According to the FEI Coach Education Programme
Level 2 Course for Coaches**

Quito (ECU): August 26 – September 01 2024
FEI Tutor: Marcello ARTIAGA DE ALMEIDA CASTRO (BRA)

The Ecuadorian Federation of Equestrian Sports organized the course for Jumping and Dressage coaches at the Quito Tennis and Golf Club from August 27 to September 1, 2024.

This Level 2 course for trainers was led by FEI Tutor Marcello Artiaga (BRA), with the participation of 12 Ecuadorian trainers. Our trainers have extensive experience in the field of horse riding. It's worth noting that the instructor exceeded the participants' expectations, as they were able to benefit greatly from his vast knowledge and high level of professionalism.

The Level 2 students were highly motivated and eager to learn, with the goal of transmitting their knowledge to their own pupils. The six-day course was very productive, especially during the practical sessions, where we worked with riders of considerable expertise.

We are confident that Marcello Artiaga played a key role in the success of the course.
