Day 3: Judges' departure

ARTICLE 2 - PARTICIPATION

- 2.1 The FEI World Dressage Challenge Competition is open to National Federations, which in the opinion of the FEI, are still in the ongoing progression of Dressage Development.
- 2.2 The Participation Form must be submitted to the FEI before 1st December 2015 of the year previous to that in which the Challenge will take place (all forms should be submitted to andreina.wipraechtiger@fei.org and can be downloaded from the website <http://www.fei.org/fei/events/fei-world-challenge/dressage/downloads>)
- 2.3 The Competition is open to the following age groups from the 1st January of the year in which they reach their 16th or 12th birthday:
- | | | |
|--------------------------|---|-------------------------|
| FEI Intermediate I | – | 16 yrs of age and above |
| FEI Prix St-Georges | – | 16 yrs of age and above |
| FEI Challenge Advanced | – | 16 yrs of age and above |
| FEI Challenge Medium | – | 16 yrs of age and above |
| FEI Challenge Elementary | – | 12 yrs to 16 yrs of age |
- 2.4 Whilst FEI Registration for 2016 is not mandatory, it is highly recommended for both horses and athletes. Registration for athletes under 18 is free of charge.
- 2.5 **As an exception to the FEI General Regulations**, in the World Dressage Challenge “Athletes Living outside their country of nationality” (as defined in the FEI General Regulations) may compete for their country of residence. **They may also be members of their host country’s team.**
- 2.6 Foreign Athletes from another Challenge NF or from a ‘non-Challenge’ NF may compete in the World Dressage Challenge under the conditions of Art. 101.2, FEI General Regulations. However, permission to take part will only be granted if the quota of 40 places is not reached. **Foreign Athletes may only compete for their country of sport nationality, and cannot be a member of the host country’s team.**
- 2.7 The Challenge Competition is open to all horses and ponies of any origin provided they have successfully passed the Veterinary Inspection. From this point forth, both horses and ponies will be referred to as ‘horses’ and therefore can be ridden in all categories by Seniors or Juniors.

Horses may compete if they are a minimum of:

- 5 years of age for the Medium Class
- 6 years of age for the Elementary and Advanced Classes
- 7 years of age for the PSG and Intermediate I Classes.

The age is counted from 1st January of the year of birth in the Northern hemisphere and 1st August for Southern Hemisphere.

- 2.8 The FEI World Dressage Challenge competition **must take precedence over any other competition organised in its framework** and, if applicable, horses entered should not take part in another national competition organised in the framework of the Challenge.
- 2.9 Any **Athlete/Horse combination** that has competed at any FEI Events (**CDIs, Regional Games and/or Senior Regional Championships**) in tests higher than Intermediate I is not permitted to participate in any of the Challenge classes. This only applies to Athlete/Horse **combinations**, therefore an athlete can compete using another horse and a horse can be ridden by another athlete (refer to 2.12).

Other restrictions may apply based on National Federation’s participation criteria. Athletes must consult the National regulations for such restrictions.

- 2.10 Any **athlete or horse** that has participated in an Olympic Games, an FEI World Equestrian Games and/or Senior European Championships is no longer eligible to compete in the Challenge.
- 2.11 It is the responsibility of the National Federation to select the participants (horses/riders) for this Competition in strict accordance with the participation rules above and make sure that athletes and horses comply with these rules.
- 2.12 An athlete or horse is allowed to start **maximum twice** in the Challenge classes, as below:

Starting possibilities:

i. Athlete/horse combination:

An athlete/horse combination is allowed to start in two different classes but with no more than one level difference, i.e.: Elementary-Medium, Medium-Advanced, Advanced-PSG or PSG-Intermediate I.

ii. Athlete:

An athlete is allowed to start twice:

- in the same class but with two different horses
- in two different classes but with two different horses.

iii. Horse:

A horse of 5 yrs of age may only start once

A horse of 6 yrs of age is allowed to start twice:

- Once in Elementary and once in either the Medium, Advanced class.
- Twice in the Elementary class.

A horse of 7 yrs of age and above is allowed to start twice:

- Once in Elementary and once in either the Medium, Advanced, PSG or Intermediate I class.
- Twice in the Elementary class.

A horse can only be ridden once in each of the following classes: Medium, Advanced, PSG or Intermediate I.

- 2.13 NFs have the choice to either enter all athletes into one class or to divide them among all five levels (which is strongly recommended). NFs are completely free in their choice. However, the **maximum number (40)** of athletes overall must be respected (refer to 1.1).

2.14 Clarification regarding Team Horse & Athlete's Participation:

If a horse and an athlete have been selected for the Team, the test in which they have been selected must be their first performance.

As a combination can now ride 2 tests, and a horse 2 tests, it must be made clear that it **is not allowed to use a round as a 'warm up'** before competing in the test for which they have been selected to represent the Team.

Eg. 1 A horse and athlete have been selected to represent the Team in the Medium Level. They are not allowed to ride the Elementary test prior to their Medium Test. As they have been selected at Medium Level, the Medium Test must be executed first

Eg. 2 A horse is being ridden by two athletes, one of which has been selected for the Team. The athlete that has been selected for the Team must ride before the athlete not in the Team.

ARTICLE 3 - GROUND JURY

3.1 As an exception to Art. 437.1, only two Judges will judge the Competition. National Federations are responsible for the appointment of the two Judges. The Ground Jury must be composed of a President who must be an FEI Foreign Judge (minimum 3* from the FEI list of Dressage Judges: https://data.fei.org/OffListRpts/OfficialsByDisc_D.pdf) plus a "Certified" National Judge. The classes will be judged individually with the President placed along the short side of the arena at "C" (see Art. 429.5) and the Member at "E".

In cases where the FEI World Dressage Challenge is organized in the framework of an Equestrian Sport Educative Event, the President of the Ground Jury will be appointed by the FEI Solidarity Department.

Ground Jury:

Event Type	President of the Ground Jury In "C"	Member of the Ground Jury In "E"	Appointment of Officials	Finance
FEI World Dressage Challenge – <i>With PSG and Inter I Classes</i>	FEI Foreign Judge minimum 3* (from the FEI Dressage Judges' list)	National Certified Grand Prix Judge* (from the National Dressage Judges' list)	NF	NF/FEI**
FEI World Dressage Challenge – <i>Without PSG and Inter I Classes</i>	FEI Foreign Judge minimum 3* (from the FEI Dressage Judges' list)	National Certified Judge* (from the National Dressage Judges' list)	NF	NF/FEI**
ESEE + FEI World Dressage Challenge	FEI Foreign Judge minimum 3* (from the FEI Dressage Judges' list)	National Certified Judge* (from the National Dressage Judges' list)	FEI Solidarity: FEI Foreign Judge NF: National Certified Judge	FEI Solidarity (NF must apply for an ESEE through the FEI Solidarity Application Procedure)

Should the NF not have a qualified National Judge available, an FEI Judge must be appointed (National FEI 2 accepted).

**The FEI will cover the travel expense in Economy Class (maximum EUR 1'500.-) of the President of the Ground Jury (FJ) and a per diem of EUR 150.- for two days (Art. 8.2).

3.2 After each competition, the President of the Ground Jury is responsible for establishing a running record as to the results and placing of the individual athletes. This running record must be sent to the FEI immediately following the last competition.

3.3 FEI Judges may not have been GJM at the same Event for more than 3 consecutive years without taking at least a 1 year break from the Event.

3.4 According to Art. 2 of Codex for FEI Dressage, a judge must avoid any actual or perceived conflict of interest. A judge must have a neutral, independent and fair position towards athletes, owners, trainers, organisers and other officials and integrate well into a team. Financial and/or personal interest must never influence or be perceived to influence his/her way of judging.

Activities which will lead to or may lead to a "conflict of interest" when officiating at an FEI WCHA-D event, include but are not limited to:

- Training a horse/athlete for more than **three** days in the **four** month period prior to an FEI WCHA-D event or any training of a horse/athlete during a period of **two** months before an FEI WCHA-D event.
- Acting as Team Chef of National teams at international level or being responsible/co-responsible for selecting teams and/or individuals or training athletes within the NF.
- To be owner/part-owner of horses taking part in the event.
- Being in a situation of financial dependence or gaining financial profit from owners, athletes, trainers, organisers or other related organisations.
- Having a close personal relationship with an athlete.
- Nationalistic judging.

A judge has the responsibility to notify the FEI of any of the above or other possible conflicts of interest or situations that may be perceived as such.

- 5.1 Any horse participating must have previously passed a horse inspection carried out by an FEI Veterinary Delegate to be appointed by the OC in accordance with Art. 1033, points 1 and 2, of the current FEI Veterinary Regulations. The Horse Inspection must be undertaken as much as possible in accordance with the FEI General Regulations and FEI Veterinary Rules.
- 5.2 Art. FEI GR 137.2
As an exception to the FEI General Regulations, horses taking part in the FEI World Dressage Challenge competitions in their own country do **NOT** need to be registered with the FEI and therefore are **NOT** required to have an official, valid FEI Passport, or a National Passport approved by the FEI accompanied by an FEI Recognition Card, as a mean of identification and to establish ownership.
- 5.3 All such horses must be properly registered and identifiable by diagram. Unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin, all horses must have a valid vaccination certificate. The Inspection must take place on a firm, level and clean but not slippery surface. The horse must be walked and trotted on a loose rein. A Re-inspection is allowed (Art. 1033, PARTS V and VI FEI Veterinary Regulations: www.fei.org > veterinary > Veterinary Regulations and Education >Article 1033).
- 5.4 At least one Member of the Ground Jury must be present and the Vet. Inspection must take place in principle on the day preceding the Competition. Please refer to FEI Veterinary Regulations, Art. 1033. (See FEI website: www.fei.org > veterinary > Veterinary Regulations and Education).
- 5.5 It is up to the NF to award a Special prize to the best presented horse based on the Ground Jury & Veterinarian's decision.

ARTICLE 6 - THE CLASSIFICATION

- 6.1 Five separate Individual World Ranking lists (one for each class/technical level) will be established as well as a Team World Ranking list.
- 6.2 **The Individual Classification** is decided as follows: the winner is the athlete having the highest total points converted into percentage, the second the one with the next highest total and so on. **In case of equality of points** for the first, second and/or third places, the highest collective marks will be decisive for the placing. If a further tie exists, the

highest collective marks for the "Athlete's position and seat" will be decisive.

In case of equality of points for places other than the first three, the athletes concerned are given the same rank.

6.3 The **Team Classification** in each country is calculated as follows:

Following the Veterinary Inspection/Trot-Up an NF designates a minimum of 3 and a maximum of 4 Team Athletes. It is of no importance whether all Team members participate in the same level or whether they compete in different levels. However, an athlete and a horse can only be nominated once for the Team Classification.

Once nominated, the names of the Team members cannot be changed.

The Team members (athletes and horses) must be declared to the President of the Ground Jury using the official 'Team Declaration' form, found within the 2016 Working Documents.

Scores obtained at higher technical levels will have a higher coefficient, this will impact the overall results and Team members' selection process (i.e.: Inter I/PSG = % x 2; Advanced/Medium = % x 1.5; Elementary = % x 1).

The Team members' ultimate results, expressed in percentages, will be added. The results achieved by the three best Team athletes will count for the Team Classification.

In case of equality of points for the first, second and/or third places, the Team whose third placed athlete achieved the highest percentage will be placed first.

6.4 When equality of points for the first, second and/or third places (Individuals/Teams country/group), FEI Judges are asked to give full details to the FEI.

ARTICLE 7 - THE PRIZES

7.1 The Organising Committee within each country is responsible for the distribution of prizes in the normal way (at least one prize for each four athletes).

ARTICLE 8 - THE ORGANISING COMMITTEE
