## ARTICLE 2 - PARTICIPATION

2.1 The FEI Dressage World Challenge Competition is open to National Federations, which in the opinion of the FEI, are still in the ongoing progression of Dressage Development.

2.2 The Application Form must be submitted to the FEI before 1<sup>st</sup> December of the year previous to that in which the Challenge will take place (all forms should be submitted to

[andreina.wipraechtiger@fei.org](mailto:andreina.wipraechtiger@fei.org) and can be downloaded from the website <http://www.inside.fei.org/fei/events/fei-world-challenge/dressage/downloads>

2.3 The Competition is open to the following age groups from the 1<sup>st</sup> January of the year in which they reach their 16th or 12th birthday:

FEI Intermediate I	–	16 yrs of age and above
FEI Prix St-Georges	–	16 yrs of age and above
FEI Challenge Senior II	–	16 yrs of age and above
FEI Challenge Senior I	–	16 yrs of age and above
FEI Challenge Youth	–	12 yrs to 16 yrs of age

2.4 Whilst FEI Registration for 2019 is not mandatory, it is highly recommended for both Horses and Athletes. Registration for Athletes under 18 is free of charge.

2.5 **As an exception to the FEI General Regulations**, in the FEI Dressage World Challenge “Athletes Living outside their country of nationality” (as defined in the FEI General Regulations) may compete for their country of residence. **They may also be members of their host country’s team.**

2.6 Foreign Athletes from another Challenge NF or from a ‘non-Challenge’ NF may compete in the Dressage World Challenge under the conditions of Art. 101.2, FEI General Regulations. However, permission to take part will only be granted if the quota of 40 places is not reached. **Foreign Athletes may only compete for their country of sport nationality, and cannot be a member of the host country’s team.**

2.7 The Challenge Competition is open to all Horses and ponies of any origin provided they have successfully passed the Veterinary Inspection. From this point forth, both Horses and ponies will be referred to as ‘Horses’ and therefore can be ridden in all categories by Seniors or Juniors.

Horses may compete if they are a minimum of:

- 5 years of age for the Senior I Class
- 6 years of age for the Youth and Senior II Classes
- 7 years of age for the PSG and Intermediate I Classes.

The age is counted from 1<sup>st</sup> January of the year of birth in the Northern hemisphere and 1st August for Southern Hemisphere.

2.8 The FEI Dressage World Challenge competition **must take precedence over any other competition organised in its framework** and, if applicable, Horses entered should not take part in another national competition organised in the framework of the Challenge if organized on the same day (refer to 2.12).

2.9 Any **Athlete/Horse combination** that has competed at any FEI Events (**CDIs, Regional Games and/or Senior Regional Championships**) in tests higher than Intermediate I is not permitted to participate in any of the Challenge classes. This only applies to Athlete/Horse **combinations**, therefore an Athlete can compete using another Horse and a Horse can be ridden by another Athlete (refer to 2.12).

Other restrictions may apply based on National Federation’s participation criteria. Athletes must consult the National regulations for such restrictions.

2.10 Any **Athlete or Horse** that has participated in an Olympic Games, an FEI World Equestrian Games and/or Senior European Championships is no longer eligible to compete in the Challenge.

2.11 It is the responsibility of the National Federation to select the participants (Horses / Athletes) for this Competition in strict accordance with the participation rules above and

make sure that Athletes and Horses comply with these rules.

2.12 An Athlete or Horse is allowed to start **maximum twice** in the Challenge classes, as below:

Starting possibilities:

i. Athlete/Horse combination\*:

An Athlete/Horse combination is allowed to start in two different classes but with no more than one level difference, i.e.: Youth - Senior I, Senior I - Senior II, Senior II - PSG or PSG - Intermediate I.

ii. Athlete:

An Athlete is allowed to start twice:

- in the same class but with two different Horses
- in two different classes but with two different Horses.

iii. Horse\*:

A Horse of 5 yrs of age may only start once

A Horse of 6 yrs of age is allowed to start twice:

- Once in Youth and once in either the Senior I, Senior II class.
- Twice in the Youth class.

A Horse of 7 yrs of age and above is allowed to start twice:

- Once in Youth and once in either the Senior I, Senior II, PSG or Intermediate I class.
- Twice in the Youth class.

A Horse can only be ridden once in each of the following classes: Senior I, Senior II, PSG or Intermediate I.

\*As an exception to Art.422.1.5, a horse may be ridden twice but it is only recommended in the lower level classes and an adequate break (rest time) is to be given between both tests. If a horse is being ridden twice in the higher classes (Inter I + PSG) a minimum break of 3 hours between tests **MUST** be scheduled in the programme (running order of classes). This exception **ONLY** applies if horses are not competing in another event (CDN or CDI) organised within the framework of the Dressage Challenge.

In cases where horses taking part in the FEI Dressage World Challenge are entered to compete in a CDN over the next days, then this exception does not apply and horses may **ONLY** compete in **ONE** test per day.

2.13 NFs have the choice to either enter all Athletes into one class or to divide them among all five levels (which is strongly recommended). NFs are completely free in their choice. However, the **maximum number (40)** of Athletes overall must be respected (refer to 1.1). NFs may make a special request to the FEI in order to increase the number of starters. The request must be submitted **at least one week prior to the start of the Event** in order to be considered.

2.14 Clarification regarding Team Horse & Athlete's Participation:

If a Horse and an Athlete have been selected for the Team, the test in which they have been selected must be their first performance.

As a combination can now ride 2 tests, and a Horse 2 tests, it must be made clear that it **is not allowed to use a round as a 'warm up'** before competing in the test for which they have been selected to represent the Team.

Eg. 1 A Horse and Athlete have been selected to represent the Team in the Senior I Level. They are not allowed to ride the Youth test prior to their Senior I Test. As they have been

selected at Senior I Level, the Senior I Test must be executed first

Eg. 2 A Horse is being ridden by two Athletes, one of which has been selected for the Team. The Athlete that has been selected for the Team must ride before the Athlete not in the Team.

**ARTICLE 3 - GROUND JURY**

3.1 As an exception to Art. 437.1, only two Judges will judge the Competition. National Federations are responsible for the appointment of the two Judges. The Ground Jury must be composed of a President who must be an FEI Foreign Judge (minimum 2\* from the FEI list of Dressage Judges: [https://data.fei.org/OffListRpts/OfficialsByDisc\\_D.pdf](https://data.fei.org/OffListRpts/OfficialsByDisc_D.pdf)) plus a "Certified" National Judge. The FEI Foreign Judge appointed by the NF **must be from the Region**, should this not be the case, the FEI may not contribute towards the travel expense of the FJ as indicated in art. 8.2.

The classes will be judged individually with the President placed along the short side of the arena at "C" (see Art. 429.5) and the Member at "E".

In cases where the FEI Dressage World Challenge is organized in the framework of an Equestrian Sport Educative Event, the President of the Ground Jury will be appointed by the FEI Solidarity Department.

Ground Jury:

Event Type	President of the Ground Jury In "C"	Member of the Ground Jury In "E"	Appointment of Officials	Finance
FEI World Dressage Challenge – <i>With</i> PSG and Inter I Classes	FEI Foreign Judge minimum 2* (from the FEI Dressage Judges' list)	National Certified <b>PSG Judge*</b> (from the National Dressage Judges' list)	NF	NF/FEI**
FEI World Dressage Challenge – <i>Without</i> PSG and Inter I Classes	FEI Foreign Judge minimum 2* (from the FEI Dressage Judges' list)	National Certified <b>Advanced Judge*</b> (from the National Dressage Judges' list)	NF	NF/FEI**
ESEE + FEI World Dressage Challenge	FEI Foreign Judge minimum 2* (from the FEI Dressage Judges' list)	National Certified <b>Advanced Judge*</b> (from the National Dressage Judges' list)	FEI Solidarity: FEI Foreign Judge  NF: National Certified Judge	FEI Solidarity (NF must apply for an ESEE through the FEI Solidarity Application Procedure)

\*Should the NF not have a qualified National Judge available, an FEI Judge must be appointed (National FEI 2\* accepted). Upon request to the FEI, a qualified National judge from another NF may be appointed.

\*\*The FEI will cover the travel expense in Economy Class (maximum EUR 1'500.-) of the President of the Ground Jury (FJ) and a per diem of EUR 150.- for two days (Art. 8.2).

3.2 After each competition, the President of the Ground Jury is responsible for establishing a running record as to the results and placing of the individual Athletes. This running record must be sent to the FEI immediately following the last competition with the FEI Foreign Judge's Report (report and other documents are available on the dedicated webpage under: <http://inside.fei.org/fei/events/fei-world-challenge/dressage/downloads>).

- 3.3 FEI Judges may not have been GJM at the same Event for more than 3 consecutive years without taking at least a 1 year break from the Event.
- 3.4 According to Art. 2 of Codex for FEI Dressage (Annex 14 of the FEI DRs), a Judge must avoid any actual or perceived conflict of interest. A Judge must have a neutral, independent and fair position towards Athletes, owners, trainers, OCs and other Officials and integrate well into a team. Financial and/or personal interest must never influence or be perceived to influence his way of judging.

It is the responsibility of the Judge to be in good health and fit to officiate throughout the duration of the Event.

Activities which will lead to or may lead to a "conflict of interest" when officiating at an FEI WCHA-D event, include but are not limited to:

- Training a participating Horse/Athlete for more than **three** (3) days in the **twelve** (12) month period prior to an FEI WCHA-D Event or any training of a Horse/Athlete during a period of **three** (3) months before an FEI WCHA-D Event.
- Acting as Team Chef of National teams at international level or being responsible/co-responsible for selecting teams and/or individuals.
- To be owner/part-owner of Horses taking part in the Event.
- Being in a situation of financial dependence or gaining financial profit from owners, Athletes, trainers, OCs or other related persons or organisations.
- Having a close personal relationship with an Athlete or owner.
- Nationalistic judging.

A Judge has the responsibility to notify the FEI in writing of any of the above or other possible conflicts of interest or situations that may be perceived as such.

- 3.5 Marking (FEI Dressage Rules Art. 432)  
All half marks from 0.5-9.5 may also be used both for movements and the collective mark, at the discretion of the Judges.

## ARTICLE 6 - THE CLASSIFICATION

- 6.1 Individual Regional and World Ranking lists (one for each class/technical level) will be established as well as a Team World Ranking list.
- 6.2 **The Individual Classification** is decided as follows: the winner is the Athlete having the highest total points converted into percentage, the second the one with the next highest total and so on. **In case of equality of points** for the first, second and/or third places, the highest marks attributed by the President of the Ground Jury (in "C") will be decisive for the placing. If a further tie exists, the highest collective mark will be decisive.

In case of equality of points for places other than the first three, the Athletes concerned are given the same rank.

- 6.3 The **Team Classification** in each country is calculated as follows:

Following the Veterinary Inspection/Trot-Up an NF designates a minimum of 3 and a maximum of 4 Team Athletes. It is of no importance whether all Team members participate in the same level or whether they compete in different levels. However, an Athlete and a Horse can only be nominated once for the Team Classification.

Once nominated, the names of the Team members cannot be changed.

The Team members (Athletes and Horses) must be declared to the President of the Ground Jury using the official 'Team Declaration' form, found within the 2019 Working Documents.

Scores obtained at higher technical levels will have a higher coefficient, this will impact the overall results and Team members' selection process (i.e.: Inter I/PSG = % x 1.20; Senior II/Senior I = % x 1.; Youth = % x 1.10).

The Team members' ultimate results, expressed in percentages, will be added. The results achieved by the three best Team Athletes will count for the Team Classification.

**In case of equality of points** for the first, second and/or third places, the Team whose third placed Athlete achieved the highest percentage will be placed first.

- 6.4 When equality of points for the first, second and/or third places (Individuals/Teams country/group), FEI Judges are asked to give full details to the FEI.
- 6.5 Penalties: the penalties as indicated on the test used per class is the reference to be used: (FEI DR 430.6.1)

- Intermediate I and PSG = First error Two (2) percentage points from the total score per judge  
Second error Elimination

- Senior I+II and Youth = First error is zero point five percentage points (0.5%) per judge
