Education System for FEI Dressage Officials

General principles

The Education System for FEI Dressage Officials provides a series of learning experiences that are based on the FEI Rules and Regulations and their application at international equestrian events. It aims at ensuring that all accredited Officials apply a consistent approach to Dressage matters at all FEI events, keeping the welfare of the Horse at the heart of their practice at all times.

The career pathway offered to FEI Dressage Officials is gradual. It starts with a common core and follows with a progressive specialisation towards the various official functions and their associated levels. FEI Dressage Officials are first listed as Level 1 Officials, (Judge and Steward) and may then complete the requisite training and seek transfer-up to higher-level functions.

National Federations are responsible for the number of Dressage Officials needed in the country to develop the discipline of Dressage. National Federations should designate a Judge and a Steward to oversee the respective National Education Systems.

The National Federation has to submit a written application for a National Official to enter the FEI Education Pathway; this is also valid for National Federations with an Equivalency. The written application has to confirm that the applicant has fulfilled the requirements as set forth in this document. In the Transfer-Up process a National Federation has the right to object to an applicant, with valid reason.

The FEI Dressage Department normally accepts the applicants put forward by the National Federations provided that the requisite criteria are met, and/or unless exceptional circumstances warrant otherwise. Should such a situation arise, the FEI Dressage Department will communicate its concerns directly to the relevant National Federation(s), and consult with them to reach a consensus.

FEI Dressage Officials must maintain up-to-date knowledge of relevant FEI Rules, Regulations and horse welfare matters.

FEI Dressage Officials' competence and performance are regularly evaluated, and their status is reviewed annually by the FEI Dressage Department.

Minimum Requirements for Eligibility to become an FEI Official

For their application to be considered, FEI Dressage Officials must:

- ✓ be familiar with the FEI General Regulations, FEI Dressage Rules, FEI Veterinary Regulations, and Dressage Handbook

Event Participation

Lists of FEI Dressage Officials are available on the FEI website for the use of Organising Committees and other interested Stakeholders, and are updated on a daily basis. Only FEI Dressage Officials who are current with their status maintenance and report submission obligations will be listed, and may officiate at, or be appointed to FEI events.

FEI Dressage Officials must abide by the applicable Code of Conduct and commit to act according to the principles, Rules and Regulations of the FEI.
