5.4. 2018 Structure

To be decided during the course of 2017.

6. PARTICIPATION

6.1. Europe - Division 1

6.1.1. 2017 Season – Teams

For the 2017 FEI Nations Cup™ season the eight NFs permitted to take part in Division 1 are as follows:

- The seven best ranked teams on the overall Division 1 standings for 2016.
- The best ranked Division 2 team at the 2016 FEI Nations Cup™ Final.

6.1.2. Option of Participation in Division 1 or 2

NFs qualified for Division 1 have the option to choose whether they wish to participate in either Division 1 or Division 2. Should any of the seven NFs qualified for Division 1 choose not to participate in Division 1 in the 2017 season, it will be replaced by the next best ranked team on the 2016 overall Division 1 standings. Should the best ranked Division 2 team at the 2016 FEI Nations Cup™ Final decide not to participate in Division 1 in the 2017 season, it will be replaced by the next best ranked Division 2 team at the 2016 Final; if Division 2 cannot fill its quota from the 2016 Final, the 2016 overall Division 2 standings will be used to select the Division 2 replacement team. See Art. 4.1 for the deadline for confirmation of participation of NFs qualified for Division 1.

Withdrawals

Once the eight qualified NFs are established for the 2017 season as stipulated above they will not be replaced.

6.1.3. Number of Teams per Event in Division 1

Eight teams are permitted to take part in Division 1 CSIO Events; at least six Division 1 teams and at least one Division 2 team must be invited to each Event in Division 1. A Non-Division 1 team may participate in a maximum of four Division 1 Events.

6.1.4. Number of Events to count for Points

NFs participating with a team in Division 1 are guaranteed invitations to six Division 1 Events, but only their four best results will count towards the Division 1 standings.

Selection/Allocation of Events for the 2017 Season

NFs participating in Division 1 must participate at their home qualifying Event, providing the home NF organises a qualifying Event. Five additional qualifying Events (for a total of six) are chosen by Division 1 NFs or allocated by the FEI for the 2017 season in accordance with the system indicated as follows.

The following four NFs are permitted to select their six Division 1 Events:

- The four best placed NFs in descending order from the 2016 Division 1 FEI Nations Cup™ standings prior to the FEI Nations Cup™ Final.

The following system applies for the selection of the six Division 1 Events for which an invitation is guaranteed, in order of priority:

- NFs choose their home Event (if the home NF has a qualifying Event). If there is one or more NFs among the four permitted to select their Events that does not have a home Event, allocation of the home Event for the NF(s) in question is decided by a draw.

- The first placed NF on the 2016 Division 1 standings may select the Event of its first choice;
- The second placed NF on the 2016 Division 1 standings may select the Event of its first choice;
- The third placed NF on the 2016 Division 1 standings may select the Event of its first choice;
- The fourth placed NF on the 2016 Division 1 standings may select the Event of its first choice;
- Once each of the above four NFs has selected its first choice, the selection of the remaining Events continues in the same order until all four NFs have reached the established quota of six Events. Once an Event has been selected by six NFs, including the home NF or the allocated NF if an NF has no home Event, no other NF may select that Event;
- An Event selected by an NF in the first round of the selection process cannot be selected by another NF in that round. The same applies to all selection rounds.

The following procedure will be used for the allocation of Events for which an invitation is guaranteed for the remaining Division 1 teams:

- Once the four NFs that are permitted to choose their Events have selected their Events in the final selection round, the remaining slots for each of the qualified NFs will be allocated by the FEI in such a way as to ensure that all NFs concerned can fill their quota. Prior to these NFs being allocated their quota of Events they will be given the opportunity by the FEI to name the Events of their choice. The FEI will try as much as possible to facilitate the wishes of NFs.

6.1.5. Selection/Allocation of Events for the 2018 Season

The selection/allocation process of Events in 2018 will be decided during the course of 2017.

6.1.6. Participation at CSIOs outside Division 1

6.1.8. Participation in the First and Second Round

In Division 1 Events, four Athletes per team take part in the first round of the FEI Nations Cup™ Competition. Unless eliminated in the first round, eight teams take part in the second round with four Athletes each. The home team, if not one of the Division 1 NFs, may not return for the second round unless it qualifies among the eight teams allowed to return for the second round.

6.1.9. 2018 Season

6.2.6. Invitation of Teams

The following NFs have the right to receive an invitation to the FEI Nations Cup™ Division 2 Events of their choice:

- The three NFs, relegated from Division 1 according to their previous year's overall Division 1 standings;

- Teams not included in those above must request an invitation from the OC of the Division 2 Events at which they would like to participate. OCs of Division 2 Events should give priority of invitations to Division 2 NFs over NFs from other Regions.
- Refer to Art. 12.1 for details relating to FEI wild cards for teams at Division 2 Events.

6.2.7. Number of Athletes and Horses per Team

In Division 2 four Athletes per team take part in the first and second round of the FEI Nations Cup™ Competition. Unless eliminated in the first round eight teams take part in the second round. The home team may not return for the second round unless it qualifies among the eight teams allowed to return for the second round.

6.3. Other Regions

All OCs in other Regions must accept requests for entries from NFs in their own Region, providing they meet the minimum eligibility requirements (refer to article 7) for NFs and providing they have declared their intention to take part in the series.

Teams may take part at CSIO Events outside their own Region but may not earn points at these Events.

OCs must invite teams of four or five Athletes.

For the avoidance of doubt, the current JRs relating to invitation of teams and individuals apply.

Four Athletes per team take part in the first and second round of the FEI Nations Cup™ Competition. Unless eliminated in the first round, eight teams take part in the second round.

The home team may not return for the second round unless it qualifies among the eight teams allowed to return for the second round.

The minimum eligibility requirements for NFs to participate in the 2018 FEI Nations Cup™ series will be established during the course of 2017.

8. POINT SYSTEM

8.1. Points

Points may only be obtained by eligible teams in their own Region or Division. In order to determine the list of NFs that qualify for the FEI Nations Cup™ Final, the following point system will be used for all qualifying Competitions:

Placing	Points
1st	100
2nd	90
3rd	80
4th	70
5th	60
6th	55
7th	50
8th	45
9th	40
10th	35

In accordance with the invitation system established for each Region/Division, the points obtained in the FEI Nations Cup™ qualifier(s) are added together in order to establish Regional/Division standings.

8.2. Division 1

For Division 1 teams, points are distributed according to the team’s classification in the Competition. In case Division 1 teams are placed equal with any other team during any of the FEI Nations Cup™ Competitions, the points set forth in article 8.1 for the places in question are added and divided equally among the teams concerned, the Division 1 team(s) thereby obtaining its/their portion of the points. The second decimal place is rounded up from .005 and rounded down from .004.

The number of results to count per team for Division 1 is the same as the number of guaranteed invitations, that is 50% of the total number of qualifying Events in Division 1 rounded up to the next whole number. Teams may only earn points at Events that have been chosen or allocated for this purpose (refer to article 6.1.6).

8.3. Division 2

For Division 2, points are distributed according to the team’s classification in the Competition. In case Division 2 teams are placed equal with any other team during any of the FEI Nations Cup™ Competitions, the points set forth in article 8.1 for the places in question are added and divided equally among the teams concerned, the Division 2 team(s) thereby obtaining its/their portion of the points. The second decimal place is rounded up from .005 and rounded down from .004.

Division 2 teams may earn points at all Division 2 Events but the maximum number of results to count per team in Division 2 is four.

8.4. Other Regions

For other Regions, points are distributed according to the team's classification in the Competition. In case teams from the same Region are placed equal with any other team during any of the FEI Nations Cup™ Competitions, the points set forth in article 8.1 for the places in question are added and divided equally among the teams concerned, the team(s) participating for points thereby obtaining its/their portion of the points. The second decimal place is rounded up from .005 and rounded down from .004.

The number of Events to count for points for other Regions is four if between four and eight qualifiers are held in any given Region. In case there are less than four qualifying Events in any given Region, all count for points.

8.5. Overall Classification Tie Breaker

In case of a tie for any place on the overall Regional classification, teams are separated by:

- giving preference to the team with the greater number of first place classifications;
- in case there is still a tie the number of second place classifications will count and if necessary the number of third place classifications and so on until the tie is broken.

If after applying this method there is still a tie for any place at the conclusion of the last Event of the season, preference will be given to:

- the team with the greater number of clear rounds among the scores counting (i.e. maximum three scores per round per team) from each Competition throughout the season;
- if there is still a tie the scores counting (i.e. maximum three scores per round per team) for each team from each Competition will be added together and preference will be given to the team with the lowest overall score.

In case of a tie for a qualification place from Regions with only one qualifying Event, the following method will be used to break the tie:

- the team with the greater number of clear rounds among the scores counting in the Competition (i.e. maximum three scores per round per team);
- if there is still a tie the combined times of each team's best three athletes in the first round if the teams concerned have taken part only in the first round or both rounds if the teams concerned have taken part in the second round (i.e. the times of the three Athletes whose result counted in each round) will be used to break the tie, preference being given to the team with the lowest combined time.

9. PRIZE MONEY

The prize money for each Division 1 FEI Nations Cup™ Competition must not be less than €200'000.

Only teams (eight) competing in the second round of each Division 1 Competition receive prize money.

The prize money is distributed as follows:

	1 st	2 nd	3 rd	4 th	5 th	6 th	7 th	8 th
8 teams	64'000	40'000	32'000	24'000	16'000	11'000	8'000	5'000

A team which is eliminated (see JRs Art. 264.8.1 and 264.8.2) in the first round of a Division 1 Competition is not entitled to receive prize money or points for that Competition.

All other Competitions must offer the following minimum amount of prize money:

- CSIO3* and CSIO4* FEI Nations Cup™ Competitions 30'000 CHF;
- CSIO5* FEI Nations Cup™ Competitions 80'000 CHF except Division 1.

10. GRAND PRIX PARTICIPATION – EUROPE DIVISION 1 AND 2

10.1. Qualification Format

Each OC must provide two opportunities for each Athlete to qualify for the Grand Prix Competition. The first qualifier is held prior to the FEI Nations Cup™ Competition and is open to all Athletes. The FEI Nations Cup™ Competition counts as a qualifier for the team Athletes. The third qualifier is held following the FEI Nations Cup™ Competition and counts as a qualifier for the non-team Athletes plus individuals and those Athletes not taking part in the second round of the FEI Nations Cup™ Competition. Both the first and third qualifiers must have a minimum standard of 1.50m.

10.2. Number of Athletes in the Grand Prix

The Grand Prix at all FEI Nations Cup™ Division 1 Events is open to a minimum of 40 and a maximum of 50 Athletes.

The Grand Prix at all FEI Nations Cup™ Division 2 Events is open to 50 Athletes at CSIO4* and CSIO5* Events and 60 Athletes at CSIO3* Events. This number may be reduced by the OC but may not be less than 40.

10.3.1. FEI Nations Cup™ Athletes

For Division 1, The 18 best-placed Athletes following rounds one and two in each Division 1 FEI Nations Cup™ Competition are automatically qualified to take part in the Grand Prix Competition at the same Event. Those equal on penalties for 18th place are separated by their combined times in the first and second rounds of the FEI Nations Cup™ Competition. In case of a further tie the Athletes concerned are permitted to take part in the Grand Prix. For Division 2, the 18 best-placed Athletes following round one in each Division 2 FEI Nations Cup™ Competition are automatically qualified to take part in the Grand Prix Competition at the same Event.
