

FEI Refresher Seminar for 3* and 4* Para-Equestrian Dressage Judges

Waregem/Belgium, 24th & 25th April 2015

On 24th and 25th April 2015 FEI invited their 3* and 4* Para-Equestrian Dressage judges to a Refresher Seminar in Waregem/Belgium. 14 judges from 10 different nations took part in this RS which was held by Course Directors Sarah E. Rodger (Great Britain) and Marco Orsini (Germany).

Waregem turned out to be a perfect place. The Belgian organisers were very welcoming and helpful with everything that was needed. We had excellent facilities for the seminar directly located on the competition venue. After very lively and fruitful discussions we could go out and watch live the CPEDI3* competition with quality horses and varied levels. Everybody enjoyed the friendly atmosphere in which we had the opportunity to exchange ideas and learn. Many thanks to all the participants who really contributed a lot and shared their experience and expertise with all the others.
