Letter of motivation for application as Driving Athletes Representative

Dear Driving Colleagues,

It is my intention to apply as candidate for the 2018 Driving Athletes Representative. My application is motivated by the desire to contribute to the modernisation of the driving sport, trying also to make its rules more "user-friendly".

Combining my professional background as lawyer and my experience in the international driving sport over the last two decades, I strongly believe to be able to give valuable input as Driving Athletes Representative.

Thank you in advance for your support.

Best regards

s. Franz SCHILTZ
