The OC has to send for Approval the draft Schedule to EEF, before it is sent for Approval to FEI. Draft Schedule must reach the FEI ten (10) weeks prior to the Event. Definite Schedules must reach the FEI two (6) weeks prior to the Event.

If the Show is 4 (four) days the OC has to decide which EEFEL team classes will be on Friday and which Saturday/Sunday.

For all EEFEL RQ Shows at 1* Level and preferably for all at 2* Level, the Course Designer has to be FEI Level 2. But if the CD is Level 2, then an FEI Level 3-4 Course Designer has to be listed as Technical Delegate or Assistant Course Designer.

2. Teams

2.1. Composition of the Teams

- At each event, teams may be composed of two or three athletes. Athletes each ride the same Horse throughout the Competition. All members of each team must take part in the first round, except if a team, comprising three Athletes, cannot improve its placing in the first or second round after its second Athlete has completed their course, the third Athlete may be withdrawn.

If a team is qualified to take part in the second round, an Athlete eliminated or retired in the first round may start in the second round. In the event that a team qualified for the second round has an Athlete who did not take part in the first round due to a fall of the Athlete and/or Horse prior to crossing the start line, the combination is not eliminated from the first round and is listed in the results as “did not start”. In such a case the Athlete must be checked by the Event’s medical service (or by a medical doctor if the medical service is not available), respectively the Horse must be cleared by the Veterinary Delegate before they may be permitted to start in the second round (see JRs Art. 224.4.1). The Ground Jury reserves the right to exclude an Athlete who has fallen from participating further in the Competition and/or the Event in accordance with Article 140.2 of the FEI General Regulations.

- To bring more Team spirit, the Athletes preferably are from the same Nation but this is not obligatory.
- An Athlete with different horses can take part in different Categories of Team Competitions if the age of the Athlete and horses allows it.
One Athlete can start at only one Team in the same Category.
