WADA Prohibited List & International Standards

Dear Visitor,

WADA's Prohibited List:

The World Anti-Doping Agency (WADA) publishes and maintains the **List of Substances and Methods** which are prohibited in-competition, out-of-competition, and in specific sports. Substances and Methods are classified by category (e.g. steroids, stimulants, gene doping). This list is updated annually. [Read more & access to the List and Database ...](#)

International Standards:

The World Anti-Doping Code (Code) works in conjunction with five International Standards aimed at bringing harmonisation among anti-doping organisations in various technical areas, namely:

- Prohibited List
- Testing
- Laboratories
- Therapeutic Use Exemptions (TUEs)
- Protection of Privacy and Personal Information
