

CRITERIA FOR THE ALLOCATION OF THE FEI DRESSAGE WILD CARD

- Requests for the FEI Dressage wild card must come from the athlete's NF.
- NF can apply, on behalf of an athlete, for an FEI Dressage wild card maximum three times per year/season.
- FEI Dressage wild card requests for CDI5* or CDI-W events will be considered on a case by case basis, taking into account the MER scores and previous results of the athlete.
- In order to obtain the FEI Dressage wild card for a CDI4* event, an athlete must have achieved at least one Grand Prix result of min 62% at a CDI3* event (as total average score).
- FEI Dressage wild cards for CDI3* events will be available to athletes from developing NFs and to athletes from NFs not having received invitations but requiring Minimum Eligibility Requirements scores for FEI Dressage Championships.
- If several requests are received for the same event, first time request will take priority over those requesting the wild card for a second or third time.
- Priority will be given to athletes trying to qualify for Dressage Games and Championships.
