Summary Text:

The Qatar Equestrian Federation (QEF) organized a Level 1 Coaches Course at the Al-Shaqab Equine Education Centre, Doha – Qatar. This was a five (5) days elaborate course, conducted by Cedric Triolet (FRA) an experienced FEI Tutor, covering the three (3) Olympic/FEI disciplines.

This course was held under the QAT NFs National Officials Development Programme, to increase the know-how of the instructors, on how to conduct the classes and how to train new upcoming athletes. QAT NF, as per the QAT NOC vision, focuses on gender equality and thus equal opportunity is offered to male and female coaches to participate more actively. Proper know-how is an essential tool for any NF to grow!

The two coaches' courses held back to back in Qatar 2019 - 2021, has created a major interest for all National Coaches to attend the FEI offered courses. Learning and delivering proper horsemanship techniques is very essential for the future riders.
