2020 Series concept

The FEI Board approved the recommendation of the Eventing Committee for 2020, to adapt the overall Nations Cup Classification as follows:

1. If 3 or above Nation Cup events take place: a classification would be made end 2020 of the best team based on the 2 best event results
2. If less than 3 NC Events take place in 2020, the team results for the CCIOs organised would be included to count in the 2021 Nations Cup classification.

FEI NATIONS CUP EVENTING POINT SYSTEM/ RESULTS:

Team & Individual results must be sent to the FEI immediately after the Event.

All results will count towards the final classification.

The final classification of the Series will be made by accumulation of the points obtained in each FEI Nations Cup Eventing Competition according to the points scale below.

Placing	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
Points	100	90	80	70	60	55	50	45	40	35	30	25	20	20	20

In case of a tie in the final classification, the tie will be decided in favor of the nation that has participated in a greater number of Events.

If the tie remains, for all Competitions for which the team results count, the individual placing of the best three team members will be added using for any Athlete not having completed the Competition, the placing of the last finisher of the Competition.
