Education & Officials - 2021 CES Assessments

As of 16 December 2020, the 2021 CES Assessments will be accessible. Separate enrolment notifications will be sent for each CES Assessment directly to FEI Officials via FEI Campus. This means that depending on the function and discipline, several CES Assessments might have to be taken by Officials.

Group A: Officials currently up-to-date with their In-Person Maintenance Cycle are invited to take the CES Assessment on FEI Campus from 16 December 2020 to 15 December 2021. Note that to officiate at events taking place after 31 March of each year, Officials must have passed the CES Assessment.

- If passed, the function will be extended to 31 March 2022.
- If not passed, the function will be "On Hold" – not being allowed to officiate - until an In-Person Maintenance Course (CES) is attended before 15 December 2021.
- If the CES Assessment 2021 is not taken by 15 December 2021, the function will be closed.

Group B: Officials who have not done an In-Person Maintenance Course since 31 December 2016, have to take part in an In-Person Maintenance Course with assessment before 15 December 2021 and can continue to officiate in their current status until that date.

If an In-Person Maintenance Course with assessment is not attended by 15 December 2021, the function will be closed.

Additional information about the CES Assessment and the CES rules can be found [here](#).
