USEA FRANGIBLE TECHNOLOGY PROGRAM

o o o o

TAKING ACTION

After a tragic horse and rider fall occurred at a table fence, the eventing community came together to make a change and focus on the safety of our riders.

Our Mission

Reduce the risk of rotational falls and increase safety

Our Vision

Apply available frangible technology devices to tables

Our Goals

Eliminate the risk of serious injury during a fall

FUNDRAISING EFFORTS

- \$500,000 Goal Set
- Eventing community donated
- Manton Foundation Match Donation
- Rule change implemented to update fences with safety technology
- \$1500 grants provided to events to subsidize cost of building materials and frangible equipment
