!

I confirm that the information given in this form is accurate and complete;

I confirm having carefully read the contents of the job specification, in particular but not limited to, the position constraints.

Dear Athletes,

I would like to apply for an representative Athlete position for the endurance riders.

As A non-professional rider, I want to give a voice to all riders; not only to the big commercial stables.

I want to work to make endurance more attractive, especially among the youth, which is the future of this fantastic discipline.

As an ex eventing rider I am very aware of the great differences in training, competitions, regulations etc in the various disciplines and I would like to contribute to achieve more unity and collaboration within the FEI.

I hope we can create some new rules and regulations for riders; professionals en non-professionals so that we all can enjoy our sport with respect for each other and especially our horses.

*Kind regards
Peter Bastijns*
