According to the FEI Coach Education Programme

Level 1 Endurance Course for Coaches

Kuala Lumpur (MAS): 3 December 2018 – 7 December 2018

FEI Tutor: Mrs. Penny TOFT (AUS)

The Equestrian Association of Malaysia held a Level 1 Coaching Course on 3rd December – 7th December 2018 at the Selangor Turf Club in Kuala Lumpur. This is for the first time Malaysia hosted the Level1 Endurance Course for Coaches. The participants came from far and wide such as from Bulgaria, Kyrgyzstan and Thailand with the Tutor making the journey from Australia.

Mrs. Penny was a hard taskmaster, keeping the students engrossed in all the tasks from early morning till late in the evening. This course had a quite big numbers of students and therefore each and every one of them gained massively from the knowledge that Mrs. Penny shared with them.

The Equestrian Association of Malaysia took this opportunity and invited 10 observers who gained useful knowledge about Endurance discipline too. All participants felt they had improved their skills over the 5 days of the course and MAS NF felt the course has enhanced the sport in the country as well as the region.

The Equestrian Association of Malaysia is continually working on development, and being able to bring in experienced coaches like Mrs. Penny can only be a plus for the Riders and developing coaches in Malaysia.
