History and Context-Geography

History and Context -Background

- January 2016-EA Eventing Committee RMWG formed
- March/April 2016 – Two Eventing Fatalities
- June 2016 – EA Eventing Committee initiates 5 short term actions on the advice of the RMWG
 - ❑ *Review of MER for NC & D Athletes*
 - ❑ *Implement Riders Rep System for National Star Classes*
 - ❑ *Reinforce need for consistent athlete sanction process*
 - ❑ *Guideline to Implement Frangible Devices Widely*
 - ❑ *Conduct a CD Workshop*
- Nov/Dec 2016 –EA Review Reports for Scone/Sydney

Tattersalls Workshop –A Key Takeaway

Key Milestones -2017

- ❖ January –Terry Snow “Equestrian Australia Making Eventing Safer Fund” and Olivia Inglis Foundation Generously offer Funding Support
- ❖ April –funded NSO appointment
- ❖ May – “Making Eventing Safer Fund” supports acceleration of frangible device implementation
- ❖ May– Standard National TD report adopted and information gathering process and personnel.
- ❖ June - Australian (EA105 & below) XC Guidelines
- ❖ October -EA Eventing Committee approve trial of Equiratings funded by “Making Eventing Safer Fund”
- ❖ November – EA Eventing Committee makes use of frangible devices compulsory(*classes) from Feb 1 2018 and commits to “front shoulder” guideline

Risk Management Matrix

	Horse	Rider	Course
Preventive		MER Review Equiratings XC Coaching Syllabus	Frangible Devices National XC Guidelines National Athlete Reps Front Shoulder
Protective		Concussion protocol Fence Judge Incident Video Medical Services	
Management		Improved SIMP Protocols Improved Risk Management plans	

Well Trained and Effective Officials

Effective Statistics and Compliance Reporting

- **Do the Basics**

- Measure the fences
- Check the spirofixes
- Check the striding
- Is it consistent with the guidelines
- SIMP in Place etc

- **Follow the Rules**

- **Work as a Team –Have Fun**

- **Find a way to fund Safety Initiatives**

Thankyou

Roger Kane
