Athletes regulations for the Rolex Grand Slam of Show Jumping

1. Introduction

The Rolex Grand Slam is a partnership association of 4 different Equestrian Events sponsored by Rolex S.A., established in 2013 as an FEI approved series.

The Events in the Rolex Grand Slam are:

- CHIO Aachen
- CSIO Spruce Meadows 'Masters'
- CHI Geneva
- CHI 's-Hertogenbosch

The Grand Prix of each designated event will count for the Rolex Grand Slam.

2. Participating Events / Athletes

Athletes with a chance to win a bonus will automatically be invited to the CSI designated event under the FEI CSI invitation rules.

With respect to the CSIO/CHIO designated events:

If eligible qualified individual athletes, not entered as a team member for a CSIO event which is part of the Rolex Grand Slam of Show Jumping, the respective NF's will make their best effort so that the eligible Rolex Grand Slam of Show Jumping athletes (those currently in the bonus cycle) are entered either as an individual in addition to team members or as a team member.

If the former (individual) is the case all National Federations represented by teams will be permitted to send one or two individuals in addition to team members. In summary, all NF's represented by teams must be allowed to have the same number of athletes represented at the CSIO.

The "Live Contender" (the winner of the latest Grand Prix part of the series) will automatically be pre-qualified for the Grand Prix at the next Rolex Grand Slam Major.

An athlete can only win one bonus during a bonus cycle at different events. No bonus can be combined.

In the case of a tie for the first place in a Grand Prix, both athletes will have the right to start their bonus cycles. In the case of a tie for a bonus the bonus will be paid to the concerned owner(s) of the horses.

In the case of extraordinary circumstances in which an event cannot be organized, due to a decision of governmental authorities or the FEI, the personal cycle / bonus available will be reduced –pro rata- by the number of events not able to organize.

The bonus will be paid out according to the FEI Rules after her/his cycle has been completed and the result is definitely confirmed. The bonus will be paid out under Swiss tax regulations.

The athlete will be invited at a prize-giving ceremony, which may take place at the event where the cycle is completed or elsewhere if the athlete is unable to attend the last event of his/her cycle.
