

## FEI Courses for Coaches According to the FEI Coaching System Level 1 Vaulting

**San José (CRC):** 25-28 October 2016  
FEI Tutor: Priscila Bottom (BRA)

With great enthusiasm the National Federation of Costa Rica organized, for the first time ever in the country, a Coaching Course for Vaulting.

From October 25<sup>th</sup> to the 28<sup>th</sup> FEI Coach, Mrs. Priscila Botton, with her experience and good sense of humor had the participants involved in learning all about this beautiful and demanding discipline.

Ten coaches gathered at the premises of the Equestrian Center Los Sauces in Coronado, a city located in the mountains of San Jose. With a very pleasant weather the four days exchanging experiences and knowledge passed almost without realizing it.

It is seen a promising future for Vaulting in Costa Rica thanks to the FEI Coaching System. All coaches went back home eager to share with their riders what they have learned.

Definitely a priceless experience!!!!
