

FEI Courses for Coaches According to the FEI Coaching System Level 1 Endurance Course for Coaches

Bogotá (COL): dates: 12 al 16 de September 2017
FEI Tutor: Valery Kanavy (USA)

The Colombian Equestrian Federation hosted the first Level 1 Course for Endurance coaches in Bacatá Club Equestre. The tutor was Ms. Valery Kanavy from USA, who transmitted to the coaches her great experience to prepare riders and horses in this discipline. A person with her experience and knowledge is invaluable for a course like this. Her openness, energy and warmth made a good experience and kept all the coaches engaged in the course.

There were coaches from different countries as: Canada, Guatemala and Ecuador, also from different regions of Colombia, not just Bogotá that will ensure the development of the discipline in more regions in our country.

Last day the practice was made in el Rodeo MG a beautiful place in the mountains with plenty of roads and tracks to develop a good practice for all the coaches. There were 9 riders that attended to this last "race". They were organized in 3 teams that competed and helped the coaches to have the experience to really coach a team.

One of the coaches, Wendy from Canada, support the course with excellent interventions like proper fitting of the saddles for the endurance horse.
