

Courses for Coaches According to the FEI Coach Education Programme Level 2 Course for Coaches

Location: Santiago (CHI) 14 - 19 May 2018
FEI Tutor: Jaime Morillo (ECU)

This Coach course was held at the Santiago Paperchase Club, which has excellent equestrian facilities and a classroom.

The Tutor for this course, Mr. Morillo described the participants as having a high levels of curiosity. They were all very involved and interested in the course, asking many questions. With only seven participants, each candidate had 4 sometimes 5 opportunities to coach, which brought them out of their comfort zone over and over again. This made good learning possible and Coaches could take the time to prepare better lesson planners, which allowed them to improve on their own observation skills, and diagnose a problem more accurately and come up with the right solution.

As always long days, starting at 08h00 and debriefing the day's work at 18h00.

Clases de teórica en el Santiago Paperchase Club

Clases prácticas en el picadero con alumnos

Alumnos de Curso Coach, trabajando en armado de pista en clases practicas
