I. Parties

1. The Fédération Equestre Internationale (the "FEI") is the sole IOC recognised international federation for equestrian sport. The FEI is the governing body of the FEI equestrian disciplines (Dressage, Jumping, Eventing, Driving, Endurance, Vaulting and Para-Equestrian).
2. Mr. Ahmed Jaafar JANAHI (FEI ID 10103599) APR is a Trainer from Bahrain (the "BRN-NF") and was in charge of the Horse, ELAGABAL (the "Horse") which competed at the CEI2*120 - Compiègne (FRA), 23-25.06.2023, 2023_CI_0773_E_S_03 (the "Event").

II. Factual background and initial proceedings

3. The Horse was tested during the Event and returned a positive result for Dexamethasone which is a Controlled Medication Substances under the FEI's 2023 Equine Prohibited Substances List. Dexamethasone is a corticosteroid with anti-inflammatory effects.
4. The FEI informed the APR of the positive result for these Controlled Medication Substances by way of a notification letter dated 19 July 2023 (the "Notification Letter") The APR was not Provisionally Suspended by the FEI as of 19 July 2023, since only one Controlled Medication Substance (including its metabolite) was detected in the Horse's Sample in accordance with Art. 7.4 of the Equine Controlled Medication Rules (the "ECMRs").
5. In the Notification Letter, the FEI also explained to the APR that he may receive a reduction of the otherwise applicable "Period of Ineligibility" based on his degree of Fault or Negligence, if any, depending on how promptly he admitted the violation and on the seriousness of the violation in accordance with Article 10.8.1 of the ECMRs.
6. The FEI also informed the APR in the Notification Letter that he may request the analysis of the B-Sample, at the latest within 10 days of the date of this notification letter, at his own cost. The APR requested the B sample to be analysed, which confirmed the A sample analysis, and he was notified of this result 5 September 2023. In such letter a new deadline of 14 days was given to accept the consequences.
7. On 3 August 2023, the APR, elected to admit the violation and receive the agreed 3 months reduction. Accordingly, on 20 September the APR submitted to the FEI a duly signed copy of the Acceptance of Consequences Form. According to this document, the FEI deemed that a six-month Period of Ineligibility was considered appropriate, however the APR could benefit from a 3-month reduction of said period of ineligibility in accordance with Article 10.8.1 ECMRs. Therefore, the APR elected to admit the

violation and receive a 3-month reduction and, hence, serve a total ineligibility period of 3 months. In addition, by means of this form, the APR waived his right of appeal and acknowledged that the Accepted Consequences would remain on his record for four (4) years pursuant to Article 10.9 of the ECMRs.

III. Summary of the proceedings before the FEI Tribunal

8. On 25 September 2023, the FEI submitted to the FEI Tribunal (the "Tribunal") the Notification Letter and the duly signed Acceptance of Consequences Form. In addition, the FEI requested the FEI Tribunal to issue a consent award confirming the Accepted Consequences that would be imposed on the APR.
9. On 25 September 2023, the FEI also submitted the Voluntary Provisional Suspension form signed by the APR via email from the BRN-NF for the attention of the FEI Tribunal.
10. On 29 September 2023, the Tribunal informed the Parties of the appointment of a one-person hearing panel to adjudicate and approve this case. The Parties were asked to provide any objections to the constitution of the hearing panel by 4 October 2023.
11. On 2 October 2023, the FEI replied that he did not have any objections to the constitution of the hearing panel. The APR never replied therefore, his silence was inferred as agreement to the constitution of the hearing panel.
12. Neither party requested an oral hearing.
