I. Parties

1. The Fédération Equestre Internationale (the **FEI**) is the sole IOC recognised International Federation for equestrian sport. The FEI is the governing body for the FEI equestrian disciplines of dressage, jumping, eventing, driving, endurance, vaulting, and para-equestrian.
2. Mr Mohammad SHUNNAR (FEI ID 10353193), the Additional Person Responsible (the **APR**), is a Trainer from Jordan, and was the registered Trainer of the horse, Battar (the **Horse**). The rider, Mr Mazen ALANAZI (FEI ID 10261229) competed with the Horse at the CEI1* 100 in Amman (JOR) on 28-29 June 2024 (the **Event**).

II. Factual background and initial proceedings

3. The Horse was tested during the Event and returned a positive result for Phenylbutazone and Oxyphenbutazone. Phenylbutazone is a non-steroidal anti-inflammatory medication used to relieve pain and inflammation and to control fever. Oxyphenbutazone is a metabolite of Phenylbutazone. Phenylbutazone and Oxyphenbutazone are classified as Controlled Medication Substances under the Prohibited List.
4. The positive finding of Phenylbutazone and Oxyphenbutazone in the Horse's Sample gave rise to a violation of the ECM Rules (the **ECM Rule Violation**).
5. The FEI informed the APR of the ECM Rule Violation in a notification letter dated 30 July 2024 (the **Notification Letter**).
6. On 4 August 2024, the APR voluntarily accepted a Provisional Suspension, in accordance with Article 7.4.9 of the ECM Rules, which began on 6 August 2024.
7. In the Notification Letter, the FEI provided the APR with a deadline of 20 days to explain the alleged ECM Rule Violation. He was also informed that if he admitted the ECM Rule Violation and accepted the sanctions, he would receive an automatic three (3) month reduction in the period of Ineligibility.

8. On 4 August 2024, the APR decided to admit the ECM Rule Violation and receive the 3-month reduction. He therefore submitted a duly signed Acceptance of Consequences Form to the FEI.

III. Summary of the proceeding before the FEI Tribunal

9. On 7 August 2024, the FEI submitted the duly signed Acceptance of Consequences Form together with the Notification Letter and annexes to the FEI Tribunal, and requested that the FEI Tribunal issue this Consent Award, confirming the accepted consequences that would be imposed on the APR (the **Accepted Consequences**).
10. On 14 August 2024, the Tribunal informed the Parties of the appointment of a one-person hearing panel to adjudicate and approve this matter. The Parties were asked to provide any objections to the constitution of the hearing panel by 19 August 2024.
11. On 14 August 2024, the FEI informed the Tribunal that it did not have any objections to the constitution of the hearing panel.
12. The APR did not object to the constitution of the hearing panel.
13. Neither party requested an oral hearing.

IV. Jurisdiction

14. The jurisdiction of the FEI Tribunal, which is not disputed, derives from the:

Statutes 25th edition, effective 21 November 2023 ("Statutes"), Articles 1.5, 38 and 39.

General Regulations, 24th edition, updates effective 1 January 2024, Articles 118, 143.1, 159, 164, 165 and 167 ("GRs").

Internal Regulations of the FEI Tribunal, 3rd Edition, 2 March 2018 ("IRs").

FEI Equine Anti-Doping and Controlled Medication Regulations ("EADCMRs"), 3rd edition, effective 1 January 2021, updates effective 1 January 2023.

V. Early Admission and Acceptance of Sanction

15. In accordance with Article 10.8.1 of the ECM Rules: *“Where Person Responsible and/or member of the Support Personnel and/or other Person, after being notified by the FEI of a potential ECM Rule violation that carries an asserted period of Ineligibility of six (6) months or more (including any period of Ineligibility asserted under Article 10.4), admits the violation and accepts the asserted period of Ineligibility no later than twenty (20) days after receiving notice of an ECM Rule violation charge, the Person Responsible and/or member of the Support Personnel and/or other Person may receive a three (3) month reduction in the period of Ineligibility asserted by the FEI. Where the Person Responsible and/or member of the Support Personnel and/or other Person receives the three (3) month reduction in the asserted period of Ineligibility under this Article 10.8.1, no further reduction in the asserted period of Ineligibility shall be allowed under any other Article.”*

VI. Ratification of the Accepted Consequences

16. The APR has explicitly admitted the ECM Rule Violation and accepted the following consequences (in accordance with Article 10.8.1 of the ECM Rules):
 - o a period of Ineligibility of three (3) months commencing from the date of this Consent Award (the voluntary Provisional Suspension already served will be credited against the imposed period of Ineligibility); and
 - o a fine of CHF 2'500.-.
17. The sole panel member confirms that the above Accepted Consequences comply with the ECM Rules and finds no grounds to object to their terms.

ON THESE GROUNDS

1. The sole panel member hereby ratifies the Accepted Consequences in the case of C24-0038 SHUNNAR [2024/FT36 – BATTAR] and incorporates its terms into this Consent Award.
2. Each Party is hereby ordered to perform the obligations and duties pursuant to the Accepted Consequences.
3. The Consent Award is pronounced without costs.
