\* The FEI Nominated Entries list is compiled based on the information submitted by the National Federations on/before 20 June 2016 in accordance with the FEI General Regulations and the FEI Regulations for Equestrian Events at the Paralympic Games.

As per Article 606.2.2 of the FEI Regulations for Equestrian Events at the Paralympic Games the NF of the Athlete is responsible to ensure that the Horse fulfils the registration criteria.

Official Final Entries for Rio 2016 must be received by the FEI by 15 August 2016 (Article 607.3 of the FEI Regulations for Equestrian Events at the Paralympic Games).

**IMPORTANT** : Those athletes marked in red are not yet fully eligible due to their classification status. They will only be accepted on the list of final entries if they comply with the IPC requirement of being internationally classified with a 'Confirmed' sport class status or a 'Review' sport class status with a review date after 31 December 2016. NFs must send these athletes to FEI classification events before the final entry deadline of 15 August 2016, otherwise they will be removed from the entry list. Sport classification will not be available for equestrian athletes at the Rio 2016 Paralympic Games.
