

## Courses for National Coaches According to the FEI Coach Education Programme Level 1 Course

**LIMA (PER):** August 14 – 18 2023  
FEI Tutor: JAIME MORILLO (ECU)

The PERU NF (National Equestrian Sports Federation of Peru) organized the second Level 1 Course for coaches, from August 14 to 18, 2023, at the Club Híco Militar in La Molina - Lima. The Course Tutor was Mr. Jaime Morillo (ECU), a recognized FEI tutor

who, due to his extensive experience and ability, developed an incredible course. The close work between our Federation and Mr. Molillo in preparing the course resulted in a very successful collaboration with a total of 10 coaches attending the course and 08 observers. The general response to this second course held in Peru was extremely positive.

The general regret: 5 days were short to cover all the course material in depth, however the

empathy generated by Mr. Morillo allowed the objectives that had been planned to be achieved.

The trainers were enthusiastic and satisfied with the course and grateful to have someone with as much knowledge as Mr. Morillo, for which we can only thank him for his collaboration, enthusiasm, dedication and professionalism. PERU NF hopes to be able to develop new courses in the future with the help and participation of other NF coaches in the region, as well as being able to access the FEI System Coaching Level 2 in 2024.
