INTRODUCTION

Preface

These **Equine Anti-Doping and Controlled Medication Regulations** (hereinafter "*EADCM Regulations*" or "*Regulations*") are adopted and implemented in conformity with the undertakings of the FEI in the spirit of the *World Anti-Doping Code (2015-2021 version)* with respect to the *EAD Rules* and otherwise with deference to the findings of the "Joint Commission", notably the Clean Sport Commission, Chaired by Professor Arne Ljungqvist (hereinafter "Ljungqvist Commission") which was initiated by FEI Athletes in September 2008 who stepped forward to identify a problem, and the Stevens Commission, chaired by Lord Stevens. The findings of both Commissions were debated and ultimately harmonised to form the Joint Commission on 9 October 2009 in Copenhagen, Denmark. The *Equine Anti Doping Rules* (hereinafter "*EAD Rule*" or "*EAD Rules*"), the first chapter of the *EADCM Regulations*, shall apply to any violation alleged under the *EADCM Regulations* that involves a *Banned Substance* or *Banned Method*. Conversely, the *Equine Controlled Medication Rules* (hereinafter "*ECM Rule*" or "*ECM Rules*"), the second chapter of the *EADCM Regulations*, shall apply to any violation alleged under the *EADCM Regulations* that involves a *Controlled Medication Substance* or a *Controlled Medication Method*.

These *EADCM Regulations*, adopted in their original form by the General Assembly in November 2009, specifically incorporate the material findings of the Joint Commission. One of the most significant recommendations to emerge from the Commission was the suggestion to establish two (2) separate and distinct approaches to *Doping*, on the one hand, which is defined in the *EAD Rules* Articles 2.1-2.8; and *Controlled Medication*, on the other hand, as defined in the *ECM Rules*. Consequently, these two (2) categories of rules are being presented in one comprehensive Rule book, in separate chapters, for ease of use and understanding. This new approach brings with it a change in the applicable terminology. Going forward, any substance prohibited by the *EADCM Regulations* will be referred to as a *Prohibited Substance* which is now meant to be the umbrella term. However, substances classified as *Doping* under the *EAD Rules* will be referred to as *Banned Substances* while substances classified as *Controlled Medication* under the *ECM Rules* will be referred to as *Controlled Medication Substances*.

EADCM Regulations are Sport Rules governing the conditions under which sport is performed. *Persons Responsible* (including *additional Persons Responsible*, see below) and their *Support Personnel* accept these *Regulations* as a condition of participation and involvement in FEI activities and shall therefore be bound by them. The introduction of *Support Personnel* into these *Regulations* is not entirely new as the FEI General Regulations have always provided for the opportunity to include an "additional Person Responsible" in the prosecution of a case where the factual circumstances have warranted that *Person's* inclusion. The incorporation and moderate expansion of the concept within the new *Regulations* is intended to ensure that all participants in equestrian sport who violate the *EADCM Regulations* will be held accountable. It is fundamental, however, that the inclusion of *Support Personnel* is in no way intended to lessen or shift the responsibility of the *Person Responsible*. The *Person Responsible* remains ultimately responsible, and thereby ultimately liable, for *EADCM* violations. Where appropriate, and only when the specific factual circumstances so warrant, *Support Personnel* will be held additionally responsible. Notwithstanding the foregoing, in the discipline of Endurance, the registered Trainer shall be considered as additional Person Responsible and held additionally responsible for any violation(s) under Articles 2.1 of the EAD Rules and the ECM Rules.

INTRODUCTION

EADCM Regulations are not intended to be subject to or limited by the requirements and legal standards applicable to criminal proceedings or employment matters. The policies and minimum standards set forth in these *Regulations* represent the consensus of a broad spectrum of stakeholders with an interest in fair sport and *Horse* welfare and should be respected by all courts and adjudicating bodies.

Fundamental Rationale for the FEI's EADCM Regulations

Anti-Doping programs seek to preserve what is intrinsically valuable about sport. This intrinsic value is often referred to as "the spirit of sport"; it is the essence of Olympism; it is how we play true. The spirit of sport is the celebration of the human spirit, body and mind, and is reflected in the values we find in and through sport, including:

- Ethics, fair play and honesty
- Health
- Athlete's rights
- Excellence in performance
- Character and education
- Fun and joy
- Teamwork
- Dedication and commitment
- Respect for rules and laws
- Respect for self and other participants
- Courage
- Community and solidarity

Doping is fundamentally contrary to the spirit of sport.

Scope

These revised *EADCM Regulations* are effective as of ~~1 January 2018~~ 1 January 2021. They must be read in conjunction with the *FEI Statutes*, *General Regulations*, *Veterinary Regulations*, *Internal Regulations of the FEI Tribunal*, the *FEI Standard for Laboratories*, and any other applicable rules or regulations.

These *EADCM Regulations* shall apply to the *FEI*, each *National Federation*, and each *Person Responsible* and their *Support Personnel* by virtue of their membership in, accreditation by, or participation in the *FEI* or *National Federation*, or in their activities, *Competitions* or *Events*.

To be eligible for participation in *FEI Events*, a *Person Responsible* or *Horse* must be registered with the *FEI* and be a registered member of an *FEI National Federation*, unless special circumstances under the *FEI* General Regulations allow otherwise.

Each *National Federation* shall guarantee that all registered *Persons Responsible*, members of their *Support Personnel* (where possible), and other *Persons* (where possible) under its jurisdiction accept the *Statutes*, *Regulations* and all rules of the *FEI*, including these *EADCM Regulations* and any other applicable rules or regulations.

INTRODUCTION

These *EADCM Regulations* shall therefore apply to all *Doping* and *Medication Controls* over which the *FEI* or its *National Federations* have jurisdiction or have been delegated jurisdiction by another governing body, subject to Article 13.1 of both the *EAD Rules* and the *ECM Rules*. However, there may be modified versions of these rules for Events where minors are competing on borrowed *Horses*, if the circumstances so warrant and the *FEI Board* has approved such rules (such as for the Youth Olympic Games.) The *EADCM Regulations*, particularly as they apply to *Banned Substances* (the *EAD Rules*), have intentionally been ~~modeled~~ modelled after the 2015-2021 *WADA Model Code* for human athletes. Conversely, the *ECM Rules* have been developed with special consideration for the need to administer responsible *Controlled Medication Substances* to *Horses* to ensure *Horse* welfare and the highest levels of professionalism. Given the clear distinction between *Doping* and *Medication* established by the two separate chapters of the *EADCM Regulations* – the *EAD Rules* (Chapter I) and the *ECM Rules* (Chapter II) – a *Veterinary Form* (see *FEI Veterinary Regulations*) shall only be available in connection with a *Controlled Medication Substance* under the *ECM Rules* and not in connection with a *Banned Substance* under the *EAD Rules*.

Note: The masculine gender used in relation to any physical person (for example, names such as *Person Responsible*, *Athlete*, *Owner*, *Judge*, *Technical Delegate*, *Official*, *Chef d'Equipe*, or pronouns such as he, they or them) shall, unless there is a specific provision to the contrary, be understood as including the feminine gender.

EQUINE ANTI-DOPING RULES

ARTICLE 1 DEFINITION OF DOPING

Doping is defined as the occurrence of one or more of the *EAD Rule* violations set forth in Article 2.1 through Article 2.8 of these *EAD Rules*.

ARTICLE 2 EAD RULE VIOLATIONS

The purpose of Article 2 is to specify the circumstances and conduct which constitute EAD rule violations. Hearings in doping cases will proceed based on the assertion that one or more of these specific rules have been violated.

Persons Responsible and/or their *Support Personnel* shall be responsible for knowing what constitutes an *EAD Rule* violation and the substances and methods which have been included on the *Equine Prohibited Substances List* and identified as *Banned Substances* and *Banned Methods*.

Where *Banned Substances* or *Banned Methods* are involved, the following constitute *EAD Rule* violations:

2.1 The Presence of a *Banned Substance* and/or its *Metabolites* or *Markers* in a *Horse's Sample*

2.1.1 It is each *Person Responsible's* personal duty to ensure that no *Banned Substance* is present in the *Horse's* body. *Persons Responsible* are responsible for any *Banned Substance* found to be present in their *Horse's Samples*, even though their *Support Personnel* may be considered additionally responsible under this Article and Articles 2.2 - 2.8 below where the circumstances so warrant. It is not necessary that intent, Fault, negligence or knowing *Use* be demonstrated in order to establish an *EAD Rule* violation under Article 2.1.

2.1.2 Sufficient proof of an *EAD Rule* violation under Article 2.1 is established by any of the following: (i) presence of a *Banned Substance* and/or its *Metabolites* or *Markers* in the *Horse's A Sample* where the *Person Responsible* waives analysis of the *B Sample* and the *B Sample* is not analysed; or, (ii) where the *Horse's B Sample* is analysed and the analysis of the *Horse's B Sample* confirms the presence of the *Banned Substance* and/or its *Metabolites* or *Markers* found in the *Horse's A Sample*; or where the A or B Sample is split into two (2) parts and the analysis of the confirmation part of the split Sample confirms the presence of the Banned Substance or its Metabolites or Markers found in the first part of the split Sample or the Person Responsible waives analysis of the confirmation part of the split Sample. An *Adverse Analytical Finding* may be established by a positive blood or urine *Sample*.

2.1.3 Excepting those *Banned Substances* for which a quantitative threshold is specifically identified in the *Equine Prohibited Substances List*, the presence of any reported quantity of a *Banned Substance* and/or its *Metabolites* or *Markers* in a *Horse's Sample* shall constitute an *EAD Rule* violation.

2.1.4 As an exception to the general rule of Article 2.1, the *Equine Prohibited Substances List* or the *FEI Standard for Laboratories* may establish special

criteria for reporting the evaluation of certain Banned Substances ~~that can also be produced endogenously.~~

2.2 Use or Attempted Use of a Banned Substance or a Banned Method.

2.2.1 It is each *Person Responsible's* personal duty, along with members of their *Support Personnel*, to ensure that no *Banned Substance* enters into the *Horse's* body and that no *Banned Method* is *Used*. Accordingly, it is not necessary that intent, fault, negligence or knowing *Use* on the part of the *Person Responsible*, or member of his *Support Personnel* (where applicable), be demonstrated in order to establish an *EAD Rule* violation for *Use* of a *Banned Substance* or a *Banned Method*. However, in accordance with the definition of *Attempt*, it is necessary to show intent in order to establish an *EAD Rule* violation for *Attempted Use* of a *Banned Substance* or a *Banned Method*.

2.2.2 The success or failure of the *Use* or *Attempted Use* of a *Banned Substance* or a *Banned Method* is not material. It is sufficient that the *Banned Substance* or *Banned Method* was *Used* or *Attempted* to be *Used* for an *EAD Rule* violation to be committed.

2.3 Evading, Refusing or Failing to Submit to Sample Collection

2.3.1 Evading *Sample* collection; ~~or without compelling justification, or~~ refusing or failing to submit to *Sample* collection without compelling justification after Notification (in accordance with the FEI Veterinary Regulations) or to comply with all *Sampling* procedure requirements including signing the *Sampling* form or otherwise evading *Sample* collection.

2.3.2 It is each *Person Responsible's* personal duty to ensure that if the *Horse* with/on which they competed or will compete is selected for *Sampling* and a notification of *Sampling* in accordance with the FEI Veterinary Regulations has taken place, such *Horse* is submitted to *Sample* collection and that all *Sampling* procedure requirements are met.

2.3.3 Accordingly, although it is permissible for the *Person Responsible* to delegate the submission and supervision of the *Horse* to a third party, the *Person Responsible* remains responsible for the *Horse* throughout the *Sample* collection process and for:

- (i) any evasion of *Sample* collection; and/or
- (ii) any refusal or failure, without compelling justification, to submit the *Horse* to *Sample* collection; and/or
- (iii) any failure to comply with any or all of the *Sampling* procedure requirements, including signing the *Sampling* form.

2.3.4 It is not necessary to demonstrate intent, fault, negligence or knowledge in relation to any delegation relating to the *Sampling* process or to the acts of a relevant third party in order to establish an *EAD Rule* violation under this Article 2.3.

2.4 ***Tampering, or Attempted Tampering with any part of Doping Control by a Person Responsible; Member of the Support Personnel or Other Person.***

2.5 ***Administration or Attempted Administration of a Banned Substance.***

2.6 ***Possession of a Banned Substance(s) or a Banned Method(s) by a Person Responsible; Member of the Support Personnel.***

This bans the *Person Responsible* and members of their *Support Personnel* from *Possessing Banned Substances* or *Banned Methods*, unless he demonstrates compelling justification for the *Possession* (This section should be read in conjunction with the definition of *Possession* set forth in Appendix 1).

2.7 ***Trafficking or Attempted Trafficking in any Banned Substance or Banned Method by a Person Responsible; Member of the Support Personnel or Other Person.***

2.8 ***Complicity or Attempted Complicity by a ~~by a~~ Person Responsible; Member of the Support Personnel or Other Person***

Assisting, encouraging, aiding, abetting, conspiring, covering up or any other type of intentional complicity or Attempted complicity involving an *EAD Rule* violation or any *Attempted EAD Rule* violation or violation of Article 10.14.1 by another Person.

2.9 ***Prohibited Association by a Person Responsible***

2.9.1 Association by a *Person Responsible*, member of the Support Personnel or other Person subject to the authority of the FEI in a professional or sport-related capacity with any *Support Person* who:

2.9.1.1 If subject to the authority of the FEI, is serving a period of Ineligibility; or

2.9.1.2 If not subject to the authority of the FEI and where *Ineligibility* has not been addressed in a ~~R~~Results ~~M~~Management process pursuant to the *Code*, has been convicted or found in a criminal, disciplinary or professional proceeding to have engaged in conduct which would have constituted a violation of anti-doping rules if *Code*-compliant rules had been applicable to such *Person*. The disqualifying status of such *Person* shall be in force for the longer of six (6) years from the criminal, professional or disciplinary decision or the duration of the criminal, disciplinary or professional sanction imposed; or

2.9.1.3 Is serving as a front or intermediary for an individual described in Article 2.9.1.1 or 2.9.1.2.

~~In order for this provision to apply, it is necessary that the *Person Responsible* has previously been advised in writing by the FEI of the *Support Person's* disqualifying status and the potential *Consequence* of prohibited association and that the *Person Responsible* or other *Person* can reasonably avoid the association. The FEI shall also use reasonable efforts to advise the *Support Person* who is the subject of the notice to the *Person Responsible* or other *Person* that the *Support Person* may, within 15 days,~~

EQUINE ANTI-DOPING RULES

~~come forward to FEI to explain that the criteria described in Articles 2.9.1 and 2.9.2 do not apply to him or her. (Notwithstanding Article 16, this Article applies even when the *Support Person's* disqualifying conduct occurred prior to the effective date provided in Article 16.)~~

2.9.2 To establish a violation of Article 2.9, the FEI must establish that the *Person Responsible*, member of the *Support Personnel* or other *Person* knew of the *Support Personnel's* disqualifying status.

The burden shall be on the *Person Responsible*, member of the *Support Personnel* or other *Person* to establish that any association with the *Support Personnel* described in Article 2.9.1 and 2.9.2 is not in a professional or sport-related capacity and/or that such association could not have been reasonably avoided.

National Federations that are aware of *Support Personnel* who meet the criteria described in Article 2.9.1.1, 2.9.1.2, or 2.9.1.3 shall submit that information to the FEI.

2.10 Acts by a *Person Responsible*, member of the *Support Personnel* or Other *Person* to Discourage or Retaliate Against Reporting to Authorities

Where such conduct does not otherwise constitute a violation of Article 2.4:

2.10.1 Any act which threatens or seeks to intimidate another *Person* with the intent of discouraging the *Person* from the good-faith reporting of information that relates to an alleged anti-doping rule violation or alleged non-compliance with these EADCMRs to the FEI, an *Anti-Doping Organization*, law enforcement, regulatory or professional disciplinary body, hearing body or *Person* conducting an investigation for the FEI or an *Anti-Doping Organization*.

2.10.2 Retaliation against a *Person* who, in good faith, has provided evidence or information that relates to an alleged anti-doping rule violation or alleged non-compliance with these EADCMRs to the FEI, an *Anti-Doping Organization*, law enforcement, regulatory or professional disciplinary body, hearing body or *Person* conducting an investigation for the FEI or an *Anti-Doping Organization*.

For purposes of Article 2.10, retaliation, threatening and intimidation include an act taken against such *Person* either because the act lacks a good faith basis or is a disproportionate response.

ARTICLE 3 PROOF OF EAD RULE VIOLATIONS

3.1 Burdens and Standards of Proof

The FEI shall have the burden of establishing that an *EAD Rule* violation has occurred. The standard of proof shall be whether the *FEI* has established an *EAD Rule* violation to the comfortable satisfaction of the *Hearing Panel* bearing in mind the seriousness of the allegation which is made. This standard of proof in all cases is greater than a mere balance of probability but less than proof beyond a reasonable doubt. Where these *EAD Rules* place the burden of proof upon the *Persons Responsible* and/or member of their *Support Personnel* or other *Person* to rebut a presumption or establish specified facts or

circumstances, the standard of proof shall be by a balance of probability, except where a different standard of proof is specifically identified.

3.2 Methods of Establishing Facts and Presumptions

Facts related to *EAD Rule* violations may be established by any reliable means, including admissions. The following rules of proof shall be applicable in *Doping* cases brought under these *EAD Rules*:

3.2.1 *FEI*-approved *Laboratories* are presumed to have conducted *Sample* analysis and custodial procedures in accordance with the *FEI Standard for Laboratories*. The *Person Responsible* and/or member of the *Support Personnel* or other Person who is alleged to have committed the *EAD Rule* violation may rebut this presumption by establishing by a balance of probability that a departure from the *FEI Standard for Laboratories* occurred which could reasonably have caused the *Adverse Analytical Finding*.

If the preceding presumption is rebutted by showing that a departure from the *FEI Standard for Laboratories* occurred which could reasonably have caused the *Adverse Analytical Finding*, then the *FEI* shall have the burden to establish that such departure did not cause the *Adverse Analytical Finding*.

3.2.2 Departures from ~~another *FEI* standard, *FEI* Rule or Regulation, *FEI* Manual or policy~~ any provision of these *EAD Rules* shall not invalidate analytical results which did not by a balance of probability cause an *Adverse Analytical Finding* or other evidence of an *EAD Rule* violation, and shall not ~~invalidate such results~~ constitute a defence to an *EAD Rule* violation; provided however, if ~~the *Person Responsible* and/or member of the *Support Personnel* or other *Person* (where applicable) establishes, by a balance of probability,~~ that a departure from ~~another *FEI* standard, *FEI* Rule or Regulation, *FEI* Manual or policy~~ a provision of these *EAD Rules* could reasonably have caused the *EAD Rule* violation based on the *Adverse Analytical Finding* or other *EAD Rule* violation, then the *FEI* shall have the burden to establish ~~must prove~~ that the such departure did not cause the *Adverse Analytical Finding* or the factual basis for the *EAD Rule* violation.

3.2.3 The facts established by a *Decision* of a court or professional disciplinary tribunal of competent jurisdiction which is not the subject of a pending appeal shall be irrebuttable evidence against the *Person Responsible* and/or member of the *Support Personnel* or other Person to whom the *Decision* pertained with regards to the factual findings unless it can be established that the *Decision* violated principles of natural justice.

3.2.4 The *Hearing Panel* presiding over a case alleging an *EAD Rule* violation may draw an inference adverse to the *Person Responsible* and/or member of the *Support Personnel* or other Person (where applicable) who is asserted to have committed an *EAD Rule* violation based on the refusal, after a request made in a reasonable time in advance of the hearing, to appear at the hearing (either in person or telephonically as directed by the *FEI Tribunal*) in order to answer questions from the *Hearing Panel* or the *FEI*.

ARTICLE 4 THE EQUINE PROHIBITED SUBSTANCES LIST

4.1 Incorporation of the *Equine Prohibited Substances List*

These *EAD Rules* incorporate the *Equine Prohibited Substances List* (the "List") which is published and revised by the *FEI* from time to time. The *FEI* will publish the current *List* in such a manner that it is available to its members and constituents, including, but not limited to, publication on the *FEI* website.

4.2 Review and Publication of *Banned Substances* and *Banned Methods* Identified on the *List*

The *FEI* may revise the List from time to time but at least once annually by posting the new *List* on the *FEI* website, or via such other appropriate channel, but such new *List* shall not go into effect any sooner than ninety (90) days following its publication. Each new version of the List shall also be sent by email to *National Federations* and to *National Head FEI Veterinarians* at email addresses supplied by the *National Federations* and on file with the *FEI*. The List shall be published by the *FEI* at least once a year, with an opportunity for *National Federation* and stakeholder feedback. All *Persons Responsible* and/or member of the *Support Personnel* and/or other Person shall be bound by the Prohibited List, and any revisions thereto, from the date they go into effect, without further formality. It is the responsibility of all *Persons Responsible* and/or member of the *Support Personnel* and/or other Person to familiarize themselves with the most up-to-date version of the *Prohibited List* and all revisions thereto.

4.3 Substances and Methods included on the *List*

The *FEI's* categorization of a substance or method on the *List* as a *Banned Substance* or *Banned Method* (in particular, as opposed to a *Controlled Medication Substance* or *Method*) including any establishment of a threshold for a *Banned Substance* and/or the quantitative amount of such threshold and the classification of certain *Prohibited Substances* as *Specified Substances* shall be final and binding on all parties and shall not be subject to challenge by a *Person Responsible*, member of the *Support Personnel* or any other *Person* on any basis including, but not limited to, any challenge based on an argument that the substance or method was not a masking agent or did not have the potential to enhance performance, represent a risk to the welfare of the Horse or violate the spirit of sport.

4.4 Specified Substances

For purposes of the application of Article 10 and Article 7.4, *Specified Substances* shall be taken as meaning only those *Prohibited Substances* identified as *Specified Substances* on the *Prohibited List*.

ARTICLE 5 TESTING

5.1 Authority to Test

EQUINE ANTI-DOPING RULES

All *Horses* registered with the *FEI* or a *National Federation*, or otherwise present or competing at an *International Event*, *National Event* or *Competition* or a *FEI Pony Measurement* shall be subject to *In-Competition Testing* (a) by the *FEI* or by any other *Anti-Doping Organisation* responsible for *Testing* at a *Competition* or *Event* in the case of *International Events* and *FEI Pony Measurements* and (b) in the case of *National Events*, by the *National Federation* through which the *Horse* is registered, or by any other *Anti-Doping Organisation* responsible for *Testing* at a *Competition* or *Event*.

The *FEI* or its assignees or agents shall be exclusively responsible for *Testing* at *International Events* and *FEI Pony Measurements* and no other body may conduct *Testing* at *International Events* or *FEI Pony Measurements* without the *FEI's* express written permission. Each *National Federation* or its assignees or agents, shall be exclusively responsible for *Testing* at its *National Events*, and no other body may conduct *Testing* at *National Events* without the *National Federation's* express written permission. *National Federations* are responsible for *Results Management* arising from *Testing* at *National Events* but are obligated to promptly report any positive findings to the *FEI* that have been notified as anti-doping rule violations unless doing so would contravene national law.

All *Horses* registered with the *FEI* or a *National Federation* ~~shall~~ may be subject to ~~intelligence based~~ *Out-of-Competition Testing* by the *FEI*. Nothing in these Rules shall preclude any *National Federation* from adopting its own *Out-of-Competition Testing* protocols, subject to Article ~~13.4~~ 17.2.

5.2 Responsibility for *FEI Testing*

The *FEI Veterinary Department* shall be responsible for overseeing all *Testing* conducted by the *FEI*. *Testing* may be conducted by the *Testing Veterinarians*, *Veterinary Delegate*, and/or or by other qualified and authorised persons at a given *Event* or at such other place as authorised by these *EAD Rules*, the *FEI Veterinary Regulations*, or as authorised in writing by the *FEI Secretary General* or his or her designee(s).

5.3 Testing Standards

Testing conducted by or on behalf of the *FEI* shall be in substantial conformity with the *Testing* procedures set forth in the *FEI Veterinary Regulations* in effect at the time of *Testing*.

5.4 Selection of *Horses* to be Tested

5.4.1 The *FEI* shall determine the number of *Tests* to be performed and on which *Horses* they shall be performed.

5.4.2 In addition to the selection procedures set forth in Article 5.4.1 above, the *Veterinary Commission*, *Veterinary Delegate* and/or *Testing Veterinarians* may also select *Horses* for *Random Testing* and/or *Target Testing* in cooperation with the *Ground Jury* at *International Events*.

5.4.3. Each *National Federation* shall determine, within its jurisdiction, the number of *Tests* to be performed and on which *Horses* they shall be performed.

5.4.4. Nothing in these *EAD Rules* shall be construed to limit where the *FEI* is authorised to conduct *Testing on Horses In- Competition*.

ARTICLE 6 ANALYSIS OF SAMPLES

Samples collected under these *EAD Rules* and arising from *FEI Testing* are the property of the *FEI*. They shall be analysed in accordance with the following principles:

6.1 Use of Approved Laboratories

These *EAD Rules* incorporate the *FEI List of Approved Laboratories* which is published and revised by the *FEI* from time to time. The *FEI* shall send *Samples* for analysis only to these approved *Laboratories*, which are subject to the *FEI Standard for Laboratories*. The choice of *Laboratory* used for the *Sample* analysis of either or both the A and B *Sample* shall be determined exclusively by the *FEI*. However, the *Person Responsible* may elect to have the B *Sample* analysed at a different *Laboratory* than the one which performed the A *Sample* analysis. If such an election is made, the *FEI* shall select the B *Sample Laboratory* from the *FEI List of Approved Laboratories* and inform the *Person Responsible* accordingly.

As provided for in Article 3.2, facts related to EAD Rule violations may be established by any reliable means. This would include, for example, reliable laboratory or other forensic testing conducted outside of FEI Approved Laboratories.

6.2 Purpose of Collection and Analysis of *Samples and Data*

Samples and related analytical data or Doping Control information shall be analysed to detect *Banned Substances and Banned Methods*, all as set forth in the *List*. The *FEI* may also seek to detect other substances for research and monitoring purposes, as publicly announced by the *FEI* from time to time pursuant to a defined monitoring program. *Samples* may be collected and stored for future analysis.

6.3 Research on *Samples*

~~No *Samples*, related analytical data and *Doping Control* information may be used for anti-doping research purposes, although no *Sample* may be used for research any purpose other than as described in Article 6.2 above, without the *Person Responsible's* written consent. These *Samples* and related analytical data or *Doping Control* information used for research purposes other than as set forth in Article 6.2 (for example research) shall first be processed in such a manner as to prevent *Samples* and related analytical data or *Doping Control* information following written consent from the *Person Responsible* shall have all means of identification removed from the *Sample* so it cannot be being traced back to a particular *Horse* or *Person Responsible*. All *Samples* shall be destroyed pursuant to the guidelines set forth in the *FEI Standard for Laboratories* and in no event later than the lapse of the Statute Of Limitations in Article 1416 below.~~

6.4 Standards for *Sample* Analysis and Reporting

Laboratories shall analyse Samples and report results in conformity with the FEI Standard for Laboratories.

6.5 Retesting Samples

A Sample may be reanalysed for the purpose of Article 6.2 above at any time exclusively at the direction of the FEI. The circumstances and conditions for retesting Samples shall conform with the requirements of the FEI Standard for Laboratories. The retesting of Samples may lead to an EAD Rule violation only if the Banned Substance or Banned Method was prohibited at the time the Sample was taken, all subject to Article ~~14~~16.

6.6 Further Analysis of a Sample Prior to or During Results Management

There shall be no limitation on the authority of a laboratory to conduct repeat or additional analysis on a Sample prior to the time the FEI notifies a Person Responsible that the Sample is the basis for an Article 2.1 EAD Rule violation charge. If after such notification the FEI wishes to conduct additional analysis on that Sample, it may do so with the consent of the Person Responsible or approval from a hearing body.

6.7 Further Analysis of a Sample After it has been Reported as Negative or has Otherwise not Resulted in an Anti-Doping Rule Violation Charge

After a laboratory has reported a Sample as negative, or the Sample has not otherwise resulted in an anti-doping rule violation charge, it may be stored and subjected to further analyses for the purpose of Article 6.2 at any time exclusively at the direction of either the Anti-Doping Organization that initiated and directed Sample collection or the FEI. Any other Anti-Doping Organization with authority to test the Horse that wishes to conduct further analysis on a stored Sample may do so with the permission of the Anti-Doping Organization that initiated and directed Sample collection or the FEI, and shall be responsible for any follow-up Results Management. Any Sample storage or further analysis initiated by the FEI or another Anti-Doping Organization shall be at the FEI's or that organization's expense. Further analysis of Samples shall conform with the requirements of the FEI Standard for Laboratories.

6.8 Split of A or B Sample

Where the FEI an Anti-Doping Organization with Results Management authority, and/or a FEI Approved Laboratory (with approval from the FEI or the Anti-Doping Organization with Results Management authority) wishes to split an A or B Sample for the purpose of using the first part of the split Sample for an A Sample analysis and the second part of the split Sample for confirmation, then the procedures set forth in the ~~International~~FEI Standard for Laboratories and/or relevant processes from the FEI approved Laboratories shall be followed.

6.9 FEI's Right to Take Possession of Samples and Data

The FEI may, in its sole discretion at any time, with or without prior notice, take physical possession of any FEI Sample and related analytical data or information in the possession of a FEI approved Laboratory or Anti-Doping Organization. Upon request by the FEI, the FEI approved Laboratory or Anti-Doping Organization in

possession of the FEI Sample or data shall immediately grant access to and enable the FEI to take physical possession of the Sample or data as soon as possible. If the FEI has not provided prior notice to the FEI approved Laboratory or Anti-Doping Organization before taking possession of a FEI Sample or data, it shall provide such notice to the FEI Approved Laboratory and each Anti-Doping Organization whose FEI Samples or data have been taken by the FEI within a reasonable time after taking possession. After analysis and any investigation of a seized FEI Sample or data, the FEI may direct another Anti-Doping Organization with authority to test the Horse to assume Results Management responsibility for the FEI Sample or data if a potential EAD Rule violation is discovered.

6.106 — Equestrian Community Integrity Unit

The *Equestrian Community Integrity Unit* (ECIU) shall have the power to conduct investigations arising from or related to these *EAD Rules* in order to protect the integrity of the FEI and equestrian sport, as set forth in the *FEI Statutes*. The refusal of a *Person Responsible* or member of the *Support Personnel* or other Person to cooperate with the *ECIU* may result in an adverse inference being drawn against that *Person* in any related *FEI Tribunal* proceeding. If the *Equestrian Community Integrity Unit* determines that it has a good faith basis to pose questions relating to any investigation to a *Person Responsible* or member of the *Support Personnel* or other Person and such *Person* refuses to answer such questions, he may be prohibited from participating in any *FEI* activities until such questions are answered to the satisfaction of the *ECIU*. ~~Any Person Responsible or member of the Support Personnel may file a Protest to the FEI Tribunal under Article 163 of the FEI General Regulations arguing that he has a good faith basis to refuse answering such questions to the satisfaction of the ECIU.~~

ARTICLE 7 RESULTS MANAGEMENT, RESPONSIBILITY, INITIAL REVIEW, NOTICE AND PROVISIONAL SUSPENSIONS

Results Management under these EAD Rules establishes a process designed to resolve EAD Rule violation matters in a fair, expeditious and efficient manner.

7.1 Results Management for Tests arising out of FEI Testing or other EAD Rule violations

Results management for *Tests* arising out of *FEI Testing* or other *EAD Rule* violations shall proceed as set forth below:

7.1.1 The results of all *Sample* analyses must be sent exclusively to the *FEI*, in a report signed by an authorised representative of the *Laboratory*. All communications must be conducted in such a way that the results of the *Sample* analyses are confidential.

7.1.2 Upon receipt of an *Adverse Analytical Finding*, the *FEI* shall conduct a review to determine whether there is any apparent departure from any provision of these EAD Rules~~from Testing procedures of the FEI Veterinary Regulations, the FEI Standard for Laboratories or another FEI standard, FEI Rule or Regulation, FEI Manual or policy~~ that caused the *Adverse Analytical Finding*. This may include a review of the Laboratory

EQUINE ANTI-DOPING RULES

Documentation Package produced by the laboratory to support the Adverse Analytical Finding (if available at the time of the review) and the relevant Doping Control form(s) and Testing documents.

7.1.3 If (i) the review under Article 7.1.2 reveals an apparent departure from any provision of these EAD Rules ~~the Testing procedures of the FEI Veterinary Regulations, the FEI Standard for Laboratories or another FEI standard, FEI Rule or Regulation, FEI Manual or policy~~ that caused the Adverse Analytical Finding, the entire test shall be considered negative, and/or (ii) upon the review, the FEI Decides not to bring forward the Adverse Analytical Finding as an EAD Rule violation, the FEI shall promptly Notify the Person Responsible and the Owner of the Horse.

7.1.4 If the review of an Adverse Analytical Finding under Article 7.1 does not reveal an apparent departure from the any provision of these EAD Rules ~~Testing procedures of the FEI Veterinary Regulations, the FEI Standard for Laboratories or another FEI standard, FEI Rule or Regulation, FEI Manual or policy~~ that caused the Adverse Analytical Finding, the FEI shall promptly Notify the Person Responsible and the Owner of the Horse (if applicable) of:

(a) the Adverse Analytical Finding;

(b) the fact that the Adverse Analytical Finding may result in an EAD Rule violation of Article 2.1 and/or Article 2.2 and the applicable Consequences;

(c) the Person Responsible's and the Owner of the Horse's (if applicable) right to promptly request the analysis of the B Sample, or, failing such request, that the B Sample analysis may be deemed irrevocably waived;

(d) the opportunity for the Person Responsible and the Owner of the Horse (if applicable) to elect to have the B Sample analysed at a different laboratory than the one which performed the A Sample analysis, such Laboratory to be chosen by the FEI, and the opportunity to send a representative (witness) to be present for the B Sample analysis within the time period specified in the FEI Standard for Laboratories unless allowing such representative or witness presents a threat to the integrity of the analysis process. Where both the Person Responsible and the Owner have elected to have the B Sample analysed but one of them has elected to have the B Sample analysed at a different laboratory than the one which performed the A Sample analysis and the other one has elected to have the B Sample analysed at the same laboratory as the one which performed the A Sample analysis, it shall be for the FEI to decide the question taking into account all relevant circumstances;

(e) the right of the Person Responsible and the Owner of the Horse (if applicable) to request copies of the A and B Sample (if applicable) Laboratory Documentation Package which includes information as specified in the FEI Standard for Laboratories;

(f) the opportunity to provide an explanation within a short deadline;

EQUINE ANTI-DOPING RULES

(g) the opportunity to provide *Substantial Assistance* as set out under Article 10.7.1, to admit the *EAD Rule* violation and potentially benefit from a six month reduction in the period of *Ineligibility* under Article 10.8.1 (if applicable) or to seek to enter into a case resolution agreement under Article 10.8.2;

(h) any matters relating to *Provisional Suspension* (including the possibility to accept a voluntary *Provisional Suspension*) as per Article 7.4; and

(i) the right of the *Person Responsible* and/or the *FEI* to request to the *FEI Tribunal* that Article 9.1 (*Automatic Disqualification*) be promptly applied where the *B Sample Analysis* confirms the *A Sample Analysis* or where the right to request the *B Sample Analysis* is waived;

~~(g) the *Person Responsible's* and the *Owner* of the *Horse's* right to request the hearing or, failing such request within the deadline specified in the notification, that the hearing may be deemed waived in accordance with Article 7.6.2;~~

~~(h) the opportunity to provide a written explanation about the overall circumstances of the case or to dispute (within a specific deadline indicated in the notification) the assertion that an anti-doping rule violation has occurred;~~

~~(i) the opportunity to make an agreement with the *FEI* about the Consequences that are mandated by these *EAD Rules* or (where some discretion as to Consequences exists under these *Anti-Doping Rules*) that have been offered by the *FEI*, subject to the approval of the *FEI Tribunal* of such agreement;~~

~~(j) the imposition of a mandatory *Provisional Suspension* in accordance with Article 7.4.1;~~

~~(k) the imposition of an optional *Provisional Suspension* where the *FEI Tribunal* decides to impose it in accordance with Article 7.4.2;~~

~~(l) the opportunity to voluntarily accept a *Provisional Suspension* pending the resolution of the matter, in all cases where a *Provisional Suspension* has not been imposed;~~

~~(m) the opportunity to promptly admit the *EAD Rule* violation and consequently request that the early commencement of the period of *Ineligibility* in accordance with Article 10.10.3; and~~

~~(n) the opportunity to cooperate and provide substantial assistance in discovering or establishing an anti-doping rule violation.~~

In the discipline of Endurance, where a *Provisional Suspension* is imposed on a registered Trainer of the *Horse* pursuant to either Clause 7.4.1 or 7.4.2 below, the registered Trainer shall be notified accordingly and the provisions of this Article 7 that apply to the *Person Responsible* and the *Owner* shall also apply to the registered Trainer.

EQUINE ANTI-DOPING RULES

7.1.5 Pursuant to Article 7.1.4 (d) above, ~~within seven (7) days of~~ following receipt of the duly executed *Confirmatory Analysis Request Form (B Sample)*, the *FEI* will propose possible dates for such analysis. If the *Person Responsible* and the *Owner* of the *Horse* requests the "B" Sample analysis but claims that they and/or their representative are not available on the scheduled date indicated by the *FEI*, the *FEI* shall liaise with the *Laboratory* and propose (at least) two (2) alternative dates. If the *Person Responsible* and the *Owner* of the *Horse* and their representative claim not to be available on the alternative dates proposed, the *FEI* shall instruct the *Laboratory* to proceed regardless and appoint an *Independent Witness* to verify that the "B" Sample container shows no signs of *Tampering* and that the identifying numbers match that on the collection documentation.

The *Person Responsible* and the *Owner* of the *Horse* (if applicable) may accept the *A Sample* analytical results by waiving the right to a *B Sample* analysis. The *FEI* may nonetheless elect at its discretion to proceed with the *B Sample* analysis. In such case, the *B Sample* analysis shall only be used to confirm the *A Sample Adverse Analytical Finding*. The *Person Responsible* and the *Owner* of the *Horse* (if applicable) is deemed to have waived his right to a *B Sample* analysis if he does not submit the *Confirmatory Analysis Request Form* within the stipulated time-limit in the *Notification*.

7.1.6 In addition to the *Person Responsible* and the *Owner* of the *Horse* (if applicable) and his/their representative (witness), a representative of the *National Federation(s)* involved as well as a representative of the *FEI* shall also be allowed to be present for the *B Sample* analysis. If *Notice* under Article 7.1.4 has not been carried out through the *National Federation*, the *National Federation* shall be informed in a timely manner by the *FEI* of the *Adverse Analytical Finding* and its right to attend the *B Sample* analysis.

7.1.7 If the *B Sample* proves negative, then the entire test shall be considered negative. The *FEI* shall be informed of the results confidentially and shall *Notify* the *Person Responsible* and the *Owner* of the *Horse* (if applicable).

7.1.8 If the *B Sample* analysis confirms the *A Sample* analysis, the *FEI* shall be informed of the results confidentially and shall *Notify* the *Person Responsible* and the *Owner* of the *Horse* (if applicable).

7.1.9 The *FEI* may conduct any follow-up investigation as may be required. Upon completion of such follow-up investigation, if any, the *FEI* shall promptly *Notify* the *Person Responsible's National Federation* of the results of the follow-up investigation.

7.1.10 For the avoidance of doubt, an *Adverse Analytical Finding* confirmed by the *B Sample* analysis may result from blood or urine *Samples*, or any combination thereof (for example, a confirmatory *B Sample* analysis is valid if performed on a blood sample, even if the *A Sample Adverse Analytical Finding* arose from a urine *Test*, and vice-versa). In addition, and also for the avoidance of doubt, where the *A Sample* is positive for a *Threshold Banned Substance*, as it is quantitatively above the threshold level set for the *Banned Substance*, the *B Sample* shall be deemed to confirm the *A Sample* so long as the level of the *B Sample* is also quantitatively above the threshold, even if the *B Sample* level varies quantitatively from the *A Sample* level.

EQUINE ANTI-DOPING RULES

7.1.11 Where appropriate, the members of the *Support Personnel* or other Person, including the *Owner*, shall receive *Notification* of the *EAD Rule violation* and all relevant corresponding documents.

7.1.12 If at any point during Results Management up until the charge under Article 7.5, the FEI decides not to move forward with a matter, it must notify the Person Responsible, and/or member of the Support Personnel or other Person (provided that Person Responsible, and/or member of the Support Personnel or other Person had been already informed of the ongoing Results Management) and give notice (with reasons) to the bodies with a right of appeal under Article 13.2.2.

7.2 Review of Atypical Findings

7.2.1 In some circumstances Laboratories ~~are directed to report~~ may report the presence of *Banned Substances* which require further investigation as provided by the FEI Atypical Findings Policy and such reports shall be treated by the FEI; which may also be produced endogenously, as *Atypical Findings* subject to further investigation. Upon receipt of an *A Sample Atypical Finding*, the *FEI* shall conduct a review to determine whether there is any apparent departure from ~~the Testing procedures, the FEI Standard for Laboratories or another FEI standard, FEI Rule or Regulation, FEI Manual or policy~~ any provision of the EAD Rules that caused the *Atypical Finding*. If that review does not reveal any departure that caused the *Atypical Finding*, the *FEI* ~~and/or the Equestrian Community Integrity Unit~~ shall conduct the required investigation in accordance with the FEI Atypical Findings Policy.

~~After the investigation is completed, the Person Responsible, and the Owner of the Horse (if applicable) and his or her National Federation, shall be Notified whether or not the Atypical Finding will be brought forward as an Adverse Analytical Finding. The Person Responsible's National Federation shall be Notified as provided in Article 7.1 EAD Rules.~~

7.2.2 The *FEI* ~~will need~~ not provide ~~Notice~~ notice of an *Atypical Finding* until it has completed the investigation ~~is completed and it has Decided~~ decided whether it will bring the *Atypical Finding* forward as an *Adverse Analytical Finding* unless one of the following circumstances exists:

(a) If the FEI determines that the "B" Sample should be analysed prior to the conclusion of its investigation, . However, if the FEI determines that the B Sample should be analysed prior to the conclusion of the investigation under Article 7.2, the FEI may conduct the B Sample analysis after supplying notifying the *Person Responsible* and the *Owner* of the *Horse* (if applicable) with such *Notice* to include ~~ing~~ a description of the *Atypical Finding* and the information described in Article 7.1.4 (c)-(e) and 7.1.5 above;

(b) If the FEI receives a request, either from a Major Event Organization shortly before one of its International Events or from a sport organization responsible for meeting an imminent deadline for selecting team members (or Horses) for an International Event, to disclose whether any Person Responsible or Horse identified on a list provided by the Major Event Organization or sport organization has a pending Atypical Finding, the FEI shall identify any Person

EQUINE ANTI-DOPING RULES

Responsible or Horse after first providing notice of the Atypical Finding to the Person Responsible or and the Owner of the Horse (if applicable);

(c) If the Atypical Finding is likely to be connected to a serious pathology that requires urgent veterinary attention.

If after the investigation is completed, the FEI decides to pursue the Atypical Finding as an Adverse Analytical Finding, then the procedure shall follow the provisions of Clause 7.1.4 mutatis mutandi. The Person Responsible's National Federation shall be Notified as provided in Article 7.1 EAD Rules. The decision of the FEI to pursue or not pursue an Atypical Finding as an Adverse Analytical Finding is final and is not subject to appeal.

7.3 Notification for specific cases and other ~~Review of Other~~ EAD Rule Violations

7.3.1 At such time as the FEI considers that the Person Responsible or other Person may have committed (an) EAD Rule violation(s), the FEI shall ~~For apparent EAD Rule violations that do not involve Adverse Analytical Findings, the FEI and/or the Equestrian Community Integrity Unit may conduct any necessary follow-up investigation and at such time as the FEI is satisfied that an EAD Rule violation has occurred, it shall then~~ promptly Notify the Person Responsible, the Owner of the Horse (if applicable) and/or member of the Support Personnel and/or other Person (where applicable) of:

- (a) - ~~†~~The relevant EAD Rule violation(s) and the applicable Consequences;
- (b) The relevant factual circumstances upon which the allegations are based;
- (c) The relevant evidence in support of those facts that the FEI considers demonstrates that the Person Responsible or other Person may have committed (an) EAD Rule violation(s); ~~which appears to have been violated and the basis of the violation.~~
- (d) The Person Responsible or other Person's right to provide an explanation within reasonable deadline;
- (e) the opportunity to provide Substantial Assistance as set out under Article 10.7.1, to admit the EAD Rule violation and potentially benefit from a one-year reduction in the period of Ineligibility under Article 10.8.1 (if applicable) or to seek to enter into a case resolution agreement under Article 10.8.2; and
- (f) any matters relating to Provisional Suspension (including the possibility to accept a voluntary Provisional Suspension) as per Article 7.4.

7.4 Provisional Suspensions

EQUINE ANTI-DOPING RULES

- 7.4.1** The FEI shall provisionally suspend a *Person Responsible* and/or, member of the *Support Personnel* and/or other Person, and/or the *Person Responsible's Horse* prior to the opportunity for a full hearing based on: (a) an admission that an *EAD Rule* violation has taken place (for the avoidance of doubt, an admission by any *Person* can only be used to provisionally suspend that *Person*); or (b) all of the following elements: (i) an *Adverse Analytical Finding* for a *Banned Substance* that is not a *Specified Substance* from the *A Sample* or *A and B Samples*; (ii) the review described in Article 7.1.2 above; and (iii) the *Notification* described in Article 7.1.4 above. For the discipline of Endurance, where the criteria at (b) above are met, the FEI shall provisionally suspend the registered Trainer (as defined in the FEI Endurance Rules) of the *Horse* and the registered Trainer shall be considered as a member of the *Support Personnel* for the purposes of these *EAD Rules*.

Notwithstanding the foregoing, the FEI shall not provisionally suspend a *Person Responsible* who is a *Minor* and to whom Article 8.3 below (*Special Procedure for Minors*) applies but the FEI shall provisionally suspend the relevant *Horse*.

- 7.4.2** The FEI may provisionally suspend a *Person Responsible*, member of the *Support Personnel*, other Person, and/or the *Person Responsible's Horse* prior to the opportunity for a full hearing based on (a) evidence that a violation of these *EAD Rules* is highly likely to have been committed by the respective *Person* or (b) all of the following elements (i) an *Adverse Analytical Finding* for a *Banned Substance* that is a *Specified Substance* from the *A Sample* or *A and B Samples*; (ii) the review described in Article 7.1.2 above; and (iii) the *Notification* described in Article 7.1.4 above. For the discipline of Endurance, where the criteria at (b) above are met, if the FEI provisionally suspends the *Person Responsible* pursuant to this Article 7.4.2, the FEI shall also provisionally suspend the registered Trainer (as defined in the FEI Endurance Rules) of the *Horse* and the registered Trainer shall be considered as a member of the *Support Personnel* for the purposes of these *EAD Rules*.

In addition, the FEI may provisionally suspend a *Person Responsible* who is a *Minor* to whom Article 8.3 below (*Special Procedure for Minors*) does not apply but the FEI shall provisionally suspend the relevant *Horse*.

- 7.4.3** ~~If a *Provisional Suspension* is imposed by the FEI, either the hearing in accordance with Article 8 below shall be advanced to a date which avoids substantial prejudice to the *Person* alleged to have committed the *EAD Rule* violation, or such *Person* shall be given an opportunity for a *Preliminary Hearing* either on a timely basis after imposition of the *Provisional Suspension* or before imposition of the *Provisional Suspension* in order to show cause why the *Provisional Suspension* should not be imposed (or should be lifted). Where a *Horse* is provisionally suspended, the *Owner* shall also have the right to request a *Preliminary Hearing*. Notwithstanding Articles 7.4.1 and 7.4.2, a *Provisional Suspension* may not be imposed unless the *Person*, and in the case of the *Provisional Suspension* of a *Horse*, the *Owner* is given: (a) an opportunity for a *Preliminary Hearing*, either before or on a timely basis after the imposition of the *Provisional Suspension*; or (b) an~~

EQUINE ANTI-DOPING RULES

opportunity for an expedited hearing in accordance with Article 8 on a timely basis after the imposition of the *Provisional Suspension*.

The imposition of a *Provisional Suspension*, or the decision not to impose a *Provisional Suspension*, may be appealed in an expedited process in accordance with Article 13.2.

7.4.4 The *Provisional Suspension* shall be maintained unless the *Person* requesting the lifting of the *Provisional Suspension* establishes to the comfortable satisfaction of the *FEI Tribunal* that:

(i) the allegation that an *EAD Rule* violation has been committed has no reasonable prospect of being upheld, e.g., because of a material defect in the evidence on which the allegation is based; or

(ii) the *Person* can demonstrate that the evidence will show that he bears *No Fault or No Negligence* for the *EAD Rule* violation that is alleged to have been committed, so that any period of *Ineligibility* that might otherwise be imposed for such offence is likely to be completely eliminated by application of Article 10.54 below or that 10.65 applies and the *Person* can demonstrate that the evidence will show that he bears *No Significant Fault or Negligence* and that he has already been provisionally suspended for a period of time that warrants the lifting of the *Provisional Suspension* pending a final *Decision* of the *FEI Tribunal*. This Article 7.4.4(ii) does not apply to an application to lift a *Provisional Suspension* imposed on a *Horse*; or

(iii) exceptional circumstances exist that make it clearly unfair, taking into account all of the circumstances of the case, to impose a *Provisional Suspension* prior to the final hearing of the *FEI Tribunal*. This ground is to be construed narrowly, and applied only in truly exceptional circumstances. For example, the fact that the *Provisional Suspension* would prevent the *Person* or *Horse* competing in a particular *Competition* or *Event* shall not qualify as exceptional circumstances for these purposes.

The *FEI* may also request the lifting of the *Provisional Suspension*.

7.4.5 If a *Provisional Suspension* is imposed based on an *A Sample Adverse Analytical Finding* and a subsequent *B Sample* analysis (if requested) does not confirm the *A Sample* analysis, then the *Person(s)* alleged to have committed the *EAD Rule* violation and his member of the *Support Personnel* and/or other *Person*, and/or *Horse* shall not be subject to any further *Provisional Suspension* on account of a violation of Article 2.1 above (Presence of a *Banned Substance* and/or its *Metabolites* or *Markers*). In circumstances where the *Person Responsible* and/or his *Horse* has been removed from a *Competition* and/or *Event* based on a violation of Article 2.1 and the subsequent *B Sample* analysis does not confirm the *A Sample* finding, if it is still possible for the *Person Responsible* and his *Horse* to be re-entered without otherwise affecting the *Competition* and/or *Event*, the *Person Responsible* and his *Horse* may continue to take part in the *Competition* and/or *Event*.

7.4.6 After the imposition of a *Provisional Suspension* and prior to a final

EQUINE ANTI-DOPING RULES

hearing, the *Person Responsible* and/or member of the *Support Personnel* (including *Owner*) and/or other *Person* can petition the *FEI Tribunal* for another *Preliminary Hearing* provided that new evidence exists that, if known at the time of the earlier *Preliminary Hearing*, may have satisfied the requirements of Article 7.4.4 above and may have led to the lifting of the *Provisional Suspension*. Such petition must be made in writing to the *FEI Tribunal* and copied to the *FEI Legal Department* and must clearly establish the existence of such new evidence meeting this criterion. If the request for another *Preliminary Hearing* is granted by the *FEI Tribunal*, and provided that a *Preliminary Hearing* had already taken place at an earlier stage, the same *FEI Tribunal* member who presided over the prior *Preliminary Hearing* will *Decide* the new *Preliminary Hearing* request, unless exceptional circumstances prevent it from doing so, in which case another *FEI Tribunal* member will be appointed to conduct the new *Preliminary Hearing*. If another *Preliminary Hearing* is granted after the *Hearing Panel* has been constituted, any member of the *Hearing Panel* may conduct the *Preliminary Hearing*. *Preliminary Hearing Decisions* may be issued by the *FEI Tribunal* without reasons.

7.4.7 During a period of *Provisional Suspension*, no *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* who themselves are provisionally suspended, or a *Horse* that is provisionally suspended, may participate in any capacity at an *Event*, or in a *Competition* or activity, or be present at an *Event* (other than as a spectator) that is authorised or organised by the *FEI* or any *National Federation* or in *Competitions* authorised or organised by any international or national level *Event* organisation.

7.4.8 Voluntary Acceptance of Provisional Suspension

The *Person Responsible* on their own initiative may voluntarily accept a *Provisional Suspension* if done so prior to the later of: (i) the expiration of ten (10) days from the report of the *B Sample* (or waiver of the *B Sample*) or ten (10) days from the notice of any other *EAD Rule* violation, or (ii) the date on which the *Person Responsible* first competes after such report or notice.

Other *Persons* on their own initiative may voluntarily accept a *Provisional Suspension* if done so within ten (10) days from the notice of the *EAD Rule* violation.

The deadlines set out in this Article may be extended subject to the agreement of the *FEI*.

Upon such voluntary acceptance, the *Provisional Suspension* shall have the full effect and be treated in the same manner as if the *Provisional Suspension* had been imposed under Article 7.4.1 or 7.4.2; provided, however, at any time after voluntarily accepting a *Provisional Suspension*, the *Person Responsible* or other *Person* may withdraw such acceptance, in which event the *Person Responsible* or other *Person* shall not receive any credit for time previously served during the *Provisional Suspension*.

7.5 Charge

7.5.1 If, after receipt of the *Person Responsible*, or other *Person's* explanation or expiry of the deadline to provide such explanation, the *FEI* is (still) satisfied

EQUINE ANTI-DOPING RULES

that the *Person Responsible*, member of the *Support Personnel* or other *Person's* has committed (an) *EAD Rule* violation(s), the FEI shall promptly charge the *Person Responsible*, member of the *Support Personnel* or other *Person's* with the *EAD Rule* violation(s) they are asserted to have breached. In this letter of charge, the FEI:

(a) Shall set out the provision(s) of *EAD Rules* asserted to have been violated by the *Person Responsible*, member of the *Support Personnel* or other *Person*;

(b) Shall provide a detailed summary of the relevant facts upon which the assertion is based, enclosing any additional underlying evidence not already provided in the notification under Article 7.1.4;

(c) Shall indicate the specific *Consequences* being sought in the event that the asserted *EAD Rule* violation(s) is/are upheld and that such *Consequences* shall have binding effect on all National Federations and WADA Code Signatories in all sports and countries as per Article 15;

(d) Shall grant a deadline of not more than twenty (20) days from receipt of the letter of charge (which may be extended subject to the prior written agreement of the FEI Legal Department) to the *Person Responsible*, member of the *Support Personnel* or other *Person* to admit the *EAD Rule* violation asserted and to accept the proposed *Consequences* by signing, dating and returning an acceptance of *Consequences* form, which shall be enclosed to the letter;

(e) For the eventuality that the *Person Responsible*, member of the *Support Personnel* or other *Person* does not accept the proposed *Consequences*, shall already grant to the *Person Responsible*, member of the *Support Personnel* or other *Person* a deadline (which shall not be more than twenty (20) days from receipt of the letter of charge unless extended subject to the prior written agreement of the FEI Legal Department) to challenge in writing the FEI's assertion of an *EAD Rule* violation and/or proposed *Consequences*, and/or make a written request for a hearing before the relevant hearing panel;

(f) Shall indicate that if the *Person Responsible*, member of the *Support Personnel* or other *Person* does not challenge the FEI's assertion of an *EAD Rule* violation or proposed *Consequences* nor request a hearing within the prescribed deadline, the FEI shall be entitled to deem that the *Person Responsible*, member of the *Support Personnel* or other *Person* has waived their right to a hearing and admitted the *EAD Rule* violation as well as accepted the *Consequences* set out by the FEI in the letter of charge;

(g) Shall indicate that the *Person Responsible*, member of the *Support Personnel* or other *Person* may be able to obtain a suspension of *Consequences* if they provide Substantial Assistance under Article 10.6.1, may admit the *EAD Rule* violation(s) within twenty (20) days from receipt of the letter of charge (unless extended subject to the prior written agreement of the FEI Legal Department) and potentially benefit from a six month reduction in the period of Ineligibility under Article 10.8.1 (if applicable) and/or seek to enter into a case resolution agreement by admitting the anti-doping rule violation(s) under Article 10.8.2; and

(h) Shall set out any matters relating to Provisional Suspension as per Article 7.4 (if applicable).

If a *Person Responsible* and/or member of the *Support Personnel* and/or other Person (where applicable) establishes in an individual case where 10.6.1 is not applicable that he bears *No Significant Fault or Negligence*, then, subject to further reduction or elimination as provided in Article 10.7. the otherwise applicable period of *Ineligibility* and other Sanctions (apart from Article 9) may be reduced in regard to such *Person*, but the reduced period of *Ineligibility* may not be less than one-half of the period of *Ineligibility* otherwise applicable. If the otherwise applicable period of *Ineligibility* is a lifetime, the reduced period under this Article may be no less than eight (8) years. When a *Banned Substance* and/or its *Metabolites* or *Markers* is detected in a *Horse's Sample* in violation of Article 2.1 (presence of a *Banned Substance* or its *Metabolites* or *Markers*), the *Person* alleged to have committed the *EAD Rule* violation must also establish how the *Banned Substance* or its *Metabolites* or *Markers* entered the *Horse's* system in order to have the period of *Ineligibility* reduced.

Such *Substantial Assistance* must be independently corroborated in order to reduce the period of *Ineligibility* and under no circumstance should it amount only to blaming another *Person* or entity for the alleged *EAD Rule* violation.

The extent to which the otherwise applicable period of *Ineligibility* may be suspended shall be based on the seriousness of the *EAD Rule* violation committed and the significance of the *Substantial Assistance* provided in an effort to promote ~~drugdoping~~-free equestrian sport, compliance with the EAD Rules and/or the integrity of equestrian sport. In any event, no more than

EQUINE ANTI-DOPING RULES

three-quarters of the otherwise applicable period of *Ineligibility* may be suspended. If the otherwise applicable period of *Ineligibility* is a lifetime, the non-suspended period under this section must be no less than eight (8) years. For purposes of this paragraph, the otherwise applicable period of *Ineligibility* shall not include any period of *Ineligibility* that could be added under Article 10.9.3.2 of these EAD Rules.

If so requested by *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* who seeks to provide *Substantial Assistance*, the FEI shall allow the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* to provide the information to it subject to a *Without Prejudice Agreement*

If the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* fails to continue to cooperate and to provide the complete and credible *Substantial Assistance* upon which a suspension of the ~~period of *Ineligibility*~~ *Consequences* was based, the *FEI Tribunal* shall reinstate the original ~~period of *Ineligibility*~~ *Consequences*. If the *FEI Tribunal* decides to reinstate ~~a suspended *Consequences* period of *Ineligibility*~~ or decides not to reinstate ~~a suspended *Consequences* period of *Ineligibility*~~, that decision may be appealed by any *Person* entitled to appeal under Article ~~12~~ 13.

10.67.2 Admission of an *EAD Rule* Violation in the Absence of Other Evidence

Where a *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* voluntarily admits the commission of an *EAD Rule* violation before having received *Notice* of a *Sample* collection which could establish an *EAD Rule* violation (or, in the case of an *EAD Rule* violation other than Article 2.1, before receiving first *Notice* of the admitted violation pursuant to Article 7) and that admission is the only reliable evidence of the violation at the time of admission, then the period of *Ineligibility* may be reduced, but not below one-half of the period of *Ineligibility* otherwise applicable.

~~10.6.3 Prompt Admission of an Anti-Doping Rule Violation after being Confronted with a Violation Sanctionable under Article 10.2.1 or Article 10.3.1~~

~~A *Person Responsible* and/or member of the *Support Personnel* potentially subject to a two-year sanction under Article 10.2.1 or 10.3.1 (for evading or refusing *Sample Collection* or *Tampering with Sample Collection*), by promptly admitting the asserted anti-doping rule violation after being confronted by the *FEI*, and also upon the approval and at the discretion the *FEI*, may receive a reduction in the period of *Ineligibility* down to a minimum of one-half of the otherwise applicable period of *Ineligibility*, depending on the seriousness of the violation and the *Person Responsible* and/or member of the *Support Personnel*'s degree of *Fault*.~~

~~10.6.47.3 Where a Person Responsible and/or member of the Support Personnel Establishes Entitlement to a Reduction in Sanction Under More than One Provision of this Article~~
Application of Multiple Grounds for Reduction of a Sanction

If the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* establishes entitlement to a reduction or suspension of the period of *Ineligibility* under two (2) or more of Articles 10.54, 10.65 or 10.76, before applying any reduction or suspension under Article 10.7, the otherwise applicable then the period of *Ineligibility* shall be determined in accordance with Articles 10.2, 10.3, 10.5 and 10.6. If the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* establishes entitlement to a reduction or suspension of the period of *Ineligibility* under Article 10.7, then the period of *Ineligibility* may be reduced or suspended, but not below one-quarter of the otherwise applicable period of *Ineligibility*.

10.87 Results Management Agreements

10.8.1 Six (6) Month Reduction for Certain Anti-Doping Rule Violations Based on Early Admission and Acceptance of Sanction

~~Where a Person Responsible and/or member of the Support Personnel and/or other Person, after being notified by the FEI of a potential EAD Rule violation that carries an asserted period of Ineligibility of two (2) years or more years (including any period of Ineligibility asserted under Article 10.4), admits the violation and accepts the asserted period of Ineligibility no later than twenty (20) days after receiving notice of an EAD Rule violation charge, the Person Responsible and/or member of the Support Personnel and/or other Person may receive a six (6) month reduction in the period of Ineligibility asserted by the FEI. Where the Person Responsible and/or member of the Support Personnel and/or other Person receives the six (6) month reduction in the asserted period of Ineligibility under this Article 10.8.1, no further reduction in the asserted period of Ineligibility shall be allowed under any other Article.~~

10.8.2 Case Resolution Agreement

~~Where the Person Responsible and/or member of the Support Personnel and/or other Person admits an EAD Rule violation after being confronted with the EAD Rule violation by the FEI and agrees to Consequences acceptable to the FEI, at its sole discretion, then: (a) the Person Responsible and/or member of the Support Personnel and/or other Person may receive a reduction in the period of Ineligibility based on an assessment by the FEI of the application of Articles 10.1 through 10.7 to the asserted EAD Rule violation, the seriousness of the violation, the Person Responsible and/or member of the Support Personnel's and/or other Person's degree of Fault and how promptly the Person Responsible and/or member of the Support Personnel and/or other Person admitted the violation; and (b) the period of Ineligibility may start as early as the date of Sample collection or the date on which another EAD Rule violation last occurred. In each case, however, where this Article is applied, the Person Responsible and/or member of the Support Personnel and/or other Person shall serve at least one-half of the agreed-upon period of Ineligibility going forward from the earlier of the date the Person Responsible and/or member of the Support Personnel and/or other Person accepted the imposition of a sanction or a~~

Provisional Suspension which was subsequently respected by the Person Responsible and/or member of the Support Personnel and/or other Person.

The agreement shall be submitted to the FEI Tribunal for the sole purpose of the FEI Tribunal confirming that the above criteria have been fulfilled (or do not apply) and, where so confirmed by the FEI Tribunal, the final agreement shall state the full reasons for any period of Ineligibility agreed, including (if applicable), a justification for why the flexibility in Sanction was applied. Such agreement shall be considered as a decision for the case and will ~~and be~~ published as provided in Article 14.3 The decision by the FEI to enter or not enter into a case resolution agreement, and the amount of the reduction to, and the starting date of, the period of *Ineligibility* and the confirmation of the case resolution agreement by the FEI Tribunal are not subject to appeal under Article 13.

If so requested by a Person Responsible and/or member of the Support Personnel and/or other Person who seeks to enter into a case resolution agreement under this Article, the FEI shall allow the Person Responsible and/or member of the Support Personnel and/or other Person to discuss an admission of the EAD Rule violation with it subject to a Without Prejudice Agreement.

~~Aggravating Circumstances Which May Increase the Period of Ineligibility~~

~~If the FEI establishes in an individual case involving an EAD Rule violation other than violations under Article 2.7 that aggravating circumstances are present which justify the imposition of a period of *Ineligibility* greater than the standard sanction, then the period of *Ineligibility* otherwise applicable shall be increased up to a maximum of four years unless the Person Responsible and/or member of the Support Personnel can prove to the comfortable satisfaction of the FEI Tribunal that he/she did not knowingly commit the EAD Rule violation. The occurrence of multiple substances or methods may be considered as a factor in determining aggravating circumstances under this Article 10.7. The Person Responsible and/or member of the Support Personnel can avoid the application of this Article by admitting the EAD Rule violation as asserted promptly after being confronted by the FEI with the EAD Rule Violation.~~

10.98 Multiple Violations

10.89.1 Second or Third EAD Rule Violation

10.9.1.1 For a Person Responsible and/or member of the Support Personnel's and/or other Person's second EAD Rule violation, the period of *Ineligibility* shall be the greater of:

(a) six months;

(b) one-half of the period of *Ineligibility* in the range between:

(i) the sum of the period of *Ineligibility* imposed for the first EAD Rule violation without taking into account any reduction under Article 10.6 plus ; or

~~twice~~ the period of *Ineligibility* otherwise applicable to the second

EQUINE ANTI-DOPING RULES

EAD Rule violation treated as if it were a first violation;
~~without taking into account any reduction under Article 10.6~~

and

(ii) ~~twice the~~ period of *Ineligibility* otherwise applicable to the second EAD Rule violation treated as if it were a first violation, with the period of *Ineligibility* within this range to be determined based on the entirety of the circumstances and the *Person Responsible* and/or member of the *Support Personnel's* and/or other *Person's* with respect to the second violation.

~~The period of *Ineligibility* established above may then be further reduced by the application of Article 10.6.~~

~~10.8.2~~**10.9.1.2** —A third anti-doping rule violation will always result in a lifetime period of *Ineligibility*, except if the third violation fulfills the condition for elimination or reduction of the period of *Ineligibility* under Article ~~10.4~~**10.5** or ~~10.5~~**10.6**, or involves a violation of Article 2.4. In these particular cases, the period of *Ineligibility* shall be from eight **(8)** years to lifetime *Ineligibility*.

~~10.9.1.3~~ **10.9.1.3** The period of *Ineligibility* established in Articles 10.9.1.1 and 10.9.1.2 may then be further reduced by the application of Article 10.7

~~10.8.3~~**10.9.2** An EAD violation for which an *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* has established *No Fault or Negligence* shall not be considered a prior violation for purposes of this Article.

~~10.8.4~~**10.9.3** Additional Rules for Certain Potential Multiple Violations

~~10.8.4.1~~**10.9.3.1** For purposes of imposing sanctions under Article ~~10.8~~**10.9**, except as provided in Article 10.9.3.2 and 10.9.3.3 an EAD violation will only be considered a second violation if the FEI can establish that the *Athlete* or other *Person* committed the **second additional** EAD Rule violation after the *Person Responsible* or other *Person* received notice pursuant to Article 7, or after FEI made reasonable efforts to give notice of the first anti-doping rule violation. If FEI cannot establish this, the violations shall be considered together as one single first violation, and the sanction imposed shall be based on the violation that carries the more severe sanction.

10.9.3.2 If the FEI establishes that an *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* and that the additional violation occurred twelve (12) months or more before or after the first-noticed violation, then the period of *Ineligibility* for the additional violation shall be calculated as if the additional violation were a stand-alone first violation and this period of *Ineligibility* is served consecutively, rather than concurrently, with the period of *Ineligibility* imposed for the earlier-noticed violation. Where this Article 10.9.3.2

applies, the violations taken together shall constitute a single violation for purposes of Article 10.9.1.

10.9.3.3 If the FEI establishes that *Person Responsible and/or member of the Support Personnel* and/or other *Person* committed a violation of Article 2.4 in connection with the *Doping Control* process for an underlying asserted *EAD Rule* violation, the violation of Article 2.4 shall be treated as a stand-alone first violation and the period of *Ineligibility* for such violation shall be served consecutively, rather than concurrently, with the period of *Ineligibility*, if any, imposed for the underlying *EAD Rule* violation. Where this Article 10.9.3.3 is applied, the violations taken together shall constitute a single violation for purposes of Article 10.9.1.

10.9.3.4 If the FEI establishes that *Person Responsible and/or member of the Support Personnel* and/or other *Person* has committed a second or third *EAD Rule* violation during a period of *Ineligibility*, the periods of *Ineligibility* for the multiple violations shall run consecutively, rather than concurrently.

~~**10.8.4.2** If, after the imposition of a sanction for a first *EAD Rule* violation, FEI discovers facts involving an *EAD Rule* violation by the *Person Responsible* and/or member of the *Support Personnel* which occurred prior to notification regarding the first violation, then FEI shall impose an additional sanction based on the sanction that could have been imposed if the two violations had been adjudicated at the same time. Results in all *Competitions* dating back to the earlier anti-doping rule violation will be *Disqualified* as provided in Article 10.8.~~

~~10.8.5~~**10.9.4** Multiple *EAD Rule* and/or *ECM Rule* Violations During a Ten-Year Period

For purposes of Article ~~10.8~~**10.9**, each *EAD Rule/ECM Rule* violation must take place within the same ten year period in order to be considered multiple violations.

~~10.8.6~~**10.9.5** Violations involving both a *Controlled Medication Substance* or *Method* and a *Banned Substance* or *Method*

Where a *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* based on the same factual circumstances is found to have committed a violation involving both (a) *Controlled Medication Substance(s)* or (a) *Controlled Medication Method(s)* under the *ECM Rules* and (a) *Banned Substance(s)* or (a) *Banned Method(s)* under these *EAD Rules*, the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* shall be considered to have committed one *EAD Rule* violation and the Sanction imposed shall be based on the *Banned Substance* or *Banned Method* that carries the most severe Sanction.

~~10.910.10~~ 10.10.10 Disqualification of Results in Competitions Subsequent to Sample Collection or Commission of an EAD Rule Violation

10.910.1 In addition to the automatic *Disqualification* of the results in the *Event/the Competition* which produced the positive *Sample* under Article, all other competitive results obtained from the date a positive *Sample* was collected, or other *EAD Rule* violation occurred, through the commencement of any *Provisional Suspension* or *Ineligibility* period, shall, unless fairness requires otherwise, be *Disqualified* with all of the resulting consequences including forfeiture of any medals, points and prizes.

10.910.2 As a condition of regaining eligibility after being found to have committed an *EAD Rule* violation, the *Person Responsible* and/or member of the *Support Personnel* must first repay all prize money forfeited under this Article and any other fines and/or costs attributed to the violation which have been ordered by the *FEI Tribunal* or otherwise accepted by the *Person Responsible*.

10.11 Forfeited Prize Money

Otherwise, ~~Except~~ as provided below, the period of *Ineligibility* imposed on any *Person* or *Horse* shall start on the date of the *Decision* providing for *Ineligibility* or if the hearing is waived or there is no hearing, on the date *Ineligibility* is accepted or otherwise imposed or any other date specified by the *FEI Tribunal* in its *Decision*.

~~10.4013.2~~ 10.13.2 Delays Not Attributable to the *Person Responsible* or member of the *Support Personnel* or other *Person*

Where there have been substantial delays in the hearing process or other aspects of *Doping Control* and the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* can establish that such delays are not attributable to the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* alleged to have committed the *EAD Rule* violation, the *Hearing Panel* may start the period of *Ineligibility* at an earlier date commencing as early as the date of *Sample* collection or the date on which another *EAD Rule* violation last occurred. All competitive results achieved during the period of *Ineligibility* including retroactive *Ineligibility* shall be *Disqualified*.

~~10.10.3~~ **Timely Admission**

~~**10.10.5** **10.13.3.2** If a Person Responsible and/or member of the Support Personnel and/or other Person voluntarily accepts a Provisional Suspension in writing for himself, herself or the Horse, and thereafter refrains from participating in equestrian activities, such Person or Horse shall receive a credit for such period of voluntary Provisional Suspension against any period of Ineligibility which may ultimately be imposed. ARTICLE ~~16~~24 **~~TRANSITIONAL~~ FINAL PROVISIONS**

~~16~~24.1 These EAD Rules shall enter into force on 1 January 2021 (the "Effective Date"). They repeal the FEI EAD Rules that came into effect on 1 January 2020.

24.2 These EAD Rules shall not apply retroactively to matters pending before the Effective Date. However:

24.2.1 EAD Rule violations taking place prior to the Effective Date count as "first violations" or "second violations" for purposes of determining sanctions under Article 10 for violations taking place after the Effective Date.

24.2.2 Any EAD Rule violation case which is pending as of the Effective Date and any EAD Rule violation case brought after the Effective Date based on an EAD Rule violation which occurred prior to the Effective Date, shall be governed by the substantive EAD Rule in effect at the time the alleged EAD Rule violation occurred, and not by the substantive EAD Rule set out in these EAD Rules, unless the panel hearing the case determines the principle of "lex mitior" appropriately applies under the circumstances of the case. For these purposes, the retrospective periods in which prior violations can be considered for purposes of multiple violations under Article 10.9.4 and the statute of limitations set forth in Article 16 are procedural rules, not substantive rules, and should be applied retroactively along with all of the other procedural rules in these EAD Rules (provided, however, that Article 16 shall only be applied retroactively if the statute of limitation period has not already expired by the Effective Date).

24.2.3 With respect to cases where a final decision finding an EAD Rule violation has been rendered prior to the Effective Date, but the Person Responsible or member of the Support Personnel or other Person is still serving the period of Ineligibility as of the Effective Date, the Person Responsible or member of the Support Personnel or other Person may apply to the FEI to consider a reduction in the period of Ineligibility in light of these EAD Rules. Such application must be made before the period of Ineligibility has expired. The decision rendered may be appealed pursuant to Article 13.2. These EAD Rules shall have no application to any case where a final decision finding an EAD Rule violation has been rendered and the period of Ineligibility has expired.

24.2.4 For purposes of assessing the period of Ineligibility for a second violation under Article 10.9.1, where the sanction for the first violation was determined based on rules in force prior to the Effective Date, the period of Ineligibility which would have been assessed for that first violation had these EAD Rules been applicable, shall be applied.

24.2.5 Changes to the List relating to substances on the List shall not, unless they specifically provide otherwise, be applied retroactively. As an exception, however, when a Prohibited Substance has been removed from the Prohibited List, an Person Responsible or member of the Support Personnel or other

EQUINE ANTI-DOPING RULES

Person currently serving a period of *Ineligibility* on account of the formerly Prohibited Substance may apply to the FEI to consider a reduction in the period of *Ineligibility* in light of the removal of the substance from the Prohibited List.

~~Application to Decisions Rendered Prior to the 2018 EAD Rules~~

~~The 2018 EAD Rules shall have no application to any anti-doping rule violation case where a Final Decision finding an anti-doping rule violation has been rendered and the period of Ineligibility has expired.~~

~~They shall not apply retroactively to matters pending before the Effective Date; provided, however, that:~~

~~**16.1.1** EAD Rule violations taking place prior to the Effective Date count as "first violations" or "second violations" for purposes of determining sanctions under Article 10 for violations taking place after the Effective Date.~~

~~**16.1.2** The retrospective periods in which prior violations can be considered for purposes of multiple violations under Article 10.8.5 and the statute of limitations set forth in Article 14 are procedural rules and should be applied retroactively; provided, however, that Article 14 shall only be applied retroactively if the statute of limitations period has not already expired by the Effective Date. Otherwise, with respect to any EAD Rule violation case which is pending as of the Effective Date and any anti-doping rule violation case brought after the Effective Date based on an anti-doping rule violation which occurred prior to the Effective Date, the case shall be governed by the substantive anti-doping rules in effect at the time the alleged anti-doping rule violation occurred unless the FEI Tribunal or national arbitral panel deciding the case determines the principle of "lex mitior" appropriately applies under the circumstances of the case.~~

~~**16.1.3** For purposes of assessing the period of Ineligibility for a second violation under Article 10.8.1, where the sanction for the first violation was determined based on rules in force prior to the Effective Date, the period of Ineligibility which would have been assessed for that first violation had these Anti-Doping Rules been applicable, shall be applied.~~

EQUINE CONTROLLED MEDICATION RULES

FEI Medication Code & Rationale for the ECM Rules

1. These *ECM Rules* have been adopted in recognition of the following fundamental imperatives of equestrian sport:
 - A central and distinctive feature of equestrian sport is that it involves a partnership between two types of athlete, one human and one equine. One of those partners is unable to speak for itself. It is therefore the FEI's responsibility to speak on its behalf, and to ensure that, at every stage of the governance, regulation, administration and practice of the sport, the welfare of the *Horse* is paramount.
 - This includes regulating the administration of *Controlled Medication Substances* to *Horses* involved in the sport to ensure *Horse* welfare and the highest levels of professionalism.
 - In particular, all treatments must be given in the best health and welfare interests of the *Horse*, and not for any other reasons.
 - No *Controlled Medication Substance* shall be given to any *Horse* during or close to an Event unless the appropriate FEI guidelines for medication authorisation have been followed.
 - Every treatment must be fully justifiable based on the medical condition of the *Horse* receiving the treatment.
 - *Horses* that cannot compete as a result of injury or disease must be given appropriate veterinary treatment and rest (or recovery period). *Persons Responsible* and their *Support Personnel* must obtain advice from a Permitted Treating Veterinarian and only administer treatments prescribed based on the objective clinical opinion of the Permitted Treating Veterinarian.
 - A complete and accurate record of all treatments during or close to an Event should be maintained in the form of a *FEI Medication Logbook* as foreseen under the VRs.
2. These *ECM Rules* are to be interpreted and applied (including where an issue arises that is not expressly provided for in these *ECM Rules*) by reference to the need to follow the FEI Medication Code and protect and advance the fundamental imperatives described above. This purposive interpretation and application will take precedence over any strict legal or technical interpretations that may otherwise be proposed.

ARTICLE 1 DEFINITION OF A CONTROLLED MEDICATION VIOLATION

A *Controlled Medication* violation is defined as the occurrence of one or more of the *ECM Rule* violations set forth in Article 2.1 through Article 2.5 of these *ECM Rules*.

ARTICLE 2 CONTROLLED MEDICATION RULE VIOLATIONS

The purpose of Article 2 is to specify the circumstances and conduct which constitute *ECM* rule violations. Hearings in *ECM* cases will proceed based on the assertion that one or more of these specific rules have been violated.

Persons Responsible and/or their *Support Personnel* shall be responsible for knowing what constitutes an *ECM Rule* violation and the substances and methods which have been included on the *Equine Prohibited Substances List* and identified as *Controlled Medication Substances* and *Controlled Medication Methods*.

Where *Controlled Medication Substances* or *Controlled Medication Methods* are involved, the following shall constitute *ECM Rule* violations:

2.1 The presence of a *Controlled Medication Substance* and/or its *Metabolites* or *Markers* in a *Horse's Sample*.

2.1.1 It is each *Person Responsible's* personal duty to ensure that no *Controlled Medication Substance* is present in the *Horse* body during an *Event* without a valid *Veterinary Form*. *Persons Responsible* are responsible for any *Controlled Medication Substance* found to be present in their *Horse's Samples*, even though their *Support Personnel* may be considered additionally responsible under this Article and Articles 2.2 – 2.5 *ECM Rules* where the circumstances so warrant. It is not necessary that intent, Fault, negligence or knowing *Use* be demonstrated in order to establish a *Rule* violation under Article 2.1.

2.1.2 Sufficient proof of a *Rule* violation under Article 2.1 is established by any of the following where there is no valid *Veterinary Form*: (i) presence of a *Controlled Medication Substance* and/or its *Metabolites* or *Markers* in the *Horse's A Sample* where the *Person Responsible* waives analysis of the *B Sample* and the *B Sample* is not analysed; (ii) or, where the *Horse's B Sample* is analysed and the analysis of the *Horse's B Sample* confirms the presence of the *Controlled Medication Substance* and/or its *Metabolites* or *Markers* found in the *Horse's A Sample* during an *Event* or where the A or B Sample is split into two (2) parts and the analysis of the confirmation part of the split Sample confirms the presence of the Controlled Medication Substance or its Metabolites or Markers found in the first part of the split Sample or the Person Responsible waives analysis of the confirmation part of the split Sample. An *Adverse Analytical Finding* may be established by a positive blood or urine *Sample*.

2.1.3 Excepting those *Controlled Medication Substances* for which a quantitative threshold is specifically identified in the *Equine Prohibited Substances List* or where a valid *Veterinary Form* has been submitted, the presence of any reported quantity of a *Controlled Medication Substance* and/or its *Metabolites* or *Markers* in a *Horse's Sample* during an *Event* shall constitute an *ECM Rule* violation.

EQUINE CONTROLLED MEDICATION RULES

2.1.4 As an exception to the general rule of Article 2.1, the *Equine Prohibited Substances List* or the *FEI Standard for Laboratories* may establish special reporting criteria for the evaluation of *Controlled Medication Substances* ~~that can also be produced endogenously~~.

2.2 Use or Attempted Use of a Controlled Medication Substance or a Controlled Medication Method.

2.2.1 It is each *Person Responsible's* personal duty, along with members of their *Support Personnel*, to ensure that no *Controlled Medication Substance* enters into the *Horse's* body and that no *Controlled Medication Method* is *Used* during an Event without a valid *Veterinary Form*. Accordingly, it is not necessary that intent, fault, negligence or knowing *Use* on the part of the *Person Responsible*, and/or member of his *Support Personnel* (where applicable), be demonstrated in order to establish a *Rule* violation for *Use* of a *Controlled Medication Substance* or a *Controlled Medication Method*. However, in accordance with the definition of *Attempt*, it is necessary to show intent in order to establish an *ECM Rule* violation for *Attempted Use* of a *Controlled Medication Substance* or a *Controlled Medication Method*.

2.2.2 The success or failure of the *Use* or *Attempted Use* of a *Controlled Medication Substance* or a *Controlled Medication Method* is not material. It is sufficient that the *Controlled Medication Substance* or *Controlled Medication Method* was *Used* or *Attempted* to be *Used* during an Event without a valid *Veterinary Form* for an *ECM Rule* violation to be committed.

2.3 Tampering, or Attempted Tampering with any part of Medication Control that is not otherwise a violation of the ECM Rules by a Person Responsible; Member of the Support Personnel or Other Person.

2.4 Complicity

Assisting, encouraging, aiding, abetting, covering up or any other type of complicity involving an *ECM Rule* violation or any *Attempted ECM Rule* violation.

2.5 Administration or Attempted Administration of a Controlled Medication Substance.

ARTICLE 3 PROOF OF ECM RULE VIOLATIONS

3.1 Burdens and Standards of Proof

The *FEI* shall have the burden of establishing that an *ECM Rule* violation has occurred. The standard of proof shall be whether the *FEI* has established an *ECM Rule* violation on the balance of probabilities. Where these *ECM Rules* place the burden of proof upon the *Person Responsible* and/or member of his *Support Personnel* and/or other Person to rebut a presumption or establish specified facts or circumstances, the standard of proof shall also be by a balance of probability, except where a different standard of proof is specifically identified.

3.2 Methods of Establishing Facts and Presumptions

EQUINE CONTROLLED MEDICATION RULES

Facts related to *ECM Rule* violations may be established by any reliable means, including admissions. The following rules of proof shall be applicable in *Controlled Medication* cases brought under these *ECM Rules*:

3.2.1 *FEI*-approved Laboratories are presumed to have conducted *Sample* analysis and custodial procedures in accordance with the *FEI Standard for Laboratories*. The *Person Responsible* and/or member of the *Support Personnel and/or other Person* who is alleged to have committed the *ECM Rule* violation may rebut this presumption by establishing by a balance of probability that a departure from the *FEI Standard for Laboratories* occurred which could reasonably have caused the *Adverse Analytical Finding*.

If the preceding presumption is rebutted by showing that a departure from the *FEI Standard for Laboratories* occurred which could reasonably have caused the *Adverse Analytical Finding*, then the *FEI* shall have the burden to establish that such departure did not cause the *Adverse Analytical Finding*.

3.2.3 Departures from any provision of these *ECM Rules* another *FEI* standard, *FEI Rule* or *Regulation*, *FEI Manual* or policy which did not by a balance of probability cause an *Adverse Analytical Finding* or other *Rule* violation shall not invalidate such analytical results or other evidence of an *ECM Rules* violation; provided however if—If the *Person Responsible* and/or member of the *Support Personnel and/or other Person* (where applicable) establishes, by a balance of probability, that a departure from another *FEI* standard, *FEI Rule* or *Regulation*, *FEI Manual* or policy a provision of these *ECM Rules* could reasonably have caused the *ECM Rule* violation based on the *Adverse Analytical Finding* or other *ECM Rule* violation, then the *FEI* shall have the burden to establish ~~must prove that the that such~~ departure did not cause the *Adverse Analytical Finding* or the factual basis for the *ECM Rule* violation.

3.2.4 The facts established by a *Decision* of a court or professional disciplinary tribunal of competent jurisdiction which is not the subject of a pending appeal shall be irrebuttable evidence against the *Person Responsible* and/or member of the *Support Personnel and/or other Person* to whom the *Decision* pertained with regards to the factual findings unless it can be established that the *Decision* violated principles of natural justice.

3.2.5 The *Hearing Panel* presiding over a case alleging an *ECM Rule* violation may draw an inference adverse to the *Person Responsible* and/or member of the *Support Personnel and/or other Person* (where applicable) who is asserted to have committed an *ECM Rule* violation based on the refusal, after a request made in a reasonable time in advance of the hearing, to appear at the hearing (either in person or telephonically as directed by the *FEI Tribunal*) in order to answer questions from the *Hearing Panel* or the *FEI*.

ARTICLE 4 THE EQUINE PROHIBITED SUBSTANCES LIST

4.1 Incorporation of the *Equine Prohibited Substances List*

These *ECM Rules* incorporate the *Equine Prohibited Substances List* (the "List") which is published and revised by the *FEI* from time to time. The *FEI* will publish the current *List* in such a manner that it is available to its members and constituents, including, but not limited to, publication on the *FEI* website.

4.2 Review and Publication of *Controlled Medication Substances* and *Controlled Medication Methods* Identified on the *List*

The *FEI* may revise the *List* from time to time but at least once annually by posting the new list on the *FEI* website, or via such other appropriate channel, but such new list shall not go into effect any sooner than ninety (90) days following its publication. Each new version of the *List* shall also be sent by email to *National Federations* and to National Head *FEI* Veterinarians at email addresses supplied by the *National Federations* and on file with the *FEI*. The *List* shall be published by the *FEI* at least once a year, with an opportunity for *National Federation* and stakeholder feedback. All *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* shall be bound by the Prohibited List, and any revisions thereto, from the date they go into effect, without further formality. It is the responsibility of all *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* to familiarize themselves with the most up-to-date version of the Prohibited List and all revisions thereto.

4.3 Substances and Methods included on the *List*

The *FEI*'s categorization of a substance or method on the *List* as a *Controlled Medication Substance* or *Controlled Medication Method* including any establishment of a threshold for a *Controlled Medication Substance* and/or the quantitative amount of such threshold and the classification of certain *Prohibited Substances* as *Specified Substances* shall be final and binding on all parties and shall not be subject to challenge by a *Person Responsible*, member of the *Support Personnel*, and/or any other *Person* on any basis including, but not limited to, any challenge based on an argument that the substance or method was not a masking agent or did not have the potential to enhance performance, represent a risk to the welfare of the *Horse* or violate the spirit of sport.

4.4 Veterinary Form

Horses with documented medical conditions requiring the *Use* of a *Controlled Medication Substance* or a *Controlled Medication Method* during or prior to an *Event* must obtain permission for ongoing participation in accordance with the *FEI* Veterinary Regulations as specified therein.

4.4 Specified Substances

For purposes of the application of Article 10 and Article 7.4, *Specified Substances* shall be taken as meaning only those *Prohibited Substances* identified as *Specified Substances* on the *Prohibited List*.

ARTICLE 5 TESTING

5.1 Authority to Test

EQUINE CONTROLLED MEDICATION RULES

All Horses registered with the *FEI* or a *National Federation*, or otherwise present or competing at an *International Event* or *National Event* or *Competition* or a *FEI Pony Measurement* shall be subject to *In-Competition Testing* (a) by the *FEI* or by any other *Anti-Doping Organisation* responsible for *Testing* at a *Competition* or *Event* in the case of *International Events* and *FEI Pony Measurements* and (b) in the case of *National Events*, by the *National Federation* through which the *Horse* is registered, or by any other *Anti-Doping Organisation* responsible for *Testing* at a *Competition* or *Event*.

The *FEI* or its assignees or agents shall be exclusively responsible for *Testing* at *International Events* and *FEI Pony Measurements* and no other body may conduct *Testing* at *International Events* or *FEI Pony Measurements* without the *FEI's* express written permission. Each *National Federation* or its assignees or agents shall be exclusively responsible for *Testing* at its *National Events*, and no other body may conduct *Testing* at *National Events* without the *National Federation's* express written permission. *National Federations* are responsible for *Results Management* arising from *Testing* at *National Events* but are obligated to promptly report any positive findings to the *FEI* that have been notified as anti-doping rule violations unless doing so would contravene national law.

5.2 Responsibility for *FEI Testing*

The *FEI* Veterinary Department shall be responsible for overseeing all *Testing* conducted by the *FEI*. *Testing* may be conducted by the *Testing Veterinarians*, *Veterinary Delegate*, and/or by other qualified persons at a given *Event* or at such other place as authorised by these *ECM Rules*, the *FEI* Veterinary Regulations, or as authorised in writing by the *FEI* Secretary General or his or her designee(s).

5.3 *Testing Standards*

Testing conducted by or on behalf of the *FEI* shall be in substantial conformity with the *Testing* procedures set forth in the *FEI* Veterinary Regulations in effect at the time of *Testing*.

5.4 Selection of *Horses* to be Tested

5.4.1 The *FEI* shall determine the number of *Tests* to be performed and on which *Horses* they shall be performed.

5.4.2 In addition to the selection procedures set forth in Article 5.4.1 above, the *Veterinary Commission/Veterinary Delegate/Testing Veterinarian* in cooperation with the *Ground Jury* at *International Events* may also select *Horses* for *Random Testing* and/or *Target Testing* in cooperation with the *Ground Jury* at *International Events*.

5.4.3. Each *National Federation* shall determine, within its jurisdiction, the number of *Tests* to be performed and on which *Horse* they shall be performed.

5.4.4. Nothing in these *Rules* shall be construed to limit where the *FEI* is authorised to conduct *Testing on Horses In-Competition*.

ARTICLE 6 ANALYSIS OF SAMPLES

Samples collected under these *Rules* and arising from *FEI Testing* are the property of the *FEI*. They shall be analysed in accordance with the following principles:

6.1 Use of approved *Laboratories*

These *ECM Rules* incorporate the *FEI List of approved Laboratories* which is published and revised by the *FEI* from time to time. The *FEI* shall send *Samples* for analysis only to these approved *Laboratories*, which are subject to the *FEI Standard for Laboratories*. The choice of *Laboratory* used for the *Sample* analysis of either or both the A and B *Sample* shall be determined exclusively by the *FEI*. However, the *Person Responsible* may elect to have the B *Sample* analysed at a different *Laboratory* than the one which performed the A *Sample* analysis. If such an election is made, the *FEI* shall select the B *Sample Laboratory* from the *FEI List of approved Laboratories* and inform the *Person Responsible* accordingly.

As provided for in Article 3.2, facts related to ECM Rule violations may be established by any reliable means. This would include, for example, reliable laboratory or other forensic testing conducted outside of FEI Approved Laboratories.

6.2 Purpose of Collection and Analysis of *Samples*

Samples and related analytical data or Doping Control information shall be analysed shall be analysed to detect *Controlled Medication Substances and Controlled Medication Methods*, all as set forth in the *List*. The *FEI* may also seek to detect other substances for research and monitoring purposes, as publicly announced by the *FEI* from time to time pursuant to a defined monitoring program. *Samples* may be collected and stored for future analysis.

6.3 Research on *Samples*

~~No *Samples*, related analytical data and Medication Control information may be used for anti-doping research purposes, although no *Sample* may be used for research any purpose other than as described in Article 6.2,~~ without the *Person Responsible's* written consent. ~~Those *Samples* and related analytical data or Doping Control information used for research purposes other than as set forth in Article 6.2 (for example research) shall first be processed in such a manner as to prevent *Samples* and related analytical data or Medication Control information~~ following written consent from the *Person Responsible* shall have all means of identification removed from the *Sample* so it cannot be traced back to a particular *Horse* or *Person Responsible*. All *Samples* shall be destroyed pursuant to the guidelines set forth in the *FEI Standard for Laboratories* and in no event later than the lapse of the Statute Of Limitations in Article ~~4~~16.

6.4 Standards for *Sample* Analysis and Reporting

Laboratories shall analyse Samples and report results in conformity with the FEI Standard for Laboratories.

6.5 Retesting Samples

A *Sample* may be reanalysed for the purposes of research pursuant to Article 6.3 at any time exclusively at the direction of the *FEI*. Nothing herein, however, shall prevent the *FEI* from conducting subsequent tests on a *Sample* pursuant to an alleged violation under Article 2.1. The retesting of *Samples* may lead to an *ECM Rule* violation only if the *Controlled Medication Substance* or *Controlled Medication Method* was prohibited at the time the *Sample* was taken, all subject to Article ~~14~~16.

6.6 Further Analysis of a Sample Prior to or During Results Management

There shall be no limitation on the authority of a laboratory to conduct repeat or additional analysis on a Sample prior to the time the FEI notifies a Person Responsible that the Sample is the basis for an Article 2.1 ECM Rule violation charge. If after such notification the FEI wishes to conduct additional analysis on that Sample, it may do so with the consent of the Person Responsible or approval from a hearing body.

6.7 Further Analysis of a Sample After it has been Reported as Negative or has Otherwise not Resulted in an Anti-Doping Rule Violation Charge

After a laboratory has reported a Sample as negative, or the Sample has not otherwise resulted in an anti-doping rule violation charge, it may be stored and subjected to further analyses for the purpose of Article 6.2 at any time exclusively at the direction of either the Anti-Doping Organization that initiated and directed Sample collection or the FEI. Any other Anti-Doping Organization with authority to test the Horse that wishes to conduct further analysis on a stored Sample may do so with the permission of the Anti-Doping Organization that initiated and directed Sample collection or the FEI, and shall be responsible for any follow-up Results Management. Any Sample storage or further analysis initiated by the FEI or another Anti-Doping Organization shall be at the FEI's or that organization's expense. Further analysis of Samples shall conform with the requirements of the FEI Standard for Laboratories.

6.8 Split of A or B Sample

Where the FEI an Anti-Doping Organization with Results Management authority, and/or a FEI Approved Laboratory (with approval from the FEI or the Anti-Doping Organization with Results Management authority) wishes to split an A or B Sample for the purpose of using the first part of the split Sample for an A Sample analysis and the second part of the split Sample for confirmation, then the procedures set forth in the FEI Standard for Laboratories and/or relevant processes from the FEI approved laboratories shall be followed.

6.9 FEI's Right to Take Possession of Samples and Data

The FEI may, in its sole discretion at any time, with or without prior notice, take physical possession of any FEI Sample and related analytical data or information in the possession of a FEI Approved Laboratory or Anti-Doping Organization. Upon

request by the FEI, the FEI Approved Laboratory or Anti-Doping Organization in possession of the Sample or data shall immediately grant access to and enable the FEI to take physical possession of the Sample or data as soon as possible. If the FEI has not provided prior notice to the FEI Approved Laboratory or Anti-Doping Organization before taking possession of a FEI Sample or data, it shall provide such notice to the FEI Approved Laboratory and each Anti-Doping Organization whose FEI Samples or data have been taken by the FEI within a reasonable time after taking possession. After analysis and any investigation of a seized FEI Sample or data, the FEI may direct another Anti-Doping Organization with authority to test the Horse to assume Results Management responsibility for the FEI Sample or data if a potential ECM Rule violation is discovered.

~~6.610-~~ Equestrian Community Integrity Unit

The *Equestrian Community Integrity Unit* (ECIU) shall have the power to conduct investigations arising from or relating to these *ECM Rules* in order to protect the integrity of the FEI and equestrian sport, as set forth in the *FEI Statutes*. The refusal of a *Person Responsible* or member of the *Support Personnel and/or other Person* to cooperate with the *ECIU* may result in an adverse inference being drawn against that *Person* in any related *FEI Tribunal* proceeding. If the *Equestrian Community Integrity Unit* determines that it has a good faith basis to pose questions relating to any investigation to a *Person Responsible* or member of the *Support Personnel and/or other Person* and such *Person* refuses to answer such questions, that *Person Responsible* or member of the *Support Personnel and/or other Person* may be prohibited from participating in any *FEI* activities until such questions are answered to the satisfaction of the *ECIU*. ~~Any Person Responsible and/or member of the Support Personnel may file a Protest to the FEI Tribunal under Article 163 of the FEI General Regulations arguing that he has a good faith basis to refuse answering such questions to the satisfaction of the ECIU.~~

ARTICLE 7 RESULTS MANAGEMENT

Results Management under these ECM Rules establishes a process designed to resolve ECM Rules violation matters in a fair, expeditious and efficient manner.

7.1 Results Management for Tests arising out of FEI Testing or other ECM Rule violations

Results management for *Tests* arising out of *FEI Testing* or other *ECM Rule* violations shall proceed as set forth below:

7.1.1 The results of all *Sample* analyses must be sent exclusively to the *FEI*, in a report signed by an authorised representative of the *Laboratory*. All communications must be conducted in such a way that the results of the *Sample* analyses are confidential.

7.1.2 Upon receipt of an *Adverse Analytical Finding*, the *FEI* shall conduct a review to determine whether: (a) the *Adverse Analytical Finding* is consistent with a valid *Veterinary Form* that has been granted, or (b) if there is any apparent departure from ~~the FEI Testing procedures of the FEI Veterinary Regulations, the FEI Standard for Laboratories or another FEI standard, FEI Rule or Regulation, FEI Manual or policy~~ any provision of these ECM Rules that caused the *Adverse Analytical Finding*. This may

EQUINE CONTROLLED MEDICATION RULES

include a review of the Laboratory Documentation Package produced by the laboratory to support the Adverse Analytical Finding (if available at the time of the review) and the relevant Doping Control form(s) and Testing documents.

7.1.3 If (i) the initial review under Article 7.1.2 reveals a valid *Veterinary Form* or departure from ~~any provision of these ECM Rules the Testing procedures of the FEI Veterinary Regulations or from the FEI Standard for Laboratories~~ that caused the *Adverse Analytical Finding*, the entire test shall be considered negative, and/or (ii) upon the review, the FEI Decides not to bring forward the *Adverse Analytical Finding*, the FEI shall promptly *Notify* the *Person Responsible* and the *Owner* of the *Horse* (if applicable).

7.1.4 If the review of an *Adverse Analytical Finding* under Article 7.1 does not reveal an apparent departure from ~~the Testing procedures of the FEI Veterinary Regulations, the FEI Standard for Laboratories or other FEI standard, FEI Rule or Regulation, FEI Manual or policy~~ any provision of these ECM Rules that caused the *Adverse Analytical Finding*, the FEI shall promptly *Notify* the *Person Responsible* and the *Owner* of the *Horse* (if applicable) of:

(a) the *Adverse Analytical Finding*;

(b) the fact that the Adverse Analytical Finding may result in an ECM Rule violation of Article 2.1 and/or Article 2.2 and the applicable Consequences;

(c) the *Person Responsible's* and the *Owner* of the *Horse's* (if applicable) right to promptly request the analysis of the *B Sample*, or, failing such request, that the *B Sample* analysis may be deemed irrevocably waived;

(d) the opportunity for the *Person Responsible* and the *Owner* of the *Horse* (if applicable) to elect to have the *B Sample* analysed at a different *Laboratory* than the one which performed the *A Sample* analysis, such *Laboratory* to be chosen by the FEI, and the opportunity to send a representative (witness) to be present for the *B Sample* analysis within the time period specified in the *FEI Standard for Laboratories* unless allowing such representative or witness presents a threat to the integrity of the analysis process. Where both the *Person Responsible* and the *Owner* have elected to have the *B Sample* analysed but one of them has elected to have the *B Sample* analysed at a different laboratory than the one which performed the *A Sample* analysis and the other one has elected to have the *B Sample* analysed at the same laboratory as the one which performed the *A Sample* analysis, it shall be for the FEI to decide the question taking into account all relevant circumstances;

(e) the right of the *Person Responsible* and the *Owner* of the *Horse* (if applicable) to request copies of the *A* and *B Sample* (if applicable) *Laboratory Documentation Package* which includes information as specified in the *FEI Standard for Laboratories*;

(f) the right of the *Person Responsible* and/or the FEI to request to the FEI Tribunal that Article 9.1 (Automatic Disqualification) be promptly applied where the *B Sample Analysis* confirms the *A Sample Analysis* or where the right to request the *B Sample Analysis* is waived in accordance with Article ~~7.6.27.1.5~~;

EQUINE CONTROLLED MEDICATION RULES

(g) the opportunity to provide an explanation within a short deadline;

(h) the opportunity to provide *Substantial Assistance* as set out under Article 10.7.1, to admit the ECM Rule violation and potentially benefit from a three month reduction in the period of Ineligibility under Article 10.8.1 (if applicable) or to seek to enter into a case resolution agreement under Article 10.8.2;

(i) any matters relating to Provisional Suspension (including the possibility to accept a voluntary Provisional Suspension) as per Article 7.4;

(j) the right of the *Person Responsible* and/or the *FEI* to request to the *FEI Tribunal* that Article 9.1 (Automatic Disqualification) be promptly applied where the *B Sample Analysis* confirms the *A Sample Analysis* or where the right to request the *B Sample Analysis* is waived;

(~~gk~~) the *Person Responsible's* and the *Owner* of the *Horse's* right to request the hearing or, failing such request within the deadline specified in the notification, that the hearing may be deemed waived; and

(~~hl~~) where applicable, the availability of the Administrative Procedure described in Article 8.3.~~7~~

~~(i) the opportunity to provide a written explanation about the overall circumstances of the case or to dispute (within a specific deadline indicated in the notification) the assertion that an ECM rule violation has occurred;~~

~~(j) the opportunity to make an agreement with the *FEI* about the Consequences that are mandated by these ECM Rules or (where some discretion as to Consequences exists under these Controlled Rules) that have been offered by the *FEI*;~~

~~(k) the imposition of a mandatory *Provisional Suspension* in accordance with Article 7.4.1;~~

~~(l) the imposition of an optional *Provisional Suspension* where the *FEI Tribunal* decides to impose it in accordance with Article 7.4.2;~~

~~(m) the opportunity to voluntarily accept a *Provisional Suspension* pending the resolution of the matter, in all cases where a *Provisional Suspension* has not been imposed;~~

~~(n) the opportunity to promptly admit the ECM Rule violation and consequently request the early commencement of the period of *Ineligibility* in accordance with Article 10.10.3; and~~

~~(o) the opportunity to cooperate and provide substantial assistance in discovering or establishing an ECM rule violation.~~

In the discipline of Endurance, where a *Provisional Suspension* is imposed on a registered Trainer of the *Horse* pursuant to either Clause 7.4.1 or 7.4.2 below, the registered Trainer shall be notified accordingly and the provisions of this Article 7 that apply to the *Person Responsible* and the *Owner* shall also apply to the registered Trainer.

EQUINE CONTROLLED MEDICATION RULES

7.1.5 Pursuant to Article 7.1.4 (d) above, ~~within seven (7) days of~~ following receipt of the duly executed *Confirmatory Analysis Request Form (B Sample)*, the FEI will propose possible dates for such analysis. If the *Person Responsible* and the *Owner* of the *Horse* requests the "B" Sample analysis but claims that they and/or their representative are not available on the scheduled date indicated by the FEI, the FEI shall liaise with the Laboratory and propose (at least) two (2) alternative dates. If the *Person Responsible* and the *Owner* of the *Horse* and their representative claim not to be available on the alternative dates proposed, the FEI shall instruct the Laboratory to proceed regardless and appoint an *Independent Witness* to verify that the "B" Sample container shows no signs of *Tampering* and that the identifying numbers match that on the collection documentation.

The *Person Responsible* and the *Owner* of the *Horse* (if applicable) may accept the *A Sample* analytical results by waiving the right to a *B Sample* analysis. The *FEI* may nonetheless elect at its discretion to proceed with the *B Sample* analysis. In such case, the *B Sample* analysis shall only be used to confirm the *A Sample Adverse Analytical Finding*. The *Person Responsible* and the *Owner* of the *Horse* (if applicable) is deemed to have waived his right to a *B Sample* analysis if he does not submit the *Confirmatory Analysis Request Form* within the stipulated time-limit in the *Notification*.

7.1.6 In addition to the *Person Responsible* and the *Owner* of the *Horse* (if applicable) and his/their representative (witness), a representative of the *National Federation(s)* involved as well as a representative of the *FEI* shall also be allowed to be present for the *B Sample* analysis. If notice under Article 7.1.3 has not been carried out through the *National Federation*, the *National Federation* shall be informed in a timely manner by the *FEI* of the *Adverse Analytical Finding* and its right to attend the *B Sample* analysis.

7.1.7 If the *B Sample* proves negative, then the entire test shall be considered negative. The *FEI* shall be informed of the results confidentially and shall notify the *Person Responsible* and the *Owner* of the *Horse* (if applicable).

7.1.8 If the *B Sample* analysis confirms the *A Sample* analysis, the *FEI* shall be informed of the results confidentially and shall *Notify* the *Person Responsible* and the *Owner* of the *Horse* (if applicable).

7.1.9 The *FEI* and/or the *Equestrian Community Integrity Unit* may conduct any follow-up investigation as may be required. Upon completion of such follow-up investigation, if any, the *FEI* shall promptly notify the *Person Responsible's National Federation* of the results of the follow-up investigation.

7.1.10 For the avoidance of doubt, an *Adverse Analytical Finding* confirmed by the *B Sample* analysis may result from blood or urine *Samples*, or any combination thereof (for example, a confirmatory *B Sample* Analysis is valid if performed on a blood sample, even if the *A Sample Adverse Analytical Finding* arose from a urine *Test*, and vice-versa). In addition, and also for the avoidance of doubt, where the *A Sample* is positive for a *Threshold Controlled Medication Substance*, as it is quantitatively above the threshold level set for the *Controlled Medication Substance*, the *B Sample* shall be deemed to confirm the *A Sample* so long as the level of the *B Sample* is also quantitatively above the threshold, even if the *B Sample* level varies quantitatively from the *A Sample* level.

7.1.11 Where appropriate, the members of the *Support Personnel* ~~and/or other Person~~, including the *Owner*, shall receive *Notification* of the *ECM Rule* violation and all relevant corresponding documents.

7.1.12 ~~If at any point during Results Management up until the charge under Article 7.5, the FEI decides not to move forward with a matter, it must notify the Person Responsible, and/or member of the Support Personnel or other Person (provided that Person Responsible, and/or member of the Support Personnel or other Person had been already informed of the ongoing Results Management) and give notice (with reasons) to the bodies with a right of appeal under Article 13.2.3.~~

7.2 Review of Atypical Findings

~~As provided in the FEI Standard for Laboratories, i~~n some circumstances Laboratories ~~are directed to~~ may report the presence of *Controlled Medication Substances* which require further investigation as provided by the FEI Atypical Findings Policy and such reports shall be treated by the FEI, ~~which may also be produced endogenously,~~ as *Atypical Findings* subject to further investigation. Upon receipt of an *A Sample Atypical Finding*, the FEI shall conduct a review to determine whether there is any apparent departure from ~~the Testing procedures, the FEI Standard for Laboratories or another FEI standard, FEI Rule or Regulation, FEI Manual or policy~~ any provision of these ECM Rules that caused the *Atypical Finding*. If that review does not reveal any departure that caused the *Atypical Finding*, the FEI shall conduct the required investigation in accordance with the FEI Atypical Findings Policy. ~~After the investigation is completed, the Person Responsible, and the Owner of the Horse (if applicable) and his National Federation shall be notified whether or not the Atypical Finding will be brought forward as an Adverse Analytical Finding. The Person Responsible's National Federation shall be notified as provided in Article 7.1.~~

7.2.1 The FEI ~~need~~ will not provide *Notice* of an *Atypical Finding* until it has completed ~~the~~ its investigation and ~~Decided~~ decided whether it will bring the *Atypical Finding* forward as an *Adverse Analytical Finding* unless one of the following circumstances exists:

(a). However, if the FEI determines that the *B Sample* should be analysed prior to the conclusion of the investigation under Article 7.2, the FEI may conduct the *B Sample* analysis after ~~supplying~~ notifying the *Person Responsible* and the *Owner* of the *Horse* (if applicable) with such *Notice* to include ~~ing~~ a description of the *Atypical Finding* and the information described in Article 7.1.4 ~~(b)~~ (c)-(e) and 7.1.5 above.

(b) If the FEI receives a request, either from a Major Event Organization shortly before one of its International Events or from a sport organization responsible for meeting an imminent deadline for selecting team members (or Horses) for an International Event, to disclose whether any Person Responsible or Horse identified on a list provided by the Major Event Organization or sport organization has a pending Atypical Finding, the FEI shall identify any Person Responsible or Horse after first providing notice of the Atypical Finding to the Person Responsible or and the Owner of the Horse (if applicable);

(c) If the *Atypical Finding* is likely to be connected to a serious pathology that requires urgent veterinary attention.

If after the investigation is completed, the FEI decides to pursue the *Atypical Finding* as an *Adverse Analytical Finding*, then the procedure shall follow the provisions of Clause 7.1.4 mutatis mutandi. The *Person Responsible's* National Federation shall be *Notified* as provided in Article 7.1 ~~EAD-ECM~~ Rules. The decision of the FEI to pursue or not pursue an *Atypical Finding* as an *Adverse Analytical Finding* is final and is not subject to appeal.

7.3 Notification for specific cases and ~~Review of Other~~ ECM Rule Violations

7.3.1 At such time as the FEI considers that the *Person Responsible* or other *Person* may have committed (an) ECM Rule violation(s), the FEI shall ~~For apparent ECM Rule violations that do not involve Adverse Analytical Findings, the FEI and/or the Equestrian Community Integrity Unit may conduct any necessary follow-up investigation and at such time as it is satisfied that an ECM Rule violation has occurred, it shall then~~ promptly *Notify* the *Person Responsible*, the *Owner* of the *Horse* (if applicable) and/or member of the *Support Personnel*; and/or other *Person* (where applicable) ~~of the ECM Rule which appears to have been violated and the basis of the violation.~~

- (a) The relevant ECM Rule violation(s) and the applicable Consequences;
- (b) The relevant factual circumstances upon which the allegations are based;
- (c) The relevant evidence in support of those facts that the FEI considers demonstrates that the *Person Responsible* and/or member of the *Support Personnel* or other *Person* may have committed (an) ECM Rule violation(s);
- (d) The *Person Responsible's* and/or member of the *Support Personnel's* or other *Person's* right to provide an explanation within reasonable deadline;
- (e) the opportunity provide *Substantial Assistance* as set out under Article 10.7.1, to admit the ECM Rule violation and potentially benefit from a three (3) month reduction in the period of *Ineligibility* under Article 10.8.1 (if applicable) or to seek to enter into a case resolution agreement under Article 10.8.2; and
- (f) any matters relating to *Provisional Suspension* (including the possibility to accept a voluntary *Provisional Suspension*) as per Article 7.4.

7.4 *Provisional Suspensions*

7.4.1 The FEI shall provisionally suspend a *Person Responsible*, member of the *Support Personnel*, other *Person* and/or the *Person Responsible's* *Horse* prior to the opportunity for a full hearing based on: (a) an admission that an ECM Rule violation has taken place (for the avoidance of doubt, an admission

by any *Person* can only be used to provisionally suspend that *Person*); or (b) all of the following elements: (i) an *Adverse Analytical Finding* for two *Controlled Medication Substances* from the *A Sample* or *A and B Samples* provided that neither of the *Controlled Medication Substances* is a *Specified Substance*; (ii) the review described in Article 7.1.2; and (iii) the *Notification* described in Article 7.1.4 above. For the discipline of Endurance, where the criteria at (b) above are met, the *FEI* shall provisionally suspend the registered Trainer (as defined in the *FEI Endurance Rules*) of the *Horse* and the registered Trainer shall be considered as a member of the *Support Personnel* for the purposes of these *ECM Rules*. If a *Provisional Suspension* is imposed, either the hearing in accordance with Article 8 shall be advanced to a date which avoids substantial prejudice to the *Person Responsible* alleged to have committed the *ECM Rule* violation, or such *Person Responsible* shall be given an opportunity for a *Preliminary Hearing* either on a timely basis after imposition of the *Provisional Suspension* or before imposition of the *Provisional Suspension* in order to show cause why the *Provisional Suspension* should not be imposed (or should be lifted). Where a *Horse* is provisionally suspended, the *Owner* shall also have the right to request a *Preliminary Hearing*. Notwithstanding the foregoing, the *FEI* may provisionally suspend a *Person Responsible* pursuant to this Article 7.4.1 if that *Person Responsible* is a *Minor* but the *FEI* shall provisionally suspend the relevant *Horse*.

Additionally, and notwithstanding the above provisions or the provisions of Article 7.4.2 below, for the discipline of Endurance, the *FEI* shall provisionally suspend the registered Trainer of the *Horse* based on all of the following elements:

(i) an *Adverse Analytical Finding* for one (1) *Controlled Medication Substance* (including its metabolites or markers) from the *A Sample* or *A and B Samples*, except where the *Controlled Medication Substance* is a *Specified Substance*;

and

(ii) a previous violation of the *ECM Rules* within the last four (4) years or a previous violation of the *EAD Rules* within the last ten (10) years involving the same *Horse* or another *Horse* trained by the registered Trainer provided that the registered Trainer was the registered Trainer of that *Horse* at the time of the previous violation(s);

and/or

(iii) a pending *EAD* or *ECM Rule* violation involving the same *Horse* or another *Horse* trained by the registered Trainer provided that the registered Trainer was the registered Trainer of that *Horse* at the time of the previous violation(s).

7.4.2 The *FEI* may provisionally suspend a *Person Responsible*, member of the *Support Personnel*, *other Person* and/or the *Person Responsible's Horse* prior to the opportunity for a full hearing if (a) the *Person Responsible*, member of the *Support Personnel* *or other Person* or *Horse* has a pending *EAD* or *ECM Rule*

EQUINE CONTROLLED MEDICATION RULES

violation or previously violated the *EAD Rules* in the last ten (10) years or the *ECM Rules* in the last four (4) years or (b) based on (i) an *Adverse Analytical Finding* for two *Controlled Medication Substances* from the *A Sample* or *A and B Samples* and at least one of the *Controlled Medication Substances* is a *Specified Substance*; (ii) the review described in Article 7.1.2; and (iii) the *Notification* described in Article 7.1.4 above. For the discipline of Endurance, if the FEI provisionally suspends the Person Responsible pursuant to this Article 7.4.2, the FEI shall also provisionally suspend the registered Trainer (as defined in the FEI Endurance Rules) of the Horse and the registered Trainer shall be considered as a member of the Support Personnel for the purposes of these ECM Rules.

7.4.3 The FEI may provisionally suspend a *Person Responsible*, member of the *Support Personnel*, other Person and/or the *Person Responsible's Horse* prior to the opportunity for a full hearing based on evidence that a violation of these *ECM Rules* is highly likely to have been committed by the respective *Person*.

7.4.4 Notwithstanding Articles 7.4.1 and 7.4.2, a Provisional Suspension may not be imposed unless the Person, and in the case of the Provisional Suspension of a Horse, the Owner is given: (a) an opportunity for a Preliminary Hearing, either before or on a timely basis after the imposition of the Provisional Suspension; or (b) an opportunity for an expedited hearing in accordance with Article 8 on a timely basis after the imposition of the Provisional Suspension.

The imposition of a Provisional Suspension, or the decision not to impose a Provisional Suspension, may be appealed in an expedited process in accordance with Article 12.2.

7.4.5 The *Provisional Suspension* shall be maintained unless the *Person* requesting the lifting of the *Provisional Suspension* establishes to the comfortable satisfaction of the *FEI Tribunal* that:

(i) the allegation that an *ECM Rule* violation has been committed has no reasonable prospect of being upheld, e.g., because of a material defect in the evidence on which the allegation is based; or

(ii) the *Person* can demonstrate that the evidence will show that he bears *No Fault or No Negligence* for the *ECM Rule* violation that is alleged to have been committed, so that any period of *Ineligibility* that might otherwise be imposed for such offence is likely to be completely eliminated by application of Article 10~~5~~.4 below or that 10.6~~5~~ below applies and the *Person* can demonstrate that the evidence will show that he bears *No Significant Fault or Negligence* and that he has already been provisionally suspended for a period of time that warrants the lifting of the *Provisional Suspension* pending the final *Decision* of the *FEI Tribunal*. This Article 7.4.4(ii) does not apply to an application to lift a *Provisional Suspension* imposed on a *Horse*; or

(iii) exceptional circumstances exist that make it clearly unfair, in all of the circumstances of the case, to impose a *Provisional Suspension* prior to final hearing of the *FEI Tribunal*. This ground is to be construed narrowly, and applied only in truly exceptional circumstances. For example, the fact that the *Provisional Suspension* would prevent the *Person or Horse* competing in a

EQUINE CONTROLLED MEDICATION RULES

particular *Competition* or *Event* shall not qualify as exceptional circumstances for these purposes.

The *FEI* may also request the lifting of the *Provisional Suspension*.

7.4.65 If a *Provisional Suspension* is imposed based on an A *Sample Adverse Analytical Finding* and a subsequent B *Sample* analysis (if requested) does not confirm the A *Sample* analysis, then the *Person(s)* alleged to have committed the *Rule* violation and his member of the *Support Personnel* or other *Person*, and/or *Horse* shall not be subject to any further *Provisional Suspension* on account of a violation of Article 2.1 (Presence of a *Controlled Medication Substance* and/or its *Metabolites* or *Markers*). In circumstances where the *Person Responsible* and/or his *Horse* has been removed from a *Competition* and/or *Event* based on a violation of Article 2.1 and the subsequent B *Sample* analysis does not confirm the A *Sample* finding, if it is still possible for the *Person Responsible* and his *Horse* to be re-entered without otherwise affecting the *Competition* or *Event*, the *Person Responsible* and his *Horse* may continue to take part in the *Competition* and/or *Event*.

7.4.76 After the imposition of a *Provisional Suspension* and prior to a final hearing, the *Person Responsible* and/or member of the *Support Personnel* (including *Owner*) and/or other *Person* can petition the *FEI* Tribunal for another *Preliminary Hearing* provided that new evidence exists that, if known at the time of the earlier *Preliminary Hearing*, may have satisfied the requirements of Article 7.4.4 above and may have led to the lifting of the *Provisional Suspension*. Such petition must be made in writing to the *FEI* Tribunal and copied to the *FEI* Legal Department and must clearly establish the existence of such new evidence meeting this criterion. If the request for another *Preliminary Hearing* is granted by the *FEI* Tribunal, and provided that a *Preliminary Hearing* had already taken place at an earlier stage, the *same FEI Tribunal* member who presided over the prior *Preliminary Hearing* will *Decide* the new *Preliminary Hearing* request, unless exceptional circumstances prevent it from doing so, in which case another *FEI Tribunal* member will be appointed and will conduct the new *Preliminary Hearing*. If another *Preliminary Hearing* is granted after the *Hearing Panel* has been constituted, any member of the *Hearing Panel* may conduct the *Preliminary Hearing*. *Preliminary Hearing Decisions* may be issued by the *FEI* Tribunal without reasons.

7.4.87 During a period of *Provisional Suspension*, no *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* who themselves are provisionally suspended, or a *Horse* that is provisionally suspended, may participate in any capacity at an *Event* or in a *Competition* or activity, or being present at an *Event* (other than as spectator) that is authorised or organised by the *FEI* or any *National Federation* or in *Competitions* authorised or organised by any International - or national-level - *Event* organisation.

7.4.9 Voluntary Acceptance of Provisional Suspension

The *Person Responsible* on their own initiative may voluntarily accept a *Provisional Suspension* if done so prior to the later of: (i) the expiration of ten (10) days from the report of the B *Sample* (or waiver of the B *Sample*) or ten (10) days from the notice of any other *ECM Rule* violation, or (ii) the date on which the *Person Responsible* first competes after such report or notice.

EQUINE CONTROLLED MEDICATION RULES

Other Persons on their own initiative may voluntarily accept a Provisional Suspension if done so within ten (10) days from the notice of the ECM Rule violation.

The deadlines set out in this Article may be extended subject to the agreement of the FEI.

Upon such voluntary acceptance, the Provisional Suspension shall have the full effect and be treated in the same manner as if the Provisional Suspension had been imposed under Article 7.4.1 or 7.4.2; provided, however, at any time after voluntarily accepting a Provisional Suspension, the Person Responsible or other Person may withdraw such acceptance, in which event the Person Responsible or other Person shall not receive any credit for time previously served during the Provisional Suspension.

7.5 Charge

7.5.1 If, after receipt of the Person Responsible, or other Person's explanation or expiry of the deadline to provide such explanation, the FEI is (still) satisfied that the Person Responsible, member of the Support Personnel or other Person's has committed (an) ECM Rule violation(s), the FEI shall promptly charge the Person Responsible, member of the Support Personnel or other Person's with the ECM Rule violation(s) they are asserted to have breached. In this letter of charge, the FEI:

(a) Shall set out the provision(s) of ECM Rules asserted to have been violated by the Person Responsible, member of the Support Personnel or other Person;

(b) Shall provide a detailed summary of the relevant facts upon which the assertion is based, enclosing any additional underlying evidence not already provided in the notification under Article 7.1.4;

(c) Shall indicate the specific Consequences being sought in the event that the asserted ECM Rule violation(s) is/are upheld and that such Consequences shall have binding effect on all National Federations and WADA Code Signatories in all sports and countries as per Article 14;

(d) Shall grant a deadline of not more than twenty (20) days from receipt of the letter of charge (which may be extended subject to the prior written agreement of the FEI Legal Department) to the Person Responsible, member of the Support Personnel or other Person to admit the ECM Rule violation asserted and to accept the proposed Consequences by signing, dating and returning an acceptance of Consequences form, which shall be enclosed to the letter;

(e) For the eventuality that the Person Responsible, member of the Support Personnel or other Person does not accept the proposed Consequences, shall already grant to the Person Responsible, member of the Support Personnel or other Person a deadline (which shall not be more than twenty (20) days from receipt of the letter of charge unless extended subject to the prior written agreement of the FEI Legal Department) to challenge in writing the FEI's

EQUINE CONTROLLED MEDICATION RULES

assertion of an ECM Rule violation and/or proposed Consequences, and/or make a written request for a hearing before the relevant hearing panel;

(f) Shall indicate that if the Person Responsible, member of the Support Personnel or other Person does not challenge the FEI's assertion of an ECM Rule violation or proposed Consequences nor request a hearing within the prescribed deadline, the FEI shall be entitled to deem that the Person Responsible, member of the Support Personnel or other Person has waived their right to a hearing and admitted the ECM Rule violation as well as accepted the Consequences set out by the FEI in the letter of charge;

(g) Shall indicate that the Person Responsible, member of the Support Personnel or other Person may be able to obtain a suspension of Consequences if they provide Substantial Assistance under Article 10.6.1, may admit the ECM Rule violation(s) within twenty (20) days from receipt of the letter of charge (unless extended subject to the prior written agreement of the FEI Legal Department) and potentially benefit from a three (3) month reduction in the period of Ineligibility under Article 10.8.1 (if applicable) and/or seek to enter into a case resolution agreement by admitting the anti-doping rule violation(s) under Article 10.8.2; and

(h) Shall set out any matters relating to Provisional Suspension as per Article 7.4 (if applicable).

In the discipline of Endurance, where proceedings are opened against a registered Trainer of the Horse, the registered Trainer shall be charged accordingly and the provisions of this Article 7.5 that apply to the Person Responsible and the Owner shall also apply to the registered Trainer.

7.5.2 The notice of charge notified to the Person Responsible, member of the Support Personnel or other Person shall simultaneously be notified by the FEI to the Person Responsible, member of the Support Personnel or other Person National Federation.

7.5.3 In the event that the Person Responsible, member of the Support Personnel or other Person either (i) admits the ECM Rule violation and accepts the proposed Consequences or (ii) is deemed to have admitted the violation and accepted the Consequences as per Article 7.5.1(f), the FEI Tribunal shall promptly issue the decision and notify it in accordance with Article 8.4.3.

7.5.4 If, after the Person Responsible, member of the Support Personnel or other Person on has been charged, the FEI decides to withdraw the charge, it must notify the Person Responsible, member of the Support Personnel or other Person and give notice (with reasons) to the bodies with a right of appeal under Article 12.2.

7.5.5 In the event that the Person Responsible, member of the Support Personnel or other Person requests a hearing, the matter shall be referred to the FEI Tribunal and be dealt with pursuant to Article 8.

7.6 Intentionally Omitted

7.7 Retirement from Sport

EQUINE CONTROLLED MEDICATION RULES

If a *Person Responsible* and/or member of the *Support Personnel* retires while a Results Management process is underway, the FEI retains jurisdiction authority to complete its Results Management process. If a *Person Responsible* and/or member of the *Support Personnel* retires before any Results Management process has begun and the FEI would have had Results Management authority over the Person Responsible or member of the Support Personnel or other Person at the time the Person Responsible or member of the Support Personnel committed an ECM Rule violation, the FEI similarly has jurisdiction to conduct Results Management.

~~7.6 Resolution Without a Hearing~~

~~7.6.1 Agreement between Parties~~

~~In cases where the Administrative Procedure, as set out in Article 8.3 below, is not available, at any time during the results management process the Person Responsible and/or member of the Support Personnel and/or Owner against whom an anti-doping rule violation is asserted may admit that violation at any time, waive a hearing and may agree with the FEI on the Consequences that are mandated by these ECM Rules or (where some discretion as to Consequences exists under these ECM Rules) that have been offered by the FEI. The agreement shall be submitted to the FEI Tribunal for approval and, where approved by the FEI Tribunal, the final agreement shall state the full reasons for any period of Ineligibility agreed, including (if applicable), a justification for why the flexibility in Sanction was applied. Such agreement shall be considered as a decision for the case and will be reported to the parties with a right to appeal under 12.2.2 and published as provided in Article 13.3.~~

ARTICLE 8 RIGHT TO A FAIR HEARING

8.1 Hearings before the *FEI Tribunal*

8.1.1 The *FEI Tribunal* shall *Decide* all cases involving violations of these *ECM Rules*.

8.1.2 When the FEI sends a *Notice* to a *Person Responsible* and/or a member of the *Support Personnel* and/or other Person and/or Owner asserting a violation of these ECM Rules and the *Person Responsible* and/or member of the *Support Personnel* and/or other Person does not waive a hearing in accordance with Article 8.4, then the case shall be assigned to a *Hearing Panel* of the *FEI Tribunal* for hearing and adjudication.

8.1.3 Hearings pursuant to this Article shall be completed expeditiously following the completion of the Results Management or investigation process described in Article 7 and the submission of all relevant evidence and pleadings by the parties. The *Person Responsible* and/or member of the *Support Personnel* and/or other Person (where applicable) alleged to have violated the *ECM Rules* shall cooperate promptly in the submission of such evidence and pleadings and in attendance at a hearing if requested by the *FEI Tribunal*.

EQUINE CONTROLLED MEDICATION RULES

8.1.4 The *Person Responsible* and/or member of the *Support Personnel* (including *Owner*) and/or other *Person* alleged to have violated the *ECM Rules* may attend the hearing under all circumstances.

8.1.5 A *Person Responsible* and/or member of the *Support Personnel* (where applicable) and/or other *Person* may acknowledge the *ECM Rule* violation and accept consequences consistent with Articles 8.3.3 and 8.3.4 of the *ECM Rules* (if the Administrative Procedure is elected) or Articles 9 and 10 *ECM Rules* as proposed by the *FEI*.

8.2 Fair Hearings

8.2.1 Fair, Impartial and Operationally Independent Hearing Panel

8.2.1.1 The *FEI* shall establish a Hearing Panel, the *FEI Tribunal*, which has jurisdiction to hear and determine whether an *Person Responsible* and/or member of the *Support Personnel* and/or other *Person*, subject to these *ECM Rules*, has committed an *ECM Rule* violation and, if applicable, to impose relevant *Consequences*.

8.2.1.2 The *FEI* shall ensure that the *FEI Tribunal* is free of conflict of interest and that its composition, term of office, professional experience, Operational Independence and adequate financing comply with the requirements set out in these *ECM Rules*.

8.2.1.3 Board members, staff members, commission members and consultants of the *FEI* or its affiliates (e.g. National Federations or confederation), as well as any *Person* involved in the investigation and pre-adjudication of the matter, cannot be appointed as members and/or clerks (to the extent that such clerk is involved in the deliberation process and/or drafting of any decision) of the *FEI Tribunal*. In particular, no member shall have previously considered any Results Management decision, or appeals in the same given case.

8.2.1.4 The *FEI Tribunal* shall consist of an independent Chair and at least six (6) other independent members.

8.2.1.5 Each member shall be elected by taking into consideration their requisite equine anti-doping/sports law experience including their legal, sports, medical and/or scientific expertise. Each member shall be appointed for a once renewable term of four (4) years.

8.2.1.6 The *FEI Tribunal* shall be in a position to conduct the hearing and decision-making process without interference from the *FEI* or any third party.

8.2.2 Principles for a Fair Hearing

Hearings must be held in accordance with the following principles:

8.2.2.1 The hearing panel must remain fair, impartial and Operationally Independent at all times;

8.2.2.2 The Hearing Process shall be accessible and affordable;

8.2.2.3 The Hearing Process shall be conducted within a reasonable time:

8.2.2.4 The right to be informed in a fair and timely manner of the asserted ECM Rule violation(s), the right to be represented by counsel at the Person Responsible, member of the Support Personnel (including the Owner) or other Person's own expense, the right of access to and to present relevant evidence, the right to submit written and oral submissions, the right to call and examine witnesses, and the right to an interpreter at the hearing at the Person Responsible, member of the Support Personnel (including the Owner) or other Person's own expense.

8.2.2.5 The parties shall be notified of the identity of the FEI Tribunal panel member(s) appointed to hear and determine the matter and be provided with their declaration at the outset of the Hearing Process. The parties shall be informed of their right to challenge the appointment of any hearing panel member if there are grounds for potential conflicts of interest within seven (7) days from the ground for the challenge having become known. Any challenge shall be decided upon by an independent person from the wider pool of FEI Tribunal members.

8.2.3 Hearing Process

8.2.3.1 When the FEI sends a notice to a Person Responsible, member of the Support Personnel or other Person notifying them of a potential ECM Rule violation, and the Person Responsible, member of the Support Personnel or other Person does not waive a hearing in accordance with Article 8.5.1 or Article 8.5.2, then the case shall be referred to the FEI Tribunal for hearing and adjudication, which shall be conducted in accordance with the principles described above.

8.2.3.2 The Chair shall appoint either one (1) member or three (3) members (which may include the Chair) to hear that case.

8.2.3.3 Upon appointment by the Chair as a member of the FEI Tribunal, each member must also sign a declaration that there are no facts or circumstances known to him or her which might call into question their impartiality in the eyes of any of the parties, other than those circumstances disclosed in the declaration.

8.2.3.4 Hearings held in connection with Events in respect to Person Responsible, member of the Support Personnel or other Person who are subject to these ECM Rules may be conducted by an expedited process where permitted by the FEI Tribunal.

8.2.3.5 The National Federation of Person Responsible, member of the Support Personnel or other Person may attend the hearing as observers. In any event, the FEI shall keep them fully apprised as to the status of pending cases and the result of all hearings.

8.3 Administrative Procedure

8.3.1 For *Adverse Analytical Findings* involving *Controlled Medication Substances*, the *Person Responsible* (excluding the registered Trainer in Endurance) and/or member of the *Support Personnel* (where applicable) may elect to have their case processed under the "Administrative Procedure" provided that:

- a. No more than one (1) *Controlled Medication Substance* (including its metabolites or markers) is detected in the *Sample*;
- b. The *Person Responsible* and/or member of the *Support Personnel* (where applicable) and the *Horse* are first-time offenders (namely, no record of any *EAD* or *ECM Rule* violations, or violations of any predecessor rules) without any pending or concluded cases within the last four (4) years preceding the *Sample* which caused the *Adverse Analytical Finding*. A prior violation of any EAD or ECM Rule where the Person Responsible and/or member of the Support Personnel was found to have No Fault or Negligence shall not be considered as a violation for the purpose of this Article 8.3.1(b); and

EQUINE CONTROLLED MEDICATION RULES

c. The *Event* during which the *Sample* was taken from the *Horse* is not part of the Olympic Games, Paralympic Games or World Equestrian Games.

Notwithstanding the foregoing, in the discipline of Endurance, the registered Trainer cannot elect to have his/her case processed under the Administrative Procedure.

8.3.2 If the Person Responsible requests a hearing before the *FEI Tribunal*, Article 10 below shall apply at the discretion of the *Hearing Panel*.

8.3.3 Where the *Administrative Procedure* is applied by the *FEI*, the following consequences shall be imposed and no other consequences, including those set forth in Article 10 below or elsewhere in these *ECM Rules*, shall be applicable to any *Person* who has elected this *Administrative Procedure*:

Where the Administrative Procedure is applied by the FEI for an ECM Rule violation, that ECM Rule violation shall not count as a prior violation for the purposes of Article 10.9 (Multiple Violations) of these ECM Rules.

8.3.4 Where the *Person Responsible* is a *Minor* at the time of the *Event*, the consequences shall be limited to *Disqualification* from the *Event* and forfeiture of all prizes and prize money won at the *Event*, in addition to payment of any costs associated with the *Administrative Procedure*.

8.3.5 In order to apply this *Administrative Procedure*, the *Person Responsible* and/or member of the *Support Personnel* (where applicable) must execute an *Acceptance Form* within fourteen (14) calendar days following the date of the *Notice* in which the *FEI* offers this *Administrative Procedure* to the *Person* alleged to have committed the *ECM Rule* violation. The *FEI* may reasonably extend such deadline provided the file has not yet been circulated to the *FEI Tribunal* or any of its members.

8.3.6 If the *Person Responsible* and/or member of the *Support Personnel* (where applicable) does not elect the *Administrative Procedure* within the fixed time limit, the *Administrative Sanctions* shall be considered declined and the case shall be submitted to the *FEI Tribunal* for final *Decision*. The *FEI Tribunal* may impose *Sanctions* and costs which may be more or less severe than the ones provided for in the *Administrative Procedure*.

EQUINE CONTROLLED MEDICATION RULES

8.3.7 A record of *Administrative Procedure* Sanctions will be published, on a weekly basis, on the *FEI* website.

8.4 Decisions

8.4.1 At the end of the hearing, or on a timely basis thereafter, the *FEI Tribunal* shall issue a written decision that includes the the jurisdictional basis and applicable rules, detailed factual background; ECM Rule violation(s) committed, applicable Consequences ~~full reasons for the decision and for any period of Ineligibility imposed~~, including (if applicable) a justification for why the greatest potential *Consequences* were not imposed and the appeal route and the applicable deadline. The *FEI Tribunal* may decide to communicate the operative part of the decision to the parties, prior to the reasons. The decision shall be enforceable from such notification of the operative part by courier, facsimile and/or electronic mail.

8.4.2 If no appeal is brought against the decision, then (a) if the decision is that an *ECM Rule* violation was committed, the decision shall be *Publicly Disclosed* as provided in Article 13.3.2; but (b) if the decision is that no *ECM Rule* violation was committed, then the decision shall only be *Publicly Disclosed* with the consent of the *Person Responsible* and/or member of the *Support Personnel*. The *FEI* shall use reasonable efforts to obtain such consent, and if consent is obtained, shall *Publicly Disclose* the decision in its entirety or in such redacted form as the *Person Responsible* and/or member of the *Support Personnel* may approve.

8.4.3 Notification of Decisions

8.4.3.1 The *FEI* shall notify, directly and/or or indirectly via the *FEI Tribunal Clerk*, the decision to the *Person Responsible*, member of the *Support Personnel* or other *Person* and to other *Anti-Doping Organizations* with a right to appeal under Article 12.2. The decision may be appealed as provided in Article 12.

8.4.3.2 When being notified of the *Decision*, the *Person Responsible*, member of the *Support Personnel* or other *Person* must also be informed of the following:

(a) If subject to a period of *Ineligibility* shall be made aware of their status during *Ineligibility*, including the *Consequences* of a violation of the prohibition of participation during *Ineligibility*, pursuant to Article 10.14.

8.5 Waiver of Hearing

EQUINE CONTROLLED MEDICATION RULES

- 8.5.1** ~~A Person Responsible and/or member of the Support Personnel and/or Owner and/or other Person may waive a hearing expressly and agree with the Consequences proposed by the FEI.~~
- 8.5.2** ~~Alternatively/However, if the Person Responsible and/or member of the Support Personnel and/or Owner and/or other Person against whom an ECM Rule violation is asserted fails to dispute that assertion within ten (10) twenty (20) days of Notification (or within any or the other deadline specified in the notice sent by the FEI, as may be imposed in a specific case) that such a violation is alleged, then he/she shall be deemed to have waived a hearing, to have admitted the violation, to have waived a hearing, and to have accepted the proposed Consequences that are mandated by these ECM Rules or (where some discretion as to Consequences exists under these ECM Rules) that have been offered by the FEI provided that FEI Tribunal approval has been provided.~~
- 8.5.3** ~~In cases where Article 7.6-28.5.1 or 8.5.2 applies, a hearing before a hearing panel/the FEI Tribunal shall not be required. Instead the FEI Tribunal shall promptly issue a written decision that conforms with the requirements of Article 8.4 and which includes confirming the commission of the ECM Rule violation and the Consequences imposed as a result, and setting out the full reasons for the decision, any/the period of Ineligibility imposed, including (if applicable) a justification for why the maximum potential period of Ineligibility was not imposed, the Disqualification of results under Article 10.10 and, if applicable, a justification for why the greatest potential Consequences were not imposed.~~
- 8.5.4** ~~The FEI shall notify send copies of that decision to the Person Responsible and/or member of the Support Personnel and/or other Person and to other Anti-Doping Organizations with a right to appeal under Article 12.2-2. The FEI, and shall Publicly Disclose that decision in accordance with Article 13.3.~~

ARTICLE 9 AUTOMATIC DISQUALIFICATION OF ~~INDIVIDUAL~~ RESULTS

- 9.1** For cases other than those prosecuted under the Administrative Procedure, a violation of these *ECM Rules* in connection with a *Test* in a given *Competition* automatically leads to the *Disqualification* of the result(s) of the *Person Responsible* and *Horse* combination obtained in that *Competition* with all resulting consequences, including forfeiture of any related medals, points and prizes.

Where applicable, consequences to teams are detailed in Article 11.

Even if a Sanction is reduced or eliminated under Article 10 below, such reduction or eliminated shall under no circumstances eliminate the automatic *Disqualification* of ~~Individual the~~ Result(s) mandated by this Article 9.

- 9.2** In circumstances where the *Person Responsible* and *Owner* are informed of an *Adverse Analytical Finding* in accordance with Article 7.1 and

EQUINE CONTROLLED MEDICATION RULES

- (i) the B *Sample* analysis confirms the A *Sample* analysis; or
- (ii) the right to request the analysis of the B *Sample* is not exercised; and
- (iii) where requested by the FEI and/or the Person Responsible,

the matter will be submitted to the *FEI Tribunal* who shall decide whether or not to apply Article 9.1 at that stage of the proceedings by issuing a partial *Decision*.

ARTICLE 10 SANCTIONS

10.1 *Disqualification of Results in the Event during which an ECM Rule Violation Occurs*

The following rules relating to the *Disqualification* of results will apply to cases other than those prosecuted under the Administrative Procedure:

10.1.1 At the Olympic Games, and Paralympic Games, ~~FEI World Equestrian Games, FEI Championships for Seniors, and Regional Games~~: An *ECM Rule* violation occurring during or in connection with ~~an~~ the *Event* shall lead to *Disqualification* of all of the *Person Responsible's* ~~individual~~ results obtained in that *Event*, with any and all *Horses* with which the *Person Responsible* competed, with all consequences (and the resulting consequences to teams as provided in Article 11), including forfeiture of all medals, points and prizes, ~~except as provided in Article 10.1.1.~~

10.1.2 ~~At all other Events at which these ECM Rules apply, an ECM Rule violation occurring during or in connection with an Event shall, upon the decision of the FEI Tribunal, lead to Disqualification of all of the Person Responsible's results obtained in that Event, with any and all Horses, with all Consequences, including forfeiture of all medals, points and prizes, unless the Horse(s) tested negative in another Competition(s) prior to the Competition in which the ECM Rules were violated, in which case the result(s) obtained by the Person Responsible in that Competition(s) will not be Disqualified.~~

~~Where applicable, consequences to teams will take place shall be as provided in Article 11.~~

EQUINE CONTROLLED MEDICATION RULES

~~10.1.4 If the Person Responsible establishes that he bears No Fault or Negligence for the ECM Rule violation, the Person Responsible's individual results in the other Competitions shall not be Disqualified unless the Person Responsible's results in Competitions other than the Competition in which the ECM Rule violation occurred were likely to have been affected by the Person Responsible's ECM Rule violation.~~

10.1.35 In addition, the *Person Responsible's Horse* may also be *Disqualified* from the entire *Event* with all consequences, including forfeiture of all medals, points, and prizes even if earned while being ridden by someone other than the *Person Responsible*, if the *Horse's* results in *Competitions* other than the *Competition* in which the *ECM Rule* violation occurred were likely to have been affected by the *ECM Rule* violation.

10.2 *Ineligibility and Fine for Presence, Use or Attempted Use of Controlled Medication Substances or Controlled Medication Methods*

The period of *Ineligibility* for a violation of Articles 2.1, 2.2 or 2.5 shall be six months, subject to potential reduction or suspension pursuant to Articles 10.4, 10.5 or 10.6.

10.3 *Ineligibility for Other Rule Violations*

The period of *Ineligibility* for violations of these *ECM Rules* other than as provided in Article 10.2 shall be:

10.3.1 For violations of Article 2.3 (*Tampering or Attempted Tampering with Controlled Medication*), Article 2.4 (Assisting, encouraging, aiding, abetting, covering up or any other type of complicity involving an *ECM Rule* violation or any *Attempted ECM Rule* violation), the period of *Ineligibility* set forth in Article 10.2 shall apply unless the conditions for eliminating, reducing or increasing the Sanction provided in Articles 10.4, or 10.5 are met. A *Fine* of up to CHF 15,000 and appropriate legal costs shall also be imposed.

10.4 *Aggravating Circumstances which may Increase the Period of Ineligibility*

If the FEI establishes in an individual case involving an *ECM Rule* violation other than violations under Article 2.7 (*Trafficking or Attempted Trafficking*), 2.8 (*Administration or Attempted Administration*), 2.9 (*Complicity*) or 2.11 (*Acts by a Person Responsible or Other Person to Discourage or Retaliate Against Reporting*) that *Aggravating Circumstances* are present which justify the imposition of a period of *Ineligibility* greater than the standard sanction, then the period of *Ineligibility* otherwise applicable shall be increased by an additional period of *Ineligibility* of up to six (6) months depending on the seriousness of the violation and the nature of the *Aggravating Circumstances*, unless the *Person Responsible*, member of the *Support Personnel* or other *Person* can establish that he or she did not knowingly commit the *ECM Rule* violation.

10.5 Elimination of the Period of *Ineligibility* Where there is No Fault or Negligence

If the *Person Responsible* and/or member of the *Support Personnel* and/or other Person (where applicable) establishes in an individual case that he/she bears *No Fault or Negligence* for the *ECM Rule* violation, the otherwise applicable period of *Ineligibility* and other Sanctions (apart from Article 9) shall be eliminated in regard to such *Person*. When a *Controlled Medication Substance* and/or its *Metabolites* or *Markers* is detected in a *Horse's Sample* in violation of Article 2.1 (presence of a *Controlled Medication Substance*), the *Person Responsible* and/or member of the *Support Personnel* and/or other Person (where applicable) must also establish how the *Controlled Medication Substance* entered the *Horse's* system in order to have the period of *Ineligibility* and other Sanctions eliminated. In the event this Article is applied and the period of *Ineligibility* otherwise applicable is eliminated, the *ECM Rule* violation shall not be considered a violation for the limited purpose of determining the period of *Ineligibility* for Multiple Violations under Article 10.98 below and shall not be considered a prior violation for the purpose of Article 8.3 (Administrative Procedure) above.

Article 10.54 can apply in cases involving Specified Substances. Otherwise Article 10.54 only applies in exceptional circumstances. *No Fault or Negligence* does not apply in the following circumstances:

- (a) where the presence of the *Controlled Medication Substance* in a *Sample* came from a mislabeled or contaminated supplement. *Persons Responsible* are responsible for what their *Horses* ingest and have been warned about the possibility of supplement contamination.
- (b) the *Administration* of a *Controlled Medication Substance* by the *Person Responsible's* veterinary personnel or member of the *Support Personnel* without disclosure to the *Person Responsible*. *Persons Responsible* are responsible for their choice of veterinary personnel and *Support Personnel* and for advising veterinary personnel and *Support Personnel* that the presence of a *Controlled Medication Substance* in a *Horse's* system is forbidden during an *Event* without a valid *Veterinary Form*.

10.65 Reduction of the Period of *Ineligibility* based on No Significant Fault or Negligence

10.65.1 Reduction of Sanctions ~~for Specified Substances and Contaminated Products~~ in Particular Circumstances

All reductions under 10.6.1 are mutually exclusive and not cumulative.

10.65.1.1. Specified Substances

Where the *ECM rule* violation involves a *Controlled Medication Substance* that is a *Specified Substance*, and the *Person Responsible* and/or member of the *Support Personnel* and/or other Person can establish *No Significant Fault or Negligence*, then the period of *Ineligibility* shall be, at a minimum, a reprimand and no period of *Ineligibility*, and at a maximum, six months of *Ineligibility*, depending on the *Person Responsible's* or other *Person's* degree of *Fault*. Where

EQUINE CONTROLLED MEDICATION RULES

the *Person Responsible* and/or member of the *Support Personnel* and/or other Person intends to establish that he/she bears *No Fault or Negligence*, Article 10.54 shall apply.

10.56.1.2. Contaminated Products or Other Contamination

In cases where the *Person* and/or member of the *Support Personnel* and/or other Person can establish *No Significant Fault or Negligence* and that the detected *Controlled Medication* came from a *Contaminated Product* or that the detected Controlled Medication was caused by another form of contamination, then the period of *Ineligibility* shall be, at a minimum, a reprimand and no period of *Ineligibility*, and at a maximum, six months *Ineligibility*, depending on such *Person's* and/or member of the *Support Personnel's* and/or other Person's degree of *Fault*.

10.65.2 Application of No Significant Fault or Negligence beyond the Application of Article 10.56.1

If a *Person Responsible* and/or member of the *Support Personnel* and/or other Person (where applicable) establishes in an individual case where 10.6.1 is not available that he bears *No Significant Fault or Negligence*, then, subject to further reduction or elimination as provided in Article 10.7, the otherwise applicable period of *Ineligibility* and other Sanctions (apart from Article 9) may be reduced in regard to such *Person*. When a *Controlled Medication Substance* or its *Metabolites* or *Markers* is detected in a *Horse's Sample* in violation of Article 2.1 (presence of a *Controlled Medication Substance* and/or its *Metabolites* or *Markers*), the *Person* alleged to have committed the *ECM Rule* violation must also establish how the *Controlled Medication Substance* or its *Metabolites* or *Markers* entered the *Horse's* system in order to have the period of *Ineligibility* and other Sanctions reduced.

10.76 Elimination, Reduction, or Suspension of Period of *Ineligibility* or other Consequences for Reasons Other than *Fault*

10.76.1 Substantial Assistance in Discovering or Establishing *ECM Rule* Violations

The *FEI Tribunal* may, prior to an ~~final~~ appellate *Decision* under Article 12 below or the expiration of the time to appeal, suspend a part or all of the ~~period of *Ineligibility* Consequences (other than *Disqualification* and mandatory *Public Disclosure*)~~ imposed in an individual case where the *FEI* confirms that the *Person Responsible* and/or member of the *Support Personnel* and/or other Person has provided *Substantial Assistance* to the *FEI*, the *Equestrian Community Integrity Unit*, criminal authority or professional disciplinary body which results in (i) the *FEI* discovering or bringing forward an *ECM Rule* violation and/or an *EAD Rule* violation; and/or an *FEI Anti-Doping Rules for Human Athletes* violation by another *Person* or (ii) which results in a criminal or disciplinary body discovering or bringing forward a criminal offence or the breach of professional rules by another *Person* and the information provided by such *Person* providing *Substantial Assistance* is made available to the *FEI*. Such *Substantial Assistance* must be independently corroborated in order to reduce the period of *Ineligibility* and under no circumstance should it amount only to blaming another *Person* or entity for the alleged *ECM Rule* violation.

EQUINE CONTROLLED MEDICATION RULES

The extent to which the otherwise applicable period of *Ineligibility* may be suspended shall be based on the seriousness of the *ECM Rule* violation committed and the significance of the *Substantial Assistance* provided in an effort to promote medication-free *Competition, compliance with the ECM Rules and/or the integrity of equestrian sport*. In any event, no more than three-quarters of the otherwise applicable period of *Ineligibility* may be suspended. If the otherwise applicable period of *Ineligibility* is a lifetime, the non-suspended period under this section must be no less than eight (8) years. For purposes of this paragraph, the otherwise applicable period of *Ineligibility* shall not include any period of *Ineligibility* that could be added under Article 10.9.3.2 of these *ECM Rules*.

If so requested by *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* who seeks to provide *Substantial Assistance*, the *FEI* shall allow the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* to provide the information to it subject to a *Without Prejudice Agreement*.

If the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* fails to continue to cooperate and to provide the complete and credible *Substantial Assistance* upon which a suspension of the ~~period of *Ineligibility* Consequences~~ was based, the *FEI Tribunal* shall reinstate the original ~~period of *Ineligibility* Consequence(s)~~. If the *FEI Tribunal* decides to reinstate ~~a suspended/suspended period of *Ineligibility* Consequence(s) or decides not to reinstate suspended Consequence(s)~~, that decision may be appealed by any *Person* entitled to appeal under Article 12.

10.7.2 Admission of an *ECM Rule* Violation in the Absence of Other Evidence

Where a *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* voluntarily admits the commission of an *ECM Rule* violation before having received *Notice* of a *Sample* collection which could establish an *ECM Rule* violation (or, in the case of a *ECM Rule* violation other than Article 2.1, before receiving first *Notice* of the admitted violation pursuant to Article 7) and that admission is the only reliable evidence of the violation at the time of admission, then the period of *Ineligibility* may be reduced subject to the discretion of the *Hearing Panel*.

~~10.6.3 Prompt Admission of an Anti-Doping Rule Violation after being Confronted with a Violation Sanctionable under Article 10.3.1~~

~~A *Person Responsible* and/or member of the *Support Personnel* potentially subject to a one year sanction under 10.3.1 (for *Tampering with Sample Collection*), by promptly admitting the asserted anti-doping rule violation after being confronted by the *FEI*, and also upon the approval and at the discretion the *FEI Tribunal*, may receive a reduction in the period of *Ineligibility* down to a minimum of one half of the otherwise applicable period of *Ineligibility*;~~

~~depending on the seriousness of the violation and the *Person Responsible* and/or member of the *Support Personnel's* degree of *Fault*.~~

~~**10.7.36.4 Where a *Person Responsible* and/or member of the *Support Personnel* Establishes Entitlement to a Reduction in Sanction Under More than One Provision of this Article**~~
Application of Multiple Grounds for Reduction of a Sanction

If the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* establishes entitlement to a reduction or suspension of the period of *Ineligibility* under two (2) or more of Articles 10.54, 10.65 or 10.76, before applying any reduction or suspension under Article 10.7, the otherwise applicable then the shall be determined in accordance with Articles 10.2, 10.3, 10.5 and 10.6. If the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* establishes entitlement to a reduction or suspension of the period of *Ineligibility* under Article 10.7, then the period of *Ineligibility* may be reduced or suspended further subject to the discretion of the *Hearing Panel*.

10.87 Results Management Agreements

10.8.1 Three (3) Month Reduction for Certain ECM Rule Violations Based on Early Admission and Acceptance of Sanction

Where *Person Responsible* and/or member of the *Support Personnel* and/or other *Person*, after being notified by the FEI of a potential *ECM Rule* violation that carries an asserted period of *Ineligibility* of six (6) months or more (including any period of *Ineligibility* asserted under Article 10.4), admits the violation and accepts the asserted period of *Ineligibility* no later than twenty (20) days after receiving notice of an *ECM Rule* violation charge, the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* may receive a three (3) month reduction in the period of *Ineligibility* asserted by the FEI. Where the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* receives the three (3) month reduction in the asserted period of *Ineligibility* under this Article 10.8.1, no further reduction in the asserted period of *Ineligibility* shall be allowed under any other Article.

10.8.2 Case Resolution Agreement

Where the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* admits an *ECM Rule* violation after being confronted with the *ECM Rule* violation by the FEI and agrees to *Consequences* acceptable to the FEI, at its sole discretion, then: (a) the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* may receive a reduction in the period of *Ineligibility* based on an assessment by the FEI of the application of Articles 10.1 through 10.7 to the asserted *ECM Rule* violation, the seriousness of the violation, the *Person Responsible* and/or member of the *Support Personnel's* and/or other *Person's* degree of *Fault* and how promptly the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* admitted the violation; and (b) the period of *Ineligibility* may start as early as the date of *Sample* collection or the date on which another *ECM Rule* violation last occurred.

EQUINE CONTROLLED MEDICATION RULES

In each case, however, where this Article is applied, the Person Responsible and/or member of the Support Personnel and/or other Person shall serve at least one-half of the agreed-upon period of Ineligibility going forward from the earlier of the date the Person Responsible and/or member of the Support Personnel and/or other Person accepted the imposition of a sanction or a Provisional Suspension which was subsequently respected by the Person Responsible and/or member of the Support Personnel and/or other Person.

The agreement shall be submitted to the FEI Tribunal for the sole purpose of the FEI Tribunal confirming that the above criteria have been fulfilled (or do not apply) and, where so confirmed by the FEI Tribunal, the final agreement shall state the full reasons for any period of Ineligibility agreed, including (if applicable), a justification for why the flexibility in Sanction was applied. Such agreement shall be considered as a decision for the case and will ~~and~~ be published as provided in Article 13.3 The decision by the FEI to enter or not enter into a case resolution agreement, and the amount of the reduction to, and the starting date of, the period of Ineligibility and the confirmation of the case resolution agreement by the FEI Tribunal are not subject to appeal under Article 13.

If so requested by a Person Responsible and/or member of the Support Personnel and/or other Person who seeks to enter into a case resolution agreement under this Article, the FEI shall allow the Person Responsible and/or member of the Support Personnel and/or other Person to discuss an admission of the ECM Rule violation with it subject to a Without Prejudice Agreement.

~~10.7 Aggravating Circumstances Which May Increase the Period of Ineligibility~~

~~If the FEI establishes in an individual case involving an ECM Rule violation other than violations under Article 2.4 above (Assisting, encouraging, aiding, abetting, covering up or any other type of complicity involving an ECM Rule violation or any Attempted Rule violation) that aggravating circumstances are present which justify the imposition of a period of Ineligibility greater than the standard Sanction, then the period of Ineligibility otherwise applicable shall be increased up to a maximum of two (2) years unless the Person Responsible and/or member of the Support Personnel (where applicable) can prove to the comfortable satisfaction of the Hearing Panel that he or she did not knowingly commit the ECM Rule violation. The occurrence of multiple substances or methods may be considered as a factor in determining aggravating circumstances under this Article 10.7. The Person Responsible and/or member of the Support Personnel can avoid the application of this article by admitting the ECM Rule violation as asserted promptly after being confronted with the Rule violation by the FEI.~~

10.98 Multiple Violations

10.98.1 Second or Third ECM Rule Violation

10.9.1.1 For a Person Responsible and/or member of the Support Personnel's and/or other Person's second ECM Rule violation (within the previous 4 years), the period of Ineligibility shall be the greater of:

EQUINE CONTROLLED MEDICATION RULES

(a) three months;

~~(b) one-half of the a~~ period of *Ineligibility* in the range between:

~~(i) the sum of the period of *Ineligibility* imposed for the first ECM Rule violation without taking into account any reduction under Article 10.6 plus the period of *Ineligibility* otherwise applicable to the second ECM Rule violation treated as if it were a first violation; and/or~~

(ii) twice the period of *Ineligibility* otherwise applicable to the second ECM Rule violation treated as if it were a first violation with the period of *Ineligibility* within this range to be determined based on the entirety of the circumstances and the *Person Responsible* and/or member of the *Support Personnel's* and/or other *Person's* with respect to the second violation, without taking into account any reduction under Article 10.6.

~~The period of *Ineligibility* established above may then be further reduced by the application of Article 10.6.~~

10.9.1.2 For a third ECM Rule violation, within the previous 4 years, the Hearing Panel shall have the discretion to increase the Sanction to up to 4 years of *Ineligibility*. For a fourth or more ECM Rule violation, within the previous 4 years, the *Hearing Panel* shall have the discretion to impose a lifetime period of *Ineligibility* and shall in no circumstances render a Sanction of less than 4 years *Ineligibility*.

10.9.1.3 The period of *Ineligibility* established in Articles 10.9.1.1 and 10.9.1.2 may then be further reduced by the application of Article 10.7

The conditions set out in Articles 10.98.1.1 and 10.89.1.2 above shall apply in case one or more of the rule violations previously committed were *EAD Rule* violations. However, these Articles shall also be applicable if the *EAD Rule* violation preceding the current *ECM Rule* violation occurred in the previous 10 years.

10.98.23 An ECM Rule violation for which an *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* has established *No Fault or Negligence* shall not be considered a prior violation for purposes of this Article.

10.89.34 Additional Rules for Certain Potential Multiple Violations

~~10.8.4.1~~**10.9.3.1** For purposes of imposing sanctions under Article 10.98, except as provided in Article 10.9.3.2 and 10.9.3.3 an ECM Rule violation will only be considered a second violation if FEI can establish that the *Athlete* or other *Person* committed the ~~additional~~second ECM Rule violation after the *Person Responsible* or other *Person* received notice pursuant to Article 7, or after the FEI made reasonable efforts to give notice of the first ECM Rule violation. If the FEI cannot establish this, the violations shall be considered together as one single first

EQUINE CONTROLLED MEDICATION RULES

violation, and the sanction imposed shall be based on the violation that carries the more severe sanction.

10.9.3.2 If the FEI establishes that an *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* and that the additional violation occurred twelve (12) months or more before or after the first-noticed violation, then the period of *Ineligibility* for the additional violation shall be calculated as if the additional violation were a stand-alone first violation and this period of *Ineligibility* is served consecutively, rather than concurrently, with the period of *Ineligibility* imposed for the earlier-noticed violation. Where this Article 10.9.3.2 applies, the violations taken together shall constitute a single violation for purposes of Article 10.9.1.

10.9.3.3 If the FEI establishes that *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* committed a violation of Article 2.4 of the *ECM Rules* in connection with the *Doping Control* process for an underlying asserted *ECM Rule* violation, the violation of Article 2.4 shall be treated as a stand-alone first violation and the period of *Ineligibility* for such violation shall be served consecutively, rather than concurrently, with the period of *Ineligibility*, if any, imposed for the underlying *ECM Rule* violation. Where this Article 10.9.3.3 is applied, the violations taken together shall constitute a single violation for purposes of Article 10.9.1.

10.9.3.4 If the FEI establishes that *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* has committed a second or third *ECM Rule* violation during a period of *Ineligibility*, the periods of *Ineligibility* for the multiple violations shall run consecutively, rather than concurrently.

~~10.8.4.2~~ If, after the imposition of a sanction for a first *ECM Rule* violation, the FEI discovers facts involving an *ECM Rule* violation by the *Person Responsible* and/or member of the *Support Personnel* which occurred prior to notification regarding the first violation, then FEI shall impose an additional sanction based on the sanction that could have been imposed if the two violations had been adjudicated at the same time. Results in all *Competitions* dating back to the earlier anti-doping rule violation will be *Disqualified* as provided in Article 10.9.

10.8.59.4 Violations Involving Both a *Controlled Medication Substance* or *Method* and a *Banned Substance* or *Method*

Where a *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* based on the same factual circumstances is found to have committed an *ECM Rule* violation involving both (a) *Controlled Medication Substance(s)* or (a) *Controlled Medication Method(s)* under these *ECM Rules* and (a) *Banned Substance(s)* or *Banned Method(s)* under the *EAD Rules*, the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* shall be considered to have committed one rule violation, but the

EQUINE CONTROLLED MEDICATION RULES

Sanction imposed shall be based on the *Banned Substance* or *Banned Method* that carries the most severe Sanction.

10.109 *Disqualification of Results in Competitions Subsequent to Sample Collection or Commission of an ECM Rule Violation*

10.910.1 In addition to the automatic *Disqualification* of the results in the *Competition/the Event* which produced the positive *Sample* under Article 9 (Automatic *Disqualification* of Results), all other competitive results obtained from the date a positive *Sample* was collected, or other *ECM Rule* violation occurred, through the commencement of any *Provisional Suspension* or *Ineligibility* period, shall, unless fairness requires otherwise, be *Disqualified* with all of the resulting consequences including forfeiture of any medals, points and prizes.

10.910.2 As a condition of regaining eligibility after being found to have committed an *ECM Rule* violation, the *Person Responsible* and/or member of the *Support Personnel* must first repay all prize money forfeited under this Article and any other fines and/or costs attributed to the violation which have been ordered by the *FEI Tribunal* or otherwise accepted by the *Person Responsible*.

10.10 Forfeited Prize Money

If the FEI recovers prize money forfeited as a result of an ECM Rule violation, it shall take reasonable measures to allocate and distribute this prize money to the next placed Person Responsible/team who would have been entitled to it had the forfeiting Person Responsible/team not competed.

10.11 Intentionally Omitted

~~10.10~~ 10.12 Commencement of Ineligibility Period

~~10.12.1~~ Where the Person Responsible and/or member of the Support Personnel and/or other Person is already serving a period of Ineligibility for an ECM (or EAD) Rule violation, any new period of Ineligibility shall commence on the first day after the current period of Ineligibility has been served. Otherwise, Except as provided below, the period of Ineligibility imposed on any Person or Horse shall start on the date of the Decision providing for Ineligibility or if the hearing is waived or there is no hearing, on the date Ineligibility is accepted or otherwise imposed or any other date specified by the FEI Tribunal in its Decision.

~~10.12.2~~ Delays Not Attributable to the Person Responsible and/or member of the Support Personnel and/or other Person

Where there have been substantial delays in the hearing process or other aspects of *Medication Control* and the Person Responsible and/or member of the Support Personnel and/or other Person can establish that such delays are not attributable to the Person Responsible and/or member of the Support Personnel and/or other Person alleged to have committed the *Rule* violation,

EQUINE CONTROLLED MEDICATION RULES

the *Hearing Panel* may start the period of *Ineligibility* at an earlier date commencing as early as the date of *Sample* collection or the date on which another *ECM Rule* violation last occurred. All competitive results achieved during the period of *Ineligibility* including retroactive *Ineligibility* shall be ~~Disqualified.~~

~~10.10.3~~ **Timely Admission**

~~Where the *Person Responsible* and/or member of the *Support Personnel* (where applicable) promptly (which, for the *Person Responsible*, in all circumstances, means before the *Person Responsible* competes again) admits the *ECM Rule* violation after being confronted with the *Rule* violation by the *FEI*, the period of *Ineligibility* may start as early as the date of *Sample* collection or the date on which another *ECM Rule* violation last occurred. In each case, however, where this Article is applied, the *Person* who committed the *ECM Rule* violation shall serve at least one-half of the period of *Ineligibility* going forward from the date *Ineligibility* is imposed or accepted.~~

~~This Article shall not apply where the period of *Ineligibility* has already been reduced under Article 10.6.3.~~

~~10.10.4~~**12.3** Credit for Provisional Suspension or Period of Ineligibility Served

If a *Provisional Suspension* is ~~imposed (or voluntarily accepted)~~ and respected by the *Person Responsible*, member of the *Support Personnel*, and/or other *Person* and/or *Horse*, then a credit shall be received for such period of *Provisional Suspension* against any period of *Ineligibility* which may ultimately be imposed as determined by the *FEI Tribunal*. If the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* does not respect a *Provisional Suspension*, then the *Person Responsible* and/or member of the *Support Personnel* shall receive no credit for any period of *Provisional Suspension* served. If a period of *Ineligibility* is served pursuant to a decision that is subsequently appealed, then the *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* and/or *Horse* shall receive a credit for such period of *Ineligibility* served against any period of *Ineligibility* which may ultimately be imposed on appeal.

~~10.10.5~~**10.12.4** If a *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* voluntarily accepts a *Provisional Suspension* in writing for himself, herself or the *Horse*, and thereafter refrains from participating in equestrian activities, such *Person* or *Horse* shall receive a credit for such period of voluntary *Provisional Suspension* against any period of *Ineligibility* which may ultimately be imposed. A copy of the voluntary *Provisional Suspension* shall be provided promptly to each party entitled to receive *Notice* of a potential *ECM Rule* violation. If a *Provisional Suspension* is voluntarily accepted, it can only be lifted by *Decision* of the *FEI Tribunal*.

~~10.10.6~~**10.12.5** No credit against a period of *Ineligibility* shall be given for any time period before the effective date of the *Provisional Suspension* or voluntary *Provisional Suspension* regardless of whether the *Person* alleged to have

committed the *ECM Rule* violation elected not to compete or was suspended by his team.

10.41-13 Status During *Ineligibility* or *Provisional Suspension*

10.4113.1 Prohibition against Participation during *Ineligibility* or *Provisional Suspension*

No *Horse*, *Person Responsible* and/or member of the *Support Personnel* and/or other *Person* who has been declared *Ineligible* or is subject to a *Provisional Suspension* may, during ~~the a~~ period of *Ineligibility*, participate in any capacity at an Event, or in a *Competition* or activity that is authorised or organised by the *FEI* or any *National Federation* or be present at an *Event* (other than as a spectator) that is authorised or organised by the *FEI* or any *National Federation*, or participate in any capacity at an Event or in a *Competition* authorised or organised by any international or national-level *Event* organisation or any elite or national-level sporting activity funded by a governmental agency. In addition, for any *ECM Rule* violation, some or all of sport-related financial support or other sport-related benefits received by such *Person Responsible* or *Support Personnel* and/or other *Person* may be withheld by the *FEI* and/or its *National Federations*. A *Horse* subject to a period of *Ineligibility* shall remain subject to *Testing*.

In addition, any *Person Responsible* or member of the *Support Personnel* and/or other *Person* or *Horse* subject to *Ineligibility* under Article 10 may also be banned from any venues where *FEI* competitions are taking place, whether or not the *Person Responsible* or member of the *Support Personnel* or other *Person* is registered with the *FEI*.

10.41-13.2 Return to Training

As an exception to Article 10.13.1, a *Person Responsible* may return to train with a team or to use the facilities of a club or other member organization of the *FEI*'s member organization during the shorter of: (1) the last two months of the *Person Responsible*'s period of *Ineligibility*, or (2) the last one-quarter of the period of *Ineligibility* imposed.

10.4113.32 Violation of the Prohibition of Participation During *Ineligibility*

Where a *Person Responsible* or member of the *Support Personnel* and/or other *Person* who has been declared *Ineligible* or whose *Horse* has been declared *Ineligible* violates the prohibition against participation or attendance during *Ineligibility* described in Article 10.4113.1 above, the results of any such participation shall be *Disqualified* and a new period of *Ineligibility* equal in length up to the original period of *Ineligibility*, including a reprimand and no period of *Ineligibility*, shall be added to the end of the original period of *Ineligibility*. The new period of *Ineligibility* may be adjusted based on the *Person Responsible* and/or member of the *Support Personnel*'s and/or other *Person*'s degree of Fault or other circumstance of the case. In addition, further sanctions may be imposed if appropriate. The determination of whether any *Person* has violated

EQUINE CONTROLLED MEDICATION RULES

the prohibition against participation or attendance, and whether an adjustment shall be made by the *FEI Tribunal*. This decision may be appealed under Article 12.

A Person Responsible and/or member of the Support Personnel and/or other Person who violates the prohibition against participation during a Provisional Suspension described in Article 10.13.1 shall receive no credit for any period of Provisional Suspension served and the results of such participation shall be Disqualified.

Where a Person Responsible and/or member of the Support Personnel and/or other Person assists a Person in violating the prohibition against participation during Ineligibility or a Provisional Suspension, the FEI shall impose sanctions for a violation of Article 2.9 of the EAD Rules for such assistance.

ARTICLE 11 CONSEQUENCES TO TEAMS

11.1 Testing of Teams

Where one (1) member of a team has been notified of an ECM Rule violation under Article 7 in connection with an Event, the FEI shall conduct appropriate Target Testing of all members of the team during the Event Period.

11.2 Consequences for Teams

11.2.1 The FEI Regulations for Equestrian Events at the Olympic Games shall apply at the Olympic Games and the FEI Regulations for the Equestrian Events at the Paralympic Games shall apply at the Paralympic Games.

~~Unless otherwise provided in the FEI Regulations for Equestrian Events at the Olympic or Paralympic Games, the Consequences to teams set forth below will apply.~~

~~11.1.1 At the Olympic Games, Paralympic Games and FEI World Equestrian Games: If a member of a team is found to have committed a violation of these ECM Rules during an Event, the results of the Person Responsible will be Disqualified in all Competitions and the entire team Disqualified.~~

~~11.1.2~~ 11.2.2 At all other Events at which these ECM Rules apply, other than those listed in 11.2.1 above:

If a member of a team is found to have committed a violation of these ECM Rules in connection with an In-Competition test during the Event:

(i) Article 9 shall apply to the Person Responsible's results and where those result(s) count towards a team result(s) or team qualification(s), the Person Responsible's result(s) shall be subtracted from the Team result(s), to be replaced with the result(s) of the next applicable Team member.

EQUINE CONTROLLED MEDICATION RULES

(ii) Article 10.1 shall apply to the Person Responsible's result(s) and where those result(s) that are Disqualified count towards a Team result(s) or Team qualification(s), such Person Responsible's result(s) shall be subtracted from the Team result(s), to be replaced with the result(s) of the next applicable Team member.

~~during an Event where a team ranking is based on the addition of individual results, the results of the Person Responsible may be Disqualified in all Competitions and will be subtracted from the team result, to be replaced with the results of the next applicable team member. If by removing the Person Responsible's results from the team results, the number of Athletes counting for the team is less than the required number, the team shall be eliminated from the ranking.~~

EQUINE CONTROLLED MEDICATION RULES

4522.3 The headings used for the various parts and articles of these *ECM Rules* are for convenience only and shall not be deemed part of the substance of these Rules or to affect in any way the language of the provisions to which they refer.

4522.4 The Introduction, Appendix 1 Definitions, the Equine Prohibited Substances List, and the FEI List of Approved Laboratories, shall be considered integral parts of these *ECM Rules*.

4522.5 These *ECM Rules* have been adopted pursuant to the *FEI Statutes* and *General Regulations* and shall be interpreted, where applicable, in a manner that is consistent with applicable provisions of these *Statutes* and *General Regulations* as well as other *FEI* rules and regulations including but not limited to the *Veterinary Regulations*, the *Internal Regulations of the FEI Tribunal*, the *FEI Standard for Laboratories* and the various *FEI Sport Rules*. ~~4623.1~~ These *ECM Rules* shall enter into force on 1 January 2021 (the "**Effective Date**"). They repeal the *FEI ECM Rules* that came into effect on 1 January 2020.

~~23.2~~ These *ECM Rules* shall not apply retroactively to matters pending before the *Effective Date*. However:

~~23.2.1~~ *ECM Rules* violations taking place prior to the *Effective Date* count as "first violations" or "second violations" for purposes of determining sanctions under Article 10 for violations taking place after the *Effective Date*.

~~23.2.2~~ Any *ECM Rules* violation case which is pending as of the *Effective Date* and any *ECM Rules* violation case brought after the *Effective Date* based on an *ECM Rules* violation which occurred prior to the *Effective Date*, shall be governed by the substantive *ECM Rules* in effect at the time the *alleged ECM Rule* violation occurred, and not by the substantive *ECM Rule* set out in these *ECM Rules*, unless the panel hearing the case determines the principle of "*lex mitior*" appropriately applies under the circumstances of the case. For these purposes, the retrospective periods in which prior violations can be considered for purposes of multiple violations under Article 10.9.4 and the statute of limitations set forth in Article 16 are procedural rules, not substantive rules, and should be applied retroactively along with all of the other procedural rules in these *ECM Rules* (provided, however, that Article 16 shall only be applied

EQUINE CONTROLLED MEDICATION RULES

retroactively if the statute of limitation period has not already expired by the Effective Date).

23.2.3 With respect to cases where a final decision finding an ECM Rules violation has been rendered prior to the Effective Date, but the Person Responsible or member of the Support Personnel and/or other Person is still serving the period of Ineligibility as of the Effective Date, the Person Responsible or member of the Support Personnel and/or other Person may apply to the FEI to consider a reduction in the period of Ineligibility in light of these ECM Rules. Such application must be made before the period of Ineligibility has expired. The decision rendered may be appealed pursuant to Article 12.2. These ECM Rules shall have no application to any case where a final decision finding an ECM Rules violation has been rendered and the period of Ineligibility has expired.

23.2.4 For purposes of assessing the period of Ineligibility for a second violation under Article 10.9.1, where the sanction for the first violation was determined based on rules in force prior to the Effective Date, the period of Ineligibility which would have been assessed for that first violation had these ECM Rules been applicable, shall be applied.

23.2.5 Changes to the List relating to substances on the List shall not, unless they specifically provide otherwise, be applied retroactively. As an exception, however, when a Prohibited Substance has been removed from the Prohibited List, an Person Responsible or member of the Support Personnel and/or other Person currently serving a period of Ineligibility on account of the formerly Prohibited Substance may apply to the FEI to consider a reduction in the period of Ineligibility in light of the removal of the substance from the Prohibited List.

~~16.1 Application to Decisions Rendered Prior to the 2018 ECM Rules~~

~~The 2018 ECM Rules shall have no application to any Controlled Medication Rule violation case where a final Decision finding a Controlled Medication Rule violation has been rendered and the period of Ineligibility has expired.~~

~~They shall not apply retroactively to matters pending before the Effective Date; provided, however, that:~~

~~16.1.1 ECM Rule violations taking place prior to the Effective Date count as "first violations" or "second violations" for purposes of determining sanctions under Article 10 for violations taking place after the Effective Date.~~

~~16.1.2 The retrospective periods in which prior violations can be considered for purposes of multiple violations under Article 10.8.5 and the statute of limitations set forth in Article 14 are procedural rules and should be applied retroactively; provided, however, that Article 14 shall only be applied retroactively if the statute of limitations period has not already expired by the Effective Date. Otherwise, with respect to any ECM Rule violation case which is pending as of the Effective Date and any controlled medication rule violation case brought after the Effective Date based on controlled medication rule violation which occurred prior to the Effective Date, the case shall be governed by the substantive rules in effect at the time the alleged controlled medication~~

EQUINE CONTROLLED MEDICATION RULES

~~rule violation occurred unless the *FEI* Tribunal or national arbitral panel deciding the case determines the principle of "lex mitior" appropriately applies under the circumstances of the case.~~

~~**16.1.3** For purposes of assessing the period of *Ineligibility* for a second violation under Article 10.8.1, where the sanction for the first violation was determined based on rules in force prior to the Effective Date, the period of *Ineligibility* which would have been assessed for that first violation had these ECM Rules been applicable, shall be applied.~~

APPENDIX 1 - DEFINITIONS

Equestrian Community Integrity Unit. An investigative unit of the *FEI* empowered by Chapter XI of the *FEI* Statutes to gather evidence relating to any alleged violations of *FEI* rules, including these *EADCM Regulations*, and to submit such evidence for consideration by the *FEI Tribunal* for any cases brought under the *EADCM Regulations*.

Equine Prohibited Substances List. The list identifying the *Banned Substances/Controlled Medication Substances* and *Banned Methods/Controlled Medication Methods* as published from time to time under the direction of the Secretary General.

Substances with the same biological or chemical effect as a Prohibited Substance are also included on the List as a legal matter, even if they are not specifically listed by name on the List. This is to prevent anyone using substances that are almost identical to a specifically listed Prohibited Substance in either their chemical composition or biological effect. The List is revised by a group of experts (List Group) who propose changes to the *FEI* Board once a year. All changes come into effect 90 days after publication. The List is available in the "Resources" section of this Clean Sport toolkit, on the Clean Sport website (www.cleansport.org) and as a smartphone app.

Fault. *Fault* is any breach of duty or any lack of care appropriate to a particular situation. Factors to be taken into consideration in assessing an *Person Responsible* and/or member of the *Support Personnel's* and/or other Person's degree of *Fault* include, for example, the *Person Responsible's* and/or member of the *Support Personnel's* and/or other Person's experience, whether the *Person Responsible* and/or member of the *Support Personnel* and/or other Person is a *Minor*, special considerations such as impairment, the degree of risk that should have been perceived by the *Person Responsible* and/or member of the *Support Personnel* and/or other Person and the level of care and investigation exercised by the *Person Responsible* and/or member of the *Support Personnel* and/or other Person in relation to what should have been the perceived level of risk. In assessing the *Person Responsible's* and/or member of the *Support Personnel's* and/or other Person's degree of *Fault*, the circumstances considered must be specific and relevant to explain the *Person Responsible's* and/or member of the *Support Personnel's* and/or other Person's departure from the expected standard of behaviour. Thus, for example, the fact that the *Person Responsible* would lose the opportunity to earn large sums of money during a period of *Ineligibility*, or the fact that the *Person Responsible* only has a short time left in his or her career, or the timing of the sporting calendar, would not be relevant factors to be considered in reducing the period of *Ineligibility* under Articles 10.6.1+0-5-1 or 10.6.2+0-5-2.

FEI. The *Fédération Equestre Internationale* acting through its applicable representative as determined in its Statutes, General Regulations, other regulations or rules, or by its Secretary General from time to time.
