PREAMBLE

These Rules must be read in conjunction with the FEI Statutes, the FEI General Regulations (GRs), the FEI Jumping Rules (JRs), and all other relevant FEI rules and regulations. In any unforeseen or exceptional circumstance which is not addressed by these Rules, it is the duty of the FEI Jumping Committee to provide an interpretation to the FEI Secretary General who will render a Decision in a manner compatible to the fullest extent possible with the other provisions of these Rules, the GRs and any other applicable rules of the FEI, as well as sporting spirit.

1. INTRODUCTION

- 1.1 The Longines League of Nations™ ("**LLN**") is an FEI Named Series in the discipline Jumping established for the Top Teams in the discipline Jumping representing Nations. The selection of Athletes of the Teams representing their Nation is the exclusive responsibility of the relevant National Federation.
- 1.2 The LLN season starts with the first Qualifier of the LLN season and finishes with the Longines League of Nations™ Final ("**LLN Final**"). The season runs over one calendar year and consists of five LLN Qualifying Events and the LLN Final to take place preferably at the end of September or early October but this may change depending on the Region in which the Final takes place.
- 1.3 The dates and venues of the LLN Qualifying Events and the LLN Final are decided by the FEI Board in consultation with the National Federation of the relevant Event, the FEI Jumping Committee and FEI Headquarters. A bidding process will provide equal opportunities to National Federations and Event Organisers to apply to host an Event of the LLN.

2. QUALIFICATION OF TEAMS

- 2.1 Subject to Article 2.4 below, the best 10 Teams of the Longines League of Nations Ranking established based upon the Longines Ranking Jumping ("**Longines Ranking**") will be qualified to participate at the LLN Qualifying Events.
- 2.2 The Longines League of Nations Ranking will be established based upon the regular monthly Longines Ranking that is published after the conclusion of the Longines FEI Jumping Nations Cup Final 2023. As from 2024, the Longines League of Nations Ranking will be based upon the regular monthly Longines Ranking that is published after the conclusion of the LLN Final of the respective season (each a "**Qualification Ranking**").
- 2.3 The Qualification Ranking used for qualification for the LLN will be calculated based on the combined points of each NF's 6 best Athletes of which at least 1 must be an U25 Athlete on the Longines Ranking.
- 2.4 From the 2025 LLN Season onwards, the winner of the LLN Final of the preceding LLN Season will be automatically qualified for the LLN of the following season regardless of that NF's ranking in the relevant Qualification Ranking and the remaining nine places will be allocated to the nine best ranked teams in the Qualification Ranking (excluding the LLN Final winner).

This clause shall not apply if the Home Nation wins the LLN Final but had not qualified for the LLN Final via the LLN Standings.

3. DECLARATION OF TEAMS

- 3.1 All NFs qualified to participate in the upcoming season of the LLN are required to officially confirm in writing the following to the FEI by a date to be established by the FEI:
- (a) That they will take part with a team in all LLN Competitions at the five LLN Qualifiers of the Longines League of Nations™ and the LLN Final (if qualified); and
 - (b) The name of the Chef d'Equipe of the team.
- 3.2 In case a NF does not want to participate in the upcoming season of the LLN or does not provide a written confirmation as mentioned above by the date established by the FEI, the NF will be replaced by the next best ranked NF not yet qualified on the applicable Qualification Ranking. This procedure will continue until 10 NFs have confirmed their participation and provided the written confirmation referred to in paragraph 3.1 above.
- 3.3 Any NF that commits itself in writing to participate at the LLN Qualifiers and any NF that qualifies for the LLN Final but does not respect this commitment for any reason, other than due to Force Majeure (any event or circumstance arising from or attributable to acts, events, omission or accidents which are not reasonably foreseeable, and which are beyond reasonable control and which could not have been reasonably prevented), will not be allowed to participate at the remaining Qualifier(s) and LLN Final of the current LLN season and will not be allowed to participate in the LLN the following year regardless of their ranking in the Longines League of Nations Ranking and Article 2 (*Qualification of Teams*) shall be interpreted accordingly. A fine of 100.000€ will be imposed. If any transport subsidy has been paid to the NF, such transport subsidy must be reimbursed in full. The FEI, in its sole discretion, shall determine whether or not the reason for non-participation will be considered as Force Majeure. If the FEI decides that the reason for non-participation was due to Force Majeure, the NF is eligible to participate in the subsequent LLN Event(s) of the LLN Season (if applicable) and the LLN Final (if qualified) and the sanctions outlined above will not apply. The NF will not receive any points for the LLN Event(s) that they did not participate in.

Replacement of an NF

- 3.4 A reserve list will be established for each Qualification Ranking, consisting of the three next best ranked NFs on the applicable Qualification Ranking not already qualified for the following LLN Season (the "**Reserve List**").
- 3.5 If a NF that initially confirmed its participation pursuant to Article 3.1 above withdraws from an LLN Season prior to the third LLN Qualifier of that Season, that NF will be replaced by the highest ranked NF on the Reserve

List (the "**First Reserve**"). The NF that has withdrawn will be removed from the LLN Standings.

- 3.6 Upon being offered the place in the LLN Season, the First Reserve must officially confirm in writing to the FEI by a date to be established by the FEI:
- (a) That they will take part with a team in all LLN Competitions at the remaining LLN Qualifiers of the Longines League of Nations™ and the LLN Final (if qualified); and
 - (b) The name of the Chef d'Equipe of the team.
- 3.7 If the First Reserve informs the FEI that it does not accept the place in the LLN Season or does not provide the confirmation referred to in Article 3.6 above, the FEI will offer the LLN place to the second ranked NF on the Reserve List (the "**Second Reserve**") and the process set out in Article 3.6 above shall apply *mutatis mutandi*.
- 3.8 If the Second Reserve informs the FEI that it does not accept the place in the LLN Season or does not provide the confirmation referred to in Article 3.6 above, the FEI will offer the LLN place to the third ranked NF on the Reserve List (the "**Third Reserve**") and the process set out in Article 3.6 above shall apply *mutatis mutandi*.
- 3.9 If the Third Reserve informs the FEI that it does not accept the place in the LLN Season or does not provide the confirmation referred to in Article 3.6 above, no further reallocation of the LLN place will be made.
- 3.10 If there are multiple withdrawals from a LLN Season prior to the third LLN Qualifier of a LLN Season, the process set out in this Article 3 shall apply to replace the withdrawn teams provided that replacements can only be made with the 3 NFs on the Reserve List.
- 3.11 A team that joins the LLN Season from the Reserve List as per the process set out above shall start on zero points in the LLN Standings.
- 3.12 A NF that withdraws after the third LLN Qualifying Event will not be replaced.

- 4.5 Four (4) Athletes per team take part in the first round of the LLN Qualifier. If a team only has 3 combinations who are fit to compete, the team is permitted to take part with three (3) Athletes. If the teams are still tied, the tied teams shall progress to the second round. The teams carry forward their penalties from the first round into the second round. No substitution of Horses is permitted between the first and second round or between the second round and the jump-off (if applicable).
- 4.6 The overall classification after the second round is established according to the combined Penalties of each team's three best Athletes of the first round and all of the team's three Athletes in the second round. In case there is a tie on Penalties for first place after the second round, there will be a jump-off against the clock with one (1) Athlete per team. The break between the end of the second round and the jump-off shall be no longer than 15 minutes. Any of the 4 team Athletes can participate in the jump-off, as selected by the Chef d'Equipe. The Chef d'Equipe must confirm the Athlete that will participate in the jump-off no later than ten minutes before the start of the jump-off. In case there is a tie for any other place following the second round, the time of the teams' three (3) Athletes in the second round will be used to decide the team classification.

Place	1	2	3	4	5	6	7	8	9	10
points	100	90	80	70	60	55	50	45	40	35

- 5.2 If the Home Nation is not automatically qualified for the LLN Event via the Qualification Ranking and finishes in the top 10 of the Classification at a LLN Qualifying Competition, the Home Nation's result shall be disregarded for the purpose of allocating LLN points. - 5.3 The LLN Standings is the ranking established by adding the points earned at each of the LLN Qualifying Competitions. After each LLN Qualifying Competition the LLN Standings will be updated. If a LLN Qualifying Competition is cancelled or cannot be completed, the results from the other LLN Qualifying Competitions will be used to determine the Final Standing.
- 5.4 After the last LLN Qualifying Competition of the Season the Final Standings are established to determine the teams qualified for the LLN Final. The teams' results in all LLN Qualifying Competitions count towards the Final Standing.
- 5.5 The eight best teams of the Final Standing are qualified for the LLN Final.
- 5.6 In case of a tie for the eighth place the NF that has won the most LLN Competitions during that LLN Season, will qualify for the LLN Final. In case after applying this mechanism the tie continues, the NF with the most second places will be qualified and so on until the tie is decided. In case the tie cannot be broken, the team with the higher ranking in Longines League of Nations Ranking preceding the last LLN Qualifier will qualify for the Final.

If there is still a tie after applying the foregoing tiebreakers, the FEI will hold a draw.

- 5.7 In case a team qualified for the Final does not participate for any reason, the sanctions as per Article 3 above will apply and this team will be substituted by the next team from the LLN Standings.
- 5.8 If not qualified for participation at the LLN Final, the Home Nation of the LLN Final will be allowed to participate at the LLN Final.
