

**Courses for National Coaches
According to the FEI Coach Education Programme
Level 1 Course for Coaches**

CAMPO DE MAYO (ARG): 08-12 April 2019
FEI Tutor: Juan Carlos Nuñez (URU)

The Argentine Equestrian Federation together with International Equestrian Federation hosted Level 1 Course on 08-12 April 2019 at the Escuela Militar de Tropas Montadas, Campo de Mayo.

The course was attended by 14 participants from Argentina and Brazil. The course was intensive; starting at 8 am and ending after 6 pm, and was directed by the FEI Tutor and during the workday the aspiring coaches had theoretical and practical activities.

For the development of the practical classes of aspiring coach, the riders and horses were provided by the Escuela Militar de Tropas Montadas (Ejercito Argentino). They expressed their satisfactions of being able to cooperate in the training of future coaches.

Together with the FEI we believe that the better way to improve the sport is being able to perform several courses such as the Coaches and give the riders the opportunity to overcome themselves.
