

Courses for National Coaches
According to the FEI Coach Education Programme
Level 1 Course for National Coaches
Location (NF): QUITO – ECUADOR 2 – 6 Agust 2022
FEI Tutor: JAIME MORILLO (ECU)

Ecuador National Federation host the FEI Coaching System Course Level 1, on the 2 – 6 of August, at Quito, Tennis and Golf Club in Quito. The course tutor was Jaime Morillo, FEI Tutor, an experienced course designer level 3*.

The course was prepared by the Tutor, who sent a checklist of everything necessary for the course. Every detail was organized with the NF and the Club that was hosting the course.

The coaches work for five intense days, it was not easy for the Tutor to have 15 students. The schedule from 9 am to 5 pm was short. There were very long working days.

The NF organized 2 coffee breaks and 1 daily lunch, with this the coaches were well attended and had all the facilities that this club offers to the attendees.

There was a problem with the material, which should be taken into account for the next occasion, it got to Ecuador when the course was finished it was sent late and did not arrive on time. To solve this problem, we had to print at the NF office.

We want to continue making the following levels so that our country can achieve better levels for our coaches.

Coaches were extremely enthusiastic and pleased with the course, and thankful to have someone with Jaime ´s knowledge.

We believe it is very important to prepare new coaches.
