DEFINITION OF THE SERIES:

- Each show will have its own prize money as mentioned in the FEI Dressage Rules.
- An additional prize money for the Tour is funded by the partners of the Tour.
- The final ranking will be disclosed at the event arising at last during the season.
- Participating to the two shows is mandatory for all Athletes aiming to be part of the final Tour classification.
- The winner is the Athlete having the highest total points.
- (2 shows and in future 3 or 4 outstanding locations, 20 top Athletes among the best in the world).

RANKING:

- The ranking of the Tour is for the CDI5* shows only,
- The same ranking system will be used at both shows,
- Addition of the point of two tests per show: GP & GPS or GP & GP FS,
- The addition of all points of all shows will make the final ranking,
- Points for the first 20 Athletes, go from 20 to 1 (1st 20 points, 2nd 19 points, 3rd 18 points ,4th 17 points, etc.),
- In case of ties at all places, the highest average marks of all GPs will define the final ranking,
- Points are accumulated on Athletes participation and only (not Athlete & Horse combination) in order to allow Athletes to bring different horses to different shows,
- If an Athlete is competing with two horses at the same show, only the best one will be taken into account for the ranking of the Tour (the idea is to allow 10 different Athletes to qualify),
