## Sanctions – New Proposal

### Eventing Rules

- 2 Yellow Warning Cards within 1 year = **2 months** suspension (but where appropriate to ensure suspension has a real effect, FEI can designate a **later start date** for the suspension)
Dangerous Riding

Any Athlete who, at any time during the Competition deliberately or unintentionally by incompetence is exposing himself, his Horse or any third party to a higher risk than what is strictly inherent to the nature of the Competition will be considered to have acted dangerously and will be penalised accordingly to the severity of the infringement.
Such acts may include without limitation any of the following:

a) Riding out of control (Horse clearly not responding to the Athletes restraining or driving aids).

b) Riding fences too fast or too slow.

c) Repeatedly standing off fences too far (pushing the Horse to the foot of the fence, firing the Horse to the fence).

d) Repeatedly being ahead or behind the Horse movement when jumping.

e) Series of dangerous jumps.

f) Severe lack of responsiveness from the Horse or the Athlete.

g) Continuing after three clear refusals, a fall, or any form of elimination

h) Endangering the public in any way (e.g. jumping out of the roped track).

i) Jumping obstacles not part of the course.

j) Wilful obstruction of an overtaking Athlete and/or not following the instructions of the Officials causing danger to another Athlete.
Dangerous Riding

Will not incur a Yellow Warning Card anymore, but the proposal is to issue a Recorded Warning instead.

As mentioned before, 3 Recorded Warnings within 1 year = 2 months suspension.

(Where appropriate to ensure suspension has a real effect, FEI can designate a later start date for the suspension)
