Subject: member of the Athletes Committee / athlete representative Driving Committee

Dear Sir/ Madam,

Herewith I would like to express my interest in becoming the athlete representative in the FEI Driving Committee and a member of the Athletes Committee.

I strongly believe that I as four-in-hand driver with an overview and attention for the other driving disciplines can give the best contribution in the development of the driving sport. To become the link between active athletes and the FEI is a position I am sure I am really capable of. I am very motivated to ensure that the athletes point of view is taken into account in the deliberations of the Driving and Athletes Committee.

I am very keen on the development of the driving sport in general and the welfare of the driving horse in particular. I see myself as a communicative person who's used to express his point of view, as well as the view of other drivers. The position to be able to communicate the opinion of other athletes is a responsibility I would be happy to fulfil.

It would be an honor to be chosen on behalf of the athletes to join the Driving Committee and Athletes Committee and jointly further develop and strengthen our beautiful sport.

Sincerely yours,

Mark Weusthof
