ARTICLE 1 - PRINCIPLES

1.1 The FEI Eventing World Challenge SERIES may be organised by any member NF of the FEI, except USA, Canada, Australia and New Zealand and the Western European NFs listed below.

The Western European NFs that are **not eligible** to organise the FEI Eventing World Challenge SERIES are defined as those NFs in Western Europe which organise in their own country and/or have straightforward access to (1-2 days travel by road) 10 or more International Eventing Events in neighbouring countries per year. These countries are:

AND, AUT, BEL, DEN, ESP, FIN, FRA, GBR, GER, IRL, ITA, LIE, LUX, MLT, MON, NED, NOR, POR, SMR, SUI and SWE

Consequently, the only Western European NF that is **eligible** to take part in the Challenge SERIES is Iceland (ISL). **Note:** *ISL is currently suspended and therefore not eligible until membership has been reestablished.*

1.2 Each NF will have the opportunity to organise Competitions in 3 categories based on their level of activity: Category A (highest level meant as a bridge to the first FEI level of competition), Category B (for Medium level Athletes), Category C (for Novice level Athletes - an Introduction to Eventing).

The technical level will increase progressively from one Level to the next, allowing NFs to develop the discipline step by step.

1.3 Category A, B and C each consist of **1 Competition organised over ONE day:**

- Category A: 1x Dressage Test + 1x Jumping Course followed by a Cross Country Course
- Category B: 1x Dressage Test + 1x Jumping Course followed by a Cross Country Course
- Category C: 1x Dressage Test + 1x "Derby" course with Jumping & Cross Country Fences

There will be **one Jumping** course plan for Categories A & B with limited changes between categories if possible, in order to allow NFs to host more than one Category on the same day and be able to do so without losing too much time. All courses will be designed by a Course Designer appointed by the FEI.

1.4 There will be an INDIVIDUAL ranking per Country, per Region and for the World for all 3 Categories.

In order to be in the rankings, an Athlete/Horse combination must successfully complete all tests of the competition (Dressage, Jumping and Cross Country for Categories A & B; Dressage and Derby for Category C).

1.5 Placing: Athletes will be placed according to their final results after taking part in all tests of the competition (refer to Art. 8.1).

1.6 The size of the arena for **Dressage** in all Categories (A, B and C) is **60 x 20 meters**.
The size of the arena for **Jumping** in Categories A and B is **65 x 45 meters**.
The arena used for **"Derby" in Category C** and **Cross Country in Categories A and B** should be a Polo type field (minimum recommended overall surface 15'000 m² - grass and/or sand - positive elevation maximum 10 meters).

1.7 The Category A, B and C must be organised at outdoor Competitions between the 1st January and the 31st December.

1.8 It is permitted to ride the Horse taking part in the FEI Eventing World Challenge competition in a training session and or in a National competition on the day prior to the FEI Eventing World Challenge competition.

The course or any relevant part of the FEI Eventing World Challenge course (Jumping and Cross Country) cannot be used for the training session or any National competition.

Under penalty of elimination, riding close to Cross Country obstacles, or riding in the Dressage or Jumping arenas prior to the actual Competition on the day of the FEI Eventing World Challenge is forbidden (FEI ERs Article 535.2.3).

ARTICLE 2 - HORSE INSPECTION

2.1 The Horse Inspection may be organised on the day of the Competition in accordance with Article 524.2.3 (Horse Inspection at Short Competitions) of the FEI Eventing Rules.

The First Horse Inspection is optional, however if one is to be held the details must be published in the schedule of the Competition. In the Event that there is no First Horse Inspection, a FEI Official Veterinarian must assess the Horse's fitness to compete including a brief trot within the Examination on Arrival pursuant to FEI Eventing Rules Article 524.1. Horses deemed by the FEI Official Veterinarian to be unfit to compete must be reported to the Ground Jury.

2.2 FEI GR Art. 137.2: As an exception to the FEI General Regulations, Horses taking part in the FEI Eventing World Challenge competitions in their own country do **NOT** need to be registered with the FEI and therefore are **NOT** required to have an official, valid FEI Passport, or a National Passport approved by the FEI accompanied by an FEI Recognition Card, as a mean of identification and to establish ownership.

All such Horses must be properly registered within their National Federation and identifiable by diagram. Unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin, all horses must have a valid vaccination certificate.

2.3 The Inspection must take place on a firm, level and clean but not slippery surface (VR Article 1032).

The horse must be walked and trotted on a loose rein.

2.4 The FEI President of the Ground Jury must be present at the Horse Inspection if organised. Should only an Examination on Arrival be organised, then only the FEI Official Veterinarian must be present

2.5 It is the responsibility of the NF and/or OC to award a special prize to the best presented Horse based on the Ground Jury and/or FEI Veterinary Delegate's decision.

2.6 Age of Horses:

- All Horses + Ponies (refer to Art. 3.11) of **6 years of age** and over can compete in **ALL Categories** with **any Athlete**.
- All Horses + Ponies (refer to Art. 3.11) of **5 years of age** can compete in **Category A** with **Athletes of 18 years of age or older**.
- All Horses + Ponies (refer to Art. 3.11) of **4 years of age** can compete in **Categories B & C** with **Athletes of 18 years of age or older**.

ARTICLE 3 – PARTICIPATION

3.1 It is the responsibility of the National Federation to select the participants (Horses / Athletes) for the FEI Eventing World Challenge in strict accordance with the participation rules and make sure that Athletes and Horses comply with these rules.

For Pony Riders, it is the responsibility of the NF to make sure the minimum height of the Ponies is appropriate for the technical requirements of the category in which they compete in (refer to Art. 3.11).

3.2 Age of Athletes:

- **Categories B & C** are open to Athletes of **12 years old and above**.
- **Category A** is open to Athletes of **14 years old and above**.

3.3 Starting possibilities:

i. Athlete/Horse Combinations:

- Closed to any Athlete/Horse combination that has competed at any FEI Events (this includes Senior Regional/Continental Games & Championships/WEG/OG).
- Only Athlete/Horse combination that competed and successfully completed FEI Events of 1* or 2* level may NOT be allowed to compete in the FEI Eventing World Challenge if they haven't participated at this level for more than 3 years. (This only applies to Athlete/Horse combinations, therefore an Athlete can compete using another Horse and a Horse can be ridden by another Athlete).
- An Athlete/Horse combination may only start ONCE per Category during the same year.
- An Athlete may compete with the same Horse in all 3 Categories but NOT at the same show (ideally following the progression).

ii. Athletes:

- Any Athlete that has participated in an Olympic Games, an FEI World Equestrian Games and/or Senior European Championships is no longer eligible to compete in the Challenge.
- An Athlete may compete in all 3 Categories with 3 different Horses during the same show.
- An Athlete may compete with maximum 3 Horses in the same Category. If an Athlete rides more than one Horse in the same Category, only the score of one Horse will count for the Rankings (National/Regional/World). This Horse must be declared before the beginning of the competition and must be ridden first (refer to Article 3.4).

iii. Horse:

- Any Horse that has participated in an Olympic Games, an FEI World Equestrian Games and/or Senior European Championships is no longer eligible to compete in the Challenge.
- A Horse may compete in only one Category with only one Athlete during the same show.

3.4 Athletes riding more than one Horse in the same Category must complete the official FEI Declaration Form (available to download on the FEI Website, i.e. <https://inside.fei.org> > Eventing > Main Events > FEI Eventing World Challenge) sign it and submit it to the OC. The OC must in turn submit this to the PGJ – all forms must be signed and submitted before the start of the competition. A copy of the form (with both signatures) must be submitted to the FEI with the results. The declared horse must be ridden first in all Competitions. The results obtained with the other Horses will not count towards the final standings.

3.5 Other restrictions may apply based on National Federation's participation criteria. Athletes must consult the National regulations for such restrictions.

3.6 The NF of the organising country may enter as many Athletes as it wishes for each of the 3 categories.

3.7 **As an exception to the FEI General Regulations**, in the FEI Eventing World Challenge "Athletes Living outside their country of nationality" (as defined in the FEI General Regulations) may compete for their country of residence. **They may also be members of their host country's team.**

Foreign Athletes from another Challenge NF or from a 'non-Challenge' NF may compete in the FEI Eventing World Challenge under the conditions of Art. 101.2, FEI General Regulations. **Foreign Athletes may only compete for their country of sport nationality, and cannot be a member of the host country's team.**

3.8 Athletes and Horses participating in the FEI Eventing World Challenge do **NOT** need to be registered with the FEI.

3.9 **Category A and B:**

An Athlete/Horse combination eliminated or with more than 4 obstacles/fences down on the Jumping course may **NOT** take part in the Cross Country.

3.10 **Category A, B and C: Draw & Starting order**

A draw for each Category will take place to decide the starting order. NFs may request a different starting order format based on the National Federation's regulations; such requests must be provided to the FEI for approval before the entries OPEN.

Athlete/Horse combinations will retain their drawn starting order for the Dressage, Jumping and Cross Country.

In case an Athlete is riding more than one Horse, the declared Horse must be ridden first in all tests (Dressage, Jumping and Cross Country).

3.11 **Ponies:**

A Pony or small Horse NOT registered as a pony may compete in any FEI event as a Horse. The rules for the category of event then apply as per the age of the equine and the Athlete.

A Pony registered as a PONY, can participate in Pony classes and in other FEI events at the discretion of the OC, however in such cases the age of the Athlete must comply with the FEI Pony Riders rules (no adults).

ARTICLE 4 - ORGANISATION

4.1 Each NF is directly responsible for the organisation, which includes the appointments of the Officials and judging of each Competition.

4.2 Countries may organise Categories A, B and/or C. The Competition format for each Category is a ONE DAY competition. A country that wishes to organise more than one Category may organise their competitions at different periods and places or simultaneously over one or two days, meaning for example:

Day 1: Category A & B: Dressage + Jumping + Cross Country
 Day 2: Category C: Dressage + Derby

It is however NOT possible to spread one Category competition over two days (Day 1: Dressage + Jumping; Day 2: Cross Country)

Countries may decide of the order in which the Categories are organised.

4.3 Countries may make a special request to the FEI in order to host one or more Challenge Competitions in separate locations. This will only be granted due to geographical locations, if the country is too large to allow Athletes to compete in one venue.

The President, in consultation with the Technical Delegate, shall make this decision and will decide about the role and positioning of the other Ground Jury member(s) during the Cross Country Test. The President and the member(s) of the Ground Jury shall retain the same task throughout the Cross Country Test.

The President of the Ground Jury must be present at the Horse Inspection in accordance with Art. 2.4. If no Horse Inspection is organised but only an Examination on Arrival, then President of the Ground Jury does not need to be present.

The Course Designer role during the Cross country test is to work with the Technical Delegate and Ground Jury to deal with judging queries, sanctions (dangerous riding, abuse of Horse, incorrect behaviour, welfare of the Horse), reviewing of course/fences during XC in case of repetitive falls or weather situations.

The Course Designers are responsible to ensure that all frangible technology are fitted in accordance to the rules & up to date guidelines.

For the Derby course, the Course Designer may apply a tolerance of five centimetres in height for the fences, if dictated by the terrain.

Additional Assistant Stewards may be appointed according to the size (number of overall competitors at the Event) of the Event, in consultation with the Chief Steward. It is the responsibility of each organising NF to make sure they have FEI Stewards in their country, consequently the appointed Chief Steward must be from the List of FEI Stewards, unless there are no FEI Stewards in the country, in which case a derogation to appoint an experienced National Steward may be requested. Derogations will be granted on a case by case consideration and are only meant as a temporary solution.

The Chief Steward reports to the Technical Delegate and is responsible for the coordination of the stewarding team, and is appointed to ensure a level playing field and Horse welfare in accordance with the FEI Rules and Regulations (refer to FEI Eventing Rules Art. 513.7 and 515.6).
