Dear Endurance Riders, Dear FEI,

I would like to present me for FEI Athletes Representative.

Like I'm an passionate endurance rider for more than 20 years now, I think it is time for me to help my sport.

My experience and results give me a global vision for this sport.

I was starting Endurance as a Hobby and family affair as an amateur.

In 2007 I started the professional side with my Partner Jean Philippe Frances, since that time we are training endurance horses for high level.

Knowing both sides of endurance permits me to help for better communication between FEI and riders and trainers .

Let's bring back endurance where it belongs.

Kind Regards

Sabrina Arnold
