ARTICLE 1 - PRINCIPLES

1.1 The FEI Jumping World Challenge SERIES may be organised by any member NF of the FEI, except USA, Canada and the Western European NFs listed below.

The Western European NFs that are **not eligible** to organise the FEI Jumping World Challenge SERIES are defined as those NFs in Western Europe which organise in their own country and/or have straightforward access to (1-2 days travel by road) 10 or more International Jumping Events in neighbouring countries per year. These countries are:

AND, AUT, BEL, DEN, ESP, FIN, FRA, GBR, GER, IRL, ITA, LIE, LUX, MLT, MON, NED, NOR, POR, SMR, SUI and SWE

Consequently, the only Western European NF that is **eligible** to take part in the Challenge SERIES is Iceland (ISL).

1.2 There are three categories, Cat. A (1.20-1.30 m); Cat. B (1.10-1.20 m) and Cat. C (1.00-1.10 m).

1.3 Category A, B and C each consist of **3 Competitions which will run under Table A, Art. 273.3.3.2, over two rounds either on the same day or over two days maximum.**

- First round: Not against the clock.
- Second round: Against the clock. Starting order in 2nd round: reverse order of penalties in the 1st round; Athletes retain their drawn order in case of equality of penalties - No jump-off.

There will be **two** different course plans (Round 1 and Round 2) per Competition run at 3 different heights. All courses will be designed by a Course Designer appointed by the FEI.

1.4 There will be an INDIVIDUAL ranking per Country, per Region and for the World for all 3 Categories.

In order to be in the rankings, an Athlete/Horse combination must compete in a minimum of two Competitions and in any case not more than three Competitions per Category. Only the results of the best TWO Competitions per Category will count for the rankings.

1.5 Placing: Athletes will be placed according to aggregate Penalties over both rounds and the time incurred in the second round of each Competition.

1.6 The size of the arena for all Categories (A, B and C) is **65 x 45 meters**.

1.7 The Category A qualifies for the World Final.

1.8 The Category A, B and C must be organised at outdoor Competitions between the 1st January and the 31st December.

1.9 It is not allowed for Athlete/Horse combinations taking part in the FEI Jumping World Challenge to jump or attempt to jump any obstacle which is part of the FEI Jumping World Challenge official course at any time prior to the start of the FEI Jumping World Challenge competition. Failure to comply may result in Elimination or Disqualification as per the FEI Jumping Rules articles 241.3.1 and 242.2.4.

It is permitted to ride the Horse taking part in the FEI Jumping World Challenge competition in a training session and or in a National competition on the same day or the day prior to the FEI Jumping World Challenge competition.

The course or any relevant part of the FEI Jumping World Challenge course cannot be used for the training session or any National competition.

ARTICLE 2 - HORSE INSPECTION

2.1 Horse Inspection: Any Horse participating, must prior to participating in any Competition of the FEI Jumping World Challenge pass a Horse inspection carried out by an FEI Veterinary Delegate to be appointed by the OC in accordance with Article 280.2, FEI Rules for Jumping Events, 27th Edition, updates effective 1 January 2025 (refer to www.inside.fei.org > Jumping > Rules).

2.2 FEI GR Art. 137.2: As an exception to the FEI General Regulations, Horses taking part in the FEI Jumping World Challenge competitions in their own country do **NOT** need to be registered with the FEI and therefore are **NOT** required to have an official, valid FEI Passport, or a National Passport approved by the FEI accompanied by an FEI Recognition Card, as a mean of identification and to establish ownership.

All such Horses must be properly registered within their National Federation and identifiable by diagram. Unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin, all Horses must have a valid vaccination certificate.

2.3 The Inspection must take place on a firm, level and clean but not slippery surface (VR Article 1032).

The Horse must be walked and trotted on a loose rein.

2.4 The FEI Judge must be present and the Horse Inspection must take place, in principle, on the day preceding the Competition to allow for an eventual re-inspection. NFs/OCs may ask for special permission to organise the Horse Inspection on the day of the competition if no stabling is available at the venue or for other acceptable reasons. In this case, if possible sufficient time should be planned between the inspection and the beginning of the competition to allow for an eventual re-inspection.

As an exception to FEI VRs 1052, Horses may be allowed to leave the Event/Competition venue if the competition takes place over two days (see Art. 1.3) or if two competitions are organised over two consecutive days (see Art. 4.2) and overnight stabling at the venue is not available. Should this be the case, a Horse Inspection must be organised on EACH day, prior to the beginning of the Competition or Round.

2.5 It is the responsibility of the NF and/or OC to award a special prize to the best presented Horse based on the Ground Jury & FEI Veterinary Delegate's decision.

2.6 Horses must be six years old or over.

ARTICLE 3 – PARTICIPATION

3.1 The three categories are open to all Athletes from the beginning of the year in which they reach their 14th birthday for Categories A, B, & C.

3.2 A Horse may compete with only ONE Athlete, in only ONE Category throughout the FEI Jumping World Challenge during the same year.

3.3 Athlete/Horse combinations are not allowed to start more than once in the SAME Competition (1, 2 or 3) even when organised at a different date and venue during the same year.

3.4 An Athlete may ride in all 3 Categories with 3 different Horses. In addition to his Individual results, if an Athlete competes in more than one Category only the results of the highest Category will count for the Team ranking (see Art. 8.4).

An Athlete must compete in all Competitions of the SAME Category in ONE country during the same year.

- 3.5 Horses cannot be ridden by more than one Athlete in one Category throughout the FEI Jumping World Challenge during the same year. Athletes may ride more than one Horse in a category but the results of only one Horse will count towards the final National rankings, Regional and World Rankings. This Horse must be declared before the first round of the first Competition in which the Athlete takes part. The Athlete must complete the official FEI Declaration Form (available to download on the FEI Website, i.e. <https://inside.fei.org/fei/disc/fei-world-challenge/jumping/downloads>) sign it and submit it to the OC. The OC must in turn submit this to the PGJ – all forms must be signed and submitted before the start of the competition. A copy of the form (with both signatures) must be submitted to the FEI with the results. The declared Horse must be ridden first in all rounds of all Competitions. The results obtained with the other Horses will not count towards the final standings, but only for the competition standings.

It is not allowed to change the declared horse after the Athlete's first participation, unless the horse originally declared is no longer fit to compete for the remainder of the season. In this case, upon presentation of a Veterinary Certificate confirming this diagnosis and an official request from the Athlete and NF to change the declared horse, a change may be exceptionally accepted.

- 3.6 Athletes having participated at more than 3 International Jumping events (this includes Senior Regional/Continental Games & Championships/WEG/OG) in competitions at 1.35m and higher in the same year are not allowed to compete.

An Athlete that has NOT competed at the above mentioned level since more than 3 years is allowed to compete in the FEI Jumping World Challenge again.

This restriction does not apply to Juniors and Young Riders.

Other restrictions may apply based on National Federation's participation criteria. Athletes must consult the National regulations for such restrictions.

- 3.7 Any Athlete that has competed in the Youth Olympic Games is eligible to compete in the FEI Jumping World Challenge.
- 3.8 If the FEI Jumping Children's Classics and the FEI Jumping World Challenge are organised at the same venue on the same dates, Athletes of the appropriate age may take part in both competitions but may not take part with the same Horse if both competitions are organised on the same days.
- 3.9 The NF of the organising country may enter as many Athletes as it wishes for each of the 3 competitions.
- 3.10 **As an exception to the FEI General Regulations**, in the FEI Jumping World Challenge "Athletes Living outside their country of nationality" (as defined in the FEI General Regulations) may compete for their country of residence. **They may also be members of their host country's team.**

Foreign Athletes from another Challenge NF or from a 'non-Challenge' NF may compete in the FEI Jumping World Challenge under the conditions of Art. 101.2, FEI General Regulations. **Foreign Athletes may only compete for their country of sport nationality, and cannot be a member of the host country's team.**

- 3.11 Athletes and Horses participating in the FEI Jumping World Challenge do **NOT** need to be registered with the FEI.

3.12 Category A, B and C:

An Athlete/Horse combination eliminated in one competition of the Category A, B or C may start in the other competitions of the same Category.

An Athlete/Horse combination who has been eliminated or who has retired during the 1st round of any competition, ~~is NOT allowed to start~~ may not take part in the 2nd rounds of the competition and may not be placed (FEI JRs Art. 273.1).

3.13 Category A, B and C: Draw & Starting order

A draw for each of the 3 competitions will take place to decide the starting order. NFs may request a different starting order format based on the National Federation's regulations; such requests must be provided to the FEI for approval before the entries OPEN.

The order of starting for all Horses and Athletes in the second round of each competition will follow the reverse order of penalties in the first round, whether Horses are competing for FEI placing or not. In the event of equal penalties, Athletes will start in the same order as in the first round of each competition.

In case an Athlete is riding more than one Horse, the declared Horse must be ridden first in all rounds.

3.14 Ponies:

A pony or small Horse NOT registered as a pony may compete in any FEI event as a Horse. The rules for the category of event then apply as per the age of the equine and the Athlete.

A pony registered as a PONY, can participate in Pony classes and in other FEI events at the discretion of the OC, however in such cases the age of the Athlete must comply with the FEI Pony riders rules (no adults).

ARTICLE 4 - ORGANISATION

4.1 Each NF is directly responsible for the organisation and judging of the three Competitions.

4.2 Countries may organise Categories A, B and/or C. The Competitions may be held at different periods and places or simultaneously. However, a maximum of two out of the three Competitions in any or all of the categories may be organised consecutively over two days (ex: Day 1 – Competition 1; Day 2 – Competition 2 or Day 1 – Competition 2; Day 2 – Competition 3); the other Competition must be organised separately – with a minimum of one week separating it from those held consecutively (see annex option 4-5).

Countries organising Category A must organise it first and may ~~Countries may~~ decide of the order in which the other Categories are organised, however Competitions must be organised in order of progression (i.e.: Competition 1, then Competition 2, then Competition 3).

4.3 Countries may make a special request to the FEI in order to host one or more Challenge Competitions in separate locations (see Annex I for example of Calendar Options).

4.4 **Category A:** The Ground Jury must be composed of a President who must be an FEI Judge for Competitions 1 and 2. For Competition 3, the Ground Jury must be composed of a President (FEI Judge) plus a FEI Foreign Judge (minimum 2* Level - see article 10.4) in principle from the Region. If there is no FEI Judge in the country, the FEI Foreign Judge will act as the President of the Ground Jury with a panel of national judges.

4.5 **Category B & C:** The Ground Jury must be composed of a President who must be an FEI Judge for all 3 Competitions. An FEI Foreign Judge is not required for these categories.

4.6 The Judge's Report must be completed and signed (an electronic signature is acceptable) by

the FEI Foreign Judge for Competition 3 for Category A and by the FEI Judge President of the Ground Jury for Competitions 1 and 2 for Category A and for all 3 Competitions for Category B & C.

- 4.7 All Judges, both National and Foreign, must be jumping judges.
- 4.8 The FEI Foreign Judge must act as FEI Technical Delegate at the same time and make sure that all details in the course are in accordance with the published course plans.

4.9 Stewards: for all competitions organised regardless of the Category, it is the responsibility of the organiser to appoint a minimum of two (2) qualified Stewards, one (1) of these Stewards will be appointed as Chief Steward. The OC must appoint an additional Assistant Steward for every 10 horses entered in the competition. It is the responsibility of each organising NF to make sure they have FEI Stewards in their country, consequently the appointed Chief Stewards must be from the List of FEI Stewards, unless there are no FEI Stewards in the country, in which case a derogation to appoint experienced National Stewards may be requested. Derogations will be granted on a case by case consideration and are only meant as a temporary solution.

The Chief Steward reports to the President of the Ground Jury and is responsible for the coordination of the stewarding team, and is appointed to ensure a level playing field and Horse welfare in accordance with the FEI Rules and Regulations. The Stewards help stakeholders to prevent infractions and irregularities from taking place and intervenes when infractions or irregularities occur. If the appointed Chief Steward is not FEI, then sanctions (Warnings, Yellow Warning Cards, etc.) may only be issued by the President of the Ground Jury.

The Chief Steward is required to send a report to the FEI at the conclusion of the Event.

ARTICLE 5 - THE COURSE

5.1 The penalties will be calculated according to the FEI Jumping Rules, 27th Edition (updates effective 1 January 2025).

5.2 All courses will consist of between nine and twelve obstacles including one or two doubles and at least two vertical and two spread obstacles. **There will be no wall** and no water jump, but obstacles which include a water ditch or tray (called Liverpools) may be used. The courses for Competitions 1 and 2 will have **no treble combination**.

In order to be in the rankings, an Athlete/Horse combination must compete in a minimum of two Competitions and in any case not more than three Competitions per Category. Only the results of the best TWO Competitions per Category will count for the rankings.

An Athlete can only be in the rankings per Category once with the Horse Declared before the 1st Competition.

Rankings per Country are finalised and available as soon as all Competitions have taken place and the results have been validated. Regional and World Rankings are finalised once all Competitions in the calendar have taken place and results have been validated.

Foreign Athletes' results will be appear in each individual competition results/placings, however for the National and Regional rankings the results will be considered in the corresponding rankings of the Athlete's Country.

Furthermore, National Rankings will only include combinations that fulfilled the conditions laid down in Art. 8.1 and 8.2.

"Non-Challenge" Athletes: Athletes from a "Non-Challenge National Federation" (refer to Art. 1.1 and 3.10) will only appear in the World Rankings.
