

Application form Children, Junior and U25

Driven Dressage test working group

As referred in the FEI Driven Dressage test modification policy (published [at this link](#)), for each new test, a Driven Dressage Working Group comprised of top-level experts, is selected through an application process and voted on by the Driving Technical Committee.

1. Timeline

One working group will be formed to create the new Children, Junior and U25 Dressage tests (Youth). To be published after the European Championship in 2024.

Applications for the working group are open from **05.06.2023 until 05.07.2023**.

The FEI is opening the applications for the following functions:

- Two Driving Trainers specialized in Youth, recommended and supported by their Federation.
- An FEI level 4 Driving Judge.
- Two top-level Athletes between 18-25 years old from the last Continental Youth Championship up to 20th position.
