These rules set forth the detailed rules of the FEI Dressage World Cup™, which are to read in conjunction with the pertinent FEI Statutes, FEI General Regulations, FEI Dressage Rules and FEI Veterinary Regulations.

It is acknowledged that every eventuality cannot be provided for in these Rules and in any unforeseen or exceptional circumstances it is the duty of those responsible to make a decision in a sporting spirit and approaching as nearly as possible the intention of these Rules and of the General Regulations.

The FEI may therefore make exceptions to the rules, taking fairness and development of the sport into account.

CHAPTER I. DRESSAGE WORLD CUP™ MATTERS

Dressage World Cup™ matters are approved by the FEI Board upon recommendation of the FEI Dressage Committee.

CHAPTER II. GENERAL INFORMATION - ALL LEAGUES

Art. 1. Principles:

1. The FEI Dressage World Cup™ is a series of competitions at Grand Prix level, comprising a number of CDI-W qualifiers and a Final. The FEI Dressage Rules apply, except where stated differently in these rules. Moreover, these rules must be read in conjunction with the FEI valid Statutes, General Regulations and Veterinary Regulations.
2. The FEI has established four (4) Leagues, i.e., the Western European League - WEL, the Central European League - CEL, the North American League - NAL, and the Pacific League -PAL. Further Leagues may be established.
3. Any changes regarding League Qualification Procedure and these Rules must be decided by the FEI and approved by the FEI Board, the year before they are to become effective (the deadline for submission to the FEI is end of March).

Art. 2. Calendar and Numbers of CDI-W qualifiers in each League:

1. The Qualifying period is to begin following the preceding FEI Dressage World Cup™ Final and end two (2) weeks prior to the current season's FEI Dressage World Cup™ Final.
2. Organising Committees (OCs) must apply for a CDI-W qualifier through their respective NF to the FEI, according to the established application procedures.
3. In case of date clashes, CDI-W qualifiers will prevail over CDI4*s and above in the same league. No CDI5* or above is allowed on the same dates as the FEI Dressage World Cup™ Final.

WEL:

4. The number of CDI-W qualifiers in the WEL will be annually decided by the FEI and approved by the FEI Board.
5. CDI-W qualifiers in the WEL may be organised at a limited number of two (2) CDI-W qualifiers per NF.

CEL:

6. The number of CDI-W qualifiers in the CEL will be proposed yearly by the respective NFs for approval by the FEI.
7. CDI-W qualifiers in the CEL may be organised at a limited number of three (3) CDI-W qualifiers per NF.

NAL:

8. The number of CDI-W qualifiers in the NAL is ten (10) in total, divided as following, approved by the FEI:
 - Six to eight (6-8) in the United States of America
 - One to three (1-3) in Canada
 - One (1) in Mexico
9. A Bid Process may be conducted to determine the qualifiers. An evaluation process may also be conducted of the current CDI-W qualifiers.
10. Maximum of three (3) qualifiers per OC (entity recognized by the applicable NF held to be responsible for the management of any event) per World Cup™ qualifying season.
11. CDI-W qualifier applications will be required per the normal FEI protocols for calendar submissions.

PAL:

12. The number of CDI-W qualifiers in the PAL as well as the PAL Final, will be proposed yearly by the respective NFs for approval by the FEI.

Art. 3. Participation of Athletes:

1. Reference is made to General Regulations "Definite Entries", whereby any NF or Athlete, after accepting an invitation in writing and failing to compete without good reason, must be reported by the OC and the Foreign Judge to the Secretary General of the FEI for the attention of the FEI Legal Department/FEI Tribunal.
2. If an Athlete changes nationality during a FEI Dressage World Cup™ season, they must continue to qualify under the system in which they had started the season. The FEI reserves the right to judge each case individually.
3. In any League, an Athlete/Horse combination may only start in six (6) CDI-W qualifiers.
4. A Western European Athlete is allowed to participate with more than one (1) Horse in the CDI-W qualifiers of the season, but only with one (1) Horse in each event.

5. Outside Western Europe an Athlete, including Athletes from Western Europe, may start with a maximum of two (2) Horses in the qualifying Short Grand Prix or Grand Prix and Grand Prix Freestyle to Music of an event. The best result of the two (2) Horses will be counted in the FEI Dressage World Cup™ Standing. In a League Final, an Athlete may start with a maximum of two (2) Horses in the qualifying Short Grand Prix or Grand Prix. They may, however, only opt to qualify with one (1) Horse for the Grand Prix Freestyle to Music. A declaration as to the choice of their Horse must be made prior to entering the Short Grand Prix or Grand Prix.

Art. 4. Competitions:

1. At all CDI-W qualifiers, the OC may choose to offer the Grand Prix or the Short Grand Prix as the qualifying test to the Grand Prix Freestyle to Music. This must be specified in the FEI approved schedule. The Grand Prix Freestyle to Music is the competition in which standings points can be earned.
2. For the Grand Prix Freestyle to Music test, all FEI Dressage Rules for execution of this test apply.
3. The Grand Prix Freestyle to Music Competition must always be the highlight of an event, also as far as prize-money and prizes in kind are concerned and must always be held on a main day at mid-day or in the afternoon or evening. Exceptions to the rules must be approved by the FEI.
4. The Grand Prix Freestyle to Music may be interrupted by a short break or a small display, but never by another competition. All breaks longer than thirty (30) minutes must be approved by the FEI.
5. One (1) rest day between the Short Grand Prix or Grand Prix and the Grand Prix Freestyle to Music Competitions is permitted.
6. The number of Athletes/Horses to take part in the Grand Prix Freestyle to Music is limited to and compulsory for the fifteen (15) best combinations in the qualifying Short Grand Prix or Grand Prix at the event, plus those who tie for the fifteen (15th) place.
7. Failure to start in the Grand Prix Freestyle to Music for reasons other than illness of Athlete or Horse (in which case the move-up system applies) would mean that the Athlete loses their Short Grand Prix or Grand Prix classification and FEI Dressage World Ranking List (WRDL) points for the Short Grand Prix or Grand Prix.
8. A draw for the order of starting is compulsory for both Competitions.

Draw for all CDI-W qualifiers:

- For the Short Grand Prix or Grand Prix, the draw (in groups of five (5)) must be in reverse order of the FEI Dressage World Ranking

List for Horses. Not listed Horses to be drawn first.

- For the Grand Prix Freestyle to Music, the draw must be in reverse order of the placing of the Short Grand Prix or Grand Prix Competition (in groups of five (5)).

Art. 5. Qualification within each CDI-W qualifier:

At all CDI-W qualifiers, all combinations must achieve minimum 60% in the first test to qualify for the second test.

Art. 6. Organising dues, calendar fees and hosting fees.

Organising dues will be charged for all FEI Dressage World Cup™ Events on the basis of the total amount of prizes in cash and in kind convertible into cash according to the FEI Financial Charges as approved by the FEI General Assembly for the year in question. Calendar fees will be charged according to the FEI Financial Charges as approved by the FEI General Assembly for the year in question.

Hosting fees for FEI Dressage World Cup™ Events may be charged at the discretion of the FEI.
