

FEI 2017 Elections and appointments

The Programme of Mrs. Alesia Machulskaya
Applicant for Nominations Committee Member, Group III Representative

August 10, 2017

Dear Mr. De Vos,
FEI Group III Members,

I would like to express my interest in re-applying for the position of the Nominations Committee Member, Group III Representative. My resume is enclosed for your review and consideration.

After having served as a member of the Nominations Committee for the first term 2016-2017 I dare to believe that I have managed to inspire the members of the FEI Group III to send the applications for the numerous FEI Positions open for the elections and appointments in 2016 and 2017. As a result, this year we had a lot more candidates from the FEI Group III including women candidates, which is very important for the development of the Equestrian sport in our region. My goal is to inspire more females and males to participate actively in the promotion of their candidacies in the future. The members of our equestrian society should be more active in order to develop the equestrian sport.

I'm sure that I will be able to fulfill my responsibilities even better after having the previous experience, as now I have better understanding of my responsibilities and will be able to render better assistance to my Group members.

As a Secretary General of the Equestrian Federation of Belarus I am in close cooperation not only with the National Federations of Group III, but also with the NFs from all over the world and I'm determined to promote the values of the Equestrian sport.

I'm very impressed by the achievements and the developments of the FEI in the past years and hope that I will be able to make a significant contribution to the FEI as a member of the Nominations Committee. I'm a passionate admirer and promoter of the equestrian values and fully understand its goals and aims. I'm open for new knowledge and achievements, ready to commit my time to fulfill the Nominations Committee Member responsibilities.

In connection with all mentioned above I would be honored to be considered for the re-election for the position and in my turn I will do my best to promote the equestrian sport both on the territory of Belarus and other countries.

Sincerely yours,

Alesia Machulskaya

Secretary General
Equestrian Federation of Belarus
