8.1. Points

Points may only be obtained by eligible teams in their own Region or Division. In order to determine the list of NFs that qualify for the FEI Nations Cup™ Final, the following point system will be used for all qualifying Competitions:

Placing	Points
1st	100
2nd	90
3rd	80
4th	70
5th	60
6th	55
7th	50
8th	45
9th	40
10th	35

In accordance with the invitation system established for each Region/Division, the points obtained in the FEI Nations Cup™ qualifier(s) are added together in order to establish Regional/Division standings. The points obtained in the Nations Cup Competition at the qualifying Events in Division 2 Groups A, B, C and D are added together to establish the Group standings to determine the NFs that qualify for the Division 2 qualifier.

8.2. Division 1

For Division 1 teams, points are distributed according to the team's classification in the Competition. In case Division 1 teams are placed equal with any other team during any of the FEI Nations Cup™ Competitions, the points set forth in article 8.1 for the places in question are added and divided equally among the teams concerned, the Division 1 team(s) thereby obtaining its/their portion of the points. The second decimal place is rounded up from .005 and rounded down from .004.

8.3. Division 2 FEI Nations Cup™ qualifier and Middle-East FEI Nations Cup™ qualifier

Points are distributed in the Division 2 FEI Nations Cup™ qualifier and Middle-East FEI Nations Cup™ qualifier according to the team's classification in the Competition. In case there is a tie on penalties for first place after both rounds there will be a jump-off with one rider per team. In case there is a tie for any other place following both rounds in the Division 2 FEI Nations Cup™ qualifier and Middle-East FEI Nations Cup™ qualifier, the times of the best three riders in the second round will be used to decide team classification. In case of a further tie, the teams in question are placed according to the times of the best three riders in each team in the first round.

8.4. North America

For North America, points are distributed according to the team's classification in the Competition. In case teams from the same Region are placed equal with any other team during any of the FEI Nations Cup™ Competitions, the points set forth in article 8.1 for the places in question are added and divided equally among the teams concerned, the team(s) participating for points thereby obtaining its/their portion of the points. The second decimal place is rounded up from .005 and rounded down from .004.

The number of Events to count for points for North America is three.

8.5. Other Regions

Other regions qualify for the FEI Nations Cup™ Final through the Nations Cup Ranking according to the following point system with the best four results counting per team.

For the purpose of qualification for the Final the time period for the Nations Cup Ranking will start with the first CSIO following the previous Final until two weeks prior to the following Final.

NB : Any Group in D2 that does not host a Nations Cup competition may qualify the NF(s) of that Group for the D2 FEI Nations Cup™ qualifier through the Nations Cup Ranking. However, only points earned following the previous FEI Nations Cup™ Final until two weeks prior to the Division 2 qualifier of the year in question at CSIO3/4*/5* events with the*

best four results counting will be taken into consideration; points earned at CSIO1* CSIO2* and CSIO3* held in Groups A, B, C or D will use the point scale for CSIO4* or CSIO5* as applicable, as the Nations Cup Competition at these Events must be built to minimum 4* specifications.

Point Scale for allocating points per CSIO for the Nations Cup Ranking:

	1 st	2 nd	3 rd	4 th	5 th	6 th	7 th	8 th	9 th	10 th	11 th - ...
CSIO5*: **	120	100	90	80	70	65	60	55	50	45	40
CSIO4*:	100	90	80	70	60	55	50	45	40	35	30
CSIO3*:	90	80	70	60	55	50	45	40	35	30	25
CSIO2* :	20	18	16	14	12	10	8	6	4	2	1
CSIO1*:	10	9	8	7	6	5	4	3	2	1	0.5

8.6. Overall Classification Tie Breaker

In case of a tie for any place on the overall Regional classification, teams are separated by:

- giving preference to the team with the greater number of first place classifications;
- in case there is still a tie the number of second place classifications will count and if necessary the number of third place classifications and so on until the tie is broken.

If after applying this method there is still a tie for any place at the conclusion of the last Event of the season, preference will be given to:

- the team with the greater number of clear rounds among the scores counting (i.e. maximum three scores per round per team) from each Competition throughout the season;
- if there is still a tie the scores counting (i.e. maximum three scores per round per team) for each team from each Competition will be added together and preference will be given to the team with the lowest overall score.

In case of a tie for a qualification place from Regions with only one qualifying Event, the following method will be used to break the tie:

- the team with the greater number of clear rounds among the scores counting in the Competition (i.e. maximum three scores per round per team);
- if there is still a tie the combined times of each team’s best three athletes in the first round if the teams concerned have taken part only in the first round or both rounds if the teams concerned have taken part in the second round (i.e. the times of the three Athletes whose result counted in each round) will be used to break the tie, preference being given to the team with the lowest combined time.

8.7 Cancellation of a 2018 Qualifying Competition

In the case of a qualifying Competition being cancelled in any Region or Division where teams are allocated Events counting for points the following procedure applies.

Teams whose result would have counted for points at the cancelled Competition are distributed points for the cancelled Competition, based on the total number of points obtained at their other allocated Events divided by the number of Events at which they have participated for points. This calculation is carried out at the end of the season.

9. PRIZE MONEY

The prize money for the teams in each FEI Nations Cup™ Competition must not be less than €200'000.

Only teams (eight) competing in the second round of each Competition receive prize money.

The prize money is distributed as follows (the amounts for each placing are based on prize money of €200'000; if more prize money is offered, the relevant percentages must be respected):

	1 st	2 nd	3 rd	4 th	5 th	6 th	7 th	8 th
8 teams	64'000	40'000	32'000	24'000	16'000	11'000	8'000	5'000
	32 %	20 %	16 %	12 %	8 %	5.5 %	4 %	2.5 %

A team which is eliminated (see JRs Art. 264.8.1 and 264.8.2) in the first round of a Competition is not entitled to receive prize money or points for that Competition.

The 8th and 9th placed teams at the D2 FEI Nations Cup™ qualifier received 2,500 Euro (1.25% of the Competition prize money) each.

FEI Nations Cup™ qualifiers with less than eight teams will have the remaining prize money divided equally among those teams placed.
