## **A NEW HORSE AT FEI HEADQUARTERS COURTESY OF JUSTWORLD FRIENDSHIP CIRCLE**

FEI Official Charity Partner Just World International (JWI) has gifted a one-of-a-kind life sized horse sculpture to the FEI to commemorate the long-standing partnership between the two organisations. Presented to the FEI on the occasion of the in-person Board Meeting at FEI Headquarters which takes place on 28-29 September, members of the JWI Board, also in Lausanne for their meeting, gathered at the FEI Headquarters to celebrate their shared values and the future of horse sport.

The horse, painted by Jerome Mesnager from Colmar (FRA) and entitled "Vole au Vent", was one of four sculptures sold to bidders in an online auction organised by the City of La Baule in France in June 2021.

The piece by Mesnager was acquired by the JustWorld Friendship Circle, an alliance of 32 donors coming from 14 countries and all proceeds were donated to JustWorld International programmes and projects that directly benefit children and families in need around the world.
