7.6. Overall Classification Tie Breaker

In case of a tie for any place on the overall Regional classification, teams are separated by:

- giving preference to the team with the greater number of first place classifications;
- in case there is still a tie the number of second place classifications will count and if necessary the number of third place classifications and so on until the tie is broken.

If after applying this method there is still a tie for any place at the conclusion of the last Event of the season, preference will be given to:

- the team with the greater number of clear rounds among the scores counting (i.e. maximum three scores per round per team) from each Competition throughout the season;
- if there is still a tie the scores counting (i.e. maximum three scores per round per team) for each team from each Competition will be added together and preference will be given to the team with the lowest overall score.

7.7. Cancellation of a Qualifying Competition

In the case of a qualifying Competition being cancelled in any Region or Division where teams are allocated Events counting for points the following procedure applies.

Teams whose result would have counted for points at the cancelled Competition are distributed points for the cancelled Competition, based on the total number of points obtained at their other allocated Events divided by the number of Events at which they have participated for points. This calculation is carried out at the end of the season.

7.8. Prize Money

Only teams (eight) competing in the second round of each Competition receive prize money.

The prize money is distributed as follows:

RQs take place between April and end of June of the current year.

To earn points, a team must participate in the Nations Cup competitions at both RQs in its Region. Teams earn points according to their classification in the respective RQs in their Region (non-Region Teams not counting for points, irrespective of their final placing), using the following point scale:

Placing	Points
1 st	100
2 nd	90
3 rd	80
4 th	70
5 th	60
6 th	55
7 th	50
8 th	45
9 th	40
10 th	35
11 th and beyond	30

The points for each team are added together to establish the Region standings. In the event of equality of points, the highest ranked team will be the team with the most points at the respective RQ with highest * level or, in case of RQs with same * level, the team highest placed in the second RQ in the region.

1.1.1. Regional Qualifier not taking place

In the event that only one RQ takes place in a Region (instead of two), for whatever reason, the teams of the Region will qualify for the respective Semi-Final according to their classification in the RQ that has taken place.

In the event no RQ takes place in a Region, for whatever reason, the teams in the Region will qualify for the respective Semi-Final through the Nations Cup Ranking commencing with the first Nations Cup competition following the FEI Jumping Nations Cup™ Final of the previous year until two weeks prior to the respective Semi-Final of the current year.

Teams in the EEF Series may take part in CSIOs outside their own Region but may not earn points for their Region standings at these Events.

1.2. EEF Series Semi-Finals (SFs)

The Semi-Final is a CSIO3*, where the Nations Cup competition is reserved for the top ten (10) teams (five from each Region) qualified according to the respective Region standings above, as follows:

- Top 5 teams from Regions South & Central qualify for EEF Series Semi-Final 1

- Top 5 teams from Regions North & West qualify for EEF Series Semi-Final 2

The home team in a SF, if not qualified as above, has the right to participate in the Nations Cup competition of said SF as 11th team, without being eligible for qualification for the Final.

The top five (5) placed eligible teams in the Nations Cup competition at each Semi-Final, respectively, qualify for the EEF Series Final.

SFs take place in June or July of the current year and there must be at least one (1) free week between the last RQ in any Region and its respective SF, as above.

1.2.1. ~~Withdrawal~~Non-Participation of a team from an EEF Series Semi-Final

Should a qualified Team for either of the Semi-Finals ~~withdraw from participation inform the EEF that it will not participate~~ at the respective Semi-Final, it will be replaced where possible by the next best placed team from its own Region. Substitution may only go down one place in each Region. Should it not be possible to substitute a ~~withdrawn~~ team with the next best placed team from the same Region, the vacant quota place will be filled from the next best placed Team, not already qualified, from the other Region in the same Semi-Final. Should it not be possible to substitute a ~~withdrawn~~ team as per the above, up to ~~one (1)~~ two (2) quota places will be filled through the Nations Cup Ranking commencing with the first Nations Cup competition following the FEI Jumping Nations Cup™ Final of the previous year until two weeks prior to the respective Semi-Final of the current year, otherwise ~~it~~ they will remain vacant. Any Team that replaces a team that does not participate in the Semi-Final is eligible to qualify for the Final.

1.2.2. Semi-Final not taking place

In the event that a SF does not take place, for whatever reason, the five (5) teams to be qualified from such SF for the EEF Series Final will be determined as follows:

From SF 1: the top 2 teams from Region South and the top 3 teams from Region Central, as per their classification under “EEF Series Regional Qualifiers (RQs)” above

From SF2: the top 2 teams from Region North and the top 3 teams from Region West, as per their classification under “EEF Series Regional Qualifiers (RQs)” above

1.3. EEF Series Final

The EEF Series Final is a CSIO4* reserved only for the ten (10) teams qualified from the two (2) SFs, as above, and the home team as the 11th team if not qualified but a) providing the home team has tried to qualify for the EEF Nations Cup Final and b) the home team, if not qualified as above, will not be eligible for promotion to the FEI Jumping Nations Cup Division 1.

The Final takes place between ~~18th~~ July and ~~15th~~ September of the current year, unless otherwise approved by EEF Board decision in accordance with relevant FEI Rules and Regulations, and there must be (a) at least one (1) free week between the Final and the last SF and (b) at least two (2) weeks between the Final and the Jumping Event of the Olympic Games or the World and EU CH for Seniors or the FEI Jumping Nations Cup™ Final of the current year.

The winning team in the EEF Series Final will be promoted to the FEI Jumping Nations Cup™ Division 1 for the next calendar year, unless such winning team comes from an NF eligible to compete in Division 1 in the next calendar year. In such a case, it will be the next ranked team in the Final that will be promoted to Division 1, provided it does not come from an NF eligible to compete in Division 1 in the next calendar year. In case the winning team comes from the same NF relegated in the current calendar year from Division 1, that same team will not be promoted back to Division 1 for the next calendar year; in such a case the next best ranked team will be promoted to Division 1, provided it does not come from an NF eligible to compete in Division 1 in the next calendar year.

Substitution may only go down two places in each Semi-Final. Should it not be possible to substitute a ~~withdrawn~~ team with the next two best placed teams from the same Semi-Final, the vacant quota place(s) will be filled from the next best placed Team(s), not already qualified, from the other Semi-Final, again going down only two places.
