No Fault or Negligence* for the *EAD Rule* violation, the otherwise applicable period of *Ineligibility* and other Sanctions (apart from Article 9) ~~may~~shall be eliminated in regard to such *Person*. When a *Banned Substance* and/or its *Metabolites* or *Markers* is detected in a *Horse's Sample* in violation of Article 2.1 (presence of a *Banned Substance*), the *Person Responsible* and/or member of the *Support Personnel* (where applicable) must also establish how the *Banned Substance* entered the *Horse's* system in order to have the period of *Ineligibility* and other Sanctions eliminated. In the event this Article is applied and the period of *Ineligibility* otherwise applicable is eliminated, the *EAD Rule* violation shall not be considered a violation for the limited purpose of determining the period of *Ineligibility* for multiple violations under Article 10.68 below.

Article 10.4-2 only applies in exceptional circumstances. No Fault or Negligence does not apply in the following circumstances:

- (a) where the presence of the Banned Substance in a Sample came from a mislabeled or contaminated supplement. Persons Responsible are responsible for what their Horses ingest and have been warned about the possibility of supplement contamination.
- (b) the Administration of a Banned Substance by the Person Responsible's veterinary personnel or member of the Support Personnel without disclosure to the Person Responsible. Persons Responsible are responsible for their choice of veterinary personnel and Support Personnel and for advising veterinary personnel and Support Personnel that Horses cannot be given any Banned Substance at any time.

10.5 Reduction of the Period of Ineligibility based on No Significant Fault or Negligence

10.5.1 Contaminated Products

In cases where the Person Responsible and/or member of the Support Personnel can establish No Significant Fault or Negligence and that the detected Banned Substance came from a Contaminated Product, then the period of Ineligibility shall be, at a minimum, a reprimand and no period of Ineligibility, and at a maximum, two years Ineligibility, depending on such Person's and/or member of the Support Personnel's degree of Fault.

10.5.2. Application of No Significant Fault or Negligence beyond the Application of Article 10.5.1

If a *Person Responsible* and/or member of the *Support Personnel* (where applicable) establishes in an individual case that he bears *No Significant Fault or Negligence*, then the otherwise applicable period of *Ineligibility* and other Sanctions (apart from Article 9) may be reduced in regard to such *Person*, but the reduced period of *Ineligibility* may not be less than one-half of the period of *Ineligibility* otherwise applicable. If the otherwise applicable period of *Ineligibility* is a lifetime, the reduced period under this Article may be no less than eight (8) years. When a *Banned Substance* and/or its *Metabolites* or *Markers* is detected in a *Horse's Sample* in violation of Article 2.1 (presence of a *Banned Substance* or its *Metabolites* or *Markers*), the *Person* alleged to have committed the *EAD Rule* violation must also establish how the *Banned Substance* or its *Metabolites* or *Markers* entered the *Horse's* system in order to have the period of *Ineligibility* reduced.

10.4.3

10.6 Elimination, Reduction, or Suspension of Period of Ineligibility or other Consequences for Reasons Other than Fault

10.6.1 Substantial Assistance in Discovering or Establishing EAD Rule Violations

The *FEI Tribunal* may, prior to a final appellate *Decision* under Article 12 below or the expiration of the time to appeal, suspend a part or all of the period of *Ineligibility* imposed in an individual case where the *Person Responsible* and/or member of the *Support Personnel* has provided *Substantial Assistance* to the *FEI*, the *Equestrian Community Integrity Unit*, criminal authority or professional disciplinary body which results in (i) the *FEI* discovering or establishingbringing forward an *EAD Rule* violation by another *Person* or (ii) which results in a criminal or disciplinary body discovering or establishingbringing forward a criminal offence or the breach of professional rules by another *Person* and the information provided by such Person providing Substantial Assistance is made available to the FEI. Such *Substantial Assistance* must be independently corroborated in order to reduce the period of *Ineligibility* and under no circumstance should it amount only to blaming another *Person* or entity for the alleged *EAD Rule* violation. The extent to which the otherwise applicable period

of *Ineligibility* may be suspended shall be based on the seriousness of the *EAD Rule* violation committed and the significance of the *Substantial Assistance* provided in an effort to promote drug-free equestrian sport. In any event, no more than three-quarters of the otherwise applicable period of *Ineligibility* may be suspended. If the otherwise applicable period of *Ineligibility* is a lifetime, the non-suspended period under this section must be no less than eight (8) years. If the ~~FEI Tribunal subsequently reinstates any part of the suspended period of *Ineligibility* because the Person Responsible and/or member of the Support Personnel has failed~~ fails to continue to cooperate and to provide the complete and credible *Substantial Assistance* upon which a suspension of the period of *Ineligibility* was anticipated, based, the *FEI Tribunal* shall reinstate the *Person Responsible* and/or member original period of *Ineligibility*. If the ~~Support Personnel~~ *FEI Tribunal* decides to reinstate a suspended period of *Ineligibility* or decides not to reinstate a suspended period of *Ineligibility*, that decision may be appealed by any *Person* entitled to appeal the reinstatement pursuant to under Article 12-2.

10.4.46.2 Admission of an *EAD Rule* Violation in the Absence of Other Evidence

Where a *Person Responsible* and/or member of the *Support Personnel* voluntarily admits the commission of an *EAD Rule* violation before having received *Notice* of a *Sample* collection which could establish an *EAD Rule* violation (or, in the case of an *EAD Rule* violation other than Article 2.1, before receiving first *Notice* of the admitted violation pursuant to Article 7) and that admission is the only reliable evidence of the violation at the time of admission, then the period of *Ineligibility* may be reduced, but not below one-half of the period of *Ineligibility* otherwise applicable.

10.4.510.6.3 Prompt Admission of an Anti-Doping Rule Violation after being Confronted with a Violation Sanctionable under Article 10.2.1 or Article 10.3.1

A *Person Responsible* and/or member of the *Support Personnel* potentially subject to a two year sanction under Article 10.2.1 or 10.3.1 (for evading or refusing *Sample Collection* or *Tampering with Sample Collection*), by promptly admitting the asserted anti-doping rule violation after being confronted by the *FEI*, and also upon the approval and at the discretion the *FEI*, may receive a reduction in the period of *Ineligibility* down to a minimum of one half of the otherwise applicable period of *Ineligibility*, depending on the seriousness of the violation and the *Person Responsible* and/or member of the *Support Personnel's* degree of *Fault*.

10.6.4 Where a *Person Responsible* and/or member of the *Support Personnel* Establishes Entitlement to a Reduction in Sanction Under More than One Provision of this Article

If the *Person Responsible* and/or member of the *Support Personnel* establishes entitlement to a reduction or suspension of the period of *Ineligibility* under two (2) or more of Articles 10.4-2, 10.4-3 and 5 or 10.4-46, then the period of *Ineligibility* may be reduced or suspended, but not below one-quarter of the otherwise applicable period of *Ineligibility*.

10.57 Aggravating Circumstances Which May Increase the Period of Ineligibility

If the *FEI* establishes in an individual case involving an *EAD Rule* violation other than violations under Article 2.7 (~~Trafficking or Attempted Trafficking~~) that aggravating circumstances are present which justify the imposition of a period of *Ineligibility* greater than the standard sanction, then the period of *Ineligibility* otherwise applicable shall be increased up to a maximum of four ~~(4)~~ years unless the *Person Responsible* and/or member of the *Support Personnel* can prove to the comfortable satisfaction of the ~~Hearing Panel~~ *FEI Tribunal* that he/*she* did not knowingly commit the *EAD Rule* violation. The occurrence of multiple substances or methods may be considered as a factor in determining aggravating circumstances under this Article 10.7. The *Person Responsible* and/or member of the *Support Personnel* can avoid the application of this Article by admitting the *EAD Rule* violation as asserted promptly after being confronted by the *FEI* with the *EAD Rule Violation*.

10.68 Multiple Violations

~~10.68.1 Second EAD Rule Violation following an EAD Rule and/or EGM Rule Violation~~

~~For the *Person Responsible's* and/or member of the *Support Personnel's* first *EAD Rule* violation, the period of *Ineligibility* is set forth in Articles 10.2 and 10.3 (subject to elimination, reduction, or suspension under Article 10.4 or to an increase under Article 10.5). For a *Person Responsible* and/or member of the *Support Personnel's* second *EAD Rule* violation, the period of *Ineligibility* shall be increased by the *Hearing Panel*, taking into account the respective severity of both *EAD Rule* violations involved and the circumstances of the particular case. The period of *Ineligibility* shall be a minimum of eight (8) years up to a lifetime *Ineligibility* if, alternatively, (i) both *EAD Rule* violations were or should be sanctioned by the standard sanction of two (2) years under Articles 10.2 or 10.3.1, or (ii) at least one of the two *EAD Rule* violations was or should be sanctioned by an aggravated Sanction under Article 10.5 or by a Sanction under Article 10.3.2. In all other cases, the *Ineligibility* period shall be within the range of one (1) year to eight (8) years: the greater of:~~

~~Where a *Person Responsible* and/or member of the *Support Personnel* is found to have committed an *EAD Rule* violation after having committed an *EGM Rule* violation, this may be considered as a factor in determining aggravating circumstances under Article 10.5 above.~~

~~10.6.2 Application of Articles 10.4.3 and 10.4.4 to Second EAD Rule Violation~~

~~Where a *Person Responsible* and/or member of the *Support Personnel* who commits a second *EAD Rule* violation establishes entitlement to suspension or reduction of a portion of the period of *Ineligibility* under Article 10.4.3 or Article 10.4.4 above, the *Hearing Panel* shall first determine the otherwise applicable period of *Ineligibility* and then apply the appropriate suspension or reduction of the period of *Ineligibility*. The remaining period of *Ineligibility*, after applying any suspension or reduction under Articles 10.4.3 and 10.4.4 above, must be at least one-fourth of the otherwise applicable period of *Ineligibility*.~~

~~10.6.3 Third EAD Rule Violation following two EAD Rule Violations, two ECM Rule Violations or an EAD Rule and an ECM Rule Violation~~

~~(a) six months;~~

~~(b) one-half of the period of Ineligibility imposed for the first EAD Rule violation without taking into account any reduction under Article 10.6; or~~

~~(c) twice the period of Ineligibility otherwise applicable to the second EAD Rule violation treated as if it were a first violation, without taking into account any reduction under Article 10.6.~~

~~The period of Ineligibility established above may then be further reduced by the application of Article 10.6.~~

~~10.8.2~~ A third ~~EAD~~ anti-doping rule violation will always result in a lifetime period of *Ineligibility*, except if the third violation fulfills the condition for elimination or reduction of the period of *Ineligibility* under Article 10.4- ~~or 10.5,~~ or involves a violation of Article 2.4. In these particular cases, the period of *Ineligibility* shall be from eight ~~(8)~~-years to a lifetime ~~period of Ineligibility.~~

~~Where a~~ ~~10.8.3~~ An EAD violation for which an *Person Responsible* and/or member of the *Support Personnel* is found to have committed an EAD Rule violation after having committed

~~a) an EAD Rule violation and an ECM Rule violation has established No Fault or~~

~~b) two ECM Rule violations;~~

~~this will Negligence shall not~~ be considered as a factor in determining aggravating circumstances under Article 10.5 above a prior violation for purposes of this Article.

~~10.68.4~~ Additional ~~EAD~~ Rules for Certain Potential Multiple Violations

~~10.8.4.1~~ For purposes of imposing sanctions under Article 10.68, an EAD ~~Rule~~ violation will only be considered a ~~further~~ second violation if the FEI can establish that the Athlete or other Person Responsible and/or member of committed the second EAD Rule violation after the Support Personnel (where applicable) committed the prior violation after he Athlete or other Person received notice of the earlier violation pursuant to Article 7 ~~(Results Management)~~, or after the FEI made reasonable efforts to give notice of the earlier first anti-doping rule violation. If ~~the~~ FEI cannot establish this, the violations shall be considered together as one single first violation, and the sanction imposed shall be based on the violation that carries the more severe sanction. ~~However, the occurrence of multiple violations may be considered as a factor in determining aggravating circumstances under Article 10.5.~~

~~10.8.4.2~~ If, after the ~~resolution~~ imposition of a sanction for a first EAD Rule violation, ~~the~~ FEI discovers facts involving an EAD Rule violation by

the *Person Responsible* and/or member of the *Support Personnel* which occurred prior to notification regarding the first violation, then ~~the FEI Tribunal~~ shall impose an additional sanction based on the sanction that could have been imposed if the ~~further two~~ violations ~~would have had~~ been adjudicated at the same time. Results in all *Competitions* dating back to the earlier ~~EAD anti-doping~~ rule violation will be *Disqualified* as provided in Article ~~9 and 10.1. To avoid the possibility of a finding of aggravating circumstances (Article 10.5) on account of the earlier in time but later discovered violation, the Person Responsible and/or member of the Support Personnel must voluntarily admit the earlier EAD Rule violation on a timely basis after Notice of the violation for which he or she is first charged. The same rule shall also apply when the FEI discovers facts involving another prior violation after the resolution of a second EAD Rule violation~~ 10.8.

10.68.5 Multiple EAD Rule and/or ECM Rule Violations During ~~an Eight~~ Ten-Year Period

For purposes of Article ~~10.68~~, each *EAD Rule/ECM Rule* violation must take place within the same ~~eight (8)~~ ten year period in order to be considered multiple violations ~~or to be considered as aggravating circumstance~~.

10.68.6 Violations involving both a Controlled Medication Substance or Method and a Banned Substance or Method

Where a *Person Responsible* and/or member of the *Support Personnel* based on the same factual circumstances is found to have committed a violation involving both (a) *Controlled Medication Substance(s)* or (a) *Controlled Medication Method(s)* under the *ECM Rules* and (a) *Banned Substance(s)* or (a) *Banned Method(s)* under these *EAD Rules*, the *Person Responsible* and/or member of the *Support Personnel* shall be considered to have committed one *EAD Rule* violation and the Sanction imposed shall be based on the *Banned Substance* or *Banned Method* that carries the most severe Sanction. ~~The occurrence of multiple substances or methods may be considered as a factor in determining aggravating circumstances under Article 10.5 above.~~

10.79 Disqualification of Results in Competitions Subsequent to Sample Collection or Commission of an EAD Rule Violation

In addition to the automatic *Disqualification* of the results in the *Event/the Competition* which produced the positive *Sample* under Article ~~9 (Automatic Disqualification of Results)~~, all other competitive results obtained from the date a positive *Sample* was collected, or other *EAD Rule* violation occurred, through the commencement of any *Provisional Suspension* or *Ineligibility* period, shall, unless fairness requires otherwise, be *Disqualified* with all of the resulting consequences including forfeiture of any medals, points and prizes.

10.79.1 As a condition of regaining eligibility after being found to have committed an *EAD Rule* violation, the *Person Responsible* and/or member of the *Support Personnel* must first repay all prize money forfeited under this Article and any other fines and/or costs attributed to the violation which have

been ordered by the *FEI Tribunal* or otherwise accepted by the *Person Responsible*.

10.810 Commencement of *Ineligibility* Period

Except as provided below, the period of *Ineligibility* imposed on any *Person* or *Horse* shall start on the date of the *Decision* providing for *Ineligibility* or if the hearing is waived or there is no hearing, on the date *Ineligibility* is accepted or otherwise imposed or any other date specified by the *FEI Tribunal* in its *Decision*.

10.810.1 Delays Not Attributable to the *Person Responsible* or member of the *Support Personnel*

Where there have been substantial delays in the hearing process or other aspects of *Doping Control* not attributable to the *Person Responsible* and/or member of the *Support Personnel* alleged to have committed the *EAD Rule* violation, the *Hearing Panel* may start the period of *Ineligibility* at an earlier date commencing as early as the date of *Sample* collection or the date on which another *EAD Rule* violation last occurred. All competitive results achieved during the period of *Ineligibility* including retroactive *Ineligibility* shall be *Disqualified*.

10.810.2 Timely Admission

Where the *Person Responsible* and/or member of the *Support Personnel* (where applicable) promptly (which, for the *Person Responsible*, in all circumstances, means before the *Person Responsible* competes again) admits the *EAD Rule* violation after being confronted with the *EAD Rule* violation by the *FEI*, the period of *Ineligibility* may start as early as the date of *Sample* collection or the date on which another *EAD Rule* violation last occurred. In each case however where this Article is applied, the *Person* who committed the *EAD Rule* violation shall serve at least one-half of the period of *Ineligibility* going forward from the date *Ineligibility* is imposed or accepted.

~~10.8.3~~

10.10.3 Credit for Provisional Suspension or Period of *Ineligibility* Served.

If a *Provisional Suspension* is imposed and respected by the *Person Responsible* and/or member of the *Support Personnel*, or *Horse*, then a credit shall be received for such period of *Provisional Suspension* against any period of *Ineligibility* which may ultimately be imposed as determined by the *FEI Tribunal*. If a period of *Ineligibility* is served pursuant to a decision that is subsequently appealed, then the *Person Responsible* and/or member of the *Support Personnel* and/or *Horse* shall receive a credit for such period of *Ineligibility* served against any period of *Ineligibility* which may ultimately be imposed on appeal.

10.810.4 If a *Person Responsible* and/or member of the *Support Personnel* voluntarily accepts a *Provisional Suspension* in writing for himself, herself or the *Horse*, and thereafter refrains from participating in equestrian activities,

such *Person* or *Horse* shall receive a credit for such period of voluntary *Provisional Suspension* against any period of *Ineligibility* which may ultimately be imposed. A copy of the voluntary *Provisional Suspension* shall be provided promptly to each party entitled to receive *Notice* of ~~a potential~~ an asserted *EAD Rule* violation. If a *Provisional Suspension* is voluntarily accepted, it can only be lifted by *Decision* of the *FEI Tribunal*.

10.810.5 No credit against a period of *Ineligibility* shall be given for any time period before the effective date of the *Provisional Suspension* or voluntary *Provisional Suspension* regardless of whether the *Person* alleged to have committed the *EAD Rule* violation elected not to compete or was suspended by his team.

10.911.1 Prohibition Against Participation during *Ineligibility*

No *Horse*, *Person Responsible* and/or member of the *Support Personnel* who has been declared *Ineligible* may, during the period of *Ineligibility*, participate in any capacity at an *Event*, or in a *Competition* or activity that is authorised or organised by the *FEI* or any *National Federation* or be present at an *Event* (other than as a spectator) that is authorised or organised by the *FEI* or any *National Federation*, or participate in any capacity at an *Event* or in a *Competition* authorised or organised by any international or national-level *Event* organisation- or any elite or national-level sporting activity funded by a governmental agency. For FEI Disciplines only, all *National Federations* shall specifically incorporate Articles 2, 3, 4, and 8.2 of these *EAD Rules* into their anti-doping regulations without substantive change by January 1, ~~2011~~2016 and enforce them against their members, unless doing so would contravene any applicable national law. ~~For any National Federation that has had a system of national anti-doping rules in effect for at least five (5) years, such mandatory compliance may be delayed until January 1, 2012.~~ With regards to the other Articles of these *EAD Rules*, *National Federations*, to the extent they do not wish to incorporate them, shall adopt corresponding provisions which embody similar concepts and principles, especially with respect to Article 10. Nothing in these *EAD Rules* shall be interpreted to prevent a *National Federation* from conducting out-of-competition testing on national *Horses* as part of its national *Doping Control*.

13.2 Statistical Reporting

National Federations shall report to the FEI at the end of every year aggregated and anonymous results of all *Doping Controls* within their jurisdiction. Once a violation of these *EAD Rules* has been established, it shall be publicly reported in an expeditious manner via the FEI Case Status Table at www.fei.org unless another mechanism for publicly reporting the information is warranted at the discretion of the FEI. If the *Person Responsible* and/or member of the *Support Personnel* or the *National Federation* of any such *Person* makes information concerning an *EAD Rule* violation or alleged *EAD Rule* violation public prior to release of this information on the Case Status Table, the FEI may comment on such public information or otherwise publicly report the matter.

EQUINE ANTI-DOPING RULES

13.3.2 In any case where it is determined, after a hearing or appeal, that the *Person Responsible* and/or member of the *Support Personnel* did not commit an *EAD Rule* violation, the *Decision* may be ~~disclosed publicly~~ **Publicly Disclosed** only with the consent of the *Person* who is the subject of the *Decision*. The *FEI* shall use reasonable efforts to obtain such consent, and if consent is obtained, shall **Publicly Disclose** the *Decision* in its entirety or in such redacted form as such *Person* and *FEI* may jointly approve.

13.3.4 Neither the *FEI*, any *National Federation*, any *FEI* approved *Laboratory*, or any official of any of the above, shall publicly comment on the specific facts of a pending case (as opposed to a general description of process and science), except in response to public comments attributed to the *Person Responsible* and/or member of the *Support Personnel* or their representatives.

13.3.5 The mandatory *Public Reporting* required in Article 13.3.2 shall not be required where the *Person Responsible* and/or member of the *Support Personnel* who has been found to have committed an anti-doping rule violation is a *Minor*. Any optional *Public Reporting* in a case involving a *Minor* shall be proportionate to the facts and circumstances of the case.

Any *Decision* of the *FEI* regarding a violation of these *EAD Rules* shall be recognised and enforced by all *National Federations* (including with respect to *National Events*) and *National Federations* shall take all necessary action to implement any and all ramifications relating to such *Decisions*. Failure to do so may be considered a violation of these *EAD Rules* and the *FEI Statutes*.

ARTICLE 14 STATUTE OF LIMITATIONS

In the event of conflict with the *Statutes* or the General Regulations, the *Statutes* and the General Regulations shall apply, subject however, to the application by the *FEI Tribunal* of the legal principle of *lex specialis derogat legi generali* which provides that a specific provision should govern over a general provision. In the event of conflict with any other rules or regulations, these *EAD Rules* shall apply.
- 15.6** The time limits fixed under the present *EAD Rules* shall begin from the day after which *Notification* by the *FEI* is received. Official holidays and non-working days are included in the calculation of time limits. The ~~2010~~2015 *EAD Rules* shall have no application to any anti-doping rule violation case where a Final *Decision* finding an anti-doping rule violation has been rendered and the period of *Ineligibility* has expired.

They shall not apply retroactively to matters pending before the Effective Date; provided, however, that:

16.1.1 EAD Rule violations taking place prior to the Effective Date count as "first violations" or "second violations" for purposes of determining sanctions under Article 10 for violations taking place after the Effective Date.

EQUINE ANTI-DOPING RULES

16.1.2 The retrospective periods in which prior violations can be considered for purposes of multiple violations under Article 10.8.5 and the statute of limitations set forth in Article 14 are procedural rules and should be applied retroactively; provided, however, that Article 14 shall only be applied retroactively if the statute of limitations period has not already expired by the Effective Date. Otherwise, with respect to any EAD Rule violation case which is pending as of the Effective Date and any anti-doping rule violation case brought after the Effective Date based on an anti-doping rule violation which occurred prior to the Effective Date, the case shall be governed by the substantive anti-doping rules in effect at the time the alleged anti-doping rule violation occurred unless the FEI Tribunal or national arbitral panel deciding the case determines the principle of "lex mitior" appropriately applies under the circumstances of the case.

16.1.3 For purposes of assessing the period of *Ineligibility* for a second violation under Article 10.8.1, where the sanction for the first violation was determined based on rules in force prior to the Effective Date, the period of *Ineligibility* which would have been assessed for that first violation had these Anti-Doping Rules been applicable, shall be applied.

EQUINE CONTROLLED MEDICATION RULES

FEI Medication Code & Rationale for the ECM Rules

1. These *ECM Rules* have been adopted in recognition of the following fundamental imperatives of equestrian sport:
 - A central and distinctive feature of equestrian sport is that it involves a partnership between two types of athlete, one human and one equine. One of those partners is unable to speak for itself. It is therefore the FEI's responsibility to speak on its behalf, and to ensure that, at every stage of the governance, regulation, administration and practice of the sport, the welfare of the *Horse* is paramount.
 - This includes regulating the administration of *Controlled Medication Substances* to *Horses* involved in the sport to ensure *Horse* welfare and the highest levels of professionalism.
 - In particular, all treatments must be given in the best health and welfare interests of the *Horse*, and not for any other reasons.
 - No *Controlled Medication Substance* shall be given to any *Horse* during or close to an Event unless the appropriate FEI guidelines for medication authorisation have been followed.
 - Every treatment must be fully justifiable based on the medical condition of the *Horse* receiving the treatment.
 - *Horses* that cannot compete as a result of injury or disease must be given appropriate veterinary treatment and rest (or recovery period). *Persons Responsible* and their *Support Personnel* must obtain advice from a Permitted Treating Veterinarian and only administer treatments prescribed based on the objective clinical opinion of the Permitted Treating Veterinarian.
 - A complete and accurate record of all treatments during or close to an Event should be maintained in the form of a *FEI Medication Logbook* as foreseen under the VRs.
2. These *ECM Rules* are to be interpreted and applied (including where an issue arises that is not expressly provided for in these *ECM Rules*) by reference to the need to follow the FEI Medication Code and protect and advance the fundamental imperatives described above. This purposive interpretation and application will take precedence over any strict legal or technical interpretations that may otherwise be proposed.

EQUINE CONTROLLED MEDICATION RULES

ARTICLE 1 **DEFINITION OF A CONTROLLED MEDICATION VIOLATION**

A *Controlled Medication* violation is defined as the occurrence of one or more of the *ECM Rule* violations set forth in Article 2.1 through Article 2.5 of these *ECM Rules*.

ARTICLE 2 **CONTROLLED MEDICATION RULE VIOLATIONS**

The purpose of Article 2 is to specify the circumstances and conduct which constitute ECM rule violations. Hearings in ECM cases will proceed based on the assertion that one or more of these specific rules have been violated.

Persons Responsible and/or their *Support Personnel* shall be responsible for knowing what constitutes an *ECM Rule* violation and the substances and methods which have been included on the *Equine Prohibited Substances List* and identified as *Controlled Medication Substances* and *Controlled Medication Methods*.

Where *Controlled Medication Substances* or *Controlled Medication Methods* are involved, the following shall constitute *ECM Rule* violations:

2.1 The presence of a *Controlled Medication Substance* and/or its *Metabolites* or *Markers* in a *Horse's Sample*.

2.1.1 It is each *Person Responsible's* personal duty to ensure that no *Controlled Medication Substance* is present in the *Horse* body during an *Event* without a valid *Veterinary Form*. *Persons Responsible* are responsible for any *Controlled Medication Substance* found to be present in their *Horse's Samples*, even though their *Support Personnel* will be considered additionally responsible under Articles 2.2 – 2.5 *ECM Rules* where the circumstances so warrant. It is not necessary that intent, Fault, negligence or knowing *Use* be demonstrated in order to establish a *Rule* violation under Article 2.1.

2.1.2 Sufficient proof of a *Rule* violation under Article 2.1 is established by either any of the following where there is no valid *Veterinary Form*: (i) presence of a *Controlled Medication Substance* and/or its *Metabolites* or *Markers* in the *Horse's A Sample* where the *Person Responsible* waives analysis of the *B Sample* and the *B Sample* is not analysed; (ii) or, where the *Horse's B Sample* is analysed and the analysis of the *Horse's B Sample* confirms the presence of the *Controlled Medication Substance* and/or its *Metabolites* or *Markers* found in the *Horse's A Sample* during an *Event*. An *Adverse Analytical Finding* may be established by a positive blood or urine *Sample*.

2.1.3 Excepting those *Controlled Medication Substances* for which a quantitative threshold is specifically identified in the *Equine Prohibited Substances List* or where a valid *Veterinary Form* has been submitted, the presence of any quantity of a *Controlled Medication Substance* and/or its *Metabolites* or *Markers* in a *Horse's Sample* during an *Event* shall constitute an *ECM Rule* violation.

2.1.4 As an exception to the general rule of Article 2.1, the *Equine Prohibited Substances List* or the *FEI Standard for Laboratories* may establish special criteria for the evaluation of *Controlled Medication Substances* that can also be produced endogenously.

EQUINE CONTROLLED MEDICATION RULES

2.2 Use or Attempted Use of a Controlled Medication Substance or a Controlled Medication Method.

2.2.1 It is each *Person Responsible's* personal duty, along with members of their *Support Personnel*, to ensure that no *Controlled Medication Substance* enters into the *Horse's* body and that no *Controlled Medication Method is Used* during an Event without a valid *Veterinary Form*. Accordingly, it is not necessary that intent, fault, negligence or knowing *Use* on the part of the *Person Responsible*, and/or member of his *Support Personnel* (where applicable), be demonstrated in order to establish a *Rule* violation for *Use* of a *Controlled Medication Substance* or a *Controlled Medication Method*. However, in accordance with the definition of *Attempt*, it is necessary to show intent in order to establish an *ECM Rule* violation for *Attempted Use* of a *Controlled Medication Substance* or a *Controlled Medication Method*.

2.2.2 The success or failure of the *Use* or *Attempted Use* of a *Controlled Medication Substance* or a *Controlled Medication Method* is not material. It is sufficient that the *Controlled Medication Substance* or *Controlled Medication Method* was *Used* or *Attempted* to be *Used* during an Event without a valid *Veterinary Form* for an *ECM Rule* violation to be committed.

2.3 Tampering, or Attempted Tampering with any part of Medication Control that is not otherwise a violation of the ECM Rules.

2.4 Complicity

Assisting, encouraging, aiding, abetting, covering up or any other type of complicity involving an *ECM Rule* violation or any *Attempted ECM Rule* violation.

2.5 Administration or Attempted Administration of a Controlled Medication Substance.

ARTICLE 3 PROOF OF ECM RULE VIOLATIONS

3.1 Burdens and Standards of Proof

The *FEI* shall have the burden of establishing that an *ECM Rule* violation has occurred. The standard of proof shall be whether the *FEI* has established an *ECM Rule* violation on the balance of probabilities. Where these *ECM Rules* place the burden of proof upon the *Person Responsible* and/or member of his *Support Personnel* to rebut a presumption or establish specified facts or circumstances, the standard of proof shall also be by a balance of probability, except where a different standard of proof is specifically identified.

3.2 Methods of Establishing Facts and Presumptions

Facts related to *ECM Rule* violations may be established by any reliable means, including admissions. The following rules of proof shall be applicable in *Controlled Medication* cases brought under these *ECM Rules*:

3.2.1 *FEI*-approved Laboratories are presumed to have conducted *Sample* analysis and custodial procedures in accordance with the *FEI Standard for Laboratories*. The *Person Responsible* and/or member of the *Support Personnel*

EQUINE CONTROLLED MEDICATION RULES

who is alleged to have committed the *ECM Rule* violation may rebut this presumption by establishing by a balance of probability that a departure from the *FEI Standard for Laboratories* occurred which could reasonably have caused the *Adverse Analytical Finding*.

If the preceding presumption is rebutted by showing that a departure from the *FEI Standard for Laboratories* occurred which could reasonably have caused the *Adverse Analytical Finding*, then the *FEI* shall have the burden to establish that such departure did not cause the *Adverse Analytical Finding*.

3.2.23 Departures from another *FEI* standard, *FEI* Rule or Regulation, *FEI Manual* or policy which did not by a balance of probability cause an *Adverse Analytical Finding* or other *Rule* violation shall not invalidate such results. If the *Person Responsible* and/or member of the *Support Personnel* (where applicable) establishes, by a balance of probability, that a departure from another *FEI* standard, *FEI* Rule or Regulation, *FEI Manual* or policy could reasonably have caused the ECM Rule violation based on the *Adverse Analytical Finding* or other *ECM Rule* violation, then the *FEI* must prove that the departure did not cause the *Adverse Analytical Finding* or the factual basis for the *ECM Rule* violation.

3.2.34 The facts established by a *Decision* of a court or professional disciplinary tribunal of competent jurisdiction which is not the subject of a pending appeal shall be irrebuttable evidence against the *Person Responsible* and/or member of the *Support Personnel* to whom the *Decision* pertained with regards to the factual findings unless it can be established that the *Decision* violated principles of natural justice.

3.2.45 The *Hearing Panel* presiding over a case alleging an *ECM Rule* violation may draw an inference adverse to the *Person Responsible* and/or member of the *Support Personnel* (where applicable) who is asserted to have committed an *ECM Rule* violation based on the refusal, after a request made in a reasonable time in advance of the hearing, to appear at the hearing (either in person or telephonically as directed by the *FEI Tribunal*) in order to answer questions from the *Hearing Panel* or the *FEI*.

ARTICLE 4 THE EQUINE PROHIBITED SUBSTANCES LIST

4.1 Incorporation of the *Equine Prohibited Substances List*

These *ECM Rules* incorporate the *Equine Prohibited Substances List* (the "List") which is published and revised by the *FEI* from time to time. The *FEI* will publish the current *List* in such a manner that it is available to its members and constituents, including, but not limited to, publication on the *FEI* website.

4.2 Review and Publication of *Controlled Medication Substances* and *Controlled Medication Methods Identified on the List*

The *FEI* may revise the *List* from time to time but at least once annually by posting the new list on the *FEI* website, or via such other appropriate channel, but such new list shall not go into effect any sooner than ninety (90) days following its publication. Each new version of the *List* shall also be sent by email to *National Federations* and to National Head *FEI* Veterinarians at email

EQUINE CONTROLLED MEDICATION RULES

addresses supplied by the *National Federations* and on file with the *FEI*. The *List* shall be published by the *FEI* at least once a year, with an opportunity for *National Federation* and stakeholder feedback. All Person Responsible and/or member of the Support Personnel shall be bound by the Prohibited List, and any revisions thereto, from the date they go into effect, without further formality. It is the responsibility of all Person Responsible and/or member of the Support Personnel to familiarize themselves with the most up-to-date version of the Prohibited List and all revisions thereto.

4.3 Substances and Methods included on the *List*

The *FEI's* categorization of a substance or method on the *List* as a *Controlled Medication Substance* or *Controlled Medication Method* including any establishment of a threshold for a *Controlled Medication Substance* and/or the quantitative amount of such threshold shall be final and binding on all parties and shall not be subject to challenge by a *Person Responsible*, member of the *Support Personnel*, and/or any other *Person* on any basis.

4.4 Veterinary Form

Horses with documented medical conditions requiring the *Use* of a *Controlled Medication Substance* or a *Controlled Medication Method* during or prior to an *Event* must obtain permission for ongoing participation ~~through the applicable *Veterinary Form*~~ in accordance with the *FEI* *Veterinary Regulations* as specified therein.

ARTICLE 5 TESTING

5.1 Authority to Test

All Horses registered with the *FEI* or a *National Federation*, or otherwise present or competing at an *International Event* or *National Event* or *Competition*, shall be subject to *In-Competition Testing* (a) by the *FEI* or by any other *Anti-Doping Organisation* responsible for *Testing* at a *Competition* or *Event* in the case of *International Events* and (b) in the case of *National Events*, by the *National Federation* through which the *Horse* is registered, or by any other *Anti-Doping Organisation* responsible for *Testing* at a *Competition* or *Event*.

The *FEI* or its assignees or agents shall be exclusively responsible for *Testing* at *International Events* and no other body may conduct *Testing* at *International Events* without the *FEI's* express written permission. Each *National Federation* or its assignees or agents shall be exclusively responsible for *Testing* at its *National Events*, and no other body may conduct *Testing* at *National Events* without the *National Federation's* express written permission. *National Federations* are responsible for *Results Management* arising from *Testing* at *National Events* but are obligated to promptly report any positive findings to the *FEI* that have been notified as anti-doping rule violations unless doing so would contravene national law.

5.2 Responsibility for *FEI Testing*

EQUINE CONTROLLED MEDICATION RULES

The FEI Veterinary Department shall be responsible for overseeing all *Testing* conducted by the FEI. *Testing* may be conducted by the *Testing Veterinarians*, *Veterinary Delegate*, and/or by other qualified persons at a given *Event* or at such other place as authorised by these *ECM Rules*, the FEI Veterinary Regulations, or as authorised in writing by the FEI Secretary General or his or her designee(s).

5.3 **Testing Standards**

Testing conducted by or on behalf of the FEI shall be in substantial conformity with the *Testing* procedures set forth in the FEI Veterinary Regulations in effect at the time of *Testing*.

5.4 **Selection of Horses to be Tested**

5.4.1 The FEI shall determine the number of *Tests* to be performed and on which *Horses* they shall be performed.

5.4.2 In addition to the selection procedures set forth in Article 5.4.1 above, the *Veterinary Commission/Veterinary Delegate/Testing Veterinarian* in cooperation with the Ground Jury at *International Events* may also select *Horses* for *Random Testing* and/or *Target Testing* in cooperation with the *Ground Jury* at *International Events*.

5.4.3. Each *National Federation* shall determine, within its jurisdiction, the number of *Tests* to be performed and on which *Horse* they shall be performed.

5.4.4. Nothing in these *Rules* shall be construed to limit where the FEI is authorised to conduct *Testing* on *Horses In-Competition*.

ARTICLE 6 **ANALYSIS OF SAMPLES**

Samples collected under these *Rules* and arising from FEI *Testing* are the property of the FEI. They shall be analysed in accordance with the following principles:

6.1 **Use of approved Laboratories**

These *ECM Rules* incorporate the FEI List of approved *Laboratories* which is published and revised by the FEI from time to time. The FEI shall send *Samples* for analysis only to these approved *Laboratories*, which are subject to the FEI *Standard for Laboratories*. The choice of *Laboratory* used for the *Sample* analysis of either or both the A and B *Sample* shall be determined exclusively by the FEI. However, the *Person Responsible* may elect to have the B *Sample* analysed at a different *Laboratory* than the one which performed the A *Sample* analysis. If such an election is made, the FEI shall select the B *Sample Laboratory* from the FEI List of approved *Laboratories* and inform the *Person Responsible* accordingly.

6.2 **Purpose of Collection and Analysis of Samples**

EQUINE CONTROLLED MEDICATION RULES

Samples shall be analysed to detect *Controlled Medication Substances and Controlled Medication Methods*, all as set forth in the *List*. The *FEI* may also seek to detect other substances for research and monitoring purposes, as publicly announced by the *FEI* from time to time pursuant to a defined monitoring program. [Samples may be collected and stored for future analysis.](#)

6.3 Research on *Samples*

No *Sample* may be used for any purpose other than as described in Article 6.2, without the *Person Responsible's* written consent. Those *Samples* used for purposes other than as set forth in Article 6.2 (for example research) following written consent from the *Person Responsible* shall have all means of identification removed from the *Sample* so it cannot be traced back to a particular *Horse* or *Person Responsible*. All *Samples* shall be destroyed pursuant to the guidelines set forth in the *FEI Standard for Laboratories* and in no event later than the lapse of the Statute Of Limitations in Article 14.

6.4 Standards for *Sample* Analysis and Reporting

Laboratories shall analyse *Samples* and report results in conformity with the *FEI Standard for Laboratories*.

6.5 Retesting *Samples*

A *Sample* may be reanalysed for the purposes of research pursuant to Article 6.3 at any time exclusively at the direction of the *FEI*. Nothing herein, however, shall prevent the *FEI* from conducting subsequent tests on a *Sample* pursuant to an alleged violation under Article 2.1. The retesting of *Samples* may lead to an *ECM Rule* violation only if the *Sample* was taken at the Olympic, Paralympic or World Equestrian Games and only if the *Controlled Medication Substance* or *Controlled Medication Method* was prohibited at the time the *Sample* was taken, all subject to Article 14.

6.6 Equestrian Community Integrity Unit

The *Equestrian Community Integrity Unit* (ECIU) shall have the power to conduct investigations arising from or relating to these *ECM Rules* in order to protect the integrity of the *FEI* and equestrian sport, as set forth in the *FEI Statutes*. The refusal of a *Person Responsible* or member of the *Support Personnel* to cooperate with the *ECIU* may result in an adverse inference being drawn against that *Person* in any related *FEI Tribunal* proceeding. If the *Equestrian Community Integrity Unit* determines that it has a good faith basis to pose questions relating to any investigation to a *Person Responsible* or member of the *Support Personnel* and such *Person* refuses to answer such questions, that *Person Responsible* or member of the *Support Personnel* may be prohibited from participating in any *FEI* activities until such questions are answered to the satisfaction of the *ECI*. Any *Person Responsible* and/or member of the *Support Personnel* may file a Protest to the *FEI Tribunal* under Article 163 of the *FEI General Regulations* arguing that he has a good faith basis to refuse answering such questions to the satisfaction of the *ECIU*.

ARTICLE 7 RESULTS MANAGEMENT

7.1 Results Management for Tests arising out of FEI Testing or other ECM Rule violations

Results management for *Tests* arising out of *FEI Testing* or other *ECM Rule* violations shall proceed as set forth below:

7.1.1 The results of all *Sample* analyses must be sent exclusively to the *FEI*, in a report signed by an authorised representative of the *Laboratory*. All communications must be conducted in such a way that the results of the *Sample* analyses are confidential.

7.1.2 Upon receipt of an ~~A Sample~~ *Adverse Analytical Finding*, the *FEI* shall conduct a review to determine whether: (a) the *Adverse Analytical Finding* is consistent with a valid *Veterinary Form* that has been granted, or (b) if there is any apparent departure from the *FEI Testing* procedures of the *FEI Veterinary Regulations*, the *FEI Standard for Laboratories* or another *FEI* standard, *FEI Rule* or *Regulation*, *FEI Manual* or policy that caused the *Adverse Analytical Finding*.

7.1.3 If (i) the initial review under Article 7.1.2 ~~does not reveal~~ reveals a valid *Veterinary Form* or departure from the *Testing* procedures of the *FEI Veterinary Regulations* or from the *FEI Standard for Laboratories* that caused the *Adverse Analytical Finding*, the entire test shall be considered negative, and/or (ii) upon the review, the FEI Decides not to bring forward the Adverse Analytical Finding, the *FEI* shall promptly *Notify* the *Person Responsible* and the *Owner* of the *Horse* (if applicable) ~~of:—~~.

7.1.4 If the review of an Adverse Analytical Finding under Article 7.1 does not reveal an apparent departure from the Testing procedures of the FEI Veterinary Regulations, the FEI Standard for Laboratories or other FEI standard, FEI Rule or Regulation, FEI Manual or policy that caused the Adverse Analytical Finding, the FEI shall promptly Notify the Person Responsible and the Owner of the Horse (if applicable) of:

- (a) the *Adverse Analytical Finding*;
- (b) the *ECM Rule* violated;
- (c) the *Person Responsible's* and the *Owner* of the *Horse's* (if applicable) right to promptly request the analysis of the *B Sample*, or, failing such request, that the *B Sample* analysis may be deemed waived;
- (d) the opportunity for the *Person Responsible* and the *Owner* of the *Horse* (if applicable) to elect to have the *B Sample* analysed at a different *Laboratory* than the one which performed the *A Sample* analysis, such *Laboratory* to be chosen by the *FEI*, and the opportunity to send a representative (witness) to be present for the *B Sample* analysis within the time period specified in the *FEI Standard for Laboratories* unless allowing such representative or witness presents a threat to the integrity of the analysis process; and, Where both the Person Responsible and the Owner have elected to have the B Sample analysed but one of them has elected to have the B Sample analysed at a different

EQUINE CONTROLLED MEDICATION RULES

laboratory than the one which performed the A Sample analysis and the other one has elected to have the B Sample analysed at the same laboratory as the one which performed the A Sample analysis, it shall be for the FEI to decide the question taking into account all relevant circumstances;

(e) the right of the *Person Responsible* and the *Owner* of the *Horse* (if applicable) to request copies of the A and B *Sample* (if applicable) *Laboratory Documentation Package* which includes information as specified in the *FEI Standard for Laboratories*.

~~If, upon the initial review, the FEI Decides not to bring forward the Adverse Analytical Finding as an ECM Rule violation, it shall so Notify the Person Responsible's National Federation.~~

~~7.1.(f) the right of the Person Responsible and/or the FEI to request to the FEI Tribunal that Article 9.1 (Automatic Disqualification) be promptly applied where the B Sample Analysis confirms the A Sample Analysis or where the right to request the B Sample Analysis is waived in accordance with Article 7.6.2;~~

~~(g) the Person Responsible's and the Owner of the Horse's right to request the hearing or, failing such request within the deadline specified in the notification, that the hearing may be deemed waived;~~

~~(h) where applicable, the availability of the Administrative Procedure described in Article 8.3,~~

~~(i) the opportunity to provide a written explanation about the overall circumstances of the case or to dispute (within a specific deadline indicated in the notification) the assertion that an ECM rule violation has occurred;~~

~~(j) the opportunity to make an agreement with the FEI about the Consequences that are mandated by these ECM Rules or (where some discretion as to Consequences exists under these Controlled Rules) that have been offered by the FEI;~~

~~(k) the imposition of a mandatory Provisional Suspension in accordance with Article 7.4.1;~~

~~(l) the imposition of an optional Provisional Suspension where the FEI Tribunal decides to impose it in accordance with Article 7.4.2;~~

~~(m) the opportunity to voluntarily accept a Provisional Suspension pending the resolution of the matter, in all cases where a Provisional Suspension has not been imposed;~~

~~(n) the opportunity to promptly admit the ECM Rule violation and consequently request the early commencement of the period of Ineligibility in accordance with Article 10.10.2; and~~

~~(o) the opportunity to cooperate and provide substantial assistance in discovering or establishing an ECM rule violation.~~

EQUINE CONTROLLED MEDICATION RULES

7.1.5 Pursuant to Article 7.1.34 (d) above, within seven (7) days of receipt of the duly executed *Confirmatory Analysis Request Form (B Sample)*, the FEI will propose possible dates for such analysis. The *Person Responsible* and the *Owner* of the *Horse* (if applicable) may accept the *A Sample* analytical results by waiving the right to a *B Sample* analysis. The *FEI* may nonetheless elect at its discretion to proceed with the *B Sample* analysis. In such case, the *B Sample* analysis shall only be used to confirm the *A Sample Adverse Analytical Finding*. The *Person Responsible* and the *Owner* of the *Horse* (if applicable) is deemed to have waived his right to a *B Sample* analysis if he does not submit the *Confirmatory Analysis Request Form* within the stipulated time-limit in the *Notification*.

7.1.56 In addition to the *Person Responsible* and the *Owner* of the *Horse* (if applicable) and his/their representative (witness), a representative of the *National Federation(s)* involved as well as a representative of the *FEI* shall also be allowed to be present for the *B Sample* analysis. If notice under Article 7.1.3 has not been carried out through the *National Federation*, the *National Federation* shall be informed in a timely manner by the *FEI* of the *Adverse Analytical Finding* and its right to attend the *B Sample* analysis.

7.1.67 If the *B Sample* proves negative, then the entire test shall be considered negative. The *FEI* shall be informed of the results confidentially and shall notify the *Person Responsible* and the *Owner* of the *Horse* (if applicable).

~~**7.1.7** If a *Controlled Medication Substance* or the *Use of a Controlled Medication Method* is identified in the *B Sample*~~**7.1.8** If the *B Sample analysis confirms the A Sample analysis*, the *FEI* shall be informed of the results confidentially and shall *Notify* the *Person Responsible* and the *Owner* of the *Horse* (if applicable).

7.1.89 The *FEI* and/or the *Equestrian Community Integrity Unit* may conduct any follow-up investigation as may be required. Upon completion of such follow-up investigation, if any, the *FEI* shall promptly notify the *Person Responsible's National Federation* of the results of the follow-up investigation.

7.1.910 For the avoidance of doubt, an *Adverse Analytical Finding* confirmed by the *B Sample* analysis may result from blood or urine *Samples*, or any combination thereof (for example, a confirmatory *B Sample Analysis* is valid if performed on a blood sample, even if the *A Sample Adverse Analytical Finding* arose from a urine *Test*, and vice-versa). In addition, and also for the avoidance of doubt, where the *A Sample* is positive for a *Threshold Controlled Medication Substance*, as it is quantitatively above the threshold level set for the *Controlled Medication Substance*, the *B Sample* shall be deemed to confirm the *A Sample* so long as the level of the *B Sample* is also quantitatively above the threshold, even if the *B Sample* level varies quantitatively from the *A Sample* level.

~~**7.1.1011**~~ Where appropriate, the members of the *Support Personnel*, including the *Owner*, shall receive *Notification* of the *ECM Rule violation* and all relevant corresponding documents.

7.2 Review of Atypical Findings

EQUINE CONTROLLED MEDICATION RULES

As provided in the *FEI Standard for Laboratories*, in some circumstances Laboratories are directed to report the presence of *Controlled Medication Substances*, which may also be produced endogenously, as *Atypical Findings* subject to further investigation. Upon receipt of an *A Sample Atypical Finding*, the *FEI* shall conduct a review to determine whether there is any apparent departure from the *Testing* procedures, the *FEI Standard for Laboratories* or another *FEI* standard, *FEI Rule* or *Regulation*, *FEI Manual* or policy that caused the *Atypical Finding*. If that review does not reveal any departure that caused the *Atypical Finding*, the *FEI* shall conduct the required investigation. After the investigation is completed, the *Person Responsible*, and the *Owner* of the *Horse* (if applicable) and his *National Federation* shall be notified whether or not the *Atypical Finding* will be brought forward as an *Adverse Analytical Finding*. The *Person Responsible's National Federation* shall be notified as provided in Article 7.1.

7.2.1 The *FEI* will not provide *Notice* of an *Atypical Finding* until it has completed its investigation and *Decided* whether it will bring the *Atypical Finding* forward as an *Adverse Analytical Finding*. However, if the *FEI* determines that the *B Sample* should be analysed prior to the conclusion of the investigation under Article 7.2, the *FEI* may conduct the *B Sample* analysis after supplying the *Person Responsible* and the *Owner* of the *Horse* (if applicable) with such *Notice* including a description of the *Atypical Finding* and the information described in Article 7.1.34 (b)-(e).

7.3 Review of Other *ECM Rule* Violations

For apparent *ECM Rule* violations that do not involve *Adverse Analytical Findings*, the *FEI* and/or the *Equestrian Community Integrity Unit* may conduct any necessary follow-up investigation and at such time as it is satisfied that an *ECM Rule* violation has occurred, it shall then promptly *Notify* the *Person Responsible*, the *Owner* of the *Horse* (if applicable) and/or member of the *Support Personnel* (where applicable) of the *ECM Rule* which appears to have been violated and the basis of the violation.

7.4 Provisional Suspensions

7.4.1 The *FEI* shall provisionally suspend a *Person Responsible*, member of the *Support Personnel*, and/or the *Person Responsible's Horse* prior to the opportunity for a full hearing based on: (a) an admission that an *ECM Rule* violation has taken place (for the avoidance of doubt, an admission by any *Person* can only be used to provisionally suspend that *Person*); or (b) all of the following elements: (i) an *Adverse Analytical Finding* for two *Controlled Medication Substances* from the *A Sample* or *A and B Samples*; (ii) the review described in Article 7.1.2; and (iii) the *Notification* described in Article 7.1.34 above. If a *Provisional Suspension* is imposed ~~at the discretion of the *FEI*~~, either the hearing in accordance with Article 8 shall be advanced to a date which avoids substantial prejudice to the *Person Responsible* alleged to have committed the *ECM Rule* violation, or such *Person Responsible* shall be given an opportunity for a *Preliminary Hearing* either on a timely basis after imposition of the *Provisional Suspension* or before imposition of the *Provisional Suspension* in order to show cause why the *Provisional Suspension* should not be imposed (or should be lifted). Where a *Horse* is provisionally suspended, the *Owner* shall also have the right to request a *Preliminary Hearing*.

EQUINE CONTROLLED MEDICATION RULES

7.4.2 The FEI may provisionally suspend a *Person Responsible*, member of the *Support Personnel*, and/or the *Person Responsible's Horse* prior to the opportunity for a full hearing if the *Person Responsible*, member of the *Support Personnel* or *Horse* has a pending *EAD* or *ECM Rule* violation or previously violated the *EAD Rules* in the last ~~eight (8)~~ ten (10) years or the *ECM Rules* in the last four (4) years.

7.4.3 The FEI may provisionally suspend a *Person Responsible*, member of the *Support Personnel*, and/or the *Person Responsible's Horse* prior to the opportunity for a full hearing based on evidence that a violation of these *ECM Rules* is highly likely to have been committed by the respective *Person*.

7.4.4- The *Provisional Suspension* shall be maintained unless the *Person* requesting the lifting of the *Provisional Suspension* establishes to the comfortable satisfaction of the *FEI Tribunal* that:

(i) the allegation that an *ECM Rule* violation has been committed has no reasonable prospect of being upheld, e.g., because of a material defect in the evidence on which the allegation is based; or

(ii) the *Person* can demonstrate that the evidence will show that he bears *No Fault* or *No Negligence* for the *ECM Rule* violation that is alleged to have been committed, so that any period of *Ineligibility* that might otherwise be imposed for such offence is likely to be completely eliminated by application of Article 10.4-~~4~~ below or that 10.4-~~25~~ below applies and the *Person* can demonstrate that the evidence will show that he bears *No Significant Fault* or *Negligence* and that he has already been provisionally suspended for a period of time that warrants the lifting of the *Provisional Suspension* pending the final *Decision* of the *FEI Tribunal*; or

(iii) exceptional circumstances exist that make it clearly unfair, in all of the circumstances of the case, to impose a *Provisional Suspension* prior to final hearing of the *FEI Tribunal*. This ground is to be construed narrowly, and applied only in truly exceptional circumstances. For example, the fact that the *Provisional Suspension* would prevent the *Person* or *Horse* competing in a particular *Competition* or *Event* shall not qualify as exceptional circumstances for these purposes.

The FEI may also request the lifting of the *Provisional Suspension*.

7.4.35 If a *Provisional Suspension* is imposed based on an *A Sample Adverse Analytical Finding* and a subsequent *B Sample* analysis (if requested) does not confirm the *A Sample* analysis, then the *Person(s)* alleged to have committed the *Rule* violation and his member of the *Support Personnel*, and/or *Horse* shall not be subject to any further *Provisional Suspension* on account of a violation of Article 2.1 (Presence of a *Controlled Medication Substance* and/or its *Metabolites* or *Markers*). In circumstances where the *Person Responsible* and/or his *Horse* has been removed from a *Competition* and/or *Event* based on a violation of Article 2.1 and the subsequent *B Sample* analysis does not confirm the *A Sample* finding, if it is still possible for the *Person Responsible* and his *Horse* to be re-entered without otherwise affecting the *Competition* or *Event*, the *Person Responsible* and his *Horse* may continue to take part in the *Competition* and/or *Event*.

7.4.46 After the imposition of a *Provisional Suspension* and ~~following a *Preliminary Hearing* but~~ prior to a final hearing, the *Person Responsible* and/or member of the *Support Personnel* (including *Owner*) can petition the *FEI Tribunal* for another *Preliminary Hearing* provided that new evidence exists that, if known at the time of the earlier *Preliminary Hearing*, may have satisfied the requirements of Article 7.4.2 above and may have lead to the lifting of the *Provisional Suspension*. Such petition must be made in writing to the *FEI Tribunal* and copied to the *FEI Legal Department* and must clearly establish the existence of such new evidence meeting this criterion. If the request for another *Preliminary Hearing* is granted by the *FEI Tribunal*, and provided that a *Preliminary Hearing* had already taken place at an earlier stage, the same *FEI Tribunal* member who presided over the prior *Preliminary Hearing* will *Decide* the new *Preliminary Hearing* request, unless exceptional circumstances prevent it from doing so, in which case another *FEI Tribunal* member will be appointed and will conduct the new *Preliminary Hearing*. If another *Preliminary Hearing* is granted after the *Hearing Panel* has been constituted, any member of the *Hearing Panel* may conduct the *Preliminary Hearing*. *Preliminary Hearing Decisions* may be issued by the *FEI Tribunal* without reasons.

7.4.57 During a period of *Provisional Suspension*, no *Person Responsible* and/or member of the *Support Personnel* who themselves are provisionally suspended, or a *Horse* that is provisionally suspended, may participate in any capacity at an *Event* or in a *Competition* or activity, or being present at an *Event* (other than as spectator) that is authorised or organised by the *FEI* or any *National Federation* or in *Competitions* authorised or organised by any International - or national-level - *Event* organisation.

7.5 Retirement from Sport

If a *Person Responsible* and/or member of the *Support Personnel* retires while a *Results Management* process is underway, the *FEI* retains jurisdiction to complete its *Results Management* process. If a *Person Responsible* and/or member of the *Support Personnel* retires before any *Results Management* process has begun, the *FEI* similarly has jurisdiction to conduct *Results Management*.

7.6 Resolution Without a Hearing

7.6.1 Agreement between Parties

In cases where the *Administrative Procedure*, as set out in Article 8.3 below, is not available, at any time during the results management process the *Person Responsible* and/or member of the *Support Personnel* and/or *Owner* against whom an anti-doping rule violation is asserted may admit that violation at any time, waive a hearing and may agree with the *FEI* on the Consequences that are mandated by these *ECM Rules* or (where some discretion as to Consequences exists under these *ECM Rules*) that have been offered by the *FEI*. The agreement shall be submitted to the *FEI Tribunal* for approval and, where approved by the *FEI Tribunal*, the final agreement shall state the full reasons for any period of *Ineligibility* agreed, including (if applicable), a justification for why the flexibility in *Sanction* was applied. Such agreement

EQUINE CONTROLLED MEDICATION RULES

shall be considered as a decision for the case and will be reported to the parties with a right to appeal under 12.2.2 and published as provided in Article 13.3.

7.6.2 Waiver of Hearing

A Person Responsible and/or member of the Support Personnel and/or Owner may waive a hearing expressly.

Alternatively, if the Person Responsible and/or member of the Support Personnel and/or Owner against whom an ECM Rule violation is asserted fails to dispute that assertion within ten (10) days of Notification (or within any other deadline as may be imposed in a specific case) that such a violation is alleged, then he/she shall be deemed to have admitted the violation, to have waived a hearing, and to have accepted the Consequences that are mandated by these ECM Rules or (where some discretion as to Consequences exists under these ECM Rules) that have been offered by the FEI provided that FEI Tribunal approval has been provided.

7.6.3 In cases where Article 7.6.1 or Article 7.6.2 applies, a hearing before a hearing panel shall not be required. Instead the FEI Tribunal shall promptly issue a written decision confirming the commission of the ECM Rule violation and the Consequences imposed as a result, and setting out the full reasons for any period of Ineligibility imposed, including (if applicable) a justification for why the maximum potential period of Ineligibility was not imposed. The FEI shall send copies of that decision to other Anti-Doping Organizations with a right to appeal under Article 12.2.2, and shall Publicly Disclose that decision in accordance with Article 13.3.

ARTICLE 8 RIGHT TO A FAIR HEARING

8.1 Hearings before the FEI Tribunal

8.1.1 The FEI Tribunal shall Decide all cases involving violations of these ECM Rules.

8.1.2 ~~When it appears, following the Results Management Process described in Article 7 above, that~~ the FEI sends a Notice to a Person Responsible and/or a member of the Support Personnel and/or Owner asserting a violation of these ECM Rules ~~have been violated and the Person Responsible and/or member of the Support Personnel does not waive a hearing in accordance with Article 8.4,~~ then the case shall be ~~submitted~~assigned to a Hearing Panel of the FEI Tribunal for hearing and adjudication.

8.1.3 Hearings pursuant to this Article shall be completed expeditiously following the completion of the Results Management or investigation process described in Article 7 and the submission of all relevant evidence and pleadings by the parties. The Person Responsible and/or member of the Support Personnel (where applicable) alleged to have violated the ECM Rules shall cooperate promptly in the submission of such evidence and pleadings and in attendance at a hearing if requested by the FEI Tribunal.

EQUINE CONTROLLED MEDICATION RULES

8.1.4 The *Person Responsible* and/or member of the *Support Personnel* (including *Owner*) alleged to have violated the *ECM Rules* may attend the hearing under all circumstances.

8.1.5 A *Person Responsible* and/or member of the *Support Personnel* (where applicable) may acknowledge the *ECM Rule* violation and accept consequences consistent with Articles 8.3.53 and 8.3.64 of the *ECM Rules* (if the Administrative Procedure is elected) or Articles 9 and 10 *ECM Rules* as proposed by the *FEI*.

~~**8.1.6** Decisions of the *FEI Tribunal* may be appealed to the Court of Arbitration for Sport (CAS) as provided in Article 12.~~

8.2 Principles for a Fair Hearing

All *Decisions* and hearings under these *ECM Rules* shall respect the following principles:

- A. fair and impartial *Hearing Panel*;
- B. the right to be represented by counsel (separately or together) at the *Person Responsible's* and/or member of the *Support Personnel's* (including *Owner's*) own expense;
- C. The right to be fairly and timely informed of the asserted *ECM Rule* violation;
- D. The right to respond to the asserted *ECM Rule* violation and resulting consequences;
- E. The right of each party to present evidence (including, but not limited to any evidence the *FEI* obtains from the activities of the *Equestrian Community Integrity Unit*);
- F. The right of each party to call and question witnesses (subject to the *Hearing Panel's* discretion to accept testimony by telephone or written submission);
- G. A timely hearing, subject to prompt and complete submissions by the parties;
- H. The *Person Responsible's* and/or member of the *Support Personnel's* (including *Owner*) right to an interpreter at the hearing if requested at least five (5) business days in advance of the hearing, with the *Hearing Panel* to determine the identity and responsibility for the costs of the interpreter; and
- I. A timely, written, reasoned *Decision*, specifically including an explanation for any period of *Ineligibility*.

8.3 Administrative Procedure

8.3.1 For *Adverse Analytical Findings* involving *Controlled Medication Substances*, the *Person Responsible* and/or member of the *Support Personnel* (where applicable) may elect to have their case processed under the "*Administrative Procedure*" provided that:

EQUINE CONTROLLED MEDICATION RULES

- a. No more than one (1) *Controlled Medication Substance* (including its metabolites or markers) is detected in the *Sample*;
- b. The *Person Responsible* and/or member of the *Support Personnel* (where applicable) and the *Horse* are first-time offenders (namely, no record of any *EAD* or *ECM Rule* violations, or violations of any predecessor rules) without any pending or concluded cases within the last four (4) years preceding the *Sample* which caused the *Adverse Analytical Finding*; and
- c. The *Event* during which the *Sample* was taken from the *Horse* is not part of the Olympic Games, Paralympic Games or World Equestrian Games.

8.3.2 If the *Person Responsible* requests a hearing before the *FEI Tribunal*, Article 10 below shall apply at the discretion of the *Hearing Panel*.

8.3.3 Where the *Administrative Procedure* is applied by the *FEI*, the following consequences shall be imposed and no other consequences, including those set forth in Article 10 below or elsewhere in these *ECM Rules*, shall be applicable to any *Person* who has elected this *Administrative Procedure*:

- a. *Disqualification* of the *Person Responsible* and/or member of the *Support Personnel* (where applicable) and the *Horse* from the whole *Event* and forfeiture of all prizes and prize money won at the *Event*;
- b. A *Fine* of CHF 1,500; and
- c. Costs of CHF 1,000. However, if a *B Sample* analysis is requested and the *Administrative Sanction* accepted after the *B Sample Analysis*, the costs shall be increased to CHF 2,000.

8.3.4 Where the *Person Responsible* is a *Minor* at the time of the *Event*, the consequences shall be limited to *Disqualification* from the *Event* and forfeiture of all prizes and prize money won at the *Event*, in addition to payment of any costs associated with the *Administrative Procedure*.

8.3.5 In order to apply this *Administrative Procedure*, the *Person Responsible* and/or member of the *Support Personnel* (where applicable) must execute an *Acceptance Form* within fourteen (14) calendar days following the date of the *Notice* in which the *FEI* offers this *Administrative Procedure* to the *Person* alleged to have committed the *ECM Rule* violation. The *FEI* may reasonably extend such deadline provided the file has not yet been circulated to the *FEI Tribunal* or any of its members.

8.3.6 If the *Person Responsible* and/or member of the *Support Personnel* (where applicable) does not elect the *Administrative Procedure* within the fixed time limit, the *Administrative Sanctions* shall be considered declined and the case shall be submitted to the *FEI Tribunal* for final *Decision*. The *FEI Tribunal* may impose *Sanctions* and costs which may be more or less severe than the ones provided for in the *Administrative Procedure*.

EQUINE CONTROLLED MEDICATION RULES

8.3.7 A record of *Administrative Procedure* Sanctions will be published, on a weekly basis, on the *FEI* website.

8.4 ~~Waiver of Hearing~~ Decisions

~~The right to a hearing may be waived either expressly or by the *Person Responsible's* and/or member of the *Support Personnel's* (where applicable) failure to request a hearing within ten (10) days of *Notification* that such a violation is alleged. Where no hearing occurs, the *FEI Tribunal* shall issue a reasoned *Decision*.~~

8.4.1 At the end of the hearing, or on a timely basis thereafter, the *FEI Tribunal* shall issue a written decision that includes the full reasons for the decision and for any period of *Ineligibility* imposed, including (if applicable) a justification for why the greatest potential *Consequences* were not imposed. The *FEI Tribunal* may decide to communicate the operative part of the decision to the parties, prior to the reasons. The decision shall be enforceable from such notification of the operative part by courier, facsimile and/or electronic mail.

8.4.2 If no appeal is brought against the decision, then (a) if the decision is that an *ECM Rule* violation was committed, the decision shall be *Publicly Disclosed* as provided in Article 13.3.2; but (b) if the decision is that no *ECM Rule* violation was committed, then the decision shall only be *Publicly Disclosed* with the consent of the *Person Responsible* and/or member of the *Support Personnel*. The *FEI* shall use reasonable efforts to obtain such consent, and if consent is obtained, shall *Publicly Disclose* the decision in its entirety or in such redacted form as the *Person Responsible* and/or member of the *Support Personnel* may approve.

The principles contained at Article 13.3.5 shall be applied in cases involving a *Minor*.

ARTICLE 9 AUTOMATIC *DISQUALIFICATION* OF INDIVIDUAL RESULTS

9.1 For cases other than those prosecuted under the *Administrative Procedure*, a violation of these *ECM Rules* in connection with a *Test* in a given *Competition* automatically leads to the *Disqualification* of the result of the *Person Responsible* and *Horse* combination obtained in that *Competition* with all resulting consequences, including forfeiture of any related medals, points and prizes. Where applicable, consequences to teams are detailed in Article 11. Even if a *Sanction* is reduced or eliminated under Article 10 below, such reduction or eliminated shall under no circumstances eliminate the automatic *Disqualification* of *Individual Results* mandated by this Article 9.

9.2 In circumstances where the *Person Responsible* and *Owner* are informed of an *Adverse Analytical Finding* in accordance with Article 7.1 and

(i) the *B Sample* analysis confirms the *A Sample* analysis; or

(ii) the right to request the analysis of the *B Sample* is not exercised; and

(iii) where requested by the *FEI* and/or the *Person Responsible*.

the matter will be submitted to the FEI Tribunal who shall decide whether or not to apply Article 9.1 at that stage of the proceedings by issuing a partial Decision.

ARTICLE 10 SANCTIONS

10.1 ***Disqualification of Results in the Event during which an ECM Rule Violation Occurs***

The following rules relating to the *Disqualification* of results will apply to cases other than those prosecuted under the Administrative Procedure:

10.1.1 At the Olympic Games, Paralympic Games, *FEI* World Equestrian Games, *FEI* Championships for Seniors, and Regional Games: An *ECM Rule* violation occurring during or in connection with an *Event* shall lead to *Disqualification* of all of the *Person Responsible's* individual results obtained in that *Event*, with any and all *Horses* with which the *Person Responsible* competed, with all consequences (and the resulting consequences to teams as provided in Article 11), including forfeiture of all medals, points and prizes, except as provided in Article 10.1.1.

10.1.2 At *Events* other than those listed above: an *ECM Rule* violation occurring during or in connection with an *Event* may lead to *Disqualification* of all of the *Person Responsible's* individual results obtained in that *Event*, with any and all *Horses* with which the *Person Responsible* competed, with all consequences, including forfeiture of all medals, points and prizes, except as provided in Article 10.1.4.

10.1.3 Notwithstanding the above, for all *Events*, including but not limited to the Olympic and Paralympic Games, exceptional circumstances may be considered. Generally, and subject to 10.1.4 and 10.1.5 below, all Results from *Competitions* in which the *Person Responsible* or *Horse* participated prior to *Sample* collection shall be *Disqualified* unless it can be demonstrated that such Results were not likely to have been affected by the *ECM Rule* violation.

10.1.4 If the *Person Responsible* establishes that he bears *No Fault or Negligence* for the *ECM Rule* violation, the *Person Responsible's* individual results in the other *Competitions* shall not be *Disqualified* unless the *Person Responsible's* results in *Competitions* other than the *Competition* in which the *ECM Rule* violation occurred were likely to have been affected by the *Person Responsible's ECM Rule* violation.

10.1.5 In addition, the *Person Responsible's Horse* may also be *Disqualified* from the entire *Event* with all consequences, including forfeiture of all medals, points, and prizes even if earned while being ridden by someone other than the *Person Responsible*, if the *Horse's* results in *Competitions* other than the *Competition* in which the *ECM Rule* violation occurred were likely to have been affected by the *ECM Rule* violation.

10.2 ***Ineligibility and Fine for Presence, Use or Attempted Use of Controlled Medication Substances or Controlled Medication Methods***

EQUINE CONTROLLED MEDICATION RULES

~~For *Controlled Medication Substances* or *Controlled Medication Methods*, the period of *Ineligibility* imposed for a violation of Article 2.1 (presence of a *Controlled Medication Substance* or its *Metabolites* or *Markers*) or Article 2.2 (*Use* or *Attempted Use* of a *Controlled Medication Substance* or a *Controlled Medication Method*) shall be commensurate with the seriousness of the offence, taking into account the underlying objectives and rationale of the *ECM Rules* and the *FEI Medication Code*, as well as principles of fair play. Therefore, the period of *Ineligibility* imposed on the *Person Responsible* and/or member of the *Support Personnel* shall be six (6) months, subject to any elimination or reduction as provided in Article 10.4 below or increase as provided in Article 10.5 below.~~

The period of *Ineligibility* for a violation of Articles 2.1, 2.2 or 2.5 shall be six months, subject to potential reduction or suspension pursuant to Articles 10.4, 10.5 or 10.6.

A *Fine* of up to CHF 15,000 and appropriate legal costs shall also be imposed for any *Controlled Medication* violation.

10.3 *Ineligibility* for Other Rule Violations

The period of *Ineligibility* for violations of these *ECM Rules* other than as provided in Article 10.2 shall be:

10.3.1 For violations of Article 2.3 (*Tampering* or *Attempted Tampering* with *Controlled Medication*), Article 2.4 (Assisting, encouraging, aiding, abetting, covering up or any other type of complicity involving an *ECM Rule* violation or any *Attempted ECM Rule* violation) ~~or Article 2.5 (*Administration* or *Attempted Administration* of a *Controlled Medication Substance* without valid *Veterinary Form*)~~, the ~~Sanctions~~period of *Ineligibility* set forth in Article 10.2 shall apply unless the conditions for eliminating, reducing or increasing the Sanction provided in Articles 10.4, or 10.5 are met. A *Fine* of up to CHF 15,000 and appropriate legal costs shall also be imposed.

10.4 Elimination ~~or Reduction~~ of the Period of *Ineligibility* ~~Based on Exceptional Circumstances~~

~~10.4.1~~ Where there is No Fault or Negligence

If the *Person Responsible* and/or member of the *Support Personnel* (where applicable) establishes in an individual case that he/she bears *No Fault* or *Negligence* for the *ECM Rule* violation, the otherwise applicable period of *Ineligibility* and other Sanctions (apart from Article 9) ~~may~~shall be eliminated in regard to such *Person*. When a *Controlled Medication Substance* and/or its *Metabolites* or *Markers* is detected in a *Horse's Sample* in violation of Article 2.1 (presence of a *Controlled Medication Substance*), the *Person Responsible* and/or member of the *Support Personnel* (where applicable) must also establish how the *Controlled Medication Substance* entered the *Horse's* system in order to have the period of *Ineligibility* and other Sanctions eliminated. In the event this Article is applied and the period of *Ineligibility* otherwise applicable is eliminated, the *ECM Rule* violation shall not be considered a violation for the limited purpose of determining the period of *Ineligibility* for Multiple Violations under Article 10.~~6~~8 below.

EQUINE CONTROLLED MEDICATION RULES

Article 10.4 only applies in exceptional circumstances. No Fault or Negligence does not apply in the following circumstances:

- (a) where the presence of the *Controlled Medication Substance* in a *Sample* came from a mislabeled or contaminated supplement. *Persons Responsible* are responsible for what their *Horses* ingest and have been warned about the possibility of supplement contamination.
- (b) the *Administration of a Controlled Medication Substance* by the *Person Responsible's* veterinary personnel or member of the *Support Personnel* without disclosure to the *Person Responsible*. *Persons Responsible* are responsible for their choice of veterinary personnel and *Support Personnel* and for advising veterinary personnel and *Support Personnel* that the presence of a *Controlled Medication Substance* in a *Horse's* system is forbidden during an *Event* without a valid *Veterinary Form*.

10.5 Reduction of the Period of Ineligibility based on No Significant Fault or Negligence

10.5.1 Contaminated Products

In cases where the *Person* and/or member of the *Support Personnel* can establish *No Significant Fault or Negligence* and that the detected *Controlled Medication* came from a *Contaminated Product*, then the period of *Ineligibility* shall be, at a minimum, a reprimand and no period of *Ineligibility*, and at a maximum, six months *Ineligibility*, depending on such *Person's* and/or member of the *Support Personnel's* degree of *Fault*.

10.5.2 Application of No Significant Fault or Negligence beyond the Application of Article 10.5.1

If a *Person Responsible* and/or member of the *Support Personnel* (where applicable) establishes in an individual case that he bears *No Significant Fault or Negligence*, then the otherwise applicable period of *Ineligibility* and other Sanctions (apart from Article 9) may be reduced in regard to such *Person*. When a *Controlled Medication Substance* or its *Metabolites* or *Markers* is detected in a *Horse's Sample* in violation of Article 2.1 (presence of a *Controlled Medication Substance* and/or its *Metabolites* or *Markers*), the *Person* alleged to have committed the *ECM Rule* violation must also establish how the *Controlled Medication Substance* or its *Metabolites* or *Markers* entered the *Horse's* system in order to have the period of *Ineligibility* and other Sanctions reduced.

10.6 Elimination, Reduction, or Suspension of Period of Ineligibility or other Consequences for Reasons Other than Fault

10.6.1 Substantial Assistance in Discovering or Establishing ECM Rule Violations

The *FEI Tribunal* may, prior to a final appellate *Decision* under Article 12 below or the expiration of the time to appeal, suspend a part or all of the period of *Ineligibility* imposed in an individual case where the *Person Responsible* and/or member of the *Support Personnel* has provided *Substantial Assistance* to the *FEI*, the *Equestrian Community Integrity Unit*, criminal authority or professional

disciplinary body which results in (i) the FEI discovering or ~~establishing~~bringing forward an ECM Rule violation by another Person or (ii) which results in a criminal or disciplinary body discovering or ~~establishing~~bringing forward a criminal offence or the breach of professional rules by another Person and the information provided by such Person providing Substantial Assistance is made available to the FEI. Such Substantial Assistance must be independently corroborated in order to reduce the period of Ineligibility and under no circumstance should it amount only to blaming another Person or entity for the alleged ECM Rule violation. The extent to which the otherwise applicable period of Ineligibility may be suspended shall be based on the seriousness of the ECM Rule violation committed and the significance of the Substantial Assistance provided in an effort to promote medication-free Competition. If the ~~FEI Tribunal subsequently reinstates any part of the suspended period of Ineligibility because the Person Responsible and/or member of the Support Personnel has failed~~fails to continue to cooperate and to provide the complete and credible Substantial Assistance upon which a suspension of the period of Ineligibility was anticipated, based, the FEI Tribunal shall reinstate the Person Responsible and/or member original period of Ineligibility. If the ~~Support Personnel~~FEI Tribunal decides to reinstate a suspended period of Ineligibility, that decision may be appealed by any Person entitled to appeal the reinstatement pursuant to under Article 12.

~~2 below.~~

10.6.2 Admission of an ECM Rule Violation in the Absence of Other Evidence

Where a Person Responsible and/or member of the Support Personnel voluntarily admits the commission of an ECM Rule violation before having received Notice of a Sample collection which could establish an ECM Rule violation (or, in the case of a ECM Rule violation other than Article 2.1, before receiving first Notice of the admitted violation pursuant to Article 7) and that admission is the only reliable evidence of the violation at the time of admission, then the period of Ineligibility may be reduced subject to the discretion of the Hearing Panel.

~~10.4.5~~10.6.3 Prompt Admission of an Anti-Doping Rule Violation after being Confronted with a Violation Sanctionable under Article 10.3.1

A Person Responsible and/or member of the Support Personnel potentially subject to a one year sanction under 10.3.1 (for Tampering with Sample Collection), by promptly admitting the asserted anti-doping rule violation after being confronted by the FEI, and also upon the approval and at the discretion the FEI Tribunal, may receive a reduction in the period of Ineligibility down to a minimum of one half of the otherwise applicable period of Ineligibility, depending on the seriousness of the violation and the Person Responsible and/or member of the Support Personnel's degree of Fault.

10.6.4 Where a Person Responsible and/or member of the Support Personnel Establishes Entitlement to a Reduction in Sanction Under More than One Provision of this Article

EQUINE CONTROLLED MEDICATION RULES

If the *Person Responsible* and/or member of the *Support Personnel* establishes entitlement to a reduction or suspension of the period of *Ineligibility* under two (2) or more of Articles 10.4-2, 10.4-3 ~~and 5~~ or 10.4-4, 6, then the period of *Ineligibility* may be reduced or suspended further subject to the discretion of the *Hearing Panel*.

10.57 Aggravating Circumstances Which May Increase the Period of Ineligibility

If the *FEI* establishes in an individual case involving an *ECM Rule* violation other than violations under Article 2.4 above (Assisting, encouraging, aiding, abetting, covering up or any other type of complicity involving an *ECM Rule* violation or any *Attempted Rule* violation) that aggravating circumstances are present which justify the imposition of a period of *Ineligibility* greater than the standard Sanction, then the period of *Ineligibility* otherwise applicable shall be increased up to a maximum of two (2) years unless the *Person Responsible* and/or member of the *Support Personnel* (where applicable) can prove to the comfortable satisfaction of the *Hearing Panel* that he or she did not knowingly commit the *ECM Rule* violation. The occurrence of multiple substances or methods may be considered as a factor in determining aggravating circumstances under this Article 10.7. The *Person Responsible* and/or member of the *Support Personnel* can avoid the application of this article by admitting the *ECM Rule* violation as asserted promptly after being confronted with the *Rule* violation by the *FEI*.

10.68 Multiple Violations

~~10.68.1 Second ECM Rule Violation or EAD Rule Violation Following an EAD Rule Violation~~

~~For the *Person Responsible* and/or member of the *Support Personnel's* first *ECM Rule* violation, the period of *Ineligibility* is set forth in Articles 10.2 and 10.3 (subject to elimination, reduction, or suspension under Article 10.4 or to an increase under Articles 10.5). For a second *ECM Rule* violation second ECM Rule violation (within the previous ~~four (4)~~ years), the period of *Ineligibility* shall be at the discretion greater of:~~

(a) three months;

(b) one-half of the *Hearing Panel*, who shall in every case render increased penalties period of *Ineligibility* imposed for multiple violations up to and including three (3) years the first *ECM Rule* violation without taking into account any reduction under Article 10.6; or

(c) twice the period of *Ineligibility*, otherwise applicable to the second *ECM Rule* violation treated as if so warranted it were a first violation, without taking into account any reduction under Article 10.6.

The period of *Ineligibility* established above may then be further reduced by the application of Article 10.6.

EQUINE CONTROLLED MEDICATION RULES

10.8.2 For a third ECM Rule violation, within the previous ~~four (4)~~ years, the Hearing Panel shall have the discretion to increase the Sanction to up to ~~four (4)~~ years of *Ineligibility*. For a fourth or more ~~violations~~ ECM Rule violation, within the previous ~~four (4)~~ years, the *Hearing Panel* shall have the discretion to impose a lifetime period of *Ineligibility* and shall in no circumstances render a Sanction of less than ~~four (4)~~ years *Ineligibility*.

The ~~same conditions set out in Articles 10.8.1 and 10.8.2 above~~ shall apply in case one or more of the rule violations previously committed were *EAD Rule* violations. However, ~~this Article~~ these Articles shall also be applicable if the *EAD Rule* violation preceding the current *ECM Rule* violation occurred in the previous ~~eight (8)~~ 10 years.

~~10.6-28.3~~ An ECM Rule violation for which an Person Responsible and/or member of the Support Personnel has established No Fault or Negligence shall not be considered a prior violation for purposes of this Article.

10.8.4 Additional **ECM** Rules for Certain Potential Multiple Violations

10.8.4.1 For purposes of imposing sanctions under Article 10.68, an ECM Rule violation will only be considered a ~~further~~ second violation if ~~the~~ FEI can establish that the ~~Person Responsible and/or member of the Support Personnel (where applicable)~~ Athlete or other Person committed the ~~prior~~ second ECM Rule violation after ~~he~~ the Athlete or other Person received notice pursuant to Article 7 ~~(Results Management)~~, or after the FEI made reasonable efforts to give notice of the ~~earlier~~ first ECM Rule violation. If the FEI cannot establish this, the violations shall be considered together as one single first violation, and the sanction imposed shall be based on the violation that carries the more severe sanction. ~~—However, the occurrence of multiple violations may be considered as a factor in determining aggravating circumstances under Article 10.5 above.~~

10.8.4.2 If, after the ~~resolution of~~ imposition of a sanction for a first ECM Rule violation, the FEI discovers facts involving ~~an~~ an ECM Rule violation by the *Person Responsible* and/or member of the *Support Personnel* which occurred prior to notification regarding the first violation, then ~~the~~ FEI ~~Tribunal~~ shall impose an additional sanction based on the sanction that could have been imposed if the ~~further~~ two violations ~~would have had~~ been adjudicated at the same time. Results in all *Competitions* dating back to the earlier ~~ECM~~ anti-doping rule violation will be *Disqualified* as provided in ~~Articles 9 and 10.1. To avoid the possibility of a finding of Aggravating Circumstances (Article 10.5) on account of the earlier in time but later discovered violation, the Person Responsible and/or member of the Support Personnel, must voluntarily admit the earlier ECM Rule violation on a timely basis after Notice of the violation for which he or she is first charged. The same rule shall also apply when the FEI discovers facts involving another prior violation after the resolution of a second ECM Rule violation~~ 9.

~~10.6.3 Multiple ECM Rule Violations during a Four-Year Period or Multiple ECM Rule Violations following an EAD Rule Violation during an Eight-Year Period~~

~~For purposes of Article 10.6, each ECM Rule violation must take place within the same four (4) year period in order to be considered multiple violations or to be considered as aggravating circumstance. For an EAD Rule violation to trigger a second ECM Rule violation, the EAD Rule violation must have taken place in the last eight (8) years.~~

~~10.6.48.5~~ Violations Involving Both a *Controlled Medication Substance or Method* and a *Banned Substance or Method*

Where a *Person Responsible* and/or member of the *Support Personnel* based on the same factual circumstances is found to have committed an *ECM Rule* violation involving both (a) *Controlled Medication Substance(s) or (a) Controlled Medication Method(s)* under these *ECM Rules* and (a) *Banned Substance(s) or Banned Method(s)* under the *EAD Rules*, the *Person Responsible* and/or member of the *Support Personnel* shall be considered to have committed one rule violation, but the Sanction imposed shall be based on the *Banned Substance* or *Banned Method* that carries the most severe Sanction. ~~The occurrence of multiple substances or methods may be considered as a factor in determining aggravating circumstances under Article 10.5 above.~~

10.79 *Disqualification of Results in Competitions Subsequent to Sample Collection or Commission of an ECM Rule Violation*

In addition to the automatic *Disqualification* of the results in the *Competition/the Event* which produced the positive *Sample* under Article 9 (*Automatic Disqualification of Results*), all other competitive results obtained from the date a positive *Sample* was collected, or other *ECM Rule* violation occurred, through the commencement of any *Provisional Suspension* or *Ineligibility* period, shall, unless fairness requires otherwise, be *Disqualified* with all of the resulting consequences including forfeiture of any medals, points and prizes.

10.79.1 As a condition of regaining eligibility after being found to have committed an *ECM Rule* violation, the *Person Responsible* and/or member of the *Support Personnel* must first repay all prize money forfeited under this Article and any other fines and/or costs attributed to the violation which have been ordered by the *FEI Tribunal* or otherwise accepted by the *Person Responsible*.

10.10 Commencement of *Ineligibility* Period

Except as provided below, the period of *Ineligibility* imposed on any *Person* or *Horse* shall start on the date of the *Decision* providing for *Ineligibility* or if the hearing is waived or there is no hearing, on the date *Ineligibility* is accepted or otherwise imposed or any other date specified by the *FEI Tribunal* in its *Decision*.

10.810.1 Delays Not Attributable to the *Person Responsible* and/or member of the *Support Personnel*

Where there have been substantial delays in the hearing process or other aspects of *Medication Control* not attributable to the *Person Responsible* and/or member of the *Support Personnel* alleged to have committed the *Rule* violation,

EQUINE CONTROLLED MEDICATION RULES

the *Hearing Panel* may start the period of *Ineligibility* at an earlier date commencing as early as the date of *Sample* collection or the date on which another *ECM Rule* violation last occurred. All competitive results achieved during the period of *Ineligibility* including retroactive *Ineligibility* shall be Disqualified.

10.810.2 Timely Admission

Where the *Person Responsible* and/or member of the *Support Personnel* (where applicable) promptly (which, for the *Person Responsible*, in all circumstances, means before the *Person Responsible* competes again) admits the *ECM Rule* violation after being confronted with the *Rule* violation by the *FEI*, the period of *Ineligibility* may start as early as the date of *Sample* collection or the date on which another *ECM Rule* violation last occurred. In each case, however, where this Article is applied, the *Person* who committed the *ECM Rule* violation shall serve at least one-half of the period of *Ineligibility* going forward from the date *Ineligibility* is imposed or accepted.

~~10.8.3~~ 10.10.3 Credit for Provisional Suspension or Period of *Ineligibility* Served

If a *Provisional Suspension* is imposed (or voluntarily accepted) and respected by the *Person Responsible*, member of the *Support Personnel*, and/or *Horse*, then a credit shall be received for such period of *Provisional Suspension* against any period of *Ineligibility* which may ultimately be imposed as determined by the *FEI Tribunal*. If a period of *Ineligibility* is served pursuant to a decision that is subsequently appealed, then the *Person Responsible* and/or member of the *Support Personnel* and/or *Horse* shall receive a credit for such period of *Ineligibility* served against any period of *Ineligibility* which may ultimately be imposed on appeal.

10.810.4 If a *Person Responsible* and/or member of the *Support Personnel* voluntarily accepts a *Provisional Suspension* in writing for himself, herself or the *Horse*, and thereafter refrains from participating in equestrian activities, such *Person* or *Horse* shall receive a credit for such period of voluntary *Provisional Suspension* against any period of *Ineligibility* which may ultimately be imposed. A copy of the voluntary *Provisional Suspension* shall be provided promptly to each party entitled to receive *Notice* of a potential *ECM Rule* violation. If a *Provisional Suspension* is voluntarily accepted, it can only be lifted by *Decision* of the *FEI Tribunal*.

10.810.5 No credit against a period of *Ineligibility* shall be given for any time period before the effective date of the *Provisional Suspension* or voluntary *Provisional Suspension* regardless of whether the *Person* alleged to have committed the *ECM Rule* violation elected not to compete or was suspended by his team.

10.911 Status During *Ineligibility*

10.911.1 Prohibition against Participation during *Ineligibility*

No *Horse*, *Person Responsible* and/or member of the *Support Personnel* who has been declared *Ineligible* may, during the period of *Ineligibility*, participate

EQUINE CONTROLLED MEDICATION RULES

In addition, for any *ECM Rule* violation, some or all of sport-related financial support or other sport-related benefits received by such *Person Responsible* or *Support Personnel* may be withheld by the *FEI* and/or its *National Federations*. A *Horse* subject to a period of *Ineligibility* shall remain subject to *Testing*.

In addition, any *Person Responsible* or member of the *Support Personnel* or *Horse* subject to *Ineligibility* under Article 10 may also be banned from any venues where *FEI* competitions are taking place, whether or not the *Person Responsible* or member of the *Support Personnel* is registered with the *FEI*.

10.911.2 Violation of the Prohibition of Participation During *Ineligibility*

Where a *Person Responsible* or member of the *Support Personnel* who has been declared *Ineligible* or whose *Horse* has been declared *Ineligible* violates the prohibition against participation or attendance during *Ineligibility* described in Article 10.911.1 above, the results of any such participation shall be *Disqualified* and ~~thea new~~ period of *Ineligibility* ~~which was originally imposed shall start over so that the entire~~ equal in length up to the original period of *Ineligibility* ~~must~~ shall be ~~served again from~~ added to the ~~beginning as~~ end of the ~~date~~ original period of ~~the last violation committed~~ *Ineligibility*. The new period of *Ineligibility* may be ~~reduced under Article 10.4.2 above if~~ adjusted based on the *Person Responsible* and/or member of the *Support Personnel* ~~establish that he bears No Significant~~ Personnel's degree of *Fault* or *Negligence* ~~for violating the prohibition against participation or attendance~~ other circumstance of the case. In addition, further sanctions may be imposed if appropriate. The determination of whether any *Person* has violated the prohibition against participation or attendance, and whether ~~a reduction under Article 10.4.2 above or any other sanctions are appropriate,~~ an adjustment shall be made by the *FEI Tribunal*. This decision may be appealed under Article 12.

ARTICLE 11 CONSEQUENCES TO TEAMS

11.1 Unless otherwise provided in the *FEI Regulations for Equestrian Events* at the Olympic or Paralympic Games, the Consequences to teams set forth below will apply.

11.1.1 At the Olympic Games, Paralympic Games, *FEI World Equestrian Games*, *FEI Championships for Seniors*, and *Regional Games*: If a member of a team is found to have committed a violation of these *ECM Rules* during an *Event*, the results of the *Person Responsible* will be *Disqualified* in all *Competitions* and the entire team *Disqualified*.

11.1.2 At all other Events than those listed above: If a member of a team is found to have committed a violation of these *ECM Rules* during an *Event* where a team ranking is based on the addition of individual results, the results of the

EQUINE CONTROLLED MEDICATION RULES

Person Responsible may be *Disqualified* in all *Competitions* and will be subtracted from the team result, to be replaced with the results of the next applicable team member. If by removing the *Person Responsible's* results from the team results, the number of *Athletes* counting for the team is less than the required number, the team shall be eliminated from the ranking.

- 11.2** Notwithstanding the above, for all *Events*, including but not limited to the Olympic and Paralympic Games, exceptional circumstances may be considered.

ARTICLE 12 APPEALS

12.1 *Decisions Subject to Appeal*

ARTICLE 13 APPLICATION, REPORTING AND RECOGNITION

13.1 Application of *FEI ECM Rules*

For FEI Disciplines only, all National Federations shall specifically incorporate Articles 2, 3, 4, and 8.2 of these *ECM Rules* into their anti-doping regulations without substantive change by January 1, ~~2011~~2016 and enforce them against their members, unless doing so would contravene any applicable national law. ~~For~~For any National ~~Federation~~Federations that has had ~~a system of~~national~~its own~~its own anti-doping rules in effect for at least five (5) years, ~~such mandatory compliance may be delayed until January 1, 2012. If any National Federations in this category (anti-doping rules in effect for at least five (5) years) are~~ is opposed to incorporating Article 4 by January 1, ~~2012~~2016, such National Federation may delay such implementation beyond January 1, ~~2012~~2016 and instead coordinate and agree with the FEI on an individual basis the appropriate implementation, if any, of Article 4 going forward. With regards to the other Articles of these Rules, National Federations, to the extent they do

EQUINE CONTROLLED MEDICATION RULES

not wish to incorporate them, shall adopt corresponding provisions which embody similar concepts and principles, especially with respect to Article 10. Nothing in these Rules shall be interpreted to prevent a National Federation from conducting out-of-competition testing on national *Horses* as part of its national Doping Control.

13.2 Statistical Reporting

National Federations shall report to the *FEI* at the end of every year aggregated and anonymous results of all *Medication Control* within their jurisdiction. The *FEI* may periodically publish *Testing* data received from *National Federations* as well as comparable data from *Testing* under the *FEI*'s jurisdiction.

13.3 Public Disclosure

13.3.1 Neither the *FEI* or its *National Federation* shall publicly identify *Horses* or *Persons Responsible* whose *Horses' Samples* have resulted in *Adverse Analytical Findings*, or *Persons Responsible* and/or members of the *Support Personnel* who were alleged to have otherwise violated these *Rules*, until the earlier of completion of the administrative review and *Notification* described in Articles 7.1.2 and 7.1.~~34~~ or the start of the *Provisional Suspension* of the *Person* alleged to have violated the *ECM Rule*. Once a violation of these *ECM Rules* has been established, it shall be publicly reported in an expeditious manner via the *FEI* Case Status Table at www.fei.org unless another mechanism for publicly reporting the information is warranted at the discretion of the *FEI*. With regards to the *Administrative Procedure* set forth in Article 8.3 above, publication shall occur on the acceptance of the Administrative Sanction. If the *Person Responsible* and/or member of the *Support Personnel* or the *National Federation* of any such *Person* makes information concerning a *Rule* violation or alleged *ECM Rule* violation public prior to release of this information on the Case Status Table, the *FEI* may comment on such public information or otherwise publicly report the matter.

13.3.2 In any case where it is determined, after a hearing or appeal, that the *Person Responsible* and/or member of the *Support Personnel* did not commit an *ECM Rule* violation, the *Decision* may be ~~disclosed publicly~~ **Publicly Disclosed** only with the consent of the *Person* who is the subject of the *Decision*. The *FEI* shall use reasonable efforts to obtain such consent, and if consent is obtained, shall **Publicly Disclose** the *Decision* in its entirety or in such redacted form as such *Person* and *FEI* may jointly approve.

~~13.3.3~~ **13.3.3** Publication shall be accomplished at a minimum by placing the required information on the *FEI*'s Web site or publishing it through other means and having the information up for the longer of one month or the period of Ineligibility.

13.3.4 Neither the *FEI*, any *National Federation*, any *Laboratory*, or any official of any of the above, shall publicly comment on the specific facts of a pending case (as opposed to a general description of process and science), except in response to public comments attributed to the *Person Responsible* and/or member of the *Support Personnel* or their representatives.

13.3.5 The mandatory *Public Reporting* required in article 13.3.2 shall not be required where the *Person Responsible* and/or member of the *Support Personnel* who has been found to have committed a controlled medication violation is a *Minor*. Any optional *Public Reporting* in a case involving a *Minor* shall be proportionate to the facts and circumstances of the case.

13.4 Recognition of *Decisions* by *National Federations*

Any *Decision* of the *FEI* regarding a violation of these *ECM Rules* shall be recognized and enforced by all *National Federations* (including with respect to *National Events*) and *National Federations* shall take all necessary action to implement any and all ramifications relating to such *Decisions*. Failure to do so may be considered a violation of these *EAD~~ECM~~ Rules* and the *FEI Statutes*.

ARTICLE 14 STATUTE OF LIMITATIONS

No action may be commenced under these *ECM Rules* against a *Person Responsible* and/or member of the *Support Personnel* for an *ECM Rule* violation unless ~~such action is commenced~~ she or he has been notified of the *ECM Rule* violation as provided in Article 7, or notification has been reasonably attempted within four (4) years from the date the violation is asserted to have occurred.

ARTICLE 15 AMENDMENT AND INTERPRETATION OF *ECM RULES*

15.1 These *ECM Rules* may be amended from time to time by the *FEI* in accordance with the *FEI Statutes* and *General Regulations*.

15.2 Except as provided in Article 15.5, these *ECM Rules* shall be interpreted as an independent and autonomous text and not by reference to existing law or statutes. Nothing herein shall be interpreted to supplant the applicability of national laws to national events.

15.3 The headings used for the various parts and articles of these *ECM Rules* are for convenience only and shall not be deemed part of the substance of these Rules or to affect in any way the language of the provisions to which they refer.

15.4 The Introduction, Appendix 1 Definitions, the Equine Prohibited Substances List, and the *FEI* List of Approved Laboratories, shall be considered integral parts of these *ECM Rules*.

15.5 These *ECM Rules* have been adopted pursuant to the *FEI Statutes* and *General Regulations* and shall be interpreted, where applicable, in a manner that is consistent with applicable provisions of these *Statutes* and *General Regulations* as well as other *FEI* rules and regulations including but not limited to the *Veterinary Regulations*, the *Internal Regulations of the FEI Tribunal*, the *FEI Standard for Laboratories* and the various *FEI Sport Rules*. In the event of conflict with the *Statutes* or the *General Regulations*, the *Statutes* and the *General Regulations* shall apply, subject however to the application by the *FEI Tribunal* of the legal principle of *lex specialis derogat legi generali* which provides that a specific provision should govern over a general provision. In the event of conflict with any other rules or regulations, these *ECM Rules* shall apply.

EQUINE CONTROLLED MEDICATION RULES

15.6 The time limits fixed under the present ECM Rules shall begin from the day after which Notification by the FEI is received. Official holidays and non-working days are included in the calculation of time limits. The time limits fixed under the present ECM Rules are respected if the communications by the parties are sent before midnight on the last day on which such time limits expire. If the last day of the time limit is an official holiday or a non-business day in the country where the Notification has been made, the time limit shall expire at the end of the first subsequent business day.

ARTICLE 16 TRANSITIONAL PROVISIONS

~~16.1 General Application of the 2010 ECM Rules~~

~~The 2010 ECM Rules shall apply in full force and effect after~~

~~16.1 April 2010 (the "Effective Date"). Any update to the 2010 ECM Rules shall become effective as stipulated herein.~~

Application to Decisions Rendered Prior to the 2010 ECM Rules

The ~~2010~~2015 ECM Rules shall have no application to any *Controlled Medication Rule* violation case where a final *Decision* finding a *Controlled Medication Rule* violation has been rendered and the period of *Ineligibility* has expired.

~~They shall not apply retroactively to matters pending before the Effective Date; provided, however, that:~~

~~16.1.1 ECM Rule violations taking place prior to the Effective Date count as "first violations" or "second violations" for purposes of determining sanctions under Article 10 for violations taking place after the Effective Date.~~

~~16.1.2 The retrospective periods in which prior violations can be considered for purposes of multiple violations under Article 10.8.5 and the statute of limitations set forth in Article 14 are procedural rules and should be applied retroactively; provided, however, that Article 14 shall only be applied retroactively if the statute of limitations period has not already expired by the Effective Date. Otherwise, with respect to any ECM Rule violation case which is pending as of the Effective Date and any controlled medication rule violation case brought after the Effective Date based on controlled medication rule violation which occurred prior to the Effective Date, the case shall be governed by the substantive rules in effect at the time the alleged controlled medication rule violation occurred unless the FEI Tribunal or national arbitral panel deciding the case determines the principle of "lex mitior" appropriately applies under the circumstances of the case.~~

~~16.1.3 For purposes of assessing the period of Ineligibility for a second violation under Article 10.8.1, where the sanction for the first violation was determined based on rules in force prior to the Effective Date, the period of Ineligibility which would have been assessed for that first violation had these ECM Rules been applicable, shall be applied.~~

Banned Substance. ~~Any substance so described on the Equine Prohibited Substances List (including their Metabolites and Markers-)~~ that have been deemed by the FEI List Group to have: a) no legitimate use in the competition Horse and/or b) have a high potential for abuse. Banned Substances are prohibited at all times.

APPENDIX 1 - DEFINITIONS

CAS. The Court of Arbitration for Sport

Competition. As defined in the FEI General Regulations: "Refers to each individual class in which Athletes are placed in an order of merit and for which prizes may be awarded."

Confirmatory Analysis Request Form. The written form sent to the *Person Responsible*/the *Owner* of the *Horse* (if applicable) by the FEI Legal Department that must be completed and returned if the *Person* wants a confirmatory analysis of the *B Sample* to be undertaken following an *Adverse Analytical Finding* resulting from the *A Sample*.

- a) the potential to affect performance, and/ or
- b) a potential welfare risk to the Horse.

Controlled Medication Substances are prohibited *In-Competition*, but may be exceptionally permitted *In-Competition* when their use has been authorised by the appropriate Veterinary Form.

Decision (or "Decide"). An authoritative determination reached or pronounced after consideration of facts and/or law.

Anyone applying for *Elective Testing* should know that some *Prohibited Substances* that are not detectable in urine tests may be found in a blood sample and lead to a positive test result. The application form for *Elective Testing* can be downloaded from the *FEI* website.

Elimination. Unless otherwise specified in the applicable *FEI* Rules and Regulations, *Elimination* means that the *Athlete* with the *Horse* in question may not continue in the *Competition* at issue but the *Horse* is not necessarily *Eliminated* from the entire *Event*.

Factors to be taken into consideration in assessing an Person Responsible and/or member of the Support Personnel's degree of Fault include, for example, the Person Responsible's and/or member of the Support Personnel's experience, whether the Person Responsible and/or member of the Support Personnel is a Minor, special considerations such as impairment, the degree of risk that should have been perceived by the Person Responsible and/or member of the Support Personnel and the level of care and investigation exercised by the Person Responsible and/or member of the Support Personnel in relation to what should have been the perceived level of risk. In assessing the Person Responsible's and/or member of the Support Personnel's degree of Fault, the circumstances considered must be specific and relevant to explain the Person Responsible's and/or member of the Support Personnel's departure from the expected standard of behaviour. Thus, for example, the fact that the Person Responsible would lose the opportunity to earn large sums of money during a period of Ineligibility, or the fact that the Person Responsible only has a short time left in his or her career, or the timing of the sporting calendar, would not be relevant factors to be considered in reducing the period of Ineligibility under Article 10.5.1 or 10.5.2.*
