Dear Fellow Drivers:

I have read the FEI Committee responsibilities/job specifications and feel I am uniquely qualified to be an athlete representative for driving. As an active athlete I feel it is imperative that those competing in our sport have a role in the sport's guidance.

- 30+ years of competing at the international level
- 20+ years of active federation committee work
- 30+ years of running a top class equestrian facility
- Intricate knowledge of the sport and rule making process
- Ability and desire to commit time to committee work
- CEO of successful and expanding heating fuel business
- Strong personal commitment to the welfare of the horse and promotion of the sport of driving

Please do not hesitate to contact me if you have any questions concerning my desire or qualifications to be put forth as a candidate for the FEI Driving Committee.

Sincerely,

James H. Fairclough
