

Case Status Table - Human Anti-Doping

Last update: 17 October 2024

Legend:

• A case is listed in the Table below once any of the three following events take place: (1) a positive A-sample is confirmed during a B-sample analysis; (2) the Athlete waives his/her right to a B-sample analysis, or (3) the Athlete is provisionally suspended.

NB. The mandatory Public Reporting does not apply to cases involving Minors, in accordance with Article 14.3.6 ADRHA. Information in relation to Minors are therefore not published. For any questions concerning cases involving Minors, please contact the FEI Legal Department.
