FEI SPORTS FORUM 2021

Registration for the FEI Online Sports Forum 2021 opens today!

You can now register for the FEI Online Sports Forum, which will take place on 1 and 2 June and is open to all members of the equestrian industry and the general public.

This 10th edition of the FEI Sports Forum will feature dedicated sessions on proposed rule changes for FEI Jumping, FEI Vaulting and FEI Driving alongside an update on all the news and preparations for Tokyo 2020 and an interactive session to identify the needs and demonstrate the important role of grooms as a stakeholder group.

Since being launched in 2012, the FEI Sports Forum has become an essential tool in the FEI's decision making process and an important platform for dialogue and consultation with

the community.

You will find all the information on the **FEI Sports Forum 2021** hub including the timetable, session topics and descriptors as well as registration information.

The deadline to register online is **25 May 2021**.

We look forward to seeing you virtually!

COVID-19 UPDATE

FEI Policy for Enhanced Competition Safety during the Covid-19 Pandemic

Please note that the **FEI Policy for Enhanced Competition Safety during the Covid-19 Pandemic** has been updated with a minor, but necessary change, to accommodate the fact that quarantine measures now vary in length, depending on a variety of factors (country policy, negative PCR test during quarantine time, completed vaccinations, etc.). As a result, article 4.7 was slightly modified (and re-written for ease of reading).

Resolutions & Decisions

We would like to take this opportunity to remind all stakeholders that the Covid-19 hub is regularly updated, including all the latest Covid-19 related which are listed in chronological order and filtered by discipline and theme.

EHV-1 UPDATE

Update on EHV-1 Return To Competition measures

The Return To Competition measures continue to function well, with a total of 11,000 horses processed through the Examination On Arrival system by FEI Veterinarians since the measures were implemented on 12 April. PCR tests are being uploaded onto the FEI HorseApp by athletes, with over 5,000 documents checked manually over the past three weeks.

FEI HorseApp - New version every week

Stakeholders should be made aware that a new version of the FEI HorseApp is published weekly. Each new version includes enhancements and new features to improve the horse check out at events and adds compatibility with microchip readers. We would be grateful if you could inform your community that they should always check for and install the latest version of the FEI HorseApp.

EHV-1 Relief Fund

The deadline for applications for the EHV-1 Relief Fund has been set at 17 May 2021. Visit the dedicated **EHV-1 Relief Fund** page for the guidelines/eligibility requirements and application process.

VAULTING
