## DRIVING RECORDED WARNING CARD 2025

### Extract of Art. 911.2 (B), FEI Driving Rules

12th Edition, effective 01 January 2022, Updates effective 01 January 2025

A Driving Recorded Warning must be issued to the Person Responsible for the following offence(s), during the Onsite Preparation Period and/or the Period of Jurisdiction by the President of the Ground Jury, or the Chief Steward or the Technical Delegate:

- a) Driving out of control with the Horse(s)/Pony(ies) clearly not responding to the Athletes restraining or driving aids.
- b) Severe lack of responsiveness from the Horse(s)/Pony(ies), or the Athlete.
- c) Endangering the public in any way, e.g. leaving the track.
- d) Willful obstruction of an overtaking Athlete and/or not following the instructions of the Officials causing danger to another Athlete.

In addition to incurring a Driving Recorded Warning, the President of the Ground Jury may eliminate the Athlete as referred in Article 911.10.

Before issuing a Driving Recorded Warning, the President of the Ground Jury, the Chief Steward or the Technical Delegate has the duty to hear the Athlete, if available. At any time, the Athlete has the right to seek out the Officials for any explanation related to a Driving Recorded Warning.
