The FEI Para Dressage World Challenge Series (FEI WCHA-PED) is held from **January to December** in accordance with the FEI Para Dressage Rules (please consult [Inside.FEI.org](https://www.fei.org/inside-fei/rules/para-dressage) Rules > Para Dressage), FEI Para Equestrian Classification Rules, FEI General Regulations and the Veterinary Regulations currently in force.

All articles in these rules must be read in conjunction with the FEI Para Dressage Rules and the FEI Para Equestrian Classification Rules in effect, published on the FEI Website.

ARTICLE 1 – GENERAL PRINCIPLES

- 1.1 The FEI WCHA-PED is open to National Federations, which in the opinion of the FEI, are still in the ongoing progression phase of Para Dressage Development.
- 1.2 The Application Form must be submitted to the FEI before 1st December of the year prior to that in which the Challenge will take place (all forms should be submitted to the FEI and can be downloaded from the website).
- 1.3 A FEI WCHA-PED Event can be organised together with another FEI World Challenge.
- 1.4 A FEI WCHA-PED Event consists of two mandatory phases:
Phase 1: Classification evaluation and Training Competition in order to establish the Grade and Level in which the athlete may officially take part in.
Phase 2: the FEI Para Dressage World Challenge Competition. Athletes will compete in the Grade and Category in accordance with the results of the evaluation and training of phase 1.
There must be a minimum of one (1) month between both phases.
- 1.5 A FEI WCHA-PED Event is open to athletes from the 1st January of the year in which they reach their 14th birthday. There are no maximum restrictions on the age of athletes.
- 1.6 Athletes competing at a FEI WCHA-PED Event must have been Nationally Classified. Otherwise, they must be classified on site by the appointed Classifiers at the FEI WCHA-PED Event at which they intend to compete.
- 1.6.1 Athletes classified at an FEI WCHA-PED Event, under the FEI Para Equestrian Classification Rules, will hold an equivalent classification to a National Classification, and that classification is valid to compete in FEI WCHA-PED Events only.

ARTICLE 2 – TYPE OF COMPETITIONS

- 2.1 A FEI WCHA-PED Event is open to a maximum of forty (40) starters in total. NFs may make a special request to the FEI in order to increase the number of starters. The request must be submitted at least one week prior to the start of the Event in order to be considered.
- 2.2 Each Grade has its own Test and results. The Official Para Dressage Tests are edited by the FEI and can, in no case, be modified. Please refer to the FEI website for Para Dressage and FEI WCHA-PED Tests.
- 2.3 The following levels of the FEI Para Dressage World Challenge may be organised separately or together:

2.3.1 **FEI Para Dressage Challenge I:**

This Competition Class consists of one Test, the "**Beginner Test**". This Test may be proposed once or twice, on the same day or on two separate days. A minimum of two (2) hours break between the two tests in each Grade must be scheduled when ridden on the same day.

2.3.2 **FEI Para Dressage Challenge II:**

This Competition Class consists of one Test, the "**Foundation Test**". This Test may be proposed once or twice, on the same day or on two separate days. A minimum of two (2) hours break between the two tests in each Grade must be schedule when ridden on the same day.

2.3.3 **FEI Para Dressage Challenge III:**

This Competition Class consists of one Test, the "**Para Novice Test A**". This Test may be proposed once or twice, on the same day or on two separate days. A minimum of two (2) hours break between the two tests in each Grade must be schedule when ridden on the same day.
