INFORMATION TECHNOLOGY (IT)

Latest Developments

The following improvements were recently made on different modules on the FEI Family system:

- Memorisation of renewal list for horses and riders registration; and
- New – HorseValidity Field.

Further information on these latest developments can be consulted [here](#).

Survey on Web Services for Event Organisers

The FEI IT department is currently working on the development of web services for event organisers and has set up a small survey on results management to be sent to organisers around the world. The information received in return will then be used to facilitate the exchange of information related to results between organisers and the FEI and improve the web services as a whole.

Many thanks in advance for your contributions to the survey [here](#).

APPOINTMENT OF STRATEGIC ADVISER

We are happy to inform you that Gerardo Werthein has been appointed as FEI Strategic Adviser by the FEI President. The Strategic Adviser is tasked to oversee the strategic approach of the FEI and advise the Commercial department and the FEI Executive Board/Bureau on the strategic deployment and monetisation of the FEI’s commercial rights including, but not limited to, the optimal approach to sponsorship contracts. He will also review the strategic approach on investments/financial portfolio and provide feedback to the FEI Finance Department and Executive Board/Bureau as necessary.

We would like to take this opportunity to congratulate Mr Werthein as he has just been elected as IOC Member.

FINANCE

Officials Insurance

The FEI would like to clarify Third Party Liability coverage to all FEI officials participating in their official capacity at FEI events. Click [here](#) for details.
