

Courses for Coaches
According to the FEI Coach Education Programme
Level 1 Course for Coaches - Olympic disciplines

Rio de Janeiro – Confederação Brasileira de Hipismo

Dates: 18 - 22 December 2018

FEI Tutor: Juan Carlos Nuñez (URU)

Brazilian Equestrian Federation in partnership with Equestrian Federation of Rio de Janeiro hosted a Course for Coaches Level 1 – Olympic disciplines, from 18th - 22nd December 2018 at Sociedade Hípica Brasileira, in Rio de Janeiro.

The course was run with the max number of participants, 14 and it was directed by the FEI Tutor Juan Carlos Nuñez, from Uruguay.

One more time the course was unanimously a success and all participants finished the course requesting the continuation to have the Level 2 Course. During the course, each minute counts in order to have all the subjects well explained and also to let the coaches make their comments and remarks regarding the classes ministered by the other classmate;

Each subject explained in the class is discussed and the Tutor Juan Carlos aims the effective participation of all coaches, leading them to reflect on what has been taught. His gesturals in class to show the horse movements is a mark of his way of teaching and it is very comprehensible to everyone!

We hope that holding these courses we are contributing with technical development of horse riding in Rio de Janeiro and other states of Brazil.
